SUMMARY/DISCUSSION:

The Monterey County Health Department's Animal Services Program (County) is responsible for providing animal control services in the unincorporated areas of Monterey County. It also operates an Animal Services Center located at 160 Hitchcock Road, Salinas, California that offers an array of services, including but not limited to shelter, veterinary, quarantine, and licensing services.

The City of Del Rey Oaks desires to contract with the County for the provision of animal sheltering and pet licensing services at the Animal Services Center. The services to be provided to the City of Del Rey Oaks by the County include sheltering of stray and surrendered domestic animals, pet licensing of dogs or cats owned by City residents and providing rabies testing for animals to rule out suspected rabies as needed. The City of Del Rey Oaks has contracted with the County of Monterey in previous years for similar services. This agreement aligns fees and services provided to the City of Del Rey Oaks with other cities that contract with Animal Services for similar services.

This work supports the Monterey County Health Department 2018-2022 Strategic Plan Goals: 1. To empower the community to improve health and 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health Services. It also supports the following of the ten essential
