SUMMARY/DISCUSSION:

The Health Department Clinic Services Bureau (Clinic Services) operates nine community clinic sites designated as Federally Qualified Health Center Look-Alikes (FQHC-LA), which provide preventative, primary, and specialty medical care services.

Pursuant to Section 340B of the Public Health Services Act, the United States Congress established the 340B Drug Pricing Program requiring pharmaceutical manufacturers participating in the Medicaid program to enter into agreements with Health Resources and Services Administration (HRSA) to provide discounts on covered outpatient drugs to certain government-supported health care providers. Apexus is the authorized prime vendor for the 340B Prime Vendor Program (PVP) which allows covered entities enrolled in the PVP, such as Clinic Services, to purchase products through supplier and distributor agreements under Apexus' network of suppliers and distributors.

Cardinal is part of Apexus' network of suppliers and distributors and has contracted with Clinic Services since June 2011, when the Board of Supervisors first approved Agreement Nos. A-12009 and A-12010 to provide Clinic Services' access to 340B discounted drugs.

Clinic Services seeks approval to enter into a renewed Letter of Participation with Cardinal which will consolidate all Clinic Services' eligible facilities into one document and provide continued access to Cardinal's discounted drug prices.

Cardinal declined County's request to include County's standard indemnification and insurance requirements in this Letter of Participation, asserting that the Letter of Participation, which incorporates a Base Agreement between Cardinal and Apexus, contains applicable indemnification and insurance provisions. Under the Base Agreement, Cardinal is self-insured for products, completed operations liability, and pharmacist professional liability. Cardinal also maintains commercial general liability coverage in excess of its self-insured retention limits for the above coverages and above the County's limit requirements. Cardinal also is self-insured for automobile liability, automobile physical damage, comprehensive and collision coverage for all owned vehicles. Cardinal also carries automobile liability coverage with Greenwich Insurance Company, above County's limit requirements. The County is not named as an Additional Insured on Cardinal's self-insurance and none of Cardinal's insurance or self-insurance contains primary/noncontributory endorsements. Cardinal carries worker's compensation coverage and excess worker's compensation coverage. The Base Agreement indemnification and insurance provisions are not the County's standard provisions.

This work supports the Monterey County Health Department 2011-2015 Strategic Plan Initiatives: 1) Empower the community to improve health through programs, policies, and activities; and 2) enhance community health and safety by emphasizing prevention. It also supports one or more of the ten essential public health services, specifically: 4) Mobilize community partnerships and action to identify and solve health problems; and 7) Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

County Counsel and the Auditor-Controller have reviewed the Letter of Participation. County Counsel approves the Letter of Participation as to form. Auditor-Controller approves as to finance terms. The

Letter of Participation contains non-standard risk provisions (limitation of liability and non-standard insurance and indemnification provisions by way of incorporation), requiring Board approval. Clinic Services recommends moving forward with this Letter of Participation as it will maintain access to discounted drug pricing, which would allow tight Clinic Services resources to be stretched further in providing more care and services to vulnerable patients.

FINANCING:

Sufficient appropriations are available in the FY 2018-19 Health Department Clinic Services Recommended Budget (4000-HEA007). The Agreement is funded by revenues from Medi-Cal and Medicare. There is no financial impact to the General Fund resulting from approval of this Agreement.

**Apexus 340B Prime Vendor Program
Participant Participation Agreement Form**

THIS LETTER OF PARTICIPATION ("LOP") is entered between **County of Monterey, on behalf of the Health Department ("Participant")** and Cardinal Health 110, LLC and Cardinal Health 112, LLC (collectively, "Distributor"), and is made effective July 1, 2018.

WHEREAS, Apexus and Distributor entered into an agreement with an effective date of September 1, 2016, as may be amended from time to time (the "Base Agreement"), under which Distributor agreed to distribute Products (as defined in the Base Agreement) to participants in the 340B Prime Vendor Program, subject to the terms and conditions of the Base Agreement;

WHEREAS, Participant (a) is eligible to participate in the Base Agreement, and (b) owns, manages and/or operates one or more "Facilities" (as defined in Paragraph 1 below); and

WHEREAS, Participant desires to purchase Products from Distributor.

NOW THEREFORE, in consideration of the promises and mutual obligations and undertakings set forth below, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. BASE AGREEMENT; DEFINITION OF FACILITY:

- a. The terms and conditions of the Base Agreement shall apply to purchases consummated pursuant to this LOP, except as otherwise specifically set forth herein. In the event of a conflict between the terms and conditions of this LOP and the Base Agreement, the terms most favorable to the Participant shall control. This LOP may contain terms and conditions that are additional to the terms set forth in the Base Agreement. To the extent such terms do not conflict with the provisions of the Base Agreement, such additional terms and conditions set forth in this LOP shall govern solely with respect to the purchases of Products pursuant to this LOP. Capitalized terms in this LOP shall have the meanings given to them in the Base Agreement, unless otherwise defined herein.
- b. "Facility" means any pharmacy, hospital, clinic and/or other Facility which Participant owns, manages and/or operates. A list of all Facilities as of the Effective Date, including their respective "ship to" addresses and number of deliveries per week is attached to this LOP as Attachment 2 and is incorporated herein by reference. Additional Facilities may be added to Attachment 2 upon the mutual written agreement of Distributor and Participant and such agreement by Distributor shall not be unreasonably withheld. When Participant requests that Distributor set up any new 340B contract pharmacy(ies) pursuant to the 340B Drug Purchase Program established by the Veteran's Health Care Act of 1992, Section 340B of Public Law 102-585, Participant will pay Distributor a one-time set-up fee of \$150.00 per 340B contract pharmacy. Participant must provide monthly volume projections and delivery schedule (frequency and specific days) for each 340B contract pharmacy to be set up by Distributor. Deliveries to 340B contract pharmacies will be at a time of day determined solely by Distributor. Distributor shall provide a 24-hour, 7-day per week emergency delivery service. Distributor shall prepay

the courier and related service charges for such orders and bill these courier fees separately to Participant. In addition a flat fee of \$35 per emergency service shall be billed to cover added operational costs incurred by the Distributor. This operational cost shall cover the first 10 Lines of any emergency order. Any additional Lines order that are more than 10 Lines shall be charged \$5.00 per Line.

2. **TERM:** This LOP shall be effective beginning on the Effective Date and continue for a period of three (3) years through **June 30, 2021** (the "LOP Term") with an option to extend the LOP Term for one (1) additional three (3) year period upon receipt by Distributor of ninety (90) days prior written notice from Participant.
3. **LOP TERMINATION:** Either party may terminate this LOP at any time upon providing not less than ninety (90) days prior written notice thereof to the other party.
4. **PRIME VENDOR:** Throughout the LOP Term, to receive the Participant Markup offered to Participant under this LOP (set forth in Attachment 1 hereto), Participant must order not less than ninety percent (90%) of all dollars spent on each category of the following Products (i.e. branded, generic and Drop Shipments) by using Distributor as its prime vendor for the purchase of such products normally purchased through wholesale pharmaceutical distributors. To the extent that Distributor is unable to supply such Products, those purchases shall be excluded from the ninety percent (90%) calculation. If Distributor believes that a Participant is not utilizing Distributor as the Prime Vendor (as defined above), then (i) Distributor shall provide evidence supporting such belief to Participant and Apexus and (ii) Distributor and Participant shall promptly meet in good faith to discuss such concern. For purposes of clarification (i) the ninety percent purchase threshold set forth in this Section is a condition for receiving the applicable Participant Markup and (ii) Participant's failure to meet the ninety percent (90%) threshold as set forth herein shall not constitute a breach of any Participant obligation but shall instead only result in Participant not receiving the Participant Markup. Notwithstanding the foregoing, in the event Participant does not utilize Distributor as its primary distributor, but has a 340B contract pharmacy(ies) where the contract pharmacy(ies) utilize(s) Distributor as its primary distributor, Distributor shall service such Participant under the terms and conditions of this LOP, as if such Participant utilized Distributor as its primary distributor.
5. **MEDICARE/MEDICAID DISCLOSURE:** If and to the extent any discount, credit, rebate or other purchase incentive is paid or applied by Distributor with respect to the Products or Services purchased hereunder, such discount, credit, rebate or other purchase incentive may constitute a "discount or other reduction in price," as such terms are defined under the Medicare/Medicaid Anti-Kickback Statute (42 U.S.C. § 1320a-7b(b)(3)(A) and the "safe harbor" regulations regarding discounts or other reductions in price set forth in 42 C.F.R. § 1001.952(h)), on the Products purchased by Participant or any Facility hereunder, Participant and/or its Facility(ies) may have an obligation to accurately report, under any state or federal program which provides cost or charge based reimbursement for the Products or Services covered by this LOP, or as otherwise requested or required by any governmental agency, the net cost actually paid by Participant and/or its Facility(ies).

6. **LICENSES; OWN USE:** Participant represents, warrants and certifies that it and each of its Facilities has all required governmental licenses, permits and approvals required to purchase, use and/or store the Products purchased from Distributor and that all of Participant's or each Facility's purchases hereunder are for its "own use", if applicable, in the Facilities, as such term is defined in judicial or legislative interpretation, and not for resale to anyone other than the end user.
7. **CONFIDENTIALITY:** "Confidential Information" means the information in this LOP (including pricing and Markup). Participant may not disclose any Confidential Information (except as required by law) to any third party (excluding Apexus). Notwithstanding the foregoing, Distributor shall not prevent a Participant from disclosing its invoice data. See Board Report provided by Participant that, in the same or substantially the same language, will be posted with this LOP on an upcoming County BoS agenda, a true and correct copy of which is attached hereto as Exhibit A.
8. **ENTIRE AGREEMENT:** This LOP, together with the Base Agreement, constitutes the entire agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements, understandings and representations or promises exchanged by the parties, whether verbal or written. This LOP may not be modified except through a writing that is signed by Participant and Distributor.
9. **LIMITATION OF LIABILITY:** EXCEPT FOR DISTRIBUTOR'S INDEMNIFICATION OBLIGATIONS AND ANY OTHER DAMAGES SPECIFICALLY SET FORTH IN THE BASE AGREEMENT OR HEREIN, IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL CLAIMS, LIABILITIES OR DAMAGES.
10. **COMPLIANCE:** Participant represents and warrants that it:
 - a. will abide by all applicable laws, rules, regulations, ordinances and guidance of the federal Drug Enforcement Administration ("DEA"), the states into which it dispenses or sells controlled substances and/or listed chemicals, and the states in which it is licensed, including, without limitation, all the foregoing concerning the purchase, sale, dispensation, and distribution of controlled substances; and
 - b. will not dispense or sell controlled substances and/or listed chemicals if it suspects that a prescription or drug order is not issued for a legitimate medical purpose or the actions conducted on the part of the prescriber or Participant and its employees are not performed in the normal course of professional practice.

In addition, Participant warrants that it understands that Distributor is required by DEA regulations to report to the DEA suspicious orders of controlled substances and listed chemicals, and Participant agrees to act in good faith in assisting Distributor to fulfill its obligations. To that end, Participant agrees that it will be alert for red flags of suspicious orders and listed chemicals, including, but not limited to:

- a. Numerous controlled substance prescriptions written for the same drugs, in the same quantities for the same time period by the same or different prescribers or group of prescribers for the same patient;
- b. Numerous controlled substance prescriptions written for the same person or several persons by the same prescriber or group of prescribers; and
- c. Numerous prescriptions written for the same patient by prescribers located in different states than the patient.

Participant agrees that if any of the above-noted or other red flags exist, it is prudent to contact the prescriber to validate the legitimacy of the prescription and/or to discontinue filling prescriptions from the prescriber, group of prescribers, or customer in question. In addition, the pharmacist should contact the State Board of Pharmacy or local DEA Diversion Field Office (see Appendix N, DEA Pharmacist's Manual, 2010 Edition).

If Participant wishes to provide Distributor with access to its prescription claims transaction and/or dispensing data for Distributor's Suspicious Order Monitoring Program, Participant must sign a:

- a. HIPAA Business Associate Agreement with Distributor in a form acceptable to Distributor; and
- b. Data Transmission Request Form for each third-party claims switch utilized by the pharmacy(ies) that authorizes the switch to transmit each pharmacy's prescription claims data to Distributor, and/or a Data Transmission Request Form that authorizes Distributor to receive dispensing data from the pharmacy's(ies') dispensing system software vendor(s).

Participant acknowledges that Distributor may provide a copy of this document to the DEA or any other state or federal regulatory agency or licensing board.

Participant hereby acknowledges and agrees that, notwithstanding any other provision herein, or any provision in any other agreement between Distributor and the Participant, Distributor may, in its sole discretion, immediately suspend, terminate or limit the distribution of controlled substances, listed chemicals, and other products monitored by Distributor to the Participant at any time if Distributor believes that the continued distribution of such products to the Participant may pose an unreasonable risk of the diversion of such products based on the totality of the circumstances and such other considerations as may be deemed relevant by Distributor.

- 11. FUEL SURCHARGE:** Distributor reserves the right to assess Participant a fuel surcharge, on a per delivery stop basis, for each delivery made to Participant by Distributor (the "Fuel Surcharge"). Each Fuel Surcharge shall be set forth on the invoice from Distributor, calculated as set forth below:

Regular Unleaded Fuel Price is: at Least	But Less Than	Fuel Surcharge Amount
\$6.51	and greater	\$2.25 per stop
\$6.01	\$6.50	\$2.00 per stop
\$5.51	\$6.00	\$1.50 per stop
\$5.01	\$5.50	\$1.25 per stop
\$4.01	\$5.00	\$1.00 per stop
\$3.26	\$4.00	\$0.50 per stop
\$0.00	\$3.25	No Fuel Surcharge

The fuel prices in the table above represent the national average retail cost per gallon for regular grade gasoline as published by the U.S. Department of Energy (the "Average Price Per Gallon"), available at: http://www.eia.doe.gov/oil_gas/petroleum/data_publications/wrgp/mogas_home_page.html. By the 15th day of each calendar month, Distributor shall determine the Average Price Per Gallon for the immediately preceding month, and any required adjustments to the Fuel Surcharge will be applicable as of the first (1st) day of the immediately following calendar month (for example, by the 15th of November, Distributor shall determine the Average Price Per Gallon for October, and any required adjustments to the Fuel Surcharge will be applicable as of December 1st).

- 12. SMALL ORDER DELIVERY CHARGE:** We reserve the right to assess a fee of Twenty-Five Dollars (\$25) for any order of less than Five Hundred Dollars (\$500). For each delivery, Distributor shall aggregate all account orders by a single Facility to determine gross order value. If this value is less than Five Hundred Dollars (\$500), a small order fee of Twenty Five Dollars (\$25) will be added to the invoice as a separate line charge. If the gross order value is greater than Five Hundred Dollars (\$500), no small order fee will apply.
- 13. PAYMENT TERMS:** Your initial payment terms and payment term options will be as set forth on Attachment 1 to this Agreement. Until Pharmaceutical Products is paid for in full, you grant us and we retain a security interest in the Pharmaceutical Products. We will have a security interest in any deposit(s) to secure payments to us (or our affiliates) of all of your obligations, existing and future. If you default on any payment, we may exercise a right of setoff against any deposit we hold or any amounts we (or our affiliates) owe you. You will give us any and all credit information we request not less than thirty (30) days before your initial purchases under this Agreement and, after that, as we may reasonably request from time to time.

SUMMARY/DISCUSSION:

The Health Department Clinic Services Bureau (Clinic Services) operates nine community clinic sites designated as Federally Qualified Health Center Look-Alikes (FQHC-LA), which provide preventative, primary, and specialty medical care services.

Pursuant to Section 340B of the Public Health Services Act, the United States Congress established the 340B Drug Pricing Program requiring pharmaceutical manufacturers participating in the Medicaid program to enter into agreements with Health Resources and Services Administration (HRSA) to provide discounts on covered outpatient drugs to certain

government-supported health care providers. Apexus is the authorized prime vendor for the 340B Prime Vendor Program (PVP) which allows covered entities enrolled in the PVP, such as Clinic Services, to purchase products through supplier and distributor agreements under Apexus' network of suppliers and distributors.

Cardinal is part of Apexus' network of suppliers and distributors and has contracted with Clinic Services since June 2011, when the Board of Supervisors first approved Agreement Nos. A-12009 and A-12010 to provide Clinic Services' access to 340B discounted drugs.

Clinic Services seeks approval to enter into a renewed Participation Agreement with Cardinal which will consolidate all Clinic Services' eligible facilities into one document and provide continued access to Cardinal's discounted drug prices.

This work supports the Monterey County Health Department 2011-2015 Strategic Plan Initiatives: (1) Empower the community to improve health through programs, policies, and activities; and (2) enhance community health and safety by emphasizing prevention. It also supports one or more of the ten essential public health services, specifically: (4) Mobilize community partnerships and action to identify and solve health problems; and (7) Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

County Counsel and the Auditor-Controller have reviewed the Participation Agreement and concur with this recommendation. Risk Management has not reviewed and approved deviations from standard insurance and indemnification provisions. Clinic Services recommends moving forward with this Participation Agreement as it will maintain access to discounted drug pricing, which would allow tight Clinic Services resources to be stretched further in providing more care and services to vulnerable patients.

FINANCING:

Sufficient appropriations are available in the FY 2018-19 Health Department Clinic Services Recommended Budget (4000-HEA007). The Agreement is funded by revenues from Medi-Cal and Medicare. There is no financial impact to the General Fund resulting from approval of this Agreement.
