Addendum No. 1**Re: County of Monterey ("County") Standard Agreement with Mettler-Toledo, LLC ("Contractor")**

The parties have agreed to execute this Addendum No.1 contemporaneously with the execution of the Standard Agreement. The parties further agree that this Addendum No.1 shall form an integral part of the Agreement.

Contractor stands behind the products and services it provides. Contractor warrants that, under normal use, our products will be free from defects for twelve (12) months from date of original installation or eighteen (18) months from date of shipment, whichever occurs first. Contractor also warrants that our service will be performed in a workmanlike manner consistent with industry standards and free from defects for thirty (30) days, and warrants our replacement parts as free from defects for ninety (90) days from delivery. CONTRACTOR DISCLAIMS ALL OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED (INCLUDING WITHOUT LIMITATION WARRANTIES AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE). Within the standard warranty period, County must notify Contractor immediately when a problem arises so we can resolve the issue. If a warranty issue arises, Contractor will have the option to either refund the purchase price or correct the defect and provide replacement parts and labor free of charge to County.

Contractor will be responsible solely for the damages it causes due to Contractor's negligence, gross negligence, or willful misconduct in the provision or performance of providing to County the goods and services County has ordered. Although we will be responsible for the damages we cause, Contractor's total liability will not exceed the total amount of fees paid by County to Contractor for products or services during the 12 months immediately preceding the date upon which the event giving rise to the claim occurred, and we agree that this limitation will not cause this agreement to fail in accomplishing its essential purpose. Neither County nor Contractor will be responsible to the other or any third party for any type of consequential, indirect, punitive or similar damages.

The pricing in Contractor's quote is our best offer, as of the date of the response, in consideration of the anticipated volume and sales terms. Contractor makes no further warranty or representation with regard to pricing (lower or reduced pricing), takes no position with regard to pricing in comparison to its other customers, and Contractor shall not be able to make any adjustments based thereon.

Shipping is FOB Origin. County agrees to pay Contractor's invoices within thirty (30) days of the invoice date. Payment by County shall not be subject to any retainage, withholding of payments, or contingent upon anything other than Contractor's timely delivery/performance in accordance with the mutually agreed terms. The products and services County receives shall be deemed accepted upon receipt (for products) or completion of Contractor's customer service acknowledgement (for services). Such acceptance shall not alter County's warranty rights under Contractor's standard warranty. The sale and performance of services hereunder will in no way transfer to County any right of ownership in any patents, copyrights, trademarks, technologies, designs, specifications, drawings, or other intellectual property of Contractor. Although Contractor hopes to have a long relationship with County, either of us may terminate this contract upon thirty (30) days' notice. Upon termination, in addition to paying for previously confirmed orders, County agrees to pay Contractor for the costs incurred through the date of termination.
