

EBSCO PUBLISHING LICENSE AGREEMENT

By using the services available at this site or by making the services available to Authorized Users, the Authorized Users and the Licensee agree to comply with the following terms and conditions (the "Agreement"). For purposes of this Agreement, "EBSCO" is EBSCO Industries, Inc.; the "Licensee" is the County of Monterey, a political subdivision of the State of California, on behalf of Natividad Medical Center, the entity or institution that makes available databases and services offered by EBSCO; the "Sites" are the Internet websites offered or operated by Licensee from which Authorized Users can obtain access to EBSCO's Databases and Services; and the "Authorized User(s)" are employees, students, registered patrons, walk-in patrons, or other persons affiliated with Licensee or otherwise permitted to use Licensee's facilities and authorized by Licensee to access Databases or Services. "Authorized User(s)" do not include alumni of the Licensee. "Services" shall mean EBSCOhost, EBSCOhost Integrated Search, EBSCO's Discovery Service eBooks on EBSCOhost and related products to which Licensee has purchased access or a subscription. "Services" shall also include audio books and eBooks to which a Licensee has purchased access or a subscription. "Databases" shall mean the products made available by EBSCO. EBSCO disclaims any liability for the accuracy, completeness or functionality of any material contained herein, referred to, or linked to. Publication of the servicing information in this content does not imply approval of the manufacturers of the products covered. EBSCO assumes no responsibility for errors or omissions nor any liability for damages from use of the information contained herein. Persons engaging in the procedures included herein do so entirely at their own risk.

I. LICENSE

A. EBSCO hereby grants to the Licensee a nontransferable and non-exclusive right to use the Databases and Services made available by EBSCO according to the terms and conditions of this Agreement. The Databases and Services made available to Authorized Users are the subject of copyright protection, and the original copyright owner (EBSCO or its licensors) retains the ownership of the Databases and Services and all portions thereof. EBSCO does not transfer any ownership, and the Licensee and Sites may not reproduce, distribute, display, modify, transfer or transmit, in any form, or by any means, any Database or Service or any portion thereof without the prior written consent of EBSCO, except as specifically authorized in this Agreement.

B. The Licensee is authorized to provide on-site access through the Sites to the Databases and Services to any Authorized User. The Licensee may not post passwords to the Databases or Services on any publicly indexed websites. The Licensee and Sites are authorized to provide remote access to the Databases and Services only to their patrons as long as security procedures are undertaken that will prevent remote access by institutions, employees at non-subscribing institutions or individuals, that are not parties to this Agreement who are not expressly and specifically granted access by EBSCO. For the avoidance of doubt, if Licensee provides remote access to individuals on a broader scale than was contemplated at the inception of this Agreement then EBSCO may hold the Licensee in breach and suspend access to the Database(s) or Services. **Remote access to the Databases or Services is permitted to patrons of subscribing institutions accessing from remote locations for personal, non-commercial use. However, remote access to the Databases or Services from non-subscribing institutions is not allowed if the purpose of the use is for commercial gain through cost reduction or avoidance for a non-subscribing institution. Remote access for personal use from these institutions is permissible.**

C. Licensee and Authorized Users agree to abide by the Copyright Act of 1976 as well as any contractual restrictions, copyright restrictions, or other restrictions provided by publishers and specified in the Databases or Services. Pursuant to these terms and conditions, the Licensee and Authorized Users may download or print limited copies of citations, abstracts, full text or portions thereof provided the information is used solely in accordance with copyright law. Licensee and Authorized Users may not publish the information. Licensee and Authorized Users shall not use the Database or Services as a component of or the basis of any other publication prepared for sale and will neither duplicate nor alter the Databases or Services or any of the

Content therein in any manner nor use same for sale or distribution. Licensee and Authorized Users may create printouts of materials retrieved through the Databases or Services via on-line printing, off-line printing, facsimile or electronic mail. All reproduction and distribution of such printouts, and all downloading and electronic storage of materials retrieved through the Databases or Services shall be for internal or personal use. Downloading all or parts of the Databases or Services in a systematic or regular manner so as to create a collection of materials comprising all or part of the Databases or Services is strictly prohibited whether or not such collection is in electronic or print form. Notwithstanding the above restrictions, this paragraph shall not restrict the use of the materials under the doctrine of "fair use" as defined under the laws of the United States. Publishers may impose their own conditions of use applicable only to their content. Such conditions of use shall be displayed on the computer screen displays associated with such content. The Licensee shall take all reasonable precautions to limit the usage of the Databases or Services to those specifically authorized by this Agreement.

D. Authorized Sites may be added or deleted from this Agreement as mutually agreed upon by EBSCO and Licensee

E. Licensee agrees to comply with the Copyright Act of 1976, and agrees to indemnify EBSCO against any actions by Licensee that are not consistent with the Copyright Act of 1976.

F. The computer software utilized via EBSCO's Databases and Service(s) is protected by copyright law and international treaties. Unauthorized reproduction or distribution of this software, or any portion of it, is not allowed. User shall not reverse engineer, decompile, disassemble, modify, translate, and make any attempt to discover the source code of the software, or create derivative works from the software.

G. The Databases are not intended to replace Licensee's existing subscriptions to content available in the Databases.

H. Licensee agrees not to include any advertising in the Databases or Services.

II. LIMITED WARRANTY AND LIMITATION OF LIABILITY

A. EBSCO and its licensors disclaim all warranties, express or implied, including, but not limited to, warranties of merchantability, no infringement, or fitness for a particular purpose. Neither EBSCO nor its licensors assume or authorize any other person to assume for EBSCO or its licensors any other liability in connection with the licensing of the Databases or the Services under this Agreement and/or its use thereof by the Licensee and Sites or Authorized Users.

B.

C. The provisions of this Paragraph shall apply regardless of the form of action, damage, claim, liability, cost, expense, or loss, whether in contract, statute, tort or otherwise.

D. Licensee is responsible for maintaining a valid license to the third party resources configured to be used via the Services (if applicable). EBSCO disclaims any responsibility or liability for a Licensee accessing the third party resources without proper authorization.

E. EBSCO is not responsible if the third party resources accessible via the Services fail to operate properly or if the third party resources accessible via the Services cause issues for the Licensee. While EBSCO will make best efforts to help troubleshoot problems, Licensee acknowledges that certain aspects of functionality may be dependent on third party resource providers who may need to be contacted directly for resolution.

B. Any taxes applicable to the Database(s) under this Agreement, whether or not such taxes are invoiced by EBSCO, will be the exclusive responsibility of the Licensee and/or Sites.

IV. TERM OF AGREEMENT

The term of the Agreement is from January 1, 2019 through and including December 31, 2019 unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both EBSCO and Licensee with Licensee signing last.

V. TERMINATION

A. In the event of a breach of any of its obligations under this Agreement, Licensee shall have the right to remedy the breach within thirty (30) days upon receipt of written notice from EBSCO. Within the period of such notice Licensee shall make every reasonable effort and document said effort to remedy such a breach and shall institute any reasonable procedures to prevent future occurrences of such breaches. If the Licensee fails to remedy such a breach within the period of thirty (30) days, EBSCO may (at its option) terminate this Agreement upon written notice to the Licensee.

B. Licensee shall be given the opportunity to remedy the breach or infringement within thirty (30) days following receipt of written notice from EBSCO. Once the breach or infringement has been remedied or the offending activity halted, EBSCO shall reinstate access to the Databases or Services. If the Licensee does not satisfactorily remedy the offending activity within thirty (30) days, EBSCO may terminate this Agreement upon written notice to the Licensee.

C. The provisions set forth in Sections I, II and V of this Agreement shall survive the term of this Agreement and shall continue in force into perpetuity.
