SUMMARY/DISCUSSION:

The purpose of this Agreement is to clearly define the provision of Wraparound services in Monterey County through a coordinated partnership between Department of Social Services (DSS), Juvenile Probation Department (JPD), the Health Department (HD), and Seneca Family of Agencies.

Wraparound Monterey County will provide flexible, family-centered, and highly individualized Specialty Mental Health and non-Medi-Cal Wraparound services and supports for eligible youth and their families. Wraparound services are designed to enhance permanency and promote the mental health and wellbeing of youth whose social and emotional well-being has been negatively impacted by loss and trauma associated with low family functioning, disrupted attachment, abuse, neglect, exposure to violence, parental incarceration, significant mental health needs and parental substance abuse. To accomplish this, CONTRACTOR pairs youth with a Wraparound team composed of a master's-level care coordinator and bachelor's-level support counselor who support the family in identifying their short- and long-term objectives, building a network of natural supports, and facilitating meetings that create accountable action towards treatment goals and family aspirations. Within this process, CONTRACTOR will

provide assessment, intensive care coordination, intensive home-based services, rehabilitation, individual, family, crisis prevention and response, medication management, and individual, family, or group therapy.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel has reviewed and approved the Agreements as to form, as has the Auditor- Controller's Office as to financial provisions.
