SECTION 1- PARTIES

This agreement is made and entered into between the County of Monterey (herein called the “County”), and the Service Employees International Union, Local 521CTW-CLC (herein called “Union”). It is agreed by and between the parties that any provision of this agreement requiring legislative action to permit its implementation by amendment of law or by the act of providing the appropriate legislation shall not become effective until the effective date of such action.

SECTION 2- TERM

The term of the Memorandum of Understanding is from ~~January-April 1, 2018-2021~~ to ~~December~~ ~~March~~ ~~December~~ 31, ~~2020~~ ~~2024~~ when said Memorandum shall expire and be of no further force or effect.

SECTION 3- RECOGNITION

The County recognizes the Union as the sole and exclusive bargaining agent for employees in the classifications of Resident Physician (I, II and III).

SECTION 4- NONDISCRIMINATION

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without discrimination because of race, color, gender, age, national origin, religious affiliation or Union membership.

Employees may elect to exercise their right to join and participate in the activities of the Union for the purposes of representation in all matters of their working conditions and employer-employee relations. The parties agree that there shall be no restraint, coercion, or interference with any employee with respect to or because of the employee’s membership in said Union. The Union and the County agree to support the Monterey Plan for Equal Opportunity established by the County and that there shall be no discrimination within their respective organizations because of race, creed, gender, color, national origin, age, disability or political belief.

Any party alleging a violation of this article shall have the burden of proving the existence of a discriminatory act or acts and of proving that, but for such act or acts, the alleged injury or damage the grievant would not have occurred.

SECTION 5- COUNTY OBLIGATION

The County agrees, except for conditions outside its control, to provide Resident Physicians a Residency Program with an educational program of teaching excellence. This program will maintain certification by the American Council on Graduate Medical Education (ACGME) and therefore be designed to educate residents to be prepared to practice the full range of Family Medicine without supervision. Furthermore, such residents will be fully prepared to take and pass the American Board of Family Medicine (ABFM) board exam and become Board certified in their discipline.

The ACGME is a private, 501(c)(3), not-for-profit organization that sets standards for US graduate medical education (residency and fellowship) programs and the institutions that sponsors them, and renders accreditation decisions based on compliance with these standards. In academic year 2015-2016, there were approximately 800 ACGME-accredited institutions sponsoring

approximately 10,000 residency and fellowship programs in 150 specialties and subspecialties. Accreditation is achieved through a voluntary process of evaluation and review based on published accreditation standards. ACGME accreditation provides assurance that a Sponsoring Institution or program meets the quality standards (Institutional and Program Requirements) of the specialty or subspecialty practice(s) for which it prepares its graduates. ACGME accreditation is overseen by a Review Committee made up of volunteer specialty experts from the field that set accreditation standards and provide peer evaluation of Sponsoring Institutions and specialty and subspecialty residency and fellowship programs.

<http://www.acgme.org/>

The ABFM certifies family physicians who are highly skilled and effective at improving the health of their patients, their families, and their communities, and assists Diplomates in maintaining high professional standards through professional development and lifelong learning.

<https://www.theabfm.org>

In the event that Residents have concerns regarding educational aspects of the Residency Program, the Chief Residents shall bring such concerns to the attention of the Director of Family Medicine Residency Program for resolution. If no resolution is achieved within fourteen (14) calendar days, the Chief Residents shall bring the concerns to the Chief Medical Officer. The Chief Medical Officer shall consult with the appropriate member(s) for the medical staff regarding the County's obligation to provide an educational program of the excellence and the staff's responsibility to fulfill that obligation.

SECTION 6- RESIDENT OBLIGATION

Each Resident agrees to fulfill the educational requirements of the graduate training program, and accepts the obligation to use his/her efforts to provide and ensure safe, effective and compassionate patient care as assigned, in accordance with the ACGME, the rules and regulations of the hospital, and the rules and regulation of the medical staff and the residency program.

- A.** Each Resident agrees to comply with all laws, regulations and executive orders to which the County and the medical community at large are subject.
- B.** The Resident will keep medical obligations current (e.g. no delinquent charts). The State of California defines a medical record as delinquent if it remains incomplete fourteen (14) calendar days after discharge. Resident Physicians will be notified at least every week regarding outstanding incomplete records in his/her file, and are required to complete such records as are available to them within 7 days of such notice. Residents will be responsible for completing all available medical records within five (5) working days prior to leave or vacation.
- C. *Incentive Program***
It is in the hospital's best interest to remain in current and in compliance with State regulations related to medical records.

An assessment of the Resident's medical record status will be made on the first day of each month for the previous month (e.g. February 1 for the month of January). If the Resident has completed 100% of his/her medical record obligations, the Resident will be paid the incentive bonus.

This incentive bonus will be equal to two hundred dollars (\$200+50) per month payable monthly on the next regularly occurring full payroll period.

[This provision will sunset June 2023 and Residents will no longer receive the incentive bonus effective July 2023.](#)

D. Penalty

It is expected the Residents will complete medical records in a timely fashion and in accordance with state and federal regulations.

Step 1

Should the Resident not complete, authenticate and sign his/her medical records within 7 days, he/she will be notified in writing by the medical records department.

Step 2

Should the Resident not complete, authenticate and sign his/her medical records within 7 days of Step 1, s/he will be placed on the Suspension List ("Red List") in accordance with Medical Staff Bylaws.

Step 3

After meeting with the Residency Director (or his/her designee) the Director shall develop a plan with the Resident's input to ensure completion of the medical records. At his/her discretion, the Director may grant an extension for extraordinary circumstances.

Step 4

If the Resident does not complete his/her outstanding Medical Record obligation as directed by the Director within 5 working days of the meeting with the Director, said Resident will be penalized 10% of his/her pay for the equivalent of a period of not less than one week. The penalty will continue weekly as long as charts remain delinquent in excess of 31 days.

Step 5

A. If there is no response to the notice and after steps 1-4 have been completed, the Chair of the Medical Record Committee, the Chief of the Medical Staff and the Director of the Family Medicine Residency Program are notified and the Resident will be placed on unpaid Administrative Suspension. Unpaid Administrative Suspension as used herein means: The employee is disallowed from performing any services to the County including providing patient care, attending educational in-service training and on-call duty. If available medical records are not completed within three (3) working days after Unpaid Administrative suspension, further disciplinary action may be taken, up to and including termination of employment.

The County agrees to have dictation equipment available at all times for Resident use.

- B.** In accordance with State law, each U.S. medical school graduate must obtain a California Physician's and Surgeon's Certificate by the end of their second postgraduate year (foreign medical graduates must apply immediately after completion of second year). If a Resident does not have a license by the end of the second postgraduate year, she/he may be terminated after recommendation of the Postgraduate Education Committee or she/he may be placed on leave without pay until she/he obtains the Certificate.

- D. In the event of cancellation, the County will no longer be obligated to facilitate long-term disability insurance.

SECTION 14 – STATE DISABILITY INCOME PROTECTION PLAN

Unit employees shall be covered by the State Disability Income (SDI) Protection Plan at their own expense. The SDI benefit will be integrated with County sick leave benefits.

SECTION 15- HOURS OF WORK

The County recognizes that long duty hours extending over an unreasonably long period of time or onerous, on-call schedules are not consistent with the primary objective of education or the efficient delivery of optimal patient care. The County thereby commits itself, through the Director of Family Medicine Residency Program, to fair scheduling of duty hours for Residents, including provisions of adequate off duty hours. Residents are classified as exempt and must be in compliance with Program Requirements for Residency Education in Family Medicine (ACGME) Guidelines.

Call duty assignments shall not exceed fifty-two (52) days per year or an average of once every seven (7) days except in an emergency or as required by reduction in available staffing or modification in the scope of the Residency Program.

The County will provide the Residents with at least one (1) day (a 24-hour period), out of seven (7), averaged monthly, away from the Residency Program as provided for by (ACGME).

The County will make reasonable efforts to provide adequate staffing to meet these duty hour goals.

Subject to staffing considerations required to meet critical patient service needs, as determined by the Residency Director:

1. The County will recognize and abide by the following ACGME proposed amended ACGME “Minimum Requirements for Resident Duty Hours” provision.
2. Consecutive hours of work shall be limited as recommended by ACGME guidelines.
3. The County shall provide the flexibility for Residents to propose cooperative work schedules that result in four (4) days free of patient care responsibilities over a four-week period.

In the event of the program’s loss of a Resident Physician for fourteen (14) or more days, Resident Physicians shall be eligible to receive compensation (cash or compensatory time-off) on an hour-for-hour basis for covering “on call” and “night float” shifts left unassigned as a result of the vacancy. The terms of this benefit shall not set a precedent to change the Resident Physicians’ overtime eligibility with the County or FLSA eligibility status in any way whatsoever.

SECTION 16- CONSULTATION OF PROGRAM MODIFICATION

The County agrees that management representatives will consult with the Union and designated bargaining unit members on any reduction-in-force or change in the scope of the Residency Program. Such consultation will occur at least six months prior to making final decisions.

In the event of program closure, Monterey County commits to working cooperatively with the Union Residents and the American Board of Family Physicians, and affiliated professional associations to assist with the successful placement of affected residents in comparable Family Medicine programs compliant with the requirements for board certification in Family Medicine.

 - iv. Employees who have not elected to pre-designate a cash out by the applicable deadline (December 1st of the prior calendar year) will be deemed to have waived their right and will not be eligible to buyback/cash out any vacation/annual leave/PTO in the following calendar year. The Appointing Authority may require a physician's certificate or other substantiating evidence that such illness of one of the above listed family members exists.

This provision shall be applied in accordance with the Family Medical Leave Act and all other applicable State and Federal laws.

arbitration hearing date. The parties shall select a mutually acceptable arbitrator. The fees and expenses of the arbitrator shall be shared equally by the parties, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.

No modifications in the basic violation being alleged pursuant to this grievance procedure shall be made subsequent to filing of a grievance unless mutually agreed to by both the County and the grievant or the grievant's representative. However, corrections in citations or other clarifying amendments can be made at any time by the grievant or the grievant's representative.

The Department Head or his/her designee shall hold a meeting with the grievant within seven (7) working days of the receipt of the appeal. The Department Head or his/her designee shall deliver his/her written decision to the grievant and/or his/her representative within (3) working days of the date of the grievance meeting. The Department Head's or his/her designee's decision shall include the reasons on which the decision is based and the remedy or corrections which has been offered, if any, to the grievant.

Step 3 Mediation

If the grievance is not settled at Step 2 of the procedure, the Union on behalf of the employee shall, within ten (10) working days from receipt of the Department Head's or his/her designee's written decision, make a written request to the County CAO or designee to seek the assistance of a mediator from the state conciliation service in an attempt to resolve the grievance. The mediator shall have no authority to resolve the grievance except by agreement of the Union and the County. In the event the grievance is not resolved, neither evidence nor concessions agreed to or offered during mediation shall be admissible at the subsequent grievance hearing.

Step 4 Arbitration

- A.** If a grievance is not settled at Step 3 of the procedure, the Union and only the Union may appeal the grievance in writing to the County Administrative Officer within ten (10) working days from the decision by either party to end the mediation process.
- B.** The parties shall select a mutually acceptable arbitrator. The fees and expenses of the arbitrator; the transcript for the arbitrator; and the court reporter shall be shared equally by the parties, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts and similar cost incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
- C.** The decision of an arbitrator shall be final and binding upon the parties but shall not add to, subtract from, nor otherwise modify the terms and conditions of this agreement.

- D. The parties expressly agree that the term of this section shall expire as of the expiration date of the agreement and that the status quo shall revert to a situation where there is no arbitration of grievances that occur after the expiration date of the agreement until or unless a successor agreement is approved by the Board of Supervisors.

22.6 Representation

- A. The employee has the right to the assistance of one (1) employee representative/shop steward in addition to a staff representative of the Union in the preparation and/or presentation of her/his grievance in Steps 2 through 4 of this procedure provided, however, that the supervisory employees shall not represent non-supervisory employees.
- B. An employee is also entitled to represent himself/herself individually at any step of the grievance procedure, except in arbitration. Only the Union may file for arbitration of a grievance.
- C. A grievant may not change his/her designation of representative organization, during the processing of a grievance except by mutual agreement of the parties.
- D. If the employee is represented in a formal grievance meeting, the department may also designate a management representative to be present in such a meeting.

22.7 Grievance Withdrawal

The grievant and his/her representative may withdraw the grievance at any step of the grievance procedure by giving written notice to the County representative who last took action on the grievance, with a copy to the Office of the CAO.

22.8 Grievance Resolution

If a grievance is resolved at Step 2 or 3 in the procedure as provided herein, the grievant concerned shall indicate acceptance of the resolution by affixing her/his signature in the appropriate space indicated. If the employee has been represented by the Union at the step in the procedure at which a resolution is reached, the Union representative shall also sign the appropriate document acknowledging that the employee has accepted the resolution. Decisions on grievances where an employee represents himself/herself shall not be considered precedent setting or binding with regard to any future grievances filed with respect to the same or similar matters.

22.9 Reconsideration

By mutual agreement, the parties may revert the grievance to a prior level for reconsideration. If the grievance is not then settled at the prior level, the grievant shall continue to have the rights set forth in this procedure.

22.10 Consolidation

The County may consolidate grievances where, in its discretion, the grievances present substantially similar issues.

Then Union may file group grievance at the second step of the grievance procedure by listing each person who claims to be adversely affected and all other data required in this article.

22.11 Processing Grievances

The grievant shall be granted reasonable time off with pay from regularly scheduled duty hours to process a grievance, provided that the time off will be devoted to the prompt and efficient investigation and handling of grievances, subject to the following:

- A. Neither a grievant nor a grievant's representative who is a County employee shall suffer any loss of pay for attending any regularly scheduled grievance hearing required by the procedure herein set forth.
- B. A grievant or grievant's representative shall notify their supervisor as soon as possible of scheduled grievance hearings and of any changes in the time or date or scheduled hearings in which they must participate.
- C. In no event shall a grievant be represented by more than one (1) County employee at the grievance hearings.

SECTION 23- LAYOFF PROCEDURES

23.1 Policy

The County may lay off an employee because of lack of work, lack of funds, material change in duties or organization, or in the interest of economy or causes outside the County's direct control.

The County shall inform the Union regarding the effects of any planned reduction in force or layoffs affecting one (1) or more full-time equivalent positions within the bargaining unit. Departments and employees covered by other layoff procedures; i.e. Local Agency Personnel Standards, State Merit System, or Anti-recession Federal Regulations, shall be governed by those procedures.

23.2 Procedure

Layoffs will be determined within County departments, not the County as a whole. In the event of a reduction in force in department, the Department Head shall designate the classes, positions, and number of employees to be eliminated. The department at this time shall provide the Union with a current seniority list for those employees and classes affected. Layoffs shall be made among all representation unit employees in the same class within a County department in the following order:

- Temporary employees
- Probationary new employees (excluding promotional probationary employees.)
- Seasonal employees *
- Permanent employees.
- Excluding the Agricultural Department*

No permanent employee within a department shall be laid off in any class if there are temporary employees in an active status in the same class within that department.

Layoffs shall be ranking sequence of employees except as otherwise provided herein. For purposes of layoff, rank shall be defined as the length of continuous service in a class series as determined by County personnel records while occupying a permanent position within the County. Continuous service for purposes of ranking for layoff shall be defined to include work related injury leave of up to one (1) year's duration.

A permanent employee of Natividad Medical Center subject to layoff shall be entitled to assume temporary employee status in lieu of layoff provided the employee is qualified to assume the duties and responsibilities of an existing temporary position and class. No new temporary positions shall be created for the sole purpose of eliminating permanent employees. Layoffs of employees within each category of employment status within a department and within a class series shall be based on ranking sequence unless it can be demonstrated that: 1) an employee possesses special skills, training, or abilities, or 2) the employee's past job performance or disciplinary record justifies an alternative ranking, or 3) the employee may be, by virtue of ranking sequence, subject to disparate treatment.

A permanent full-time employee may elect to be ranked within employees in any class in the same department with the same or lower salary in which the employee has served in permanent status in the County service. An employee must notify his/her Appointing Authority within two (2) days after receipt of written notice of layoff of election of this option except if the second day following notice of layoff is not a regularly scheduled work day, the employee may give notice on the next work day.

In lieu of layoff, the Department Head may offer a permanent employee a demotion to any class for which the employee qualified. Employees demoted in lieu of layoff pursuant to this paragraph shall not be eligible for the "Y" rating procedure. An employee who chooses a demotion in lieu of layoff shall have the right of restoration to his or her former class when an opening occurs and his or her ranking sequence warrants restoration subject to the provisions of Section 22.4 below.

23.3 Notice

Written notice of layoff shall be served on the affected employees in person or mailed by the United State Postal Service to the employee's latest address on file with the County. The layoff notice shall be served or mailed at least twenty-one (21) calendar days prior to the expected effective date of any separation effective on or after October 1, 1983, unless delay results from consideration of demotion under the provisions of Section 22.2 the notice shall include:

- The reason for the layoff.
- The effective date of the action.
- A reference to the provisions governing reemployment.
- Notice that employment counseling is available.
- A copy of the notice shall be given to the Union.

23.4 Reemployment of Employees Laid Off

The names of persons laid off under these procedures shall be maintained on a departmental recall list for the class series from which the employee was laid off for a period of one (1) year from the date of layoff. When filling any position, the Department Head shall recall laid off employees from the departmental recall list for the class of the position in inverse order of layoff. No new employee shall be hired nor shall any employee be promoted in any class until all employees on layoff status in that class have the opportunity to return to work.

As an exception to the provisions of this paragraph, however, when the best interest of the County requires an employee with demonstrated special qualifications, skills or training, or for affirmative action considerations, the Department Head may make an exception to the above order of recall in order to appoint an employee out of ranking sequence.

Every employee given notice of layoff may request employment counseling and evaluation in order to determine those job classes within the County for which the employee meets employment eligibility requirements and desires to be considered for employment from a Preferred Eligible list. Such counseling and evaluation shall be available by appointment in order of request. Following the counseling and evaluation, laid off employee's name shall be placed on a Preferred Eligible List for each class designated as a result of the counseling and evaluation. When the Personnel Division receives a request to refer applicants to a department for a vacant position in a class for which there exists a preferred Eligible List, the laid off employee on the list shall be considered for employment prior to any job applicant. A competitive job related selection process may be used to determine the order in which laid off employees on a Preferred Eligible List for a class will be referred for an interview.

A laid off employee may be removed from the department recall list or a Preferred Eligible List for any of the following reasons:

- The expiration of one (1) year from the date of layoff.
- Reemployment within the County.
- Failure to accept employment or report to work.
- Failure to respond within seven calendar (7) days to a communication regarding availability of employment.
- Failure to appear for a job interview after notification by telephone or by mail addressed to the employee's last address on file within the County.
- Request in writing by the laid off employee to be removed from the list.

23.5 Restoration of Benefits for Recalled Employees

Any employee who has been laid off and is rehired from a departmental recall list under the terms of this article within one (1) year from the date of layoff shall be entitled to:

- Restoration of permanent status for employees who are rehired from a departmental recall list and class from which they were laid off, and who have completed their probationary period, credit for that portion which has been completed shall be given if rehired from a departmental recall list.
- Restoration of all sick leave credit to the employee's account on the date s/he was laid off.
- Credit for all prior service for the purpose of determining vacation accrual rates. Placement in the same step of the same step of the salary range the employee held at the time of layoff.
- Reinstatement of credit for service time (ranking) as of the date of layoff.

23.6 Insurance Coverage

Each permanent employee who is enrolled in a County offered health plan at the time of layoff may, prior to the effective date of the layoff, elect to enroll in a health insurance conversion plan offered by our then current health plan administrative carrier. In the event the laid off employee so elects, the County will pay an amount equal to two (2) times the active employee only premium at the time of layoff toward the cost of the health insurance conversion plan.

23.7 Appeal Procedure

An employee directly affected by the operation of this policy may, within five (5) working days after a notice of layoff is received, request a meeting with a Department Head or the Department Head's designated representative to review the application of this policy as it affects the employee's status. The employee may be accompanied by a representative of the Union.

The Union, and only the Union, after making an attempt to resolve the matter informally, may within seven (7) working days of the date of an alleged violation of this policy file a grievance for final consideration and determination at the Department Head level in accordance with the provisions of the grievance procedure set forth in this agreement.

Whenever an employee engaged in assigned official duties on behalf of the County sustains a loss of personal property, through no fault of the employee, that employee shall be eligible for reimbursement for such personal property.

A request for reimbursement must be submitted by claim to the Appointing Authority no later than thirty (30) calendar days from the date of loss. Management shall review the claim and when circumstances warrant, reimbursement shall be made.

Employees shall have the right to inspect and review any official record relating to his/her performance as an employee which is kept or maintained by the County. When any comment adverse to an employee's interest is entered in his/her official personnel records, the employee shall have opportunity to read the adverse entry.

Notwithstanding any other provision of this item, County and the Union agree that an employee is not entitled to inspect or review such documents as reference letters, background investigations, records pertaining to investigation of a possible criminal offense, or material designated confidential by law. At his/her request, an employee shall be provided one (1) copy of any document placed in the employee's file except for employment applications and those documents listed above.

An employee, or a staff representative of the Union with the prior written consent of the employee, may upon request inspect that employee's personnel file during regular business hours by appointment.

The Appointing Authority shall keep the official personnel records of all employees within his/her department.

It is mutually recognized that all performance related materials contained within an employee's personnel file may provide material substance and support to proposed and imposed disciplinary actions. Nothing in this agreement shall preclude the use of any material in an employee's personnel file from being used in any proceeding involving the decision of the Appointing Authority to take disciplinary action against the employee.

SECTION 27- SAFETY

This section, in its entirety and its subsections, are not subject to the grievance procedure.
