RECOMMENDATION:

It is recommended that the Board of Supervisors:

Approve and Authorize the Contracts/Purchasing Officer or the Contracts/Purchasing Supervisor to sign Amendment No. 2 to Agreement No. A-14396 with One Workplace L. Ferrari, LLC, DBA Peninsula Business Interiors (PBI), for the purchase of office furniture and office space reconfiguration services, adding \$150,000 for a total Agreement amount of \$650,000 to cover additional services, space design and furniture or office panel systems to reconfigure lobbies and office space for public and staff safety, and extending the term for two (2) years for an extended period from July 1, 2019 through June 30, 2025.

SUMMARY/DISCUSSION:

The Monterey County Health Department (MCHD) has been using Steelcase furniture products in our offices and clinic locations for many years. MCHD has found benefit to having consistent standards for office and clinic furniture to better manage our inventory. Modular office products can be rearranged and reconfigured with minimal cost. The Steelcase product line is durable, and Steelcase Inc. provides an extensive warranty on their product line. Steelcase, Inc. is an approved vendor with the National Joint Powers Alliance (NJPA). PBI is the only local authorized furniture dealer for Steelcase products, located in Monterey County.

Approval of the recommended action will allow PBI to provide the necessary office furniture and products such as free standing and/or open office panel systems, seating, storage cabinets, counters, shelving, chairs and workstation products, as well as product delivery, installation, and removal of existing furniture to meet the needs of Health Department clinics, MCHD building lobbies and staff work areas to create social distance space and safe customer friendly barriers in our lobbies. The budget increase and term extension of the Agreement will also cover future expansion projects. PBI will pay prevailing wages pursuant to Labor Code 1720 and comply with all of its requirements.

This work supports the Monterey County Health Department 2018-2022 Strategic Plan Goal: 4.
