Subject: EPO request - Don Chapin - Pajaro Levee Repairs

Hi Debra,
WRA would like to request EPO approval of $500,000 for Don Chapin's work at Pajaro Levee. The estimate includes installing muscle wall/k-rail/sandbag at the Levee this week & last week, Levee repair work and Levee patrol.
Additionally, Don Chapin requests the attached proposal/contract to be signed for them to continue working on the levee. Considering the estimate being above $100K, WRA's Interim General Manager might not have authority to approve this. Is this something you can approve/sign? I hope that it does not require to go through the usual contract approval process since their service is urgently needed for this storm event.

Please advise.

Thank YOU and be safe,

Nan Kyung Kim

Subject: FW: Pajaro Levee Repairs

Hi Shaunna and Kelly,

I just received a request from Don Chapin Co. regarding emergency T&M contract and on call rate sheet (attached). They are asking for signatures.

Please advise.

Mark / Russ

In an effort to protect both parties, my upper management would like for you to review and sign the

attached T&M contract. for the work we are performing on the Pajaro Levee Work. Please let me know if you have any questions or concerns.
