Chris: I have sat on this board for about 40 + years and my seat is up for election in November. I neglected to get into the election department and get my name in the running. As of today no one has stepped forward to

Run for this seat, and it is too late for me as the incumbent to file even though they have extended the date to file.

I am OK to be re-appointed by you if the status remains that the seat is empty. I'm fine either way you choose with or without me

And will work with any new additions for a smooth transition.

Sincerely, Vic Lanini
