Referral Title: Designation of US Bicycle Route 95 through Monterey County		
Referral Purpose: Consider supporting alignment of the US Bicycle Route 95 through Monterey County.		
<p>Brief Referral Description (attach additional sheet as required): This referral requests staff provide the Board with information on efforts to connect US Bicycle Route 95 through Monterey County with the opportunity to receive direction from the Board regarding submission of a letter of support for the proposed alignment.</p> <p>Mapping of US Bicycle Route 95 is part of a national effort, through ASSHTO, to build a US Bicycle Route System. In California, this effort is led by Caltrans, CA Bicycle Coalition, and the Adventure Cycling Association. The USBR 95 has been designated in California north of Daly City through the state to the border with Mexico. Alignment through Monterey County is needed to complete the alignment.</p> <p>Caltrans is the agency that submits USBR route applications for approval to AASHTO. However, local jurisdictions must submit a letter of support for alignment through their community before Caltrans may apply. County staff have been engaged with stakeholders for more than five years, providing feedback on alignment.</p> <p>Designating a USBR does not impose any constraints or restrictions on the use of a road, street, trail or right-of-way. It's current or future status or use for any other purpose is not changed. The choice of roads for a US Bicycle Route is a tradeoff between low traffic, direct routing, access to services (bike shops, motels, campgrounds, etc.), access to points of interest, and scenic roads.</p>
