TERMS AND CONDITIONS

1. Pharmaceutical Waste Compliance Services Stericycle, Inc. has obtained all necessary licenses, permits, insurance and authorizations required to perform services hereunder and, upon request, shall furnish copies thereof to customer. Stericycle, Inc. shall provide pharmaceutical waste compliance services to Customer as described in detail in Attachment A hereto. The services shall include, the pick-up, transportation and disposal of Pharmaceutical Waste, which is defined as waste listed under the "Accepted Waste Streams" section of the Waste Acceptance Policy ("WAP") attached hereto, as the WAP may be amended to ensure compliance with applicable laws or regulations. A copy of Stericycle's Waste Acceptance Policy may also be obtained from your local Stericycle representative. Customer warrants that the waste presented for disposal will conform to the WAP. Title to Pharmaceutical Waste (other than waste that does not conform to the requirements of the WAP ("Non-Conforming Waste") shall transfer to and vest in Stericycle at such time as such waste is loaded onto Stericycle vehicles. Customer shall have title to the Pharmaceutical Waste at all prior times. Customer shall hold title to any Non-Conforming Waste at all times, whether refused for collection, returned to the Customer for proper disposal after collection or otherwise disposed of in accordance with Customer's instructions or arrangements.

2. Recordkeeping and Compliance with Laws Stericycle and Customer shall keep and retain adequate books and records and other documentation including personnel records, correspondence, instructions, plans, receipts, vouchers, permits, required state registrations, copies of manifests and tracking records consistent with and for the periods required by applicable regulations and guidelines pertaining to generation, storage or handling of Regulated Medical Waste and the services to be performed under this Agreement.

3. Term, Pricing and Termination The term ("Term") of this Agreement is established on page one of this document, through 60 months from the date of execution of this agreement.

- (a) Customer shall pay Stericycle the prices set forth on the Attachment A of this Agreement. Stericycle may increase the contract price by 4%. Such increase may not be implemented until the date occurring after the first 12 months of the Term with a 36-month agreement, and after 18 months with a 60-month agreement. Thereafter, price increases of 4% may be implemented on each subsequent anniversary date of the initial price increase. Stericycle may adjust the contract price to account for operational changes it implements to comply with changes in law and/or changes in customer's service requirements, or to otherwise cover unforeseen, significant cost escalation.
- (b) Stericycle has instituted a per invoice fuel surcharge to manage and isolate the impact of Diesel fuel price fluctuations. The fuel surcharge is based on the U.S. 'On Highway' Diesel Price Index. A table outlining the Fuel Surcharge can be found in Attachment D of this agreement.
- (c) In the event of breach of any provision of this Agreement, the non-breaching party shall notify the breaching party in writing of the specific nature of the breach and shall request that it be cured. If the breaching party does not cure the breach within thirty (30) days of such notice, the non-breaching party may immediately terminate this Agreement on written notice to the breaching party, and such termination shall not preclude the non-breaching party from pursuing any and all remedies available to it at law or in equity.
- (d) If Customer breaches this Agreement by terminating Stericycle's collections prior to the expiration of its Term or in any other way violates this agreement in such a way that Stericycle's continued performance is rendered impossible or commercially impracticable, then Stericycle shall be entitled to collect from Customer an amount in liquidated damages (a) equal to 50% if in first 12 months of agreement (b) equal to 45% if in months 12 through 24, or (c) equal to 40% if past the initial 24 months of the agreement, of Customer's average charge on a monthly basis based on the 12 months' billings prior to the cessation of collections (or based on any lesser period if the contract began less than twelve months earlier) times the number of months, including prorated partial months, remaining until the expiration date of the Term or Extension Term. Customer hereby acknowledges (i) that Stericycle's damages resulting from the premature termination of collections include lost profits, inefficiencies resulting from route changes and reduced treatment plant throughput, increased administrative overhead, unrecoverable sunk training/instruction costs, and other elements of injury, (ii) that such damages are extremely difficult to quantify as they relate to any one customer, and (iii) that the foregoing liquidated damages amount is a reasonable estimate of actual expected damages and is not a penalty. Liquidated damages as described herein is Stericycle's sole remedy for Customer's improper early termination.
- (e) Stericycle shall have the right to terminate this Agreement at any time by giving Customer at least sixty (60) days' notice in the event that it is unable to continue performing its obligations under this Agreement due to the suspension, revocation, cancellation or termination of any permit or required to perform this Agreement or in the event that a change in any law, regulation or ordinance makes it impractical in Stericycle's sole discretion, to continue performing this Agreement.
- (f) Upon 30 days' notice to Stericycle, Customer shall have the right to add or delete mutually acceptable Customer facilities receiving Regulated waste services under this Agreement. This addition or exclusion of any facility participating under this Agreement shall have no effect on the services provided the other participating facilities.
- (g) Customer's payments to Stericycle under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for Customer's purchase of the indicated quantity of services, then Customer may give written notice of this fact to Stericycle and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as Customer may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement. In the event the Customer cancels due to insufficient funds, Section 3(d) will be enforced.

4. Survival The term of this agreement is established on page one of the document. If Stericycle is re-awarded a new GPO agreement for medical waste management services, Members having signed a waste service agreement under the previous GPO agreement will continue to have their sales reported and Administrative Fees paid for their Stericycle waste purchase activity on the new GPO agreement without any further action being required, through the term of the Stericycle waste service agreement.

5. Billing Stericycle shall provide Customer with monthly, quarterly or annual invoices that are due upon receipt. Customer agrees to pay the invoice within 30 days from when the County of Monterey Auditor-Controller receives the invoice.

6. Surcharge Stericycle may also impose a 'no waste' surcharge identified in the pricing attachment in the event that Stericycle attempts to pick up waste at a Customer location (on either a scheduled pick-up or in response to a Customer request) and, through no fault of Stericycle, either (a) there is no Regulated Waste for Stericycle to pick up, (b) waste is not ready for pick-up or (c) the Customer location is closed.

7. Liability for Equipment Customer shall have the care, custody and control of containers and other equipment placed at Customer's premises which is owned by Stericycle and accepts responsibility and liability for the equipment and its contents except when it is being physically handled by employees of Stericycle. Customer agrees to defend, indemnify and hold harmless Stericycle from and against any and all claims for loss or damage to property, or personal injury or death, resulting from or arising in any manner out of Customer's use, operation or possession of any containers and other equipment furnished under this Agreement, except to the extent any such loss or damage to personal property, or personal injury or death is a result of Stericycle's negligence, intentional misconduct, or breach of this agreement. Any damage to such property and equipment, other than normal wear and tear, will be charged to the Customer, and payable to Stericycle as additional service cost.

8. Indemnification

(a) Stericycle shall indemnify, defend, and hold harmless the County of Monterey (hereinafter "Customer"), its officers, agents, employees, or subcontractors from any claim, liability, loss, injury or damage arising out of, or in connection with, the performance of this Agreement by Stericycle and/or its officers, agents, employees or sub-contractors, excepting only loss, injury or damage caused by the negligence or willful misconduct of Customer and/or its officers, agents, employees and subcontractors. It is the intent of the parties to this Agreement to provide the broadest possible coverage for Customer. Stericycle shall reimburse Customer for all costs, attorneys' fees, expenses and liabilities incurred with respect to any litigation in which the Stericycle is obligated to indemnify, defend and hold harmless Customer under this Agreement.

(b) Customer shall indemnify, defend, and hold harmless Stericycle, its officers, agents, employees, and subcontractors from any claim, liability, loss, injury or damage arising out of, or in connection with, the performance of this Agreement by Customer and/or its officers, agents, employees or subcontractors, excepting only loss, injury or damage caused by the negligence or willful misconduct of Stericycle and/or its officers, agents, employees and subcontractors. Customer shall reimburse Stericycle for all costs, attorneys' fees, expenses and liabilities incurred with respect to any litigation in which Customer is obligated to indemnify, defend and hold harmless Stericycle under this Agreement.

9. As of the date of this Agreement, Stericycle has obtained, and agrees to maintain during the Term of this Agreement, all necessary permits, licenses, zoning and other federal, state or local authorizations required to perform the services under this Agreement and will furnish copies of these to Customer upon request. Customer and Stericycle each hereby agrees to comply with all federal and state laws, rules and regulations applicable to their handling of Regulated Waste and their performance under this Agreement, including, without limitation, all applicable record keeping, documentation and manifesting requirements. Stericycle and Customer shall keep and retain adequate books and records and other documentation including personnel records, correspondence, instructions, plans, receipts, vouchers, copies of manifests and tracking records and any other records or reports or memoranda consistent with and for the periods required by applicable regulatory requirements and guidelines pertaining to storage or handling of Regulated Waste and the services to be performed under this Agreement.

10. Exclusivity Except as set forth in the GPO Agreement, Customer agrees it shall not enter into other service agreements that duplicate the services Stericycle is rendering in this Agreement.

11. Force Majeure. The obligations of either party to perform under this Agreement will be excused during each period of delay caused by acts of God, war or terrorism, or by shortages of power or materials or government orders which are beyond the reasonable control of the party obligated to perform and prevents the party from being able to perform ("Force Majeure Event"). In the event that either party ceases to perform its obligations under this Agreement due to the occurrence of a Force Majeure Event, such party shall: (1) immediately notify the other party in writing of such Force Majeure Event and its expected duration; (2) take all reasonable steps to recommence performance of its obligations under this Agreement as soon as possible. In the event that any Force Majeure Event delays a party's performance for more than thirty (30) days following notice by such party pursuant to this Agreement, the other party may terminate this agreement immediately upon written notice to such party.

12. Independent Contractor Stericycle's relationship with Customer pursuant hereto is that of an independent contractor, and nothing in this Agreement shall be construed to designate Stericycle as an employee, agent or partner of or a joint venture with Customer.

13. Amendment and Waiver All other amendments to this Agreement (other than as provided in 3(b)) shall be affected only by a written instrument executed by the parties. No waiver shall be effective unless submitted in writing by the party granting such waiver. No waiver of any provision of this Agreement shall be deemed a waiver of any other provision of this Agreement and no waiver of any breach or duty under this Agreement shall be deemed a waiver of any other breach or later instances of the same duty.

14. Savings Clause Intentionally Omitted

15. Entire Agreement This Agreement (including any attachments, exhibits and amendments made in accordance with Paragraph 13) together with the GPO Agreement constitutes the entire understanding and agreement of the parties and cancels and supersedes all prior negotiations, representations, understandings or agreements, whether written or oral, with respect to the subject matter of this Agreement.

16. Governing Law This Agreement shall be governed by and construed in accordance with the laws in the state of California without regard to the conflicts of laws rules of any jurisdiction.

17. Notices All required notices, or those which the parties may desire to give under this Agreement shall be in writing and sent to the parties' addresses set forth on the first page of this Agreement, and in the case of Stericycle, to the Stericycle LQ Sales Department address as follows: Attn: Stericycle LQ Sales Department, 2355 Waukegan Road, Bannockburn, IL 60015. Notices shall be effective when received.

18. Assignment Neither party will assign any rights or obligations under this Agreement without the express written consent of the other party. Such consent shall not be unreasonably withheld.

19. Counterparts This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which when taken together shall constitute one and the same instrument. A copy or facsimile of this Agreement shall be as effective as an original.

20. Limitation of Liability. Except as explicitly provided in this Agreement, Stericycle shall not be liable for any loss of profits or other consequential damages sustained by Customer in connection with performance or nonperformance under this Agreement.

21. Waste Brokers Stericycle reserves the right to deal solely with the Customer and not with any third-party agents of the customer for all purposes relating to this Agreement (other than as contemplated by the GPO Agreement). Customer represents and warrants to Stericycle that it is the medical waste generator and is acting for its own account and not through a broker or agent. Stericycle shall be entitled to terminate this agreement and seek all available legal remedies, including but not limited to liquidated damages, in the amount set forth herein for Customer's breach of this representation and warranty.

22. NON-DISCRIMINATION. During the performance of this Agreement, Stericycle, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), or sexual orientation, either in Stericycle's employment practices or in the furnishing of services to recipients. Stericycle shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. Stericycle and any subcontractor shall, in the performance of this Agreement, full comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

It is understood that current conditions, such as power outages, road closures, and damages to Stericycle's facility and/or equipment, will be taken into consideration.

24. Pharmaceutical Waste Transactional Conversions and Minimums

Non-Specified Container Conversions		Conversion Table Notes
Container Size	Conversion	These conversions will apply to all disposal and Transportation items priced per container unless quoted separately
1-5 Gallon	35%	
6-15 Gallon	50%	Numbers are expressed as factor of a 55-gallon drum (e.g. 55-gallon price x 35%= selling price)
16-30 Gallon	75%	the greater of the conversion factor or location container minimum of \$40 will be applied unless quoted a different rate.
31-55 Gallon	1x	Some Waste may have a different, typically lower, minimum which is reflected on the Non-Standard Minimum table below.
85 Gallon	1.5x

The surcharge will be based on the National U.S. Average 'On Highway' Diesel Fuel Price reported by the U.S. Department of Energy for the prior month to the adjustment.

The prices on these indexes are published by the U.S. Dept. of Energy and Stericycle is not responsible for the information provided.

Attachment F - Customer Respiratory Protection Policy

We protect what matters.

Updated June 2021

Customer Respiratory Protection Policy

This policy applies to U.S.-based Stericycle customers who require Stericycle employees, including in-service technicians, to wear customer-issued respirators when present at the customer's facility.

"Respirator" as used in this policy refers to any device or face covering that is considered a "respirator" by the U.S. Occupational Safety and Health Administration (OSHA) for purposes of its Respiratory Protection standard (29 C.F.R. 1910.134).

When a customer requires Stericycle employees to wear customer-issued respirators, such customer shall, in accordance with 29 C.F.R. 1910.134:

1. Establish and implement a written, work-site specific respiratory protection program that covers contractors and visitors in addition to employees, a copy of which must be made available to Stericycle upon request.
2. Select and provide an appropriate respirator based on the hazards to which the Stericycle employee will be exposed.
3. Conduct a fit test on each Stericycle employee using the same make, model, style and size of respirator that will be provided.
4. Prepare, and retain for at least one (1) year from the date of test, a record of the fit tests administered to Stericycle employees, including: (A) the name of the employee tested; (B) the type of fit test performed; (C) the specific make, model, style and size of respirator tested; (D) the date of the test; and (E) the test results.
5. Provide a copy of the record referenced in item (4), above, to the Stericycle employee immediately following the test.

In accordance with 29 C.F.R. 1910.134, Stericycle trains in-service technicians on respiratory protection and conducts medical evaluations to confirm their ability to use a respirator. Stericycle employees who believe that their safety has been compromised in any way have, and will exercise, stop work authority.

If Stericycle fails to fully satisfy the Coverage Requirements set forth herein, Stericycle agrees that it shall be liable for any loss, injury, damage, attorney's fees or defense costs, or expenses, that Customer incurs that would have been insurable under the required coverages, if such coverages were obtained. Stericycle further agrees that any failure of Customer to verify the placement and continued existence of all insurance required herein, or Customer's knowledge that such requirements are not fully satisfied, shall not be considered a waiver of such requirements, or in any way alter Stericycle's obligations to provide such coverages, unless the Coverage Requirements have been amended in a writing properly executed by both the Customer and Stericycle.
