## Interests & Experiences

Please tell us about yourself and why you want to serve.

I have been living on the south coast of Big Sur for over eleven years and I enjoy community service and learning the processes behind the functioning of our region's infrastructure. I live on Plaskett Ridge and have firsthand experience with many of the issues presented in the south coast, including dispersed camping, invasive species, littering, and tourist management. I also serve on Pacific Valley School's PTO and have three young children in the Big Sur Unified School District.

Please state the reason you would like to be a member of this board committee/commission/district.

I believe I can accurately represent the south coast of Big Sur because I have been actively involved in my community for over a decade and I have a passion for serving my region. I am also personally affected by road closures because my children cannot go to school due to its physical closure and I have also not been able to work because many of my housekeeping clients are located north of Paul's Slide, so I have a vested interest in knowing the inner workings behind the road closures.
