Proposal Narrative

The Proposal Narrative section may not exceed **three (3) numbered** pages and must be submitted in Arial 12-point font with one-inch margins on all four sides and at 1.5-line spaced.

Our project addresses California Penal Code sections 1473.7, 3051, 1170.95, and 1170(d)(1). We have a need for attorneys to work on cases relating to these penal code sections as well as attorney support in the form of legal assistants and experts. These needs were identified by analyzing the statutory changes resulting from 2020-2021 legislation and the likely workload created by these changes. Specifically, the statistical analysis and research required by 1473.7 motions made under the Racial Justice Act (RJA), the fact-intensive nature of proceedings under 1437.7, 3051, and 1170.95, which require substantial investigations into matters decades old.

These new needs are not met with our existing attorney and attorney-support resources because our County-provided funding is limited. We have not received any additional attorney or attorney-support funding despite the increased responsibilities that accompanied the legislation mentioned above. Apart from the legislation addressed in this grant application there is other new legislation that has resulted in a substantial increase in our workload that has not been accompanied by any increase in County-provided resources with which to meet these needs.

We have no attorney or attorney-support resources with which to execute the duties created by sections 1437.7, 3051, 1170.95, and 1170(d)(1). All our deputy public defenders already carry full caseloads and are unable to absorb the additional duties in the statutes cited.

The needs in this application stem from the increased workload placed upon our office by recent legislation that added and/or revised the above penal code sections. We have requested from our Board of Supervisors funding for additional attorney positions to meet these needs, but have not yet received any funding. *Monterey County Budget Book*, FY 2021-22 (pg. 353).

- B. Under no circumstance will a budget item change be authorized that would cause the project to exceed the amount of the grant award identified in this Grant Agreement.

3. BUDGET CONTINGENCY CLAUSE

- A. This grant agreement is valid through Public Defense Pilot Program funding generated from the General Fund. The Grantee agrees that the BSCC's obligation to pay any sum to the grantee under any provision of this agreement is contingent upon the availability of sufficient funding granted through the passage of the Budget Act of 2021 (Senate Bill 129). It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Grant Agreement does not appropriate sufficient funds for the program, this Grant Agreement shall be of no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement.
- B. If Public Defense Pilot Program funding is reduced or falls below estimates contained within the Public Defense Pilot Program Application Package, the BSCC shall have the option to either cancel this Grant Agreement with no liability occurring to the BSCC or offer an amendment to this agreement to the Grantee to reflect a reduced amount.
- C. If BSCC cancels the agreement pursuant to Paragraph 3(B) or Grantee does not agree to an amendment in accordance with the option provided by Paragraph 3(B), it is mutually agreed that the Grant Agreement shall have no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement except that Grantee shall be required to maintain all project records required by Paragraph 6 of Exhibit A for a period of three (3) years following the termination of this agreement.

4. PROJECT COSTS

- A. Grantee is responsible for ensuring that actual expenditures are for eligible project costs. "Eligible" and "ineligible" project costs are set forth in the July 2020 BSCC Grant Administration Guide, which can be found under Quick Links here:

https://www.bscc.ca.gov/s_correctionsplanningandprograms/

The provisions of the BSCC Grant Administration Guide are incorporated by reference into this agreement and Grantee shall be responsible for adhering to the requirements set forth therein. To the extent any of the provisions of the BSCC Grant Administration Guide and this agreement conflict, the language in this agreement shall prevail.

- B. Grantee is responsible for ensuring that invoices submitted to the BSCC claim actual expenditures for eligible project costs.
- C. Grantee shall, upon demand, remit to the BSCC any grant funds not expended for eligible project costs or an amount equal to any grant funds expended by the Grantee in violation of the terms, provisions, conditions or commitments of this Grant Agreement.
- D. Grant funds must be used to support new program activities or to augment existing funds that expand current program activities. Grant funds shall not replace (supplant) any federal, state and/or local funds that have been appropriated for the same purpose. Violations can result in

EXHIBIT B: BUDGET DETAIL AND PAYMENT PROVISIONS

recoupment of monies provided under this grantor suspension of future program funding through BSCC grants.

5. PROMPT PAYMENT CLAUSE

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

6. WITHHOLDING OF GRANT DISBURSEMENTS

- A. The BSCC may withhold all or any portion of the grant funds provided by this Grant Agreement in the event the Grantee has materially and substantially breached the terms and conditions of this Grant Agreement.
- B. At such time as the balance of state funds allocated to the Grantee reaches five percent (5%), the BSCC may withhold that amount as security, to be released to the Grantee upon compliance with all grant provisions, including:
 - 1) submittal and approval of the final invoice; and
 - 2) submittal and approval of the final progress report or any additional required reports.

The BSCC will not reimburse Grantee for costs identified as ineligible for grant funding. If grant funds have been provided for costs subsequently deemed ineligible, the BSCC may either withhold an equal amount from future payments to the Grantee or require repayment of an equal amount to the State by the Grantee.

- C. In the event that grant funds are withheld from the Grantee, the BSCC’s Executive Director or designee shall notify the Grantee of the reasons for withholding and advise the Grantee of the time within which the Grantee may remedy the failure or violation leading to the withholding.

If the Executive Director fails to render a final decision within 45 days after receipt of the Grantee's appeal for a final decision, it shall be deemed a final decision adverse to the Grantee's contentions. The State's final decision shall be conclusive and binding regarding the dispute unless the Grantee commences an action in a court of competent jurisdiction to contest such decision within 90 days following the date of the final decision or one (1) year following the accrual of the cause of action, whichever is later.
