- a. Approve and authorize the Director of Health or the Assistant Director of Health to execute an Agreement between the County of Monterey and the City of Marina (City) for the use of the Animal Services Center and the provision of other animal services for the term retroactive to July 1, 2022 through June 30, 2024; and

SUMMARY/DISCUSSION:

The Monterey County Health Department's Animal Services Program (County) is responsible for providing animal control services in the unincorporated areas of Monterey County. It also operates an Animal Services Center located at 160 Hitchcock Road, Salinas, California that offers an array of services, including but not limited to shelter, veterinary, quarantine, and licensing services.

The City of Marina desires to contract with the County for the provision of animal sheltering services at the Animal Services Center. The Marina Police Department Commander submitted the agreement to the City Clerk for approval. Though delayed, the approval was granted and submitted for execution after the service date, resulting in this retroactive agreement term. The services to be provided to the City of Marina by the County include sheltering of stray and surrendered domestic animals and providing rabies testing for animals to rule out suspected rabies as needed. Previously, the City of Marina has contracted with the City of Salinas for these services. Due to COVID-19 and the consolidation efforts between the City of Salinas and Monterey County, all animals are currently housed in one facility. It is in the best interest of all involved to have the City of Marina contract directly with the County. This agreement aligns fees and services provided to the City of Marina with other cities that contract with Animal Services for similar services.
