7. INDEPENDENT CONTRACTOR STATUS

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent contractor and not as an employee of the COUNTY. No offer or obligation of permanent employment with the COUNTY or particular COUNTY department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from COUNTY any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection, therewith CONTRACTOR shall defend, indemnify, and hold COUNTY harmless from any and all liability, which COUNTY may incur because of CONTRACTOR's failure to pay such taxes.

8. INDEMNIFICATIONS AND INSURANCE

8.1 Indemnification: CONTRACTOR shall indemnify, defend and hold harmless the COUNTY, its officers, agents, and employees, from and against any and all claims, liabilities and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorney's fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials or supplies, in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the COUNTY. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

8.2 Evidence of Coverage. Prior to commencement of this Agreement, the CONTRACTOR shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the COUNTY upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the COUNTY'S Contracts/Purchasing Office, unless otherwise directed. The CONTRACTOR shall not receive approval for services for work under this Agreement until all insurance has been obtained as required and approved by the COUNTY. This approval of insurance shall neither relieve nor decrease the liability of the CONTRACTOR.

8.3 Qualifying Insurers. All coverage, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by the COUNTY'S Contracts/Purchasing Officer.

8.4 Insurance Coverage Requirements: Without limiting CONTRACTOR's duty to indemnify,

CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability

8.4.1 Commercial general liability insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broadform Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than one million dollars (\$1,000,000) per occurrence.

8.4.2 Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence if maximum estimated reimbursement obligation by COUNTY to CONTRACTOR under this Agreement is over \$100,000 or if not less than \$500,000 per occurrence if maximum estimated reimbursement obligation by COUNTY to CONTRACTOR under this Agreement is \$100,000 and less.

8.4.3 Workers Compensation Insurance. If CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's liability limits not less than one million dollars (\$1,000,000) each person, one million dollars (\$1,000,000) each accident and one million dollars (\$1,000,000) each disease.

8.4.4 Professional Liability Insurance. If required for the professional service being provided, in the amount of not less than one million dollars (\$1,000,000) per claim and two million dollars (\$2,000,000) in the aggregate, to cover liability for malpractice or errors or omissions made in course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

8.5 Other Insurance Requirements: All insurance required by this Agreement shall be with a company acceptable to the COUNTY and issued and executed by an admitted insurer authorized to transact insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date CONTRACTOR completes its performance of services under this Agreement.

8.5.1 Each liability policy shall provide that the COUNTY shall be given notice in writing at least thirty (30) calendar days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for CONTRACTOR and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

8.5.2 Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as

Additional Insured with respect to liability arising out of the CONTRACTOR'S work, including ongoing and complete operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the COUNTY and that the insurance of the Additional Insured shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.

8.5.3 Prior to the execution of this Agreement by the COUNTY, CONTRACTOR shall file certificates of insurance with the COUNTY's contract analyst and the COUNTY's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

8.5.4 CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by COUNTY, annual certificates to COUNTY'S Contract Analyst and COUNTY'S Contracts/Purchasing Office. If the certificate is not received by the expiration date, CONTRACTOR shall have five (5) calendar days to send the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance coverage is a breach of this Agreement, which entitles COUNTY, at its sole and absolute discretion, to (1) immediately disallow claim(s) for payment and/or withhold payment(s) by COUNTY to CONTRACTOR, pursuant to Sections 5 and 6, for services rendered on or after the effective date of termination, reduction, non-renewal, or cancellation of the insurance coverage maintained by CONTRACTOR, and/or (2) terminate this Agreement pursuant to Section Five (5).

9. NONDISCRIMINATION

9.1 During the performance of this Agreement, CONTRACTOR shall not unlawfully discriminate or engage in unlawful harassment against applicants, employees, or recipients of services because of actual or perceived sex, gender, sexual orientation, gender identity or expression, race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical (including HIV and AIDS) or mental disability or genetic information, veteran's, or other legally protected status, or because of association with a person or group with one or more of these actual or perceived characteristics, either in CONTRACTOR's employment practices or in the furnishing of services to recipients. AOD Prevention Requirements

Prevention services will meet the definition of Primary Prevention as outlined below:

Primary Prevention (source: NNA Contract, Primary Prevention):

Strategies, programs and initiatives which reduce both direct and indirect adverse personal, social, health, and economic consequences resulting from problematic ATOD (alcohol, tobacco and other drug availability), manufacture, distribution, promotion, sales, and use. Primary prevention strategies are directed at individuals not identified to be in need of treatment.

Prevention will address the six CSAP strategies of prevention and provide primary prevention services as outlined in federal regulations:

Six CSAP Strategies

Based on the identified population, prevention funds are applied to services that offer sustainable results using the six prevention strategies established by the Center for Substance Abuse Prevention (CSAP). They are:

- **Information Dissemination Strategy - Service Code 12**

“This strategy provides awareness and knowledge of the nature and extent of alcohol, tobacco, and drug use, abuse, and addiction, and their effects on individuals, families, and communities. It also provides knowledge and awareness of available prevention programs and services. Information dissemination is characterized by one-way communication from the source to the audience, with limited contact between the two.” (CFR 96.125, p 514)

- **Education Strategy - Service Code 13**

“This strategy involves two-way communication and is distinguished from the Information Dissemination Strategy by the fact that interaction between the educator/facilitator and the participants is the basis of its activities. Activities under this strategy aim to affect critical life and social skills, including decision-making, refusal skills, critical analysis, and systemic judgement abilities.” (CFR 96.125, p 514)

- **Alternative Strategy - Service Code 14**

“This strategy provides for the participation of target populations in activities that exclude alcohol, tobacco, and other drug use. The assumption is that constructive and healthy activities offset the attraction to or otherwise meet the needs usually filled by alcohol, tobacco, and other drugs and would, therefore, minimize or remove the need to use these substances.” (CFR 96.125, p 514 & 515)

- **Problem Identification and Referral Strategy - Service Code 15**

“This strategy aims at identification of those individuals who have indulged in illegal/age-inappropriate use of tobacco or alcohol and those individuals who have indulged in the first use of illicit drugs and to assess if their behavior can be reversed through education. It should be noted, however, that this strategy does not include any activity designed to determine if a person is in need of treatment.” (CFR 96.125, p. 515)

- **Community-Based Process Strategy - Service Code 16**

“This strategy aims to enhance the ability of the community to more effectively provide prevention services for alcohol, tobacco, and drug abuse disorders. Activities in this strategy include organizing, planning, and enhancing the efficiency and effectiveness of services implementation, interagency collaboration, coalition building, and networking.” (CFR 96.125, p 515)

- **Environmental Strategy- Service Code 17**

“This strategy establishes, or changes written and unwritten community standards, codes, and attitudes, thereby influencing incidence and prevalence of the use of alcohol, tobacco, and other drugs used in the general population. This strategy is divided into two subcategories to permit distinction between activities which center on legal and regulatory initiatives and those which relate to the service and action-oriented initiatives.” (CFR 96.125, p 515)

Reporting Requirements:

Contractor will provide data, including progress and outcomes on FNL/CL goals and objectives identified in the work plan document as required by the COUNTY and requested and/or required to meet Strategic Prevention Plan (SPP) reporting requirements. Reports shall be submitted on a quarterly basis no later than thirty (30) days following the end of each quarter to MCBH’s designated Contract Monitor. The “Work Plan” document will be reviewed at least annually and can be revised upon mutual agreement by CONTRACTOR and COUNTY, as part of the FNL/CL Reporting process.

Additionally, all relevant activities will be input into the Primary Prevention SUD Data Service (PPSDS) database as outlined by County Behavioral Health staff, as well as the program outcomes identified in the “Work Plan”.

Contractor will utilize three major elements to evaluate prevention services. These include:

Assessment, Evaluation of Progress and Final or Long-Term Evaluation. All three of these elements will use a combination of process evaluation, and outcome evaluation to meet the data collection requirements of the project.

Process evaluation will include meetings held, agendas, attendance, letters sent out to liquor store owners, presentations made, policies passed, etc.

Outcome evaluation refers to collecting and analyzing numeric data that indicates whether desired change is occurring in the community. The California Healthy Kids Survey (CHKS) will be used for this purpose. The PPSDS system will be used to report both process and outcome evaluation.

Assessment phase will consist of two major parts including an examination of existing circumstances and a review of community data. The review of external data will involve a detailed look at the level of ATOD problems by Age, gender, geography, as well as an examination of time trends. A review of past environmental prevention efforts such as various types of stings and sobriety checkpoints will prove useful.

Intermediate phase will involve whether work plan schedules are being met, functioning and make-up of the coalitions, and whether new problems have emerged that need to be dealt with. After the data from Spring 2017 CHKS is available, there will be a review of where the basic problem of youth and ATOD use/access is to determine whether any progress has been made and whether new problems have emerged.

Final evaluation will include a yearly report to the Department of Health, Behavioral Health Bureau summing up achievements and obstacles encountered. Questions to be answered will include:

1. Did the project do more or less than what was stated in the work plan?
2. Were the expected outcomes achieved?
3. Did a desired change occur within the community?

PPSDS PREVENTION PROGRAM REPORTING REQUIREMENTS:

CONTRACTOR shall fully participate in the PPSDS- Prevention data collection and submission process and shall meet the timelines as established by the COUNTY. CONTRACTOR shall report prevention services on a bi-weekly basis as services occur and ensure that services meet COUNTY assigned objectives and County/Provider contract deliverables.

CONTRACTOR must follow DHCS guidance for prevention Data Quality Standards entry to ensure data integrity using the following data quality standards. (Source: Data Quality Standards for Pv Services, Updated January 2021)

The PPSDS data quality standards require that:

1. Quality data is timely.
2. Quality data is logical.
3. Quality data is accurate.

4. Quality data is complete.
5. Quality data is valid

If CONTRACTOR is seeking reimbursement for eligible services funded by Drug Medi-Cal funds, SAPT funds, Federal or State Grants, and/or COUNTY funds provided pursuant to this Agreement, reimbursement for such services shall be based on actual cost of providing those services less any deductible revenues collected by the CONTRACTOR from other payer sources. In order to reduce COUNTY costs, the CONTRACTOR shall comply with all applicable provisions of the California Welfare and Institutions Code (WIC), the California Code of Regulations, the Code of Federal Regulations, and the federal Social Security Act related to reimbursements by non-County and non-State sources, including, but not limited to, collecting reimbursements for services from clients (which shall be the same as patient fees established pursuant to WIC section 5710) and from private or public third-party payers.

CONTRACTOR shall not claim reimbursement from COUNTY for (or apply sums received from COUNTY with respect to) that portion of its obligations which has been paid by another source of revenue. If CONTRACTOR is seeking reimbursement for substance abuse treatment and/or alcohol and other drug prevention services provided pursuant to this Agreement, reimbursement for such services shall be based upon the actual allowable costs of providing those services less any deductible revenues, as stated above. Notwithstanding any other provision of this Agreement, in no event may CONTRACTOR request a rate that exceeds the COUNTY'S Maximum Allowances (CMA), which is based on the providers submitted budget for the program. CONTRACTOR shall be responsible for costs that exceed applicable CMAs. In no case shall payments to CONTRACTOR exceed CMAs. In addition to the CMA limitation, in no event shall the maximum reimbursement that will be paid by COUNTY to CONTRACTOR under this Agreement for any Program Amount be more than the amount identified for each Program Amount for each Funded Program, as identified in this Exhibit B, Section 3. Said amounts shall be referred to as the "Maximum Obligation of County," as identified in this Exhibit B, Section 5.

B. To the extent a recipient of services under this Agreement is eligible for coverage under Drug Medi-Cal funds, SAPT funds, or any other Federal or State funded program ("an eligible beneficiary"), CONTRACTOR shall ensure that services provided to eligible beneficiaries are properly identified and claimed to the Funded Program responsible for such services to said eligible beneficiaries. For the Drug Medi-Cal Funded Program(s), CONTRACTOR assumes fiscal responsibility for services provided to all individuals who do not have full-scope Drug/Medi-Cal or are not Drug/Medi-Cal eligible during the term of this Agreement.

C. CONTRACTOR shall be responsible for delivering services to the extent that funding is provided by the COUNTY. To the extent that CONTRACTOR does not have funds allocated in the Agreement for a Funded Program that pays for services to a particular eligible beneficiary, CONTRACTOR shall, at the first opportunity, refer said eligible beneficiary to another CONTRACTOR within the same geographic area to the extent feasible, which has available funds allocated for that Funded Program.

Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. Any "obligations incurred" included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.

F. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.

G. COUNTY shall review and certify CONTRACTOR'S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor. The County Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.

H. To the extent that the COUNTY determines CONTRACTOR has improperly claimed services to a particular Program Amount, COUNTY may disallow payment of said services and require CONTRACTOR to resubmit said claim of services for payment from the correct Program Amount, or COUNTY may make corrective accounting transactions to transfer the payment of the services to the appropriate Program Amount.

I. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR'S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. J. COUNTY may withhold claims for payment to CONTRACTOR for delinquent amounts due to COUNTY as determined by a Drug/Medi-Cal Disallowance Report, Cost Report or Audit Report settlement resulting from this or prior years' Agreement(s). CONTRACTOR agrees to reimburse COUNTY for any state, federal, or COUNTY audit exceptions resulting from noncompliance herein on the part of CONTRACTOR or any subcontractor.

K. If COUNTY certifies payment at a lesser amount than the amount requested, COUNTY shall immediately notify CONTRACTOR in writing of such certification and shall specify the reason for it. If CONTRACTOR desires to contest the certification, CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) days after CONTRACTOR's receipt of COUNTY's notice. The parties shall thereafter promptly meet to review the dispute and resolve it

on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person. Any costs incurred for dispute resolution will be split evenly between CONTRACTOR and COUNTY.

5. MAXIMUM OBLIGATION OF COUNTY

D. If for any reason this Agreement is canceled, COUNTY’S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.

E. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

A. Provisional Payments: COUNTY payments to CONTRACTOR for performance of eligible services hereunder are provisional until the completion of all settlement activities and audits, as such payments are subject to future Federal, State and/or COUNTY adjustments. COUNTY adjustments to provisional payments to CONTRACTOR may be based upon COUNTY’S claims processing information system data, State adjudication of Drug/Medi-Cal claims files, contractual limitations of this Agreement, annual cost, application of various Federal, State, and/or COUNTY reimbursement limitations, application of any Federal, State, and/or COUNTY policies, procedures and regulations, and/or Federal, State, or COUNTY audits, all of which take precedence over monthly claim reimbursements.

B. Allowable Costs: Allowable costs shall be the CONTRACTOR’S actual costs of developing, supervising and delivering the services under this Agreement, as set forth in the Budget and Revenue Report provided in Exhibit H. Only the costs listed in Exhibit H of this Agreement as contract expenses may be claimed as allowable costs. Any dispute over whether costs are allowable

shall be resolved in accordance with the provisions of applicable Federal, State and COUNTY regulations.

C. Cost Control: CONTRACTOR shall not exceed by more than twenty (20%) percent any contract expense line item amount in the budget without the written approval of COUNTY, given by and through the Contract Administrator or Contract Administrator's designee. CONTRACTOR shall submit an amended budget using Exhibit H, or on a format as required by the COUNTY, with its request for such approval. All requests for budget amendments must be submitted prior to March 31 of the current Fiscal Year period. Such approval shall not permit CONTRACTOR to receive more than the maximum total amount payable under this Agreement. Therefore, an increase in one line item shall require corresponding decreases in other line items.

D. Administrative Overhead: CONTRACTOR shall not exceed by more than fifteen (15%) percent costs for administrative fees.

E. Other Limitations for Certain Funded Programs: In addition to all other limitations provided in this Agreement, reimbursement for services rendered under certain Funded Programs may be further limited by rules, regulations and procedures applicable only to that Funded Program. CONTRACTOR shall be familiar with said rules, regulations and procedures and submit all claims in accordance therewith.

F. Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, State adjudication of Drug/Medi-Cal claims, and billing system data.

7. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.

B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.

D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

8. BILLING PROCEDURES AND LIMITATIONS ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER FEDERAL SOCIAL SECURITY ACT, TITLE XIX MEDICAID SERVICES

A. If, under this Agreement, CONTRACTOR has Funded Programs that include Drug/Medi-Cal services, CONTRACTOR shall certify in writing annually, by August 1 of each year, that all necessary documentation shall exist at the time any claims for Drug/Medi-Cal services are submitted by CONTRACTOR to COUNTY.

CONTRACTOR shall be solely liable and responsible for all service data and information submitted by CONTRACTOR.

B. CONTRACTOR acknowledges and agrees that the COUNTY, in under taking the processing of claims and payment for services rendered under this Agreement for these Funded Programs, does so as the Drug Medi-Cal Organized Delivery System Plan for the Federal, State and local governments.

C. CONTRACTOR shall submit to COUNTY all Drug/Medi-Cal claims or other State required claims data within the thirty (30) calendar day time frame(s) as prescribed by this Agreement to allow the COUNTY to meet the time frames prescribed by the Federal and State governments. COUNTY shall have no liability for CONTRACTOR'S failure to comply with the time frames established under this Agreement and/or Federal and State time frames, except to the extent that such failure was through no fault of CONTRACTOR.

D. COUNTY, as the Drug MC-Organize Delivery System (ODS) Plan, shall submit to the State in a timely manner claims for Drug/Medi-Cal services only for those services/activities identified and entered into the COUNTY'S claims processing information system which are compliant with Federal and State requirements. COUNTY shall make available to CONTRACTOR any subsequent State approvals or denials of such claims upon request by the CONTRACTOR.

E. CONTRACTOR acknowledges and agrees that COUNTY'S final payment for services and activities claimed by CONTRACTOR Drug/Medi-Cal services is contingent upon reimbursement from the Federal and State governments and that COUNTY'S provisional payment for said services does not render COUNTY in any way responsible for payment of, or liable for, CONTRACTOR'S claims for payment for these services.

F. CONTRACTOR'S ability to retain payment for such services and/or activities is entirely dependent upon CONTRACTOR'S compliance with all laws and regulations related to same.

G. Notwithstanding any other provision of this Agreement, CONTRACTOR shall hold COUNTY harmless from and against any loss to CONTRACTOR resulting from the denial or disallowance of claim(s) for or any audit disallowances related to said services, including any State approved Title XIX Medicaid Administrative Activities by the Federal, State or COUNTY governments, or other applicable payer source, unless the denial or disallowance was due to the fault of the COUNTY.

H. CONTRACTOR shall repay to COUNTY the amount paid by COUNTY to CONTRACTOR for Title XIX Medicaid, subsequently denied or disallowed by Federal, State and/or COUNTY government.

I. Notwithstanding any other provision of this Agreement, CONTRACTOR agrees that the COUNTY may offset future payments to the CONTRACTOR and/or demand repayment from CONTRACTOR when amounts are owed to the COUNTY pursuant to Subparagraphs G. and H. above. Such demand for repayment and CONTRACTOR'S repayment shall be in accordance with Exhibit I, Section IV (Method of Payments for Amounts Due to County) of this Agreement.

J. CONTRACTOR shall comply with all written instructions provided to CONTRACTOR by the COUNTY, State or other applicable payer source regarding claiming and documentation.

K. Prohibition on Duplicate Billing- In no event shall CONTRACTOR bill COUNTY for a portion of service costs for which CONTRACTOR has been or will be reimbursed from other contracts, grants or sources.

L. Nothing in this Section 8 shall be construed to limit CONTRACTOR'S rights to appeal Federal and State settlement and/or audit findings in accordance with the applicable Federal and State regulations.

9. PATIENT/CLIENT ELIGIBILITY, UMDAP FEES, THIRD PARTY REVENUES, AND INTEREST

A. CONTRACTOR shall comply with all Federal, State and COUNTY requirements and procedures relating to:

2. The eligibility of patients/clients for Medicaid, Medicare, private insurance, or other third party revenue, and the collection, reporting and deduction of all patient/client and other revenue for patients/clients receiving services hereunder. CONTRACTOR shall pursue and report collection of all patient/client and other revenue.

B. All fees paid by patients/clients receiving services under this Agreement and all fees paid on behalf of patients/clients receiving services hereunder shall be utilized by CONTRACTOR only for the delivery of Non Drug/Medi-Cal, Drug/Medi-Cal service/activities specified in this Agreement.

C. CONTRACTOR may retain unanticipated program revenue, under this Agreement, for a maximum period of one Fiscal Year, provided that the unanticipated revenue is utilized for the delivery of Drug/Medi-Cal services/activities specified in this Agreement. CONTRACTOR shall report the expenditures for the /Medi-Cal services/activities funded by this unanticipated revenue in the Annual Report(s) and Cost Report Settlement submitted by CONTRACTOR to COUNTY.

D. CONTRACTOR shall not retain any fees paid by any sources for, or on behalf of Drug Medi-Cal beneficiaries without deducting those fees from the cost of providing those Drug/Medi-Cal services for which fees were paid.

E. CONTRACTOR may retain any interest and/or return which may be received, earned or collected from any funds paid by COUNTY to CONTRACTOR, provided that CONTRACTOR shall utilize all such interest and return only for the delivery of Non Drug/Medi-Cal, Drug/Medi-Cal services/activities specified in this Agreement.

F. Failure of CONTRACTOR to report in all its claims and in its Annual Report(s) and Cost Report Settlement all fees paid by patients/clients receiving services hereunder, all fees paid on behalf of patients/clients receiving services hereunder, all fees paid by third parties on behalf of Drug Medi-Cal beneficiaries receiving services and/or activities hereunder, and all interest and return on funds paid by COUNTY to CONTRACTOR, shall result in:

1. CONTRACTOR'S submission of a revised claim statement and/or Annual Report(s) and Cost Report Settlement showing all such non-reported revenue.
2. A report by COUNTY to State of all such non-reported revenue including any such unreported revenue paid by any sources for or on behalf of Drug/Medi-Cal beneficiaries and/or COUNTY'S revision of the Annual Report(s).
3. Any appropriate financial adjustment to CONTRACTOR'S reimbursement.

EXHIBIT F - ASSURANCE OF COMPLIANCE WITH MONTEREY COUNTY'S CULTURAL COMPETENCY POLICY

In a culturally competent system, each provider organization shows respect for and responds to individual differences and special needs. Services are provided in the appropriate cultural context and without discrimination related to race, national origin, income level, religion, gender, sexual orientation, age, or physical disability, to name a few. Culturally competent caregivers are aware of the impact of their own culture on their relationships with consumers and know about and respect cultural and ethnic differences. They adapt their skills to meet each family's values and customs. Cultural competence is a developmental and dynamic process – one that occurs over time.

Organizations in a Culturally Competent Service System Promote:

Quality Improvement

- Continuous evaluation and quality improvement
- Supporting evidence-based, promising and emerging practices that are congruent with ethnic/racial/linguistic group belief systems, cultural values and help-seeking behaviors.

Collaboration

- Collaborating with Behavioral Health and other community programs
- Resolving barriers to partnerships with other service providers

Access

- Providing new services to unserved and underserved children, youth, adults and/or older adults
- Reducing disparities to care as identified in the Mental Health Services Act Plan
- Ensuring representation of mental health services consumers, family members of a mental health services consumer, and/or representatives from unserved communities on their advisory/governance body or committee for development of service delivery and evaluation (with a minimum target of 25%).
- Developing recruitment, hiring, and retention plans that are reflective of the target communities' ethnic, racial, and linguistic populations.

Cultural Competent Services:

- Are available, accessible and welcoming to all clients regardless of race, ethnicity, language, age, and sexual orientation.
- Provide a physical environment that is friendly, respectful and inclusive of all cultures.
- Provide information, resources and reading materials in multilingual formats.
- Promote and foment culturally accepted social interactions, respect and healthy behaviors within the family constellation and service delivery system.
- Provide options for services, which are consistent with the client's beliefs, values, healing traditions, including individual preferences for alternative, spiritual and/or holistic approaches to health.
- Offer services in unserved and underserved communities.
- Have services available in the evening and on weekends to ensure maximum accessibility.
- Offer services in Spanish and other necessary languages (such as Tagalog) for at least 50% of all services.

Definitions for Cultural Competency

“Cultural Competence” is defined as a set of congruent practice skills, knowledge, behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers, family members, and professionals that enables that system, agency, or those professionals and consumers, and family member providers to work effectively in cross-cultural situations.

(Adapted from Cross, et al., 1989; cited in DMH Information Notice No.02-03).

“Cultural Competence” is a means to eliminating cultural, racial and ethnic disparities. Cultural Competence enhances the ability of the whole system to incorporate the languages, cultures, beliefs and practices of its clients into the service. In this way all clients benefit from services that address their needs from the foundation of their own culture. Strategies for elimination of these disparities must be developed and implemented. Cultural Competence must be supported at all levels of the system.

(Framework for Eliminating Cultural, Linguistic, Racial and Ethnic Behavioral Health Disparities
pg 9)

A set of congruent behaviors, attitudes, and policies that come together in a system, agency or amongst professionals and consumers and enables that system, agency or those professionals and consumers to work effectively in cross-cultural situations.

(Cross, Bazron, Dennis & Issacs, 1989)

The ability to work effectively with culturally diverse clients and communities.

(Randall David, 1994)

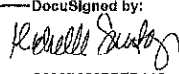

CONTRACTOR hereby agrees that it will comply with the principles and guidelines set forth in Monterey County’s Cultural Competency Policy (as outlined above), and will:

1. Develop organizational capacity to provide services in a cultural competent manner. This may include: hiring staff with the linguistic capabilities needed to meet the diverse language needs in Monterey County (for example, Spanish and Tagalog); providing staff with training in cultural competency; making services accessible at locations and times that minimize access barriers, and ensuring that staff have an open and positive attitude and feel comfortable working with diverse cultures.
2. Create a physical environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: decorating waiting and treatment areas with pictures that reflect the diverse cultures of Monterey County; providing reading materials, resources and magazines in varied languages, at appropriate reading levels and suitable for different age groups, including children and youth; consideration of cultural differences and preferences when offering refreshments; ensuring that any pictures, symbols or materials on display are not unintentionally disrespectful to another culture.
3. Provide an emotional environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: respect for individual preferences for alternative, spiritual and/or holistic approaches to health; a reception staff that is competent in the different languages spoken by clients; staff that is knowledgeable of cultural and ethnic differences and needs and is able and willing to respond to them in an appropriate and respectful manner.

4. Support the county’s goal to reduce disparities to care by increasing access and decreasing barriers to services by unserved and underserved communities.
5. Include the voice of multi-cultural youth, client and family members, including: monolingual and bilingual clients and family members and representatives from unserved and underserved communities, in the advisory/governance body or committee for development of service delivery and evaluation (County Goal: 25%).
6. Participate in outcome evaluation activities aimed at assessing individual organizations as well as countywide cultural competency in providing mental health services.
7. As requested, meet with the Monterey County Behavioral Health Director or designee to monitor progress and outcomes and report regularly to Behavioral Health coordinating bodies on the progress and outcome(s) of the project.
8. As appropriate, participate in cultural competency trainings offered by Monterey County Behavioral Health.

Dissemination of these Provisions. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

By my signature below, as the authorized representative of the CONTRACTOR named below, I certify acceptance and understanding for myself and the CONTRACTOR of the above provisions.

Should the due date fall on a weekend, such report(s) shall be due on the following business day.

1. Failure to submit the Annual Report(s) within thirty (30) calendar days after the due date specified in this Exhibit I, Section I, Subsection (C) is a breach of this Agreement. In addition to, and without limiting, any other remedy available to the COUNTY for such breach, COUNTY may undertake any or all of the following to remedy such breach:

a. COUNTY, in its sole and absolute discretion, may disallow claim(s) for payment for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S Annual Report(s) is (are) outstanding or withhold payment(s) for reimbursements payable pursuant to Section III (A) to CONTRACTOR for the current fiscal year by COUNTY to CONTRACTOR until the Annual Report(s) is (are) submitted. If COUNTY exercises its discretion to disallow claim(s) or withhold payment(s), COUNTY shall give CONTRACTOR written notice, during the thirty (30) calendar days after the due date specified in this Exhibit I, Section I, Subsection (C), of its intention to disallow claim(s) or withhold payment(s) as of the date specified in the notice, including the reason(s) for its intended action. Thereafter, CONTRACTOR, within the time specified in the

notice, shall submit the Annual Report(s) to avoid disallowance of claims or withholding of payments.

b. In such instance that CONTRACTOR does not submit the Annual Report(s) by thirty (30) calendar days after the applicable due date specified in this Exhibit I, Section I, Subsection (C), COUNTY, in its sole and absolute discretion, may deem as due and owing to COUNTY by CONTRACTOR all amounts paid pursuant to Section III (A) by COUNTY to CONTRACTOR for services/activities for the fiscal year(s) for which the Annual Report(s) is (are) outstanding. CONTRACTOR shall pay COUNTY according to the method described in this Exhibit I, Section IV (Method of Payments for Amounts Due to COUNTY). Such payments shall be submitted to the persons at the address identified in the COUNTY invoice.

D. The Annual Report(s) shall be prepared by the CONTRACTOR in accordance with the instructions, rules, policies and procedures established by the Federal governments, State and COUNTY.

II. COST REPORT SETTLEMENT

A. CONTRACTOR shall submit the CONTRACTOR'S Year-End Cost Report Settlement with the COUNTY based on the Annual Report(s) submitted pursuant to this Exhibit I of this Agreement, for the fiscal year(s) for which the CONTRACTOR'S Year-End Cost Report Settlement is (are) outstanding.

1. Failure to submit the CONTRACTOR'S Year-End Cost Report Settlement within thirty (30) calendar days after the due date specified by written notice of the COUNTY is a breach of this Agreement. In addition to, and without limiting, any other remedy available to the COUNTY for such breach, COUNTY may undertake any or all of the following to remedy such breach:

a. COUNTY, in its sole and absolute discretion, may disallow claim(s) for payment for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S Year-End Cost Report Settlement is outstanding or withhold payment(s) for reimbursements payable pursuant to Section III (A) to CONTRACTOR for the current fiscal year by COUNTY to CONTRACTOR until the CONTRACTOR'S Year-End Cost Report Settlement is submitted. B. All payments made to the CONTRACTOR and the actual Federal Financial Participation (FFP) revenue generated by the CONTRACTOR shall be reconciled with CONTRACTOR'S Year-End Cost Report Settlement and/or State Cost Report Settlement. CONTRACTOR'S Year-End Cost Report Settlement shall be based upon the allowable costs as stipulated in Exhibit B, Section VI, Subsection B, less any deductible revenues collected by CONTRACTOR from other payor sources. FFP revenue shall be based upon the FFP claimed by the CONTRACTOR in accordance to the provision of Exhibit B and the reconciled amount of FFP as reflected in the State Cost Report Settlement. Such settlement shall be subject to the terms and conditions of this Agreement and all other applicable Federal, State and local statutes, regulations, policies, procedures and/or other requirements. In addition, audit procedures may be performed by the COUNTY in accordance with the Generally Accepted Accounting Principles and Generally Accepted Auditing Standards.

C. COUNTY shall issue its findings regarding CONTRACTOR'S Year-End Cost Report Settlement and/or State Cost Report Settlement ("COUNTY'S Findings") at any time after the COUNTY received the calculation of the cost settlement from the CONTRACTOR and/or COUNTY completed the State Cost Settlement process.

1. As part of its cost report settlement, COUNTY shall identify any amounts due to CONTRACTOR by the COUNTY or due from the CONTRACTOR to the COUNTY.

2. Upon issuance of the COUNTY'S Findings, CONTRACTOR may, within thirty (30) calendar days, submit a written request to the COUNTY for review of the Findings.

a. Upon receipt by COUNTY of the CONTRACTOR'S written request, the COUNTY shall, within thirty (30) calendar days, meet with the CONTRACTOR to review the COUNTY'S Findings and to consider any documentation or information presented by the CONTRACTOR. CONTRACTOR may waive such meeting and elect to proceed based on written submission at its sole discretion.

b. Within thirty (30) calendar days of the meeting specified in Subsection C., 2., a. above, or if no meeting is requested, within thirty (30) calendar days of the issuance of the COUNTY'S Findings, COUNTY shall issue a final cost report settlement finding to the CONTRACTOR including confirming or adjusting any amounts due to CONTRACTOR by the COUNTY or due from CONTRACTOR to the COUNTY.

3. In the event that the COUNTY'S Findings indicates that the CONTRACTOR is due payment from the COUNTY, COUNTY shall make payment to CONTRACTOR within thirty (30) calendar days following the expiration of the date to request a review as specified in Paragraph C., 2. above or issuance of the COUNTY'S Findings as specified in Paragraph C., 2., b. above, whichever is later.

4. In the event that the COUNTY'S Findings indicates that the CONTRACTOR owes payments to the COUNTY, CONTRACTOR shall make payment to the COUNTY within thirty (30) calendar days following the expiration of the date to request a review as specified in Paragraph C., 2. above or issuance of the COUNTY'S Findings as specified in Paragraph C., 2. b. above, whichever is later. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.

5. Regardless of any other provision of this Section II, reimbursement to CONTRACTOR shall not exceed the Maximum Contract Amount and shall not exceed the Maximum Program Amount for each Funded Program, as identified in Exhibit B.

III. COST REPORT TRAINING

CONTRACTOR shall attend a one-time mandatory cost report training provided by the COUNTY. COUNTY shall provide further cost report training as needed and/or as required according to changes in the State cost report requirements. Failure by the CONTRACTOR to attend the one-time mandatory cost report training, and subsequent training(s), as needed and requested by the COUNTY, may result in disallowance of any claims for payment. If CONTRACTOR continues to neglect attendance to scheduled training(s), claims for payment shall be disallowed due to delayed training completion or non-compliance.

IV. AUDIT(S) AND AUDIT APPEALS

A. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with Federal and State law including but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., authorized representatives from the Federal governments, State or COUNTY may conduct an audit of CONTRACTOR regarding the services/activities provided under the fiscal year(s) for which the audit is outstanding. In addition, contract compliance audits or reviews may be conducted by the Monterey County's Auditor-Controller's Office or designated representative. Furthermore, the California State Controller Office performs audits of the mandated cost claims for the seriously emotionally disturbed pupils for the Out-of-State Mental Health Services Program and Handicapped and Disabled Students Programs. The Centers for Medicare and Medicaid Services (CMS) also perform audits of the Certified Public Expenditure (CPE) processes, negotiated rate audit information, and other issues.

B. Settlement of audit findings shall be conducted according to the auditing party's procedures in place at the time of the audit.

C. In the case of a Federal Government or State audit, COUNTY may perform a post-audit based on Federal or State audit findings. Such post-audit shall take place when the Federal Government or State initiates its settlement action, which customarily is after the issuance of the audit report by the Federal Government or State and before the Federal Government or State's audit appeal process.

1. If the Federal Government or State stays its collection of any amounts due or payable because of the audit findings, COUNTY shall also stay its settlement of the same amounts due or payable until the responsible auditing party initiates its settlement action with COUNTY.

2. COUNTY shall follow all applicable Federal, State and local laws, regulations manuals, guidelines and directives in recovering from CONTRACTOR any amount due to the COUNTY.

3. COUNTY shall issue an invoice to CONTRACTOR for any amount due to the COUNTY no later than ninety (90) calendar days after the Federal or State issues its audit settlement letter to the COUNTY. CONTRACTOR shall make payment to the COUNTY in accordance with the terms of Section IV (Method of Payments for Amounts Due to COUNTY) of this Exhibit I. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.

D. CONTRACTOR may appeal any such audit findings in accordance with the audit appeal process established by the party performing the audit.

1. For Federal audit exceptions, Federal audit appeal processes shall be followed.

2. CONTRACTOR may appeal the State audit findings in conformance with provisions of Sections 51016 et seq. of Title 22 of the California Code of Regulations. Such appeals must be filed through COUNTY. COUNTY shall notify CONTRACTOR of State appeal deadlines after COUNTY'S receipt from State of the audit report.

3. If at any time the Appeal process results in a revision to the audit findings, and the Federal Government or State recalculates the final settlement with COUNTY, COUNTY may perform a post-audit based on the Federal or State revised findings after the Federal Government or State has issued its revised settlement with the COUNTY, based on such re-computed final settlement.

a. If the re-computed final settlement results in amounts due to CONTRACTOR by the COUNTY, COUNTY shall make such payments to CONTRACTOR within thirty (30) calendar days of issuing the revised settlement amount to the CONTRACTOR.

b. If the re-computed final settlement results in amounts due from CONTRACTOR to the COUNTY, CONTRACTOR shall make payment to the COUNTY within thirty (30) days that the COUNTY issues its invoice to the CONTRACTOR.

E. Notwithstanding any other provisions of this Agreement, if CONTRACTOR appeals any audit report, the appeal shall not prevent the COUNTY from recovering from CONTRACTOR any amount owed by CONTRACTOR that the Federal Government or State has recovered from COUNTY.

F. Should the auditing party be the COUNTY, CONTRACTOR shall have thirty (30) calendar days from the date of the audit report within which to file an appeal with COUNTY. The letter providing the CONTRACTOR with notice of the audit findings shall indicate the person(s) and address to which the appeal should be directed. COUNTY shall consider all information provided

by CONTRACTOR with its appeal, and shall issue its decision on the appeal after such consideration. Such decision is final. COUNTY shall issue an invoice for any amount due COUNTY fifteen (15) calendar days after COUNTY has notified CONTRACTOR of the COUNTY'S audit appeal findings. CONTRACTOR shall make payment to the COUNTY in accordance with the terms of Section IV (Method of Payments for Amounts Due to COUNTY) of this Exhibit I. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.

V. METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY

A. Within ten (10) business days after written notification by COUNTY to CONTRACTOR of any amount due by CONTRACTOR to COUNTY, CONTRACTOR shall notify COUNTY as to which of the following five (5) payment options CONTRACTOR requests be used as the method by which such amount shall be recovered by COUNTY.

Any such amount shall be:

1. paid in one cash payment by CONTRACTOR to COUNTY;
2. deducted from future claims over a period not to exceed six (6) months;
3. deducted from any amounts due from COUNTY to CONTRACTOR whether under this Agreement or otherwise;
4. paid by cash payment(s) by CONTRACTOR to COUNTY over a period not to exceed six (6) months; or
5. a combination of any or all of the above.

B. If CONTRACTOR does not so notify COUNTY within such ten (10) days, or if CONTRACTOR fails to make payment of any such amount to COUNTY as required, then Director, in his sole discretion, shall determine which of the above five (5) payment options shall be used by COUNTY for recovery of such amount from CONTRACTOR.

Chapters describe a group of committed young people and at least one adult ally working together. Chapters provide Skill Development, Opportunities, and Outreach through ongoing partnerships at local sites.

Chapter Sites

Chapters provide FNL programs with interactive opportunities to promote youth-led ideas and youth decision-making. Within a chapter, groups can take part in real community change that extends beyond the "chapter walls," beyond the school or site, and into the community at large. In a chapter, youth experience a sense of belonging to something larger than themselves and establish meaningful connections with their peers and adults. Local chapter sites can be housed at a variety of place, such as:

- Schools
- Community Centers
- Churches
- Juvenile Facilities
- Recreation Centers
- Youth Councils
- Mentoring Programs
- Youth Action Groups
- Foster/Group Homes

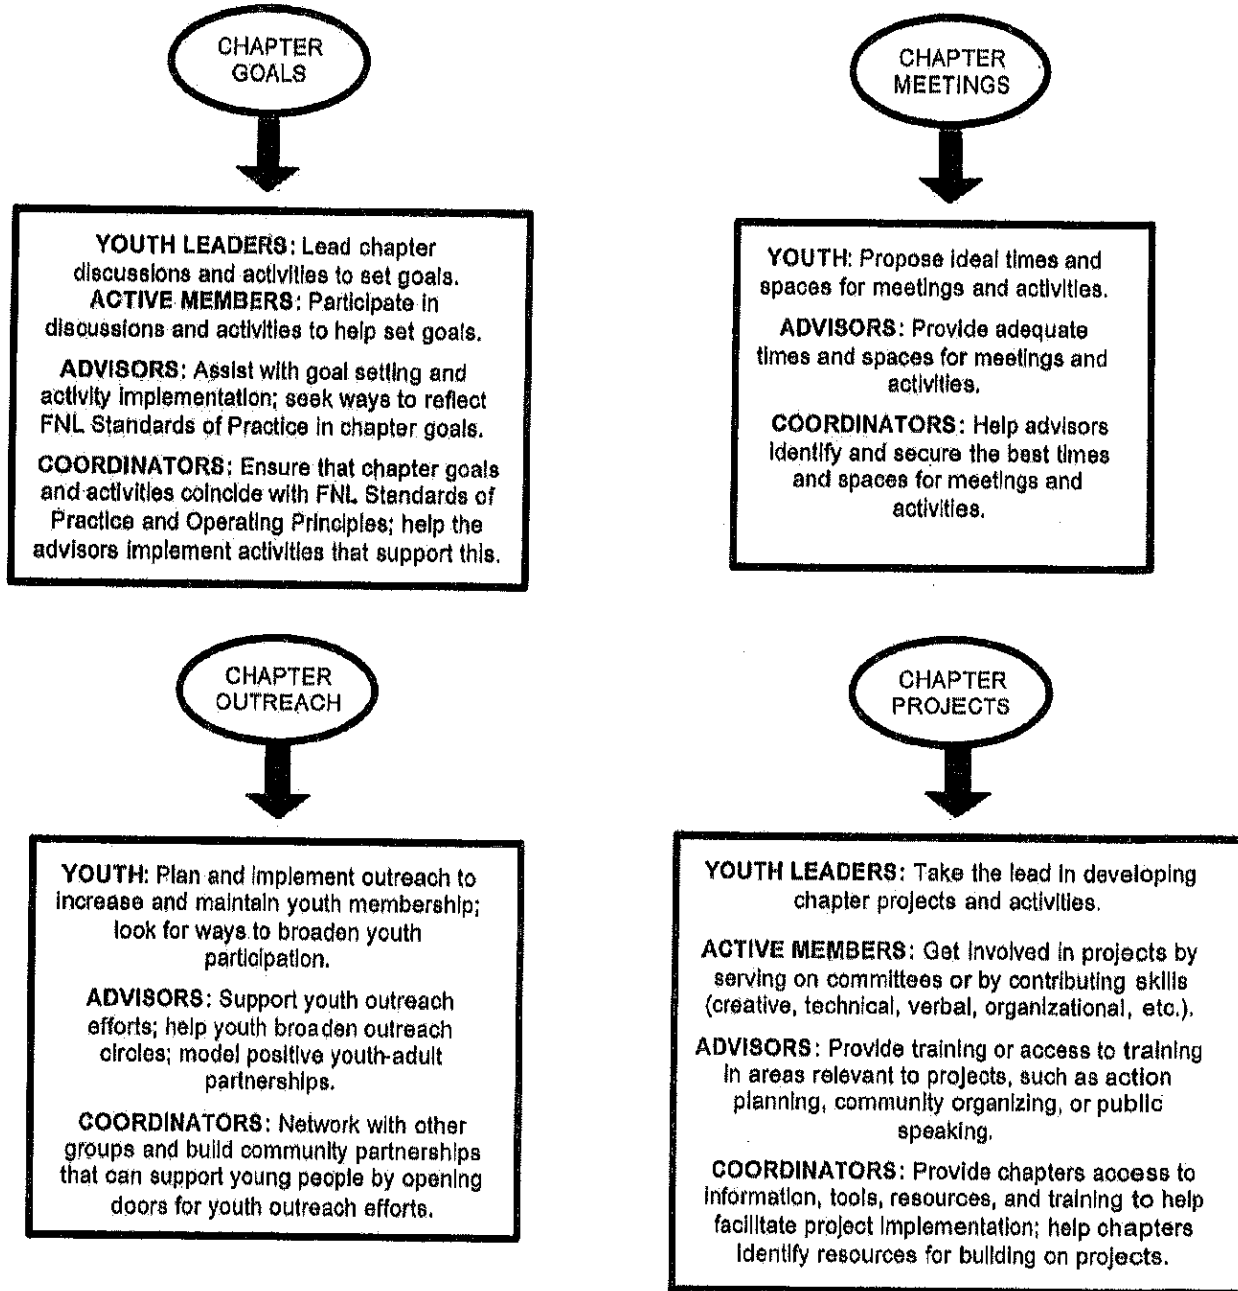

How are CHAPTERS linked to CFNLP's Standards of Practice?

Within each chapter, youth and their adult allies strive to:

SOP Connection	OUTCOME	PRACTICE
	• Provide an emotionally, culturally and physically safe environment...	...by recognizing the diversity of members, establishing group agreements for operations, and engaging groups members in developing group norms, agreements and structures that ensure safety and respect for <i>all</i> types of youth.
	• Make it possible for youth to contribute to their communities and to know about resources and services that are available and accessible to them...	...by promoting other organizations' services and events and by helping youth seek out information that they need or that they are interested in.
	• Gather input from young people about chapter events, action plans, and policies...	...by preparing youth to be chapter leaders and planners, and by implementing formal and informal "feedback" gathering activities (focus groups, interviews, suggestion cards, etc.).
	• Provide opportunities for youth to gain new skills that are designed and based on what they are interested in...	...by involving youth in identifying individual and group skill development goals and by giving youth chances to <i>LEARN BY DOING</i> skills that they are interested in.
• Establish meaningful and caring relationships among youth and with adults...	...by being a place where relationships are given time to grow and where adults and youth know each other well, understand what motivates each other, and honor what each person contributes to the chapter.	

Youth, Advisor, and Coordinator Roles

FNL programs are composed of partnerships between young people, adult advisors and county coordinators. Every project is a team effort between these three players and every success is a shared one. The relationships between the three team "members" is dynamic and interactive, with support and benefit flowing from each and to each; each role supports the others and contributes to the team's overall success. The figures below seek to provide examples of the roles played by youth, advisors and coordinators in CHAPTER operations.

Opportunities are any safe environment or avenue in which youth and adults accomplish a project or task in partnership, with shared power and ownership.

Opportunities are critical to FNL programs because through opportunities the other three components "pay off," or see the fruits of their labors translated into action. This is where things happen, in schools, communities, neighborhoods, and systems. When youth are provided with the right training and support, opportunities give them a place to shine while also having an impact on both individuals and the community at large.

Examples of Opportunities – not an exhaustive list!

Community Service Learning and Social Action: Young people, in partnership with adults, develop and implement community projects designed to bring about real change. *Projects might focus on a particular cause, increase awareness of an issue, or bring about real, lasting change in a targeted area.*

Leadership and Advocacy: Youth serve on community boards and hold intern or staff positions within FNL programs or local community programs that understand and support the FNL approach. *Service can be on boards of directors, advisory councils, commissions, or any decision- or policy-making body.*

Youth-Led Projects and Activities: Youth develop projects and activities designed to send a consistent positive message about youth culture. *In addition to providing "safe and sober" activities, the chapter plans innovative, youth-led activities that celebrate young people's contributions, such as Poetry Slams, Health Olympics, Youth Forums, talent showcases, and teambuilding exercises.*

Relationship Building: Youth interact with their peers and with adults in structured and non-structured environments. *The chapter can host group development activities such as retreats or team building days.*

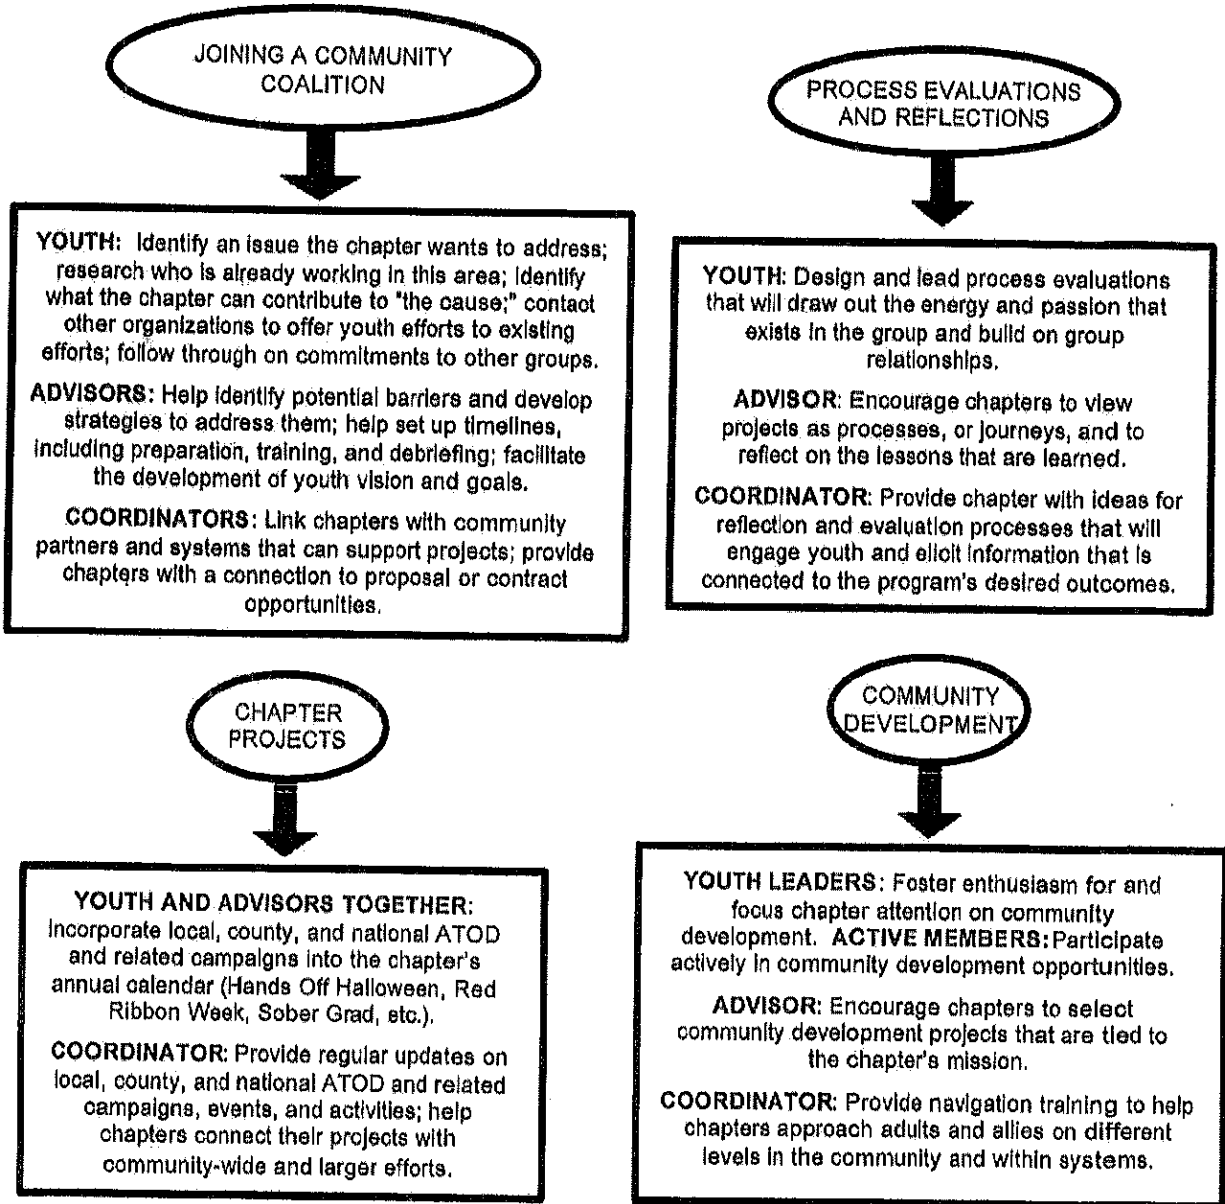

How are OPPORTUNITIES linked to CFNLP's Standards of Practice?

Through opportunities, programs engage youth and adults in projects that:

SOP Connection	OUTCOME	PRACTICE
	<ul style="list-style-type: none"> • Create an emotionally, culturally and physically safe environment... 	... by implementing ongoing group process activities designed to create safe environments; by hosting a community cultural festival to honor a particular culture.
	<ul style="list-style-type: none"> • Create chances for youth to contribute to their community, learn about what's available and accessible to them, and how to navigate systems... 	...by developing service learning projects, joining community coalitions to bring about community change, or making policy recommendations to decision-making bodies.
	<ul style="list-style-type: none"> • Create ways for youth to be leaders and advocates in their communities and to have an impact on chapter and community projects and policies... 	...by including youth in chapter and community development; by establishing a variety of channels for youth to share their ideas; by partnering with youth to turn ideas into reality.

Youth, Advisor, and Coordinator Roles

FNL programs are composed of partnerships between young people, adult advisors and county coordinators. Every project is a team effort between these three players and every success is a shared one. The figures below seek to provide *examples* of the roles played by youth, advisors and coordinators in **OPPORTUNITIES**. The relationships between the three team "members" are dynamic and interactive, with support and benefit flowing from each and to each.

Outreach engages youth, adults, and systems in building the partnerships that create positive and healthy youth development

Through outreach, FNL seeks to involve as many young people, from as many different backgrounds, communities, and environments as possible. The goal is to be intentional about engaging all young people – from non-traditional leaders to youth in recovery, from multiple ethnic and cultural communities, and beyond. Outreach also extends to adults and community partners that can contribute to and participate in FNL partnerships. Outreach is more than simply increasing membership numbers; it's about enhancing the quality of FNL partnerships by making efforts to be as inclusive and complete as possible.

Facets of Outreach

- **Building Relationships:** seeking ways to bring more and more people into FNL partnerships.
- **Opening Doors:** making FNL opportunities available to the widest range of youth and adults.
- **Understanding Other Cultures:** working to be inclusive and welcoming of all young people.
- **Educating Partners and Systems:** getting the word out about positive youth development.
- **Articulating Our Mission:** learning to effectively communicate the ideas and purpose of all FNL programs.

How is OUTREACH linked to CFNLP's Standards of Practice?

Through OUTREACH, youth, adult allies and county staff will:

	<ul style="list-style-type: none"> Participate in opportunities to be leaders and advocates for themselves, within their chapters and schools, as well as in the larger arena of their communities... 	...by establishing ways for youth members to "take the pulse" of other members and their peers in general so that they can effectively design projects and policies that truly appeal to young people.
	<ul style="list-style-type: none"> Develop and practice new skills for conducting outreach activities designed to engage the widest possible range of youth and adults... 	...by being intentional about how the program is presented and promoted and by ensuring that youth are able to articulate FNL's mission, goals, and vision.

The figures below seek to provide *examples* of the roles played by youth, advisors and coordinators in **OUTREACH**. YOUTH: Develop skills to articulate the true experience of CFNLP programs in their own voices, with the support of CFNLP's Standards of Practice; develop an understanding of how the SOP's translate into real life and how to talk about this with others.

ADVISORS: Role model the Standards of Practice, components, and youth/adult partnerships; encourage young people to explore the ideas and concepts in CFNLP materials; help youth develop projects for doing this.

COORDINATORS: Provide training on incorporating the SOP's into outreach strategies; educate partners and systems about the link between positive youth development with problem prevention outcomes.

YOUTH: Connect with culturally specific organizations and clubs; seek members from youth across ages and community sectors; identify who is not "at the table" and develop strategies for including them.

ADVISORS: Respect and address diversity, age, experience, sexual orientation, gender, and ethnic background (as well as other forms of diversity).

COORDINATORS: Build partnerships with a wide range of cultural communities; link with community partners outside of FNL, and focus on integrating youth systems.

YOUTH: Look for ways to find out what other youth think about issues; test their own ideas with others to see if they appeal to larger groups; design projects that are important to as many people as possible.

ADVISORS: Help youth find ways to "test" their ideas with larger groups; test chapter ideas with colleagues and peers in the community, give feedback to the chapters.

COORDINATORS: Provide access to other arenas for youth to test their ideas or to elicit ideas from other community members.

YOUTH: Identify potential partners and think of ways to contact them; think of all the possible sectors of a community to include.

ADVISORS: Help young people think of ways to contact potential partners; provide time and space for youth to practice contacting potential partners and soliciting their help.

COORDINATORS: Help youth make contact with potential partners by introducing them to people in various local systems.

**SKILL DEVELOPMENT**

Skill Development occurs in purposeful activities and opportunities that promote or result in building skills, mastery, resiliency, and core competencies.

Skill Development occurs while youth are preparing for a specific project, developing chapter goals, or participating in general activities. In order to ensure that skill development is happening, approach every project, meeting, event, and activity with an eye for how youth can contribute skills they already have as well as learn and practice new ones. Always ask the questions: "Which young person can do this? Who might want to learn? How can I actively involve them in this project?" It is important to recognize that skill building is a *process* and not an isolated event or training; skill building includes **training** as well as **opportunities** to apply, and training content and **support** from adult allies to use new skills.
