- e. Adopt a resolution authorizing the Director of Housing and Community Development to sign documentation required for environmental reviews associated with projects funded with Community Development Block Grants.

SUMMARY:

The Board of Supervisors is being asked to take public comment and close the 30-day public comment period on the Monterey Urban County 2022-2023 Community Development Block Grant

(CDBG) Annual Action Plan (Attachment 1). The public comment period began April 23, 2022. The Urban County, for purposes of this plan, includes the County of Monterey and the cities of Del Rey Oaks, Gonzales, Greenfield, and Sand City. To receive its annual Community Development Block Grant (CDBG) grant allocation, the Urban County must adopt an Annual Action Plan that sets forth a description of eligible projects and programs to be funded. The Annual Action Plan details how the Urban County will use CDBG funds to meet the goals outlined in the 2020-2024 Consolidated Plan. The Urban County will have approximately \$1,370,242 available to support CDBG eligible activities during 2022-2023. As of the drafting of this report, no comments have been received.

DISCUSSION:

Monterey County was first designated as an entitlement community eligible to receive a formula allocation of CDBG funds in 2013. To qualify for, and maintain, this designation as an Urban County, the County partners with the cities of Del Rey Oaks, Gonzales, Greenfield, and Sand City. The Urban County is expected to receive \$1,360,242 in new CDBG Entitlement funding in 2022-2023. In addition, the Urban County is expected to receive Program Income totaling \$10,000 from loan repayments for total available funding of \$1,370,242.

In July 2020 the Board of Supervisors adopted the 2020-2024 Consolidated Plan (available online at <https://www.co.monterey.ca.us/government/departments-a-h/housing-community-development/planning-services/community-development-project-program-financing/urban-county-community-development-block-grants>). The Consolidated Plan provides strategic direction and identifies the types of projects that the Urban County anticipates funding with CDBG during the planning period. The Urban County is required to prepare an Annual Action Plan (AP) that identifies the specific activities will be funded with CDBG funds and how these activities will address the goals contained in the 2020-2024 Consolidated Plan. To ensure that the Urban County considers the widest possible number of activities, it annually issues a Notice of Funding Availability (NOFA) inviting funding proposals. The NOFA is published in El Sol (Spanish translation), the Monterey County Weekly, and the four newspapers published by the South County Newspaper Group. The NOFA is also emailed to more than 200 non-profit organizations that serve Monterey County. Central to the NOFA is the amount of available funding. Federal law governing the CDBG program limits the Urban County to using no more than 15% of the new entitlement funding for public services and no more than 20% for general administration of the program. The only activity that is mandated is fair housing, which can be funded as either a public service or general administration.

Funding proposals were due January 21, 2022. At the time applications were due, the Urban County received 10 proposals for public services requesting a total of \$276,217 and 3 proposals for public facilities requesting a total of \$1,066,317. County staff and representatives from its partner jurisdictions evaluated the public service requests and recommended eight for full funding. The Board's Urban County Standing Committee met on March 17, 2022 to review the applications and recommend project funding that is included in the Annual Action Plan. The Standing Committee's funding recommendations are included as Attachment 2 and 3. Eight public service activities are recommended for funding. These activities address a broad range of activities including food security for seniors, homeless outreach, and youth leadership development. The Committee recommended funding the City of Gonzales' Community Center and City of Greenfield's improvements to Walnut

Avenue.

At the time this staff report was drafted HUD had not released the 2022-2023 allocation amounts. Because of the delay in receiving the allocation and limited program income, the Board of Supervisors is being asked to approve the Annual Action Plan with contingency language authorizing staff to adjust actual awards to subrecipients when the allocation is received. The contingency language will authorize staff to adjust awards based on the actual amount of funding that is made available by HUD and reprogram any unused funds from prior years as follows: if less funding than anticipated is received, all awards will be reduced by the same percentage as any reduction in funding; if more funding than anticipated is received public service awards will remain the same, funding for City of Gonzales may be increased by \$1,000; funding for the City of Greenfield may be increased by \$2,129; general administration may be adjusted to 20% of the HUD grant amount; and, up to \$100,000 may be allocated to construct sidewalks in front of the Aromas School. The city allocations reflect funding their projects at the level anticipated in the 2020-2024 Consolidated Plan but before two years of HUD grant reductions.

The Urban County uses two forms of non-standard Subrecipient Agreements (Attachments 4 and 5) to implement the program with approved subrecipients. Subrecipient Agreements are used because the Urban County is not purchasing goods or services from the subrecipients but rather funding their ability to do so. The Subrecipient Agreements incorporate most standard County requirements, including the standard insurance requirements and requirements imposed by HUD to administer the CDBG program. Because the Urban County may contract with agencies that provide legal services, it was necessary to develop a second version of the Subrecipient Agreement to ensure client confidentiality (Attachment 5).

Because CDBG funds are federal, the County must comply with the National Environmental Policy Act (NEPA) before formally committing funds to a specific project. Generally, actions funded by the Urban County fall into one of three categories: 1) exempt by definition pursuant to 24 CFR § 58.34, 2) categorically excluded and not subject to 24 CFR § 58.5, or 3) categorically excluded and subject to review with 24 CFR § 58.5 but no compliance / consultation with regulatory authorities was required. The Urban County is required to use the HUD Environmental Review Online System (HEROS) to prepare Environmental Review Records for all projects. The recommended resolution (Attachment 6) will authorize the Director of Housing and Community Development to sign all ERRs and accept the federal courts jurisdiction in the event the ERR is challenged instead of the Chair of the Board of Supervisors or County Administrative Officer.

No public comments had been received regarding the Annual Action Plan as of the time this staff report was prepared.

OTHER AGENCY INVOLVEMENT:

The cities of Del Rey Oaks, Gonzales, Greenfield, and Sand City have partnered with the County to be designated as an Urban County. County staff made recommendations for county projects to the Standing Committee. Staff from the three cities and the County made recommendations to the Standing Committee about funding for public services and public facilities. On March 17, 2022, the Standing Committee reviewed the applications and made recommendations on funding that are

included in the Draft Annual Action Plan. County Counsel has reviewed the Annual Action Plan and Subrecipient Agreement templates as to form.

FINANCING:

This action does not change the current FY 2022-2023 appropriations, revenues, or positions. The HUD grant is an annual agreement. If the County complies with grant requirements, the County may elect to continue to receive annual entitlement funding, subject to the federal budget process.

The Housing and Community Development Department has prepared a budget request of \$1,370,242 for FY 2022-2023 based on notification by HUD of the FY2022-2023 funding amount and anticipated Program Income in Fund 13, Unit Code 8546 (Community Development Grants), Appropriation Code HCD005. There is no impact to the General Fund because of the Board's approval of the Annual Action Plan.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

Authorizing the Urban County to post the FY 2022-2023 Annual Action Plan is the first step toward making an anticipated \$1,370,242 available to help local jurisdictions make improvements to public facilities, provide food security for seniors, help children and youth develop the social skills they need to be successful in life, and help homeless persons find shelter.
