5	2018.16	6/26/2018	Alejo	County Counsel/Auditor-Controller		Girard/Shah	8/28/2018	Update County Travel Policy by County Counsel in coordination with the Auditor-Controller's Office.	<p>Monterey County's travel policy managed by the Auditor-Controller has not been updated in many years and today, it does not compare with current market prices or organizational procedures and may exceed legal requirements. The current policy creates barriers for county staff to be able to effectively represent county business at conferences, trainings or in litigation. This policy also conflicts with another travel policy found in the Personnel Policies and Practices Resolution (PPPR). This referral seeks to update the policies to account for inconsistencies, business needs, efficiency, market prices, whether government rates are available or whether the discounted lodging rooms were secured by conference organizers, such as the California State Association of Counties. This lack in clarity in the existing policy is costing unnecessary staff time and an update would modernize our policy with current standards. The new policy should meet Federal and State law while supporting business efficiency.</p> <p>A revised policy was presented to the Board on November 6, 2018. An updated memo was submitted to the Board. A revised policy will be presented to the Board in March 2022.</p>	Pending

The Board identified specific options and authorized Supervisor Alejo to pursue state funding match (\$10M) in the 2020 budget, which will be determined by June 2020. Meanwhile, RMA has coordinated with City staff on their Lincoln Avenue Corridor Master Plan efforts that includes an option for potential reuse of the old jail site. Due to the pandemic the Legislature did not entertain specific budget requests, such as that for the Old Jail. This item is now on hold until the State Budget situation improves. A status update will be provided to the Board in February 2022.	Postponed
8	2019.11	10/8/2019	Adams	Health/Environmental Health/Co Cou		Jimenez/Encarnacion/Strimling	11/19/2019	Establish an Ordinance restricting the use of single-use plastics	<p>Due to the ongoing Shelter In Place order, the development of this ordinance remains delayed. Many of the stakeholder entities have been severely impacted by the SIP (the restaurant and hotel industry particularly) and EH recommends their participation in the development of this ordinance once SIP conditions are lifted or allow business activities to resume at a higher level of production.</p> <p>During the entire month of September 2021, the Recycling Resource And Recovery Services (RRRS) of the Environmental Health Bureau had a survey on posted on the program's webpage seeking input from the public. Insignificant progress has been made towards local authorizations for cannabis operators related to land use and building permits, which impacts the industry's ability to be considered for state annual licenses. Disparate departmental staff funded solely by cannabis revenue should report directly to the Cannabis Program Manager to expedite permit submittal and reporting efficiencies. This would serve to not only expedite current cannabis permitting, but would in-turn free up staff dedicated to cannabis to more quickly focus on other programs. A preliminary analysis was approved by the Board on August 24, 2021. The referring supervisor further requested that County Counsel look into the authority cited by the Agricultural Commissioner. Adequate water supply in Monterey County is inconsistent. Climate change is predicted to make water supply reliability erratic. However, the amendment of 10.72 did not occur. 43	2022.07	2/8/2022	Lopez	Ag. Comm.		Gonzales		Monterey County Agricultural and Livestock Pass	This referral requests that staff determine feasibility of an agricultural and livestock pass for the County of Monterey. In the last few years, California has had some of the largest and most severe wildfires in history of the state. The purpose of creating a county-based "Ag Pass" program is to provide a uniform way to identify vetted commercial farm and ranch owner-operators and their employees to firefighting personnel, California Highway Patrol officers, Sheriff's deputies and other law enforcement officers, and other emergency personnel. Possession of an Ag Pass during a wildfire or a similar disaster potentially allows the agriculturalist limited emergency access to areas that may otherwise be restricted to the public, in order to 1) protect or care for agricultural assets (such as irrigating crops or feeding, watering, and transporting livestock) and/or 2) provide support information to emergency personnel (such as identifying access roads and available water sources)	"NEW - Pending Approval on 2/08/22"
