To All Cities and Agencies with
Assessment Bonds and/or User Fees

The time is quickly approaching for the processing of the 2022-2023 secured roll tax bills, which includes taxes, assessments, fees, and charges. Files must be submitted **directly from the City or Agency** for placement on the tax bills. Administration costs of .25% will be taken off the total amount collected.

In order to place the charges on the secured tax roll, each agency is responsible for annually providing the Auditor-Controller's Office with the following:

- A. USB thumb drive or EXCEL file to include:
 1. 12-Digit Assessor's parcel number, dashes omitted.
 2. Total dollar amount for each parcel – divisible by two.
 3. Tax Code.
 4. Description – unique to each tax code – optional.
- B. Completed attached Information Sheet.
- C. Complete name and address for each assessment or fee assigned to a public property, i.e. federal, state, county, city, or school.
- D. Certification Resolution - To ensure that Proposition 218's provisions are being addressed by each agency using the county tax rolls for collection of taxes, assessments, fees, and charges other than the 1% ad valorem tax, the Auditor/Controller requires a certification resolution. The resolution certifies compliance with Proposition 218 and includes a hold harmless and indemnification provision for administrative expenses of the County associated with collection of each agency's taxes, assessments, fees and charges other than the 1% ad valorem tax. Enclosed is a copy of the required certification resolution including Exhibit "A". Without certification, the County will not place charges on the tax roll.

As a reminder, the County is relying upon your Agency to correctly assess and calculate the amounts placed on the secured roll tax bills.

Submissions must come directly from the agency no later than **August 2, 2022** to the following address or by email to:
