RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve and authorize the Director or Assistant Director of the Department of Social Services to sign an agreement with Seneca Family of Agencies for the scheduling and facilitation of Child and Family Team Meetings to meet the requirements set forth in the Continuum of Care Reform in the amount of \$786,936 for the period of July 1, 2022 through June 30, 2023; and
- b. Authorize the Director or Assistant Director of the Department of Social Services to sign up to three (3) amendments to this agreement where the total amendments do not exceed 10% (\$78,693) of the original contract amount and do not significantly change the scope of work.

SUMMARY/DISCUSSION:

The purpose of this Agreement is to follow best practices in response to the program requirements set forth in the Continuum of Care Reform (CCR). One of the CCR's most fundamental principles is that child welfare services are most effective when delivered in the context of a child or youth and family-centered, child and family team (CFT) that shares responsibility to assess, plan, intervene, monitor and refine services over time. A CFT is a group of individuals that includes the child/youth, family members, professionals, natural community supports, and other individuals identified by the family who are invested in the family's success. The CFT typically conducts and coordinates its work through a CFT meeting. Regular CFT meetings are required for all children involved in child welfare or probation and experiencing out-of-home care, in order to involve families in the decision-making process. It is best practice that CFT meetings be facilitated by a third party in order to balance the power dynamics among participants that have the potential of impeding a family's ability to engage and share their voice during the meeting.

This agreement ensures that CFT meetings are scheduled and facilitated by a third party in order to maintain neutrality and empower families to engage in the decision-making process.

OTHER AGENCY INVOLVEMENT:

The Auditor-Controller and Purchasing have reviewed and approved this Agreement. County Counsel has approved the Agreement as to form.

FINANCING:

This Agreement is funded through Federal and State funds. Sufficient appropriations and estimated revenues in SOC005 are included in the FY2022-23 Recommended Budget

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

This Agreement correlates to the Health & Human Services Strategic Initiative adopted by the Board of Supervisors by allowing the Department to improve the quality of life for children who have been victims, or are at high risk, of abuse or neglect. This Agreement helps the most vulnerable families in the County to reunite whenever safe and appropriate, supporting an inclusive planning process to assure the services and supports they need are decided upon and provided via a communicative, team-based process.
