SUMMARY/DISCUSSION:

Board Referral No. 2022.03 assigned on February 1, 2022, requested the Natividad CEO, Health Director and County Administrative Officer to explore efforts to support keeping the Watsonville Community Hospital (WCH) open and operating through an expedited purchase of the hospital by the Pajaro Valley Healthcare District Project (PVHD). The WCH meets critical healthcare needs for the Pajaro Valley residents in southern Santa Cruz and northern Monterey counties.

On February 8, 2022, a preliminary response was presented by Dr. Chad Harris, Natividad CEO and Consultant from the Pajaro Valley Healthcare District Project (PVHD) summarizing the formation the PVHD Project, a local non-profit to prevent the closure of the WCH, and its activities to date. The WCH meets critical healthcare needs for the Pajaro Valley residents in southern Santa Cruz and northern Monterey counties. In an effort to prevent the hospital from closing, Senator Laird authored Senate Bill (SB) 418 which moved quickly through the California legislature and was signed by Governor Newsom on February 4, 2022, establishing the PVHD and paving the way for the purchase of Watsonville Community Hospital (WCH) by the PVHD Project.

At the February 8, 2022, meeting, after presentation of the preliminary analysis, the Board committed a contribution in the amount of \$3.0 million towards the purchase of WCH to keep it open and operating and identified Natividad and Cannabis revenue as sources of funding, each contributing \$1.0 million, and a third source to be determined. Health Department funds have been identified as the third funding source to contribute the remaining \$1.0 million.

On February 23, 2022, the bankruptcy court approved the sale of the WCH to the PVHD Project affirming funding has been secured for the purchase requiring the close of escrow on or before August 31, 2022.

As directed by the Board of Supervisors on February 8, 2022, all County funding sources have been identified; the County is ready to issue payment in the amount of \$3.0 million to the PVHD Project for Monterey County's contribution to the acquisition of WCH.

OTHER AGENCY INVOLVEMENT:

The CAO Budget and Analysis Division, Natividad, and the Health Department worked together to identify eligible funding sources as directed by the Board of Supervisors for its contribution to the PVHD project for its acquisition of the WCH.

FINANCING:

There is no impact to the General Fund. The contributed funds will come from allowable departmental sources.
