Appeal Process

Should the County disagree with the amount of unspent funds subject to reversion, as determined by DHCS, and wish to appeal the revenue or expenditure amount used to make the determination, the County must submit an appeal to DHCS via email at MHSA@dhcs.ca.gov. This requirement was not waived in the provisions of AB 81. Enclosure 3 provides the appeal forms and instructions. Due to large file size, Enclosure 3 is provided by email. All appeals must include the signed certification form (Enclosure 4). The County will have 30 calendar days to review and appeal component funds subject to reversion, as calculated by DHCS. The County's appeal timeframe will begin upon receipt of the notification letter sent via email.

DHCS will review the appeal and notify the County, via email, of its determination within 45 calendar days of receipt of the County's appeal. After the appeal period has ended, and appeals are finalized, DHCS will send the County a final notice of unspent funds subject to reversion.

Should you have any further questions, please contact Barbara Johnson at Barbara.Johnson@dhcs.ca.gov.

Sincerely,

Donna Ures, Chief
