AMENDMENT NO. 1
TO SERVICES AGREEMENT
BETWEEN RENOVO SOLUTIONS LLC AND
NATIVIDAD MEDICAL CENTER
FOR
Biomedical and DI Equipment Maintenance and Repair Services per RFP 9600-70

This Amendment No. 1 to the Services Agreement ("Agreement") which was effective on March 1, 2019 is entered into by and between the County of Monterey, on behalf of Natividad Medical Center (hereinafter "NMC"), and Renovo Solutions, LLC (hereinafter "CONTRACTOR"); (collectively, the County, NMC and CONTRACTOR are referred to as the "Parties"), with respect to the following:

RECITALS

WHEREAS, the Agreement was executed for biomedical equipment maintenance and repair services per RFP #9600-70, with a term 3/1/19 through 2/28/22 (with the option to extend for two additional one year periods) and a total Agreement amount not to exceed $1,600,000 ($351,478 annually for PM plus $181,855 annually allotted for repairs/T&M); and

WHEREAS, NMC and CONTRACTOR currently wish to amend the Agreement to add preventative maintenance (PM) services for diagnostic imaging equipment to the Agreement at a cost of $166,619 annually (the prorated total amount through expiration of Agreement is $319,353), and to increase the PM services cost for biomed equipment to $538,344 annually (the prorated total amount through expiration of Agreement is $1,031,825) due to a biomed equipment inventory true-up which identified additional equipment requiring PMs that weren't already on the inventory list. NMC and CONTRACTOR also agree that an additional $419,421 shall be included for necessary repairs for biomed and diagnostic imaging equipment collectively. Considering the remaining balance on the Agreement, the additional amount being requested at this time to cover the changes described herein is $752,284, with no change to the Agreement term 3/1/19 through 2/28/22.

AGREEMENT

NOW, THEREFORE, the Parties agree to amend the Agreement as follows:

The Agreement is hereby renewed on the terms and conditions as set forth in the Agreement incorporated herein by this reference, except as specifically set forth below.

1. The parties agree that the inventory sheet attached to the AGREEMENT as Exhibit 1 shall be replaced by the updated inventory sheet attached hereto as "Exhibit 1.1: Inventory Revised per Amendment 1".

2. Section 3.2 under "SCOPE OF SERVICES" shall be amended to the following:

   3.2 Biomed and Diagnostic Imaging Services: CONTRACTOR's Biomed and Diagnostic Imaging services shall include the development and maintenance of a comprehensive equipment and medical device inventory and preventative maintenance schedule, routine preventative maintenance services, routine calibration services, and as-needed repair services of laboratory, clinical and medical equipment at NMC. NMC's current inventory list attached as "Exhibit 1.1 revised per Amendment No. 1" and is subject to change regularly. CONTRACTOR's services shall be performed on NMC grounds and fees billed for this shall be all inclusive of costs for all travel, labor, parts and materials necessary to maintain said equipment or medical devices unless otherwise approved by the NMC Engineering Director or his delegate."

3. Section 5.1 under "COMPENSATION AND PAYMENTS" shall be amended to the following:

5.2 "It is mutually understood and agreed by both parties that CONTRACTOR shall be compensated under this AGREEMENT in accordance with the pricing sheet attached to the AGREEMENT as Attachment A.1 attached hereto this Amendment No. 1. The parties agree that the total Agreement amount shall not exceed $2,352,284 unless approved by the Monterey County Board of Supervisors."

4. Except as provided herein, all remaining terms, conditions and provisions of the Agreement are unchanged and unaffected by this Amendment No. 1 and shall continue in full force and effect as set forth in the Agreement. A copy of this Amendment No. 1 shall be attached to the Agreement.

5. This Amendment No. 1 shall be effective when signed by both parties.

IN WITNESS WHEREOF, the Parties hereto are in agreement with this Amendment No. 1 on the basis set forth in this document and have executed this Amendment No. 1 on the day and year set forth herein.
