Interests & Experiences

Please tell us about yourself and why you want serve

As a business owner, it is imperative to manage my clients occupational health and environmental safety. My fifteen year career in this field has afforded me the opportunity to work globally, with many large organizations such as FEMA, Army Corps of Engineers and the US Navy. In my current status working in Monterey county, my subject matter expertise has grown in agriculture, geology and land mapping for emergency response using tableau and other geo planning software. I have worked closely with fire investigations in Gonzales, and currently reside nest Marina's fire and Police Department. My career activities and volunteer activity has garnered award winning projects and public speaking engagements to provide best management practices worldwide.

Please state the reason you would like to be a member of this board committee/commission/district.

The Monterey County Regional Fire Protection has a large responsibility to provide services to a vast terrain and landscape, with little resources. As a board member with excellent subject matter expert advise, I would be an effective asset to help decide the allocation of resources, services and return on investments. I live and work in this district and I would directly be affected or benefited by this commissions decisions on our safety.

Have you served on an advisory group before?

Yes

If yes, please explain

I'm experienced through the American Society of Safety Professionals and the Society of Women Engineers as a board member for San Jose and Santa Clara Counties. In both cases I have chaired or supported commuters as a voting member.

How did you hear about the position?

Email Letter

County of Monterey Policy - states that Commissioners are required to attend meetings on a regular basis. If appointed, will you be able to attend meetings regularly and devote the time necessary to fulfill your duties as a member *

Yes
