- Find that the proposed Lease Agreement is in the public interest and that said Lease Agreement will not substantially conflict or interfere with the use of the property by the County.

### SUMMARY/DISCUSSION:

Congresswoman Zoe Lofgren serves the needs of the constituents of the 18<sup>th</sup> Congressional District of the

United States House of Representatives (18<sup>th</sup> Congressional District) including portions of Monterey, San Benito, Santa Clara, and Santa Cruz Counties.

Approval of the 118<sup>th</sup> Congress Lease Agreement (Lease Agreement) will provide Congresswoman Lofgren with the exclusive use of approximately 2,390 square feet of administrative office space, at 142 West Alisal Street, East Wing, Salinas, California (the premises), to effectively serve the constituents of the 18<sup>th</sup> Congressional District of the United States House of Representatives. Congresswoman Lofgren's presence within the Monterey County owned facility at 142 West Alisal Street, Salinas, will serve a valuable public purpose which will benefit the constituency of the County of Monterey.

The Lease Agreement term will commence on or about February 1, 2023, or as mutually agreeable by and between the Parties and expire on January 2, 2025. The Lease Agreement provides for a month-to-month occupancy after the expiration date, and either party may terminate the lease upon thirty (30) days written notification. Due to limitations in the amount U.S. House of Representative Members may pay for rent and utilities, the 18<sup>th</sup> Congressional District is proposing to pay \$2,880 per month rent. Staff finds that the monthly rent is sufficient enough to cover maintenance, utilities, janitorial and other pertinent operational services for the leased premises. Congressional leases are limited and can only provide for a term which corresponds to the current Congress Member's term. Therefore, the proposed Lease Agreement states, "...LESSEE will continue renting the Premises from LESSOR conditioned upon LESSEE's reelection to Congress."

The proposed Lease Agreement provides for tenant improvements to be funded by the LESSEE, as indicated in Exhibit A.1 - TENANT IMPROVEMENTS - LESSEE COSTS, to the Lease Agreement, and tenant improvements to be funded by the County, as indicated in Exhibit A.2 - TENANT IMPROVEMENTS - LESSOR's COST, to the Lease Agreement. Anticipated County tenant improvements may include surplus office furniture in-kind donation. The 18<sup>th</sup> Congressional Office will be responsible for engaging their own consultants for space and furniture lay-out and will fund and coordinate any other required tenant improvements which may include directional signage, new furniture purchases, moving of existing furniture, data and electrical connections for workstations, and additional security measures such as controlled access card reader systems and panic buttons. Any tenant improvements as requested by the 18<sup>th</sup> Congressional District will require review and approval by the County prior to the commencement of any tenant improvements.

Congresswoman Lofgren's presence within the Monterey County owned building, located at 142 West Alisal Street, Salinas, will serve the constituents of the 20th Congressional District which includes Monterey County. The proposed Lease Agreement will not substantially conflict or interfere with the use of the building by the County. Government Code Section 25526.6 provides that the Board may authorize a County officer to convey an interest in real property to a public agency upon a finding that the conveyance of said interest is in the public interest and will not substantially conflict or interfere with the use of the property by the County. Therefore, it is recommended that the Board find that the proposed Lease Agreement is in the public interest and that the Lease Agreement will not substantially conflict or interfere with the use of the property by the County (Government Code Section 25526.6).

#### OTHER AGENCY INVOLVEMENT:

The Office of the County Counsel-Risk Management has reviewed and approved the proposed Lease Agreement as to form and as to insurance and indemnity provisions. The Auditor-Controller's Office has reviewed and approved the proposed Lease Agreement as to fiscal provisions. Congresswoman Zoe Lofgren who represents the 18th Congressional District supports staff's recommendation.

#### FINANCING:

The Board Report and proposed Lease Agreement were developed by the PWFP Department staff and funded

as part of the FY2022-23 PWWP Adopted Budget, General Fund 001, Facilities Appropriation Unit PFP054. The anticipated monthly rent of \$2,880 received from the 18th Congressional District will be deposited as revenue in General Fund, Fund 001, Facilities Appropriation Unit PFP054.
