Please tell us about yourself and why you want serve. *

At the risk of sounding like a cliché, I evoke Carlota (my Mama) throughout my journey from childhood in Central America to becoming an executive at a well respected organization. She didn't finish high school, was pregnant at 15, had to married my Father (they stayed together for 60 years). Both are gone now. But without totally disrespecting my parents (who did their best in raising us), what choices would my mother make if she had access to resources and a support network that would have shown her possibilities?

Please state the reason you would like to be a member of this board committee/commission/district. *

Making sure that women understand that they have choices, resources and access is what fundamentally drives me.
