2) Are you a landowner within the District? \_\_\_\_yes\_\_\_\_

---

(Please attach a letter from the landowner stating that they are putting your nomination forward to serve as their representative on the Board of Directors. They should indicate why they believe you are qualified to serve in this position.)

Please review the 'Board Member Agreement' form regarding expectations of RCDMC Board Service.

**Tell us something about you.**

1) What is your interest in serving on the Board of Directors?

As a concerned landowner, I would like to join the Board of Directors to help carry and implement the mission and vision of the board.

2) What are the most important things that you think the RCD is currently doing? I was one of the recipients of a variety of resources that RCD provides. I believe that “as a united board” they have done an outstanding job providing support to other land owners and I want to be part of that.

3) What are the things you most hope the RCD will do in the future? I think by having a work plan it gives a road map of activities that can be implemented. In addition, I would like to see us encourage landowners to get involved in utilizing the “best practices approach” when resolving issues with their property.

4) Give information related to your background in agriculture and/or natural resources:

I am not knowledgeable in agriculture and natural resources other than what I have done on my own farmland and in what I read in the newsletters and magazines. I’m open to learn as much as I can to help support and implement the mission of the board.

5) What other skills do you think you bring to the District?

I’m a friendly, easy going, people friendly person with experience in education and school management. I have been in Monterey County since 1979. I have been involved in various organizations as a member and leader. I’m always ready to communicate with others - listen, share & resolve.

6) In your industry/field, what is one thing that you think we should know about?

I know school districts, managers, teachers and support staff. That is always a good thing when it deals with networking and resources.

7) Are you aware of any direct or in-direct conflicts of interest you may have serving on the Board? (Conflict of Interest: No director or other officer of the district shall be interested directly or indirectly in the sale of equipment, materials, or services to the district.”). Not at all!

Please also attach a list of three references from other District landowners

Thank you for your interest in serving the District.

1. Jorge & Pamela Palacios.
2. Ignacio Melgoza.
