CONTRACTOR shall require all of its employees, consultants, and agents performing services under this Agreement who are mandated reporters under the Act to sign statements indicating that they know of and shall comply with the Act's reporting requirements.

XIV. INDEMNIFICATION

CONTRACTOR shall indemnify, defend, and hold harmless the COUNTY, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies, in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR'S performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the COUNTY. "CONTRACTOR'S

performance” includes CONTRACTOR’S action or inaction and the action or inaction of CONTRACTOR’S officers, employees, agents and subcontractors.

XV. INSURANCE

- A. Evidence of Coverage. Prior to commencement of this Agreement, the CONTRACTOR shall provide a “Certificate of Insurance” certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the CONTRACTOR upon request shall provide a certified copy of the policy or policies.
This verification of coverage shall be sent to the COUNTY’S Contracts/Purchasing Office, unless otherwise directed. The CONTRACTOR shall not receive approval for services for work under this Agreement until all insurance has been obtained as required and approved by the COUNTY. This approval of insurance shall neither relieve nor decrease the liability of the CONTRACTOR.
- B. Qualifying Insurers. All coverage, except surety, shall be issued by companies which hold a current policy holder’s alphabetic and financial size category rating of not less than A-VII, according to the current Best’s Key Rating Guide or a company of equal financial stability that is approved by the COUNTY’S Contracts/Purchasing Officer.
- C. Insurance Coverage Requirements. Without limiting CONTRACTOR’S duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:
1. Commercial general liability insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broadform Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.
 2. Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence if maximum estimated reimbursement obligation by COUNTY to CONTRACTOR under this Agreement is over \$100,000 or of not less than \$500,000 per occurrence if maximum estimated reimbursement obligation by COUNTY to CONTRACTOR under this Agreement is \$100,000 and less.
 3. Workers Compensation Insurance, if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer’s liability limits not less than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.
 4. Professional Liability Insurance, if required for the professional service being provided, (e.g., those persons authorized by a license to engage in business or

profession regulated by the California Business and Professional Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a “claims-made” basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage (“tail coverage”) with the same liability limits. Any such tail coverage shall continue for at least three (3) years following the expiration or earlier termination of this Agreement.

- D. Other Insurance Requirements. All insurance required by this Agreement shall be with a company acceptable to the COUNTY and issued and executed by an admitted insurer authorized to transact insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the COUNTY shall be given notice in writing at least thirty (30) calendar days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for CONTRACTOR and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insured with respect to liability arising out of the CONTRACTOR’S work, including ongoing and complete operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the COUNTY and that the insurance of the Additional Insured shall not be called upon to contribute to a loss covered by the CONTRACTOR’S insurance.

Prior to the execution of this Agreement by the COUNTY, CONTRACTOR shall file certificates of insurance with the COUNTY’S contract administrator and the COUNTY’S Contracts/Purchasing Office, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by COUNTY, annual certificates to COUNTY’S Contract Administrator and COUNTY’S Contracts/Purchasing Office. If the certificate is not received by the expiration date, CONTRACTOR shall have five (5) calendar days to send the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such

insurance coverage is a breach of this Agreement, which entitles COUNTY, at its sole and absolute discretion, to (1) immediately disallow claim(s) for payment and/or withhold payment(s) by COUNTY to CONTRACTOR, pursuant to Section IV (A), for services rendered on or after the effective date of termination, reduction, non-renewal, or cancellation of the insurance coverage maintained by CONTRACTOR, and/or (2) terminate this Agreement pursuant to Section V.

XVI. BUDGET

CONTRACTOR shall submit the Budget and Expenditure Report provided as Exhibit H, identifying CONTRACTOR'S allowable costs and program revenues. COUNTY shall identify program revenues for COUNTY funds, and CONTRACTOR shall identify allowable costs and other program revenues as defined in Exhibit B, Section VI, paragraph B of this Agreement, if applicable. The budget shall be the basis for payment reimbursements, cost settlement activities, and audits.

XVII. ACCESS TO AND AUDIT OF RECORDS

- A. Right to Inspect Records. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with Federal and State laws including, but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., the COUNTY or its representative, Federal or State governments may conduct an audit, review or other monitoring procedures of the CONTRACTOR regarding the services/activities provided under this Agreement. The COUNTY or its representative, Federal or State governments shall have the right to inspect any and all books, records, and facilities maintained by CONTRACTOR during normal business hours and without advance notice to evaluate the use of funds and the cost, quality, appropriateness, and timeliness of services.
- B. Maintenance of Records. CONTRACTOR shall maintain any and all records documenting all services set forth under this Agreement for a period of ten (10) years from the end of the fiscal year in which such services were provided or until three (3) years after final resolution of any audits, or appeals, whichever occurs later. CONTRACTOR shall maintain such records in a form comporting with generally accepted accounting and auditing standards and all applicable laws.
- C. Overpayment. If the results of any audit show that the funds paid to CONTRACTOR under this Agreement exceeded the amount due, then CONTRACTOR shall pay the excess amount to COUNTY in cash not later than thirty (30) calendar days after the COUNTY notifies the CONTRACTOR of such overpayment; or, at COUNTY'S election, COUNTY may recover the excess or any portion of it by offsets made by COUNTY against any payment(s) owed to CONTRACTOR under this or any other Agreement or as set forth in Exhibit I, if made part of this Agreement.
- D. Responsibility for Audit Exceptions. Any and all audit exceptions by COUNTY or any Federal or State agency resulting from an audit of CONTRACTOR'S performance of this Agreement, or actions by CONTRACTOR, its officers, agents, and employees shall be the sole responsibility of the CONTRACTOR.

- E. Availability of Records for Grievances and Complaints by Recipients of Service. CONTRACTOR shall ensure the availability of records for the prompt handling of grievances or complaints filed by recipients of services. Release of records shall be subject to the confidentiality provisions set forth in this Agreement.
- F. Reports. CONTRACTOR shall prepare any reports and furnish all information required for reports to be prepared by the COUNTY as may be required by the State of California or applicable law, including, but not limited to Budgets, Cost Allocation Methodologies, Tax Returns, Accounting Policies, Audited Financial Statements, Organization Charts, Personnel Policies, Bank Reconciliations, and Depreciation Schedules.

XVIII. NON-DISCRIMINATION

- A. Non-discrimination. During the performance of this Agreement, CONTRACTOR shall not unlawfully discriminate against any person because of race, religion, color, sex, gender, gender identity, genetic information, national origin, ethnic group identification, ancestry, mental or physical handicap, medical condition, health status or need for health care services, marital status, age (over 40), or sexual orientation, either in CONTRACTOR'S employment practices or in the furnishing of services to recipients. CONTRACTOR shall insure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be unlawful discrimination. In addition, CONTRACTOR'S facility access for the disabled shall comply with § 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794).
- B. Discrimination defined. The term "discrimination," as used in this Agreement, is the same term that is used in Monterey County Code, Chapter 2.80 ("Procedures for Investigation and Resolution of Discrimination Complaints"); it means the illegal denial of equal employment opportunity, harassment (including sexual harassment and violent harassment), disparate treatment, favoritism, subjection to unfair or unequal working conditions, and/or discriminatory practice by any Monterey County official, employee or agent, due to an individual's race, color, ethnic group, sex, national origin, ancestry, religious creed, sexual orientation, age, veteran's status, cancer-related medical condition, physical handicap (including AIDS) or disability. The term also includes any act of retaliation.
- C. Application of Monterey County Code Chapter 2.80. The provisions of Monterey County Code Chapter 2.80 apply to activities conducted pursuant to this Agreement. CONTRACTOR and its officers and employees, in their actions under this Agreement, are agents of the COUNTY within the meaning of Chapter 2.80 and are responsible for ensuring that their workplace and the services that they provide are free from discrimination, as required by Chapter 2.80. Complaints of discrimination made by recipients of services against CONTRACTOR may be pursued by using the procedures established by or pursuant to Chapter 2.80. CONTRACTOR shall establish and follow its own written procedures for prompt and fair investigation and resolution of discrimination

complaints made against CONTRACTOR by its own employees and agents or recipients of services pursuant to this Agreement, and CONTRACTOR shall provide a copy of such procedures to COUNTY on demand by COUNTY.

- D. Compliance with Applicable Law. During the performance of this Agreement, CONTRACTOR shall comply with all applicable Federal, State and local laws and regulations which prohibit discrimination including, but not limited to, the following:
1. California Code of Regulations, Title 9, §§ 526, 527;
 2. California Fair Employment and Housing Act, (Govt. Code § 12900, et seq.), and the administrative regulations issued thereunder, Cal. Code of Regulations, Title 2, § 7285, et seq.;
 3. California Government Code, sections 11135-11139.5 (Title 2, Div. 3, Part 1, Chap. 1, Art. 9.5) and any applicable administrative rules and regulations issued under these sections;

 5. Sections 503 and 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §§ 793 and 794); all requirements imposed by the applicable HHS regulations (45 C.F.R. Part 84); and all guidelines and interpretations issued pursuant thereto;
 6. Americans with Disabilities Act of 1990, 42 U.S.C. §12101, et seq., and 47 U.S.C. §§ 225 and 611, and any Federal regulations issued pursuant thereto (see 24 C.F.R. Chapter 1; 28 C.F.R. Parts 35 and 36; 29 C.F.R. Parts 1602, 1627, and 1630; and 36 C.F.R. Part 1191);
 7. Unruh Civil Rights Act, Cal. Civil Code § 51, et seq.
 8. California Government Code section 12900 (A-F) and California Code of Regulations, Title 2, Division 4, Chapter 5.

In addition, the applicable regulations of the California Fair Employment and Housing Commission implementing Government Code § 12990 as set forth in Chapter 5, Division 4 of Title 2 of the California Code of Regulations are incorporated into this Agreement by reference and made a part hereof as if set forth in full.

- E. Written Assurance. Upon request by COUNTY, CONTRACTOR shall give any written assurances of compliance with the Civil Rights Acts of 1964 and 1991, the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1990, as may be required by the Federal government in connection with this Agreement, pursuant to 45 C.F.R. sec. 80.4 or C.F.R. § 84.5 or other applicable Federal or State regulations.
- F. Written Statement of Non-discrimination Policies. CONTRACTOR shall maintain a written statement of its non-discrimination policies and procedures. Such statement shall be consistent with the terms of this Agreement and shall be available to CONTRACTOR'S employees, recipients of services, and members of the public upon request.
- G. Notice to Labor Unions. CONTRACTOR shall give written notice of its obligations under this section to labor organizations with which it has a collective bargaining or other agreement.

H. Access to Records by Government Agencies. CONTRACTOR shall permit access by COUNTY and by representatives of the State Department of Fair Employment and Housing and any Federal or State agency providing funds for this contract upon reasonable notice at any time during normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, facilities, and other sources of information as the inspecting party may deem appropriate to ascertain compliance with these nondiscrimination provisions.

I. Binding on Subcontractors. The provisions above shall also apply to all of CONTRACTOR'S subcontractors who provide services pursuant to this Agreement. CONTRACTOR shall include the non-discrimination and compliance provisions set forth above in all its subcontracts to perform work or provide services under this Agreement.

XIX. CULTURAL COMPETENCY AND LINGUISTIC ACCESSIBILITY

A. CONTRACTOR shall provide services in a culturally competent manner to assure access to services by all eligible individuals as required by State regulations and policies, other applicable laws, and in accordance with Exhibit E of this Agreement. Cultural competency is defined as a congruent set of practice skills, behaviors, attitudes, and policies that enable staff to work effectively in providing contractual services under this Agreement in cross-cultural situations. Specifically, CONTRACTOR'S provision of services shall acknowledge the importance of culture, adapt services to meet culturally unique needs, and promote congruent skills, behaviors, attitudes, and policies enabling all persons providing services to function effectively in cross-cultural situations.

B. CONTRACTOR shall provide linguistically accessible services to assure access to services by all eligible individuals as required by State regulations and policies and other applicable laws. Specifically, CONTRACTOR shall provide services to eligible individuals in their primary language through linguistically proficient staff or interpreters. Family members, friends, or neighbors may be used as interpreters only in emergency situations.

C. For the purposes of this Section, "access" is defined as the availability of medically necessary mental health services in a manner that promotes and provides the opportunity for services and facilitates their use.

XXI. INDEPENDENT CONTRACTOR

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent contractor and not as an employee of the COUNTY. No offer or obligation of permanent employment with the COUNTY or particular COUNTY department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from COUNTY any form of employee benefits including, but not limited to sick leave, vacation, or retirement benefits, workers' compensation coverage, insurance, disability benefits, or social security benefits, or unemployment compensation or insurance. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes including, but not limited to, Federal and State income taxes and Social Security, arising out of CONTRACTOR'S compensation for performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold the COUNTY harmless from any and all liability COUNTY may incur because of CONTRACTOR'S failure to pay such taxes when due.

At any time, COUNTY may require a complete listing of all subcontractors employed by the CONTRACTOR for the purpose of fulfilling its obligations under the terms of this Agreement. CONTRACTOR shall be legally responsible for subcontractors' compliance with the terms and conditions of this Agreement and with applicable law. All subcontracts shall be in writing and shall comply with all Federal, State, and local laws, regulations, rules, and guidelines. In addition, CONTRACTOR shall be legally responsible to COUNTY for the acts and omissions of any subcontractor(s) and persons either directly or indirectly employed by subcontractor(s).

XXIII. GENERAL PROVISIONS

- A. Amendment. This Agreement may be amended or modified only by an instrument in writing signed by all the parties hereto.

- B. Assignment and Subcontracting. The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement, either in whole or in part, without the prior written consent of the COUNTY. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the COUNTY. Any assignment without such consent shall automatically terminate this Agreement. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

- N. Severability. In the event of changes in law that effect the provisions of this Agreement, the parties agree to amend the affected provisions to conform to the changes in the law retroactive to the effective date of such changes in law. The parties further agree that the terms of this Agreement are severable and, in the event of changes in law as described above, the unaffected provisions and obligations of this Agreement shall remain in full force and effect.
- O. Successors and Assigns. PROGRAM I: THERAPEUTIC BEHAVIORAL SERVICES (TBS)

II. PROGRAM GOALS AND OBJECTIVES

A. PROGRAM NARRATIVE

CONTRACTOR will provide Therapeutic Behavioral Services (TBS) to Monterey County children who are eligible for Medi-Cal and meet criteria for medical necessity. These services are available to children with difficult behaviors who require one-to-one assistance and who may be at risk of psychiatric hospitalization. TBS is an intensive one-to-one, face-to-face, short term outpatient treatment intervention for beneficiaries under age 21 with serious emotional disturbances (SED) who are experiencing a stressful transition or life crisis and need additional short-term specific support services. CONTRACTOR must have appropriate licensed, trained and sufficient staff available to dedicate exclusively to TBS services. TBS must be provided under the direction of a licensed practitioner of the healing arts (physicians, psychologists, licensed clinical social workers, marriage and family therapists, and registered nurses with a master's degree).

TBS must be needed to prevent out of home placement or placement into a locked psychiatric facility for the treatment of mental health needs, or to enable a transition from any of those levels to a lower level of residential care.

TBS is not a “stand alone” service and is intended to supplement other specialty mental health services by addressing the target behavior(s) or symptom(s) that are jeopardizing the child/youth's current living situation or planned transition to a lower level of placement.

Eligible children or youth are eligible to receive these services if they have an included diagnosis, their condition would not be responsive to physical healthcare-based treatment, and the service will correct or ameliorate the diagnosed mental illness.

B. PROGRAM GOALS

Provide the child/youth with skills to effectively manage the behavior(s) or symptom(s) that is the barrier to achieving or maintaining residence in the lowest appropriate level.

C. PROGRAM OBJECTIVES

- a.** Reduce the child/youth's impulsive behaviors
- b.** Reduce child/youth's inappropriate responses to stressful situations
- c.** Teach child/youth pro-social skills and community competencies

- d. Provide parent/caregivers skills and strategies to provide continuity of care when services are discontinued

III. TREATMENT SERVICES

A. **Mode of Service:** Outpatient Services

B. **Contracted units of services by service type:** Example of such service include Mental Health Services – Therapeutic Behavioral Services (TBS)

There is no limitation on the mix of units of service other than the maximum contract dollar amount found in Exhibit B of this contract.

Any discrepancies of Medi-Cal eligibility must be communicated immediately to the Contract Monitor and resolved. Services provided to non Medi-Cal eligible children will not be reimbursed to contractor unless the Deputy Director of Behavioral Health has approved for these services in writing.

VI. LIMITATION OF SERVICE/PRIOR AUTHORIZATION

All services need authorization and coordination with ongoing mental health services. Authorization will be provided by the Monterey County Behavioral Health Bureau, Children's Case Management Supervisor, Children's Behavioral Health Services Manager or Deputy Director. All service plans must be signed by the Mental Health treatment coordinator, TBS provider working with Behavioral Health Coordinator and the youth's parent or guardian. Each authorization will define service limitations.

IV. POPULATION/CATCHMENT AREA TO BE SERVED

- A. MCBH will be the only source of referral for HART clients. All clients will have an IEP and must be authorized to receive HART services by the client’s IEP team.

V. ELIGIBILITY CRITERIA

Clients being considered for the HART program should meet the following criteria:

- A. Demonstrating behaviors that are causing functional impairment and placing the client at imminent risk of residential treatment; and
- B. Receiving Special Education services through an IEP; and
- C. Open to MCBH services.

In addition, HART can be considered appropriate for clients in need of intensive supportive services to assist with transition back home from a residential care setting.

VI. LIMITATION OF SERVICES/PRIOR AUTHORIZATION

All services require authorization from the client’s IEP team and are to be coordinated with ongoing MCBH services. HART referrals from MCBH must be made and authorized prior to service delivery of HART services by CONTRACTOR.

VII. PROCEDURE FOR HART REFERRAL AND AUTHORIZATION FOR SERVICES

- A. When it appears that a client with an IEP is exhibiting behavior that places him or her at imminent risk of residential placement and may be in need of more intensive services than he or she is currently receiving, the MCBH HART Case Manager will attend an IEP meeting to discuss consideration of adding HART services to the client’s IEP.
- B. If, at the IEP meeting, it is determined by the IEP team, that all other interventions have proven to be ineffective in stabilizing the client’s behaviors, the IEP team will add HART services to the IEP. This documentation must be clearly indicated on IEP 12 from in the Notes/Additional Information section and include, in writing, that the HART Program Service is being added to the IEP because the client is “at imminent risk of residential treatment”. The HART Case Manager will work with the client’s IEP team to develop an IEP goal that will address the social emotional needs of the client and decide on the number of service hours that will be provided by the CONTRACTOR where indicated.
- C. Once HART services have been added to the client’s IEP and a referral to the HART CONTRACTOR has been approved, the MCBH HART Case Manager will prepare a HART referral packet to include the HART Referral Form, a signed Authorization for the Release and Exchange of Confidential Information form, the client’s most recent Psychosocial Assessment, a current Treatment Plan, and a copy of the IEP documenting the number of contracted service hours that have been approved by the client’s IEP team. No services will be implemented without documented approval from the client’s District of Residence and the client’s parent or Legal Guardian, either through an addendum or subsequent IEP Team Meeting.

VIII. SERVICE DELIVERY AND DOCUMENTATION

- A. **Delivery Site:** HART services will be provided in the child’s home, school or community settings where she/he is experiencing functional impairment.

B. Hours of Operation: To be determined by the needs of the child and family and may include nights and weekends. By assignment/referral.

C. Service Type:

- b. Collateral contacts with family members, caregivers and other significant people in the child's life.
- c. Intensive case management/ linkage and brokerage to low cost/no cost community resources that will assist in stabilizing the child's behaviors of concern and reduce risk of out of home placement. Case management services will also include ongoing consultation with the child's MCBH therapist, MCBH HART Case Manager, IEP Case Carriers, and other school staff directly involved with the child's educational placement.

D. Service Documentation:

- a. Upon receipt of the HART referral packet, the CONTRACTOR will conduct an initial assessment and develop a service plan within 30 days from referral. The service plan must be based on the IEP goal and findings from the initial assessment and address behaviors that are school-related and preventing the client from being successful in his/her academic placement.
- b. All service plans must be approved and signed by the MCBH HART Case Manager, the client (if 12 years or older), the client's parent or Legal Guardian, and HART provider working directly with the client and the master's level practitioner providing clinical oversight to the contracted services.
- c. The CONTRACTOR will submit service plan updates every 60 days following the initial 30-day assessment period to the HART Case Manager to include the aforementioned signatures required on the initial service plan.
- d. On the 15th of every month following the opening of a HART episode, CONTRACTOR will scan progress notes and all other service documentation for the preceding month of service into the client record in Avatar.

E. Service Delivery:

- a. The CONTRACTOR will provide services as outlined on the service plan and conduct monthly Coordination of Services meetings with the child and family focused on reviewing and monitoring progress with HART services.
- b. The CONTRACTOR will coordinate with the MCBH HART Case Manager to identify a meeting time that will accommodate schedules with all parties involved. In the event that the MCBH HART Case Manager is not able to attend the scheduled meeting, the CONTRACTOR will contact the MCBH HART Case Manager following the meeting to provide an update on client progress following the meeting.
- c. When IEP meetings are scheduled for HART clients, the MCBH HART Case Manager will notify the CONTRACTOR to request updates so that reports on client progress can be made and any adjustments to service hours can be proposed for IEP team consideration.

- d. When the CONTRACTOR and MCBH HART Case Manager have determined that the client has maintained progress and his or her behaviors of concern have stabilized, the MCBH HART Case Manager will request an IEP meeting to propose the dismissal of HART services from the client's IEP or discuss an appropriate fade out plan approved by the IEP team.
- e. When the IEP team has decided that HART services are no longer necessary and the services have been dismissed from the IEP, the CONTRACTOR will provide the MCBH HART Case Manager with a Discharge Summary within 10 days of the IEP meeting when HART services were dismissed.

F. Supervision of HART Staff:

CONTRACTOR shall designate a licensed Clinical Supervisor to provide ongoing individual weekly clinical supervision for licensed eligible clinical staff registered with the Board of Behavioral Science providing TBS services to ensure that support, guidance and consultation is available as needed. CONTRACTOR will also designate a supervisor to provide ongoing weekly supervision for all other non-clinical program staff providing HART service. Responsibility for the conduct of HART staff shall remain solely with CONTRACTOR.

IX. MEETINGS/COMMUNICATIONS

The Contract Monitor shall convene a quarterly meeting or as frequently necessary which will include appropriate CONTRACTOR and MCBH representation. XIII. SERVICE PROVISIONS – PROGRAMS I & II

A. Certification of Eligibility

CONTRACTOR will, in cooperation with COUNTY, comply with Section 14705.5 of California Welfare and Institutions Code to obtain a certification of a client's eligibility for SMHS under Medi-Cal.

B. Access to Specialty Mental Health Services

1. In collaboration with the COUNTY, Contractor will work to ensure that individuals to whom the CONTRACTOR provides SMHS meet access criteria, as per DHCS guidance specified in BHIN 21-073. Specifically, the CONTRACTOR will ensure that the clinical record for each client includes information as a whole indicating that client's presentation and needs are aligned with the criteria applicable to their age at the time of service provision as specified below.
2. For enrolled clients under 21 years of age, CONTRACTOR shall provide all medically necessary SMHS required pursuant to Section 1396d(r) of Title 42 of the United States Code. Covered SMHS shall be provided to enrolled clients who meet either of the following criteria, (a) or (b) below. If a client under age 21 meets the criteria as described in (a) below, the beneficiary meets criteria to access SMHS; it is not necessary to establish that the beneficiary also meets the criteria in (b) below.
 - a. The client has a condition placing them at high risk for a mental health disorder due to experience of trauma evidenced by any of the following: scoring in the high-risk range under a trauma screening tool approved by DHCS, involvement in the child welfare system, juvenile justice involvement, or experiencing homelessness.
 - b. The client has at least one of the following:
 - a. A significant impairment,
 - b. A reasonable probability of significant deterioration in an important area of life functioning,
 - c. A reasonable probability of not progressing developmentally as appropriate, or
 - d. A need for SMHS, regardless of presence of impairment, that are not included within the mental health benefits that a Medi-Cal Managed Care Plan (MCP) is required to provide.
 - e. The client's condition listed above is due to one of the following:
 - a. A diagnosed mental health disorder, according to the criteria in the current editions of the Diagnostic and Statistical Manual of Mental Disorders (DSM) and the International Classification of Diseases and Related Health Problems (ICD).
 - b. A suspected mental health disorder that has not yet been diagnosed.

- c. Significant trauma placing the client at risk of a future mental health condition, based on the assessment of a licensed mental health professional.
- 3. For clients 21 years of age or older, CONTRACTOR shall provide covered SMHS for clients who meet both of the following criteria, (a) and (b) below:
 - a. The client has one or both of the following:
 - i. Significant impairment, where impairment is defined as distress, disability, or dysfunction in social, occupational, or other important activities.
 - ii. A reasonable probability of significant deterioration in an important area of life functioning.
 - b. The client's condition as described in paragraph (a) is due to either of the following:
 - i. A diagnosed mental health disorder, according to the criteria in the current editions of the DSM and ICD.
 - ii. A suspected mental disorder that has not yet been diagnosed.

C. Additional Clarifications

1. Criteria

- a. A clinically appropriate and covered mental health prevention, screening, assessment, treatment, or recovery service listed within Exhibit A of this Agreement can be provided and submitted to the COUNTY for reimbursement under any of the following circumstances:
 - i. The services were provided prior to determining a diagnosis, including clinically appropriate and covered services provided during the assessment process;
 - ii. The service was not included in an individual treatment plan; or
 - iii. The client had a co-occurring substance use disorder.

2. Diagnosis Not a Prerequisite

- a. Per BHIN 21-073, a mental health diagnosis is not a prerequisite for access to covered SMHS. This does not eliminate the requirement that all Medi-Cal claims, including SMHS claims, include a current Centers for Medicare & Medicaid Services (CMS) approved ICD diagnosis code.

C. Medical Necessity

1. CONTRACTOR will ensure that services provided are medically necessary in compliance with BHIN 21-073 and pursuant to Welfare and Institutions Code section 14184.402(a). Services provided to a client must be medically necessary and clinically appropriate to address the client's presenting condition. Documentation in each client's chart as a whole will demonstrate medical necessity as defined below, based on the client's age at the time of service provision.
2. For individuals 21 years of age or older, a service is "medically necessary" or a "medical necessity" when it is reasonable and necessary to protect life, to prevent significant illness or significant disability, or to alleviate severe pain as set forth in Welfare and Institutions Code section 14059.5.
3. For individuals under 21 years of age, a service is "medically necessary" or a "medical necessity" if the service meets the standards set forth in Section 1396d(r)(5) of Title 42 of the United States Code.

D. Coordination or Care

1. CONTRACTOR shall ensure that all care, treatment and services provided pursuant to this Agreement are coordinated among all providers who are serving the client, including all other SMHS providers, as well as providers of Non-Specialty Mental Health Services (NSMHS), substance use disorder treatment services, physical health services, dental services, regional center services and all other services as applicable to ensure a client-centered and whole-person approach to services.
2. CONTRACTOR shall ensure that care coordination activities support the monitoring and treatment of comorbid substance use disorder and/or health conditions.
3. CONTRACTOR shall include in care coordination activities efforts to connect, refer and link clients to community-based services and supports, including but not limited to educational, social, prevocational, vocational, housing, nutritional, criminal justice, transportation, childcare, child development, family/marriage education, cultural sources, and mutual aid support groups.
4. CONTRACTOR shall engage in care coordination activities beginning at intake and throughout the treatment and discharge planning processes.
5. To facilitate care coordination, CONTRACTOR will request a HIPAA and California law compliant client authorization to share client information with and among all other providers involved in the client's care, in satisfaction of state and federal privacy laws and regulations.

E. Co-Occurring Treatment and No Wrong Door

1. Per BHIN 22-011, Specialty and Non-Specialty Mental Health Services can be provided concurrently, if those services are clinically appropriate, coordinated, and not duplicative. When a client meets criteria for both NSMHS and SMHS, the client should receive services based on individual clinical need and established therapeutic

relationships. Clinically appropriate and covered SMHS can also be provided when the client has a co-occurring mental health condition and substance use disorder.

2. Under this Agreement, CONTRACTOR will ensure that clients receive timely mental health services without delay. Services are reimbursable to CONTRACTOR by COUNTY even when:
 - a. Services are provided prior to determination of a diagnosis, during the assessment or prior to determination of whether SMHS access criteria are met, even if the assessment ultimately indicates the client does not meet criteria for SMHS.
 - b. If CONTRACTOR is serving a client receiving both SMHS and NSMHS, CONTRACTOR holds responsibility for documenting coordination of care and ensuring that services are non-duplicative.

XIV. AUTHORIZATION AND DOCUMENTATION PROVISIONS

A. Services Authorization

1. CONTRACTOR will collaborate with COUNTY to complete authorization requests in line with COUNTY and DHCS policy.
2. CONTRACTOR shall have in place, and follow, written policies and procedures for completing requests for initial and continuing authorizations of services, as required by COUNTY guidance.
3. CONTRACTOR shall respond to COUNTY in a timely manner when consultation is necessary for COUNTY to make appropriate authorization determinations.
4. COUNTY shall provide CONTRACTOR with written notice of authorization determinations within the timeframes set forth in BHINs 22-016 and 22-017, or any subsequent DHCS notices.
5. CONTRACTOR shall alert COUNTY when an expedited authorization decision (no later than 72 hours) is necessary due to a client's specific needs and circumstances that could seriously jeopardize the client's life or health, or ability to attain, maintain, or regain maximum function.

B. Documentation Requirements

1. CONTRACTOR will follow all documentation requirements as specified in Article 4.2-4.8 inclusive in compliance with federal, state and COUNTY requirements.
2. All CONTRACTOR documentation shall be accurate, complete, and legible, shall list each date of service, and include the face-to-face time for each service. CONTRACTOR shall document travel and documentation time for each service separately from face-to-face time and provide this information to COUNTY upon

request. Services must be identified as provided in-person, by telephone, or by telehealth.

3. All services shall be documented utilizing COUNTY-approved templates and contain all required elements. CONTRACTOR agrees to satisfy the chart documentation requirements set forth in BHIN 22-019 and the contract between COUNTY and DHCS. Failure to comply with documentation standards specified in this Article require corrective action plans.

C. Assessment

1. CONTRACTOR shall ensure that all client medical records include an assessment of each client's need for mental health services.
2. CONTRACTOR will utilize the seven uniform assessment domains and include other required elements as identified in BHIN 22-019 and document the assessment in the client's medical record.
3. For clients aged 6 through 20, the Child and Adolescent Needs and Strengths (CANS), and for clients aged 3 through 18, the Pediatric Symptom Checklist-35 (PSC-35) tools are required at intake, every six months during treatment, and at discharge, as specified in DHCS MHSUDS INs 17-052 and 18-048.
4. The time period for providers to complete an initial assessment and subsequent assessments for SMHS are up to clinical discretion of COUNTY; however, CONTRACTOR's providers shall complete assessments within a reasonable time and in accordance with generally accepted standards of practice.

D. Problem List

1. CONTRACTOR will create and maintain a Problem List for each client served under this Agreement. The problem list is a list of symptoms, conditions, diagnoses, and/or risk factors identified through assessment, psychiatric diagnostic evaluation, crisis encounters, or other types of service encounters.
2. CONTRACTOR must document a problem list that adheres to industry standards utilizing at minimum current SNOMED International, Systematized Nomenclature of Medicine Clinical Terms (SNOMED CT®) U.S. Edition, September 2022 Release, and ICD-10-CM 2023.
3. A problem identified during a service encounter may be addressed by the service provider during that service encounter and subsequently added to the problem list.
4. The problem list shall include, but is not limited to, all elements specified in BHIN 22-019.
5. COUNTY does not require the problem list to be updated within a specific timeframe or have a requirement about how frequently the problem list should be updated after a

problem has initially been added. However, CONTRACTOR shall update the problem list within a reasonable time such that the problem list reflects the current issues facing the client, in accordance with generally accepted standards of practice and in specific circumstances specified in BHIN 22-019.

E. Treatment and Care Plans

1. CONTRACTOR is not required to complete treatment or care plans for clients under this Agreement, except in the circumstances specified in BHIN 22-019 and additional guidance from DHCS that may follow after execution of this Agreement.

2. Each progress note shall provide sufficient detail to support the service code selected for the service type as indicated by the service code description.
3. Progress notes shall include all elements specified in BHIN 22-019, whether the note be for an individual or a group service.
4. CONTRACTOR shall complete progress notes within three business days of providing a service, with the exception of notes for crisis services, which shall be completed within 24 hours.
5. Providers shall complete a daily progress note for services that are billed on a daily basis, such as residential and day treatment services, if applicable.

G. Transition of Care Tool

1. CONTRACTOR shall use a Transition of Care Tool for any clients whose existing services will be transferred from CONTRACTOR to an Medi-Cal Managed Care Plan (MCP) provider or when NSMHS will be added to the existing mental health treatment provided by CONTRACTOR, as specified in BHIN 22-065, in order to ensure continuity of care.
2. Determinations to transition care or add services from an MCP shall be made in alignment with COUNTY policies and via a client-centered, shared decision-making process.
3. CONTRACTOR may directly use the DHCS-provided Transition of Care Tool, found at: <https://www.dhcs.ca.gov/Pages/Screening-and-Transition-of-Care-Tools-for-Medi-Cal-Mental-Health-Services.aspx>, or obtain a copy of that tool provided by the COUNTY. CONTRACTOR may create the Transition of Care Tool in its Electronic Health Record (EHR). However, the contents of the Transition of Care Tool, including

the specific wording and order of fields, shall remain identical to the DHCS provided form. The only exception to this requirement is when the tool is translated into languages other than English.

IV. PAYMENT CONDITIONS

- A. If CONTRACTOR is seeking reimbursement for eligible services funded by the Short-Doyle/Medi-Cal, Mental Health Services Act (“MHSA”), SB 90, Federal or State Grants, and/or COUNTY funds provided pursuant to this Agreement, reimbursement for such services shall be based on actual cost of providing those services less any deductible revenues collected by the CONTRACTOR from other payer sources. In order to reduce COUNTY costs, the CONTRACTOR shall comply with all applicable provisions of the California Welfare and Institutions Code (WIC), the California Code of Regulations, the Code of Federal Regulations, and the federal Social Security Act related to reimbursements by non-County and non-State sources, including, but not limited to, collecting reimbursements for services from clients (which shall be the same as patient fees established pursuant to WIC section 5710) and from private or public third-party payers.

CONTRACTOR shall not claim reimbursement from COUNTY for (or apply sums received from COUNTY with respect to) that portion of its obligations which has been paid by another source of revenue. If CONTRACTOR is seeking reimbursement for mental health services provided pursuant to this Agreement, reimbursement for such services shall be based upon the actual allowable costs of providing those services less any deductible revenues, as stated above. Notwithstanding any other provision of this Agreement, in no event may CONTRACTOR request a rate that exceeds the COUNTY'S Maximum Rate, which is based on the most recent State's Medi-Cal Behavioral Health Service Fee Schedules established by the State's Department of Health Care Services. In no case shall payments to CONTRACTOR exceed County's Maximum Rates. In addition to the rate limitation, in no event shall the maximum reimbursement that will be paid by COUNTY to CONTRACTOR under this Agreement for any Program Amount be more than the amount identified for each Program Amount for each Funded Program, as identified in this Exhibit B, Section III. Said amounts shall be referred to as the "Maximum Obligation of County," as identified in this Exhibit B, Section V.

- B. To the extent a recipient of services under this Agreement is eligible for coverage under Short-Doyle/Medi-Cal or Medicaid or Medicare or any other Federal or State funded program ("an eligible beneficiary"), CONTRACTOR shall ensure that services provided to eligible beneficiaries are properly identified and claimed to the Funded Program responsible for such services to said eligible beneficiaries. For the Short-Doyle/Medi-Cal Funded Program, CONTRACTOR assumes fiscal responsibility for services provided to all individuals who do not have full-scope Medi-Cal or are not Medi-Cal eligible during the term of this Agreement.
- C. CONTRACTOR shall be responsible for delivering services to the extent that funding is provided by the COUNTY. To the extent that CONTRACTOR does not have funds allocated in the Agreement for a Funded Program that pays for services to a particular eligible beneficiary, CONTRACTOR shall, at the first opportunity, refer said eligible beneficiary to another CONTRACTOR or COUNTY facility within the same geographic area to the extent feasible, which has available funds allocated for that Funded Program.
- D. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its claims on Behavioral Health Invoice Form provided as Exhibit G, to this Agreement, along with backup documentation, on a monthly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30th) day of the month following the month of service. See Section III, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

CONTRACTOR shall submit via email a monthly claim using Exhibit G, Behavioral Health Invoice Form in Excel format with electronic signature along with supporting documentation, as may be required by the COUNTY for services rendered to:

MCHDBHFinance@countyofmonterey.gov

- E. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR.
- F. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.
- G. COUNTY shall review and certify CONTRACTOR’S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor. The County Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.
- H. To the extent that the COUNTY determines CONTRACTOR has improperly claimed services to a particular Program Amount, COUNTY may disallow payment of said services and require CONTRACTOR to resubmit said claim of services for payment from the correct Program Amount, or COUNTY may make corrective accounting transactions to transfer the payment of the services to the appropriate Program Amount.
- I. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR’S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

V. MAXIMUM OBLIGATION OF COUNTY

- A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **\$4,193,635** for services rendered under this Agreement.
- B. Maximum Annual Liability:

FISCAL YEAR LIABILITY	AMOUNT
July 1, 2024 to June 30, 2025	\$1,397,878
July 1, 2025 to June 30, 2026	\$1,397,878

July 1, 2026 to June 30, 2027	\$1,397,878
TOTAL MAXIMUM COUNTY OBLIGATION:	\$4,193,635

- C. If, as of the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY’S maximum liability under this Agreement.
- D. If for any reason this Agreement is canceled, COUNTY’S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.
- E. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

VI. BILLING AND PAYMENT LIMITATIONS

- A. Provisional Payments: COUNTY payments to CONTRACTOR for performance of eligible services hereunder are provisional until the completion of all settlement activities and audits, as such payments are subject to future Federal, State and/or COUNTY adjustments. COUNTY adjustments to provisional payments to CONTRACTOR may be based upon COUNTY’S claims processing information system data, State adjudication of Medi-Cal claims files, contractual limitations of this Agreement, annual cost and MHSA reports, application of various Federal, State, and/or COUNTY reimbursement limitations, application of any Federal, State, and/or COUNTY policies, procedures and regulations, and/or Federal, State, or COUNTY audits, all of which take precedence over monthly claim reimbursements.
- B. Allowable Costs: Allowable costs shall be the CONTRACTOR’S actual costs of developing, supervising and delivering the services under this Agreement, as set forth in the Budget provided in Exhibit H and 2 C.F.R. § 230. Only the costs listed in Exhibit H of this Agreement as contract expenses may be claimed as allowable costs. Any dispute over whether costs are allowable shall be resolved in accordance with the provisions of applicable Federal, State and COUNTY regulations.
- C. Cost Control: CONTRACTOR shall not exceed by more than twenty (20%) percent any contract expense line item amount in the budget without the written approval of COUNTY, given by and through the Contract Administrator or Contract Administrator’s designee. CONTRACTOR shall submit an amended budget using Exhibit H, or on a format as required by the COUNTY, with its request for such approval. Such approval shall not permit CONTRACTOR to receive more than the maximum total amount payable under this Agreement. Therefore, an increase in one line item shall require corresponding decreases in other line items.

- D. Other Limitations for Certain Funded Programs: In addition to all other limitations provided in this Agreement, reimbursement for services rendered under certain Funded Programs may be further limited by rules, regulations and procedures applicable only to that Funded Program. CONTRACTOR shall be familiar with said rules, regulations and procedures and submit all claims in accordance therewith.
- E. Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, State adjudication of Medi-Cal claims, and billing system data.

VII. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

- A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.
- B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.
- C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.
- D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

VIII. BILLING PROCEDURES AND LIMITATIONS ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER FEDERAL SOCIAL SECURITY ACT, TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES AND/OR TITLE XXI HEALTHY FAMILIES

The Short-Doyle/Medi-Cal (SD/MC) claims processing system enables California county Mental Health Plans (MHPs) to obtain reimbursement of Federal funds for medically necessary specialty mental health services provided to Medi-Cal-eligible beneficiaries

diagnosed as Seriously Emotionally Disturbed (SED). The Mental Health Medi-Cal program oversees the SD/MC claims processing system. Authority for the Mental Health Medi-Cal program is governed by Federal and California statutes.

- A. If, under this Agreement, CONTRACTOR has Funded Programs that include Short-Doyle/Medi-Cal services, CONTRACTOR shall certify in writing annually, by August 1 of each year, that all necessary documentation shall exist at the time any claims for Short-Doyle/Medi-Cal services are submitted by CONTRACTOR to COUNTY.

CONTRACTOR shall be solely liable and responsible for all service data and information submitted by CONTRACTOR.

- B. CONTRACTOR acknowledges and agrees that the COUNTY, in undertaking the processing of claims and payment for services rendered under this Agreement for these Funded Programs, does so as the Mental Health Plan for the Federal, State and local governments.
- C. CONTRACTOR shall submit to COUNTY all Short-Doyle/Medi-Cal claims or other State required claims data within the thirty (30) calendar daytime frame(s) as prescribed by this Agreement to allow the COUNTY to meet the time frames prescribed by the Federal and State governments. COUNTY shall have no liability for CONTRACTOR'S failure to comply with the time frames established under this Agreement and/or Federal and State time frames, except to the extent that such failure was through no fault of CONTRACTOR.
- D. COUNTY, as the Mental Health Plan, shall submit to the State in a timely manner claims for Short-Doyle/Medi-Cal services only for those services/activities identified and entered into the COUNTY'S claims processing information system which are compliant with Federal and State requirements. COUNTY shall make available to CONTRACTOR any subsequent State approvals or denials of such claims upon request by the CONTRACTOR.
- E. CONTRACTOR acknowledges and agrees that COUNTY'S final payment for services and activities claimed by CONTRACTOR Short-Doyle/Medi-Cal services is contingent upon reimbursement from the Federal and State governments and that COUNTY'S provisional payment for said services does not render COUNTY in any way responsible for payment of, or liable for, CONTRACTOR'S claims for payment for these services.
- F. CONTRACTOR'S ability to retain payment for such services and/or activities is entirely dependent upon CONTRACTOR'S compliance with all laws and regulations related to same.
- G. Notwithstanding any other provision of this Agreement, CONTRACTOR shall hold COUNTY harmless from and against any loss to CONTRACTOR resulting from the denial or disallowance of claim(s) for or any audit disallowances related to said services, including any State approved Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, by the Federal, State or COUNTY governments, or other applicable payer source, unless the denial or disallowance was due to the fault of the COUNTY.

- H. CONTRACTOR shall repay to COUNTY the amount paid by COUNTY to CONTRACTOR for Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities subsequently denied or disallowed by Federal, State and/or COUNTY government.
- I. Notwithstanding any other provision of this Agreement, CONTRACTOR agrees that the COUNTY may off set future payments to the CONTRACTOR and/or demand repayment from CONTRACTOR when amounts are owed to the COUNTY pursuant to Subparagraphs G. and H. above. Such demand for repayment and CONTRACTOR'S repayment shall be in accordance with Exhibit I, Section II (Method of Payments for Amounts Due to County) of this Agreement.
- J. CONTRACTOR shall comply with all written instructions provided to CONTRACTOR by the COUNTY, State or other applicable payer source regarding claiming and documentation.
- K. Nothing in this Section VIII shall be construed to limit CONTRACTOR'S rights to appeal Federal and State settlement and/or audit findings in accordance with the applicable Federal and State regulations.

IX. PATIENT/CLIENT ELIGIBILITY, UMDAP FEES, THIRD PARTY REVENUES, AND INTEREST

- A. CONTRACTOR shall comply with all Federal, State and COUNTY requirements and procedures relating to:
 - 1. The determination and collection of patient/client fees for services hereunder based on the Uniform Method of Determining Payment (UMDAP), in accordance with the State Department of Health Care Services guidelines and WIC sections 5709 and 5710.
 - 2. The eligibility of patients/clients for Short-Doyle/Medi-Cal, Medicaid, Medicare, private insurance, or other third party revenue, and the collection, reporting and deduction of all patient/client and other revenue for patients/clients receiving services hereunder. CONTRACTOR shall pursue and report collection of all patient/client and other revenue.
- B. All fees paid by patients/clients receiving services under this Agreement and all fees paid on behalf of patients/clients receiving services hereunder shall be utilized by CONTRACTOR only for the delivery of mental health service/activities specified in this Agreement.
- C. CONTRACTOR may retain unanticipated fee for service program revenue, under this Agreement, provided that the unanticipated revenue is utilized for the delivery of mental health services/activities specified in this Agreement.

- D. CONTRACTOR shall not retain any fees paid by any sources for, or on behalf of, Medi-Cal beneficiaries without deducting those fees from the cost of providing those mental health services for which fees were paid.
- E. CONTRACTOR may retain any interest and/or return which may be received, earned or collected from any funds paid by COUNTY to CONTRACTOR, provided that CONTRACTOR shall utilize all such interest and return only for the delivery of mental health services/activities specified in this Agreement.
- F. Failure of CONTRACTOR to report in all its claims and in its Annual Report(s) all fees paid by patients/clients receiving services hereunder, all fees paid on behalf of patients/clients receiving services hereunder, all fees paid by third parties on behalf of Medi-Cal beneficiaries receiving services and/or activities hereunder, and all interest and return on funds paid by COUNTY to CONTRACTOR, shall result in:
 - 1. CONTRACTOR'S submission of a revised claim statement and/or Annual Report(s) showing all such non-reported revenue.
 - 2. A report by COUNTY to State of all such non-reported revenue including any such unreported revenue paid by any sources for or on behalf of Medi-Cal beneficiaries and/or COUNTY'S revision of the Annual Report(s).
 - 3. Any appropriate financial adjustment to CONTRACTOR'S reimbursement.

X. CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ ACTIVITIES TO BE RENDERED OR FIXED RATE PAYMENTS

- A. The Maximum Contract Amount for each period of this Agreement includes Cash Flow Advance (CFA) or fixed rate payments which is an advance of funds to be repaid by CONTRACTOR through the provision of appropriate services/activities under this Agreement during the applicable period.
- B. For each month of each period of this Agreement, COUNTY shall reimburse CONTRACTOR based upon CONTRACTOR'S submitted claims for rendered services/activities subject to claim edits, and future settlement and audit processes.
- C. CFA shall consist of, and shall be payable only from, the Maximum Contract Amount for the particular fiscal year in which the related services are to be rendered and upon which the request(s) is (are) based.
- D. CFA is intended to provide cash flow to CONTRACTOR pending CONTRACTOR'S rendering and billing of eligible services/activities, as identified in this Exhibit B, Sections III. and V., and COUNTY payment thereof. CONTRACTOR may request each monthly Cash Flow Advance only for such services/activities and only to the extent that there is no reimbursement from any public or private sources for such services/activities.
- E. Cash Flow Advance (CFA) Invoice. For each month for which CONTRACTOR is eligible to request and receive a CFA, CONTRACTOR must submit to the COUNTY an invoice of a CFA in a format that is in compliance with the funding source and the amount

of CFA CONTRACTOR is requesting. In addition, the CONTRACTOR must submit supporting documentation of expenses incurred in the prior month to receive future CFAs.

- F. Upon receipt of the Invoice, COUNTY, shall determine whether to approve the CFA and, if approved, whether the request is approved in whole or in part.
- G. If a CFA is not approved, COUNTY will notify CONTRACTOR within ten (10) business days of the decision, including the reason(s) for non-approval. Thereafter, CONTRACTOR may, within fifteen (15) calendar days, request reconsideration of the decision.
- H. Year-end Settlement. CONTRACTOR shall adhere to all settlement and audit provisions specified in Exhibit I, of this Agreement, for all CFAs received during the fiscal year.
- I. Should CONTRACTOR request and receive CFAs, CONTRACTOR shall exercise cash management of such CFAs in a prudent manner.

EXHIBIT E:
ASSURANCE OF COMPLIANCE WITH
MONTEREY COUNTY'S CULTURAL COMPETENCY POLICY

In a culturally competent system, each provider organization shows respect for and responds to individual differences and special needs. Services are provided in the appropriate cultural context and without discrimination related to race, national origin, income level, religion, gender, sexual orientation, age, or physical disability, to name a few. Culturally competent caregivers are aware of the impact of their own culture on their relationships with consumers/families and know about and respect cultural and ethnic differences. They adapt their skills to meet each individual's/family's values and customs. Cultural competence is a developmental and dynamic process – one that occurs over time.

Organizations in a Culturally Competent Service System Promote:

Quality Improvement

- Continuous evaluation and quality improvement
- Supporting evidence-based, promising, community defined, and emerging practices that are congruent with ethnic/racial/linguistic group belief systems, cultural values and help-seeking behaviors.

Collaboration

- Collaborating with Behavioral Health and other community programs
- Resolving barriers to partnerships with other service providers

Access

- Providing new services to unserved and underserved children, youth, adults and/or older adults
- Reducing disparities in access to, and retention in, care as identified in the Mental Health Services Act Plan
- Ensuring representation of mental health services consumers, family members of a mental health services consumer, and/or representatives from unserved communities on their advisory/governance body or committee for development of service delivery and evaluation (with a minimum target of 40%).
- Developing recruitment, hiring, and retention plans that are reflective of the population focus, communities' ethnic, racial, and linguistic populations.

Cultural Competent Services:

- Are available, accessible and welcoming to all clients regardless of race, ethnicity, language, age, and sexual orientation.
- Provide a physical environment that is friendly, respectful and inclusive of all cultures.
- Provide information, resources and reading materials in multilingual formats.
- Promote and foment culturally accepted social interactions, respect and healthy behaviors within the family constellation and service delivery system.

- Provide options for services, which are consistent with the client’s beliefs, values, healing traditions, including individual preferences for alternative, spiritual and/or holistic approaches to health.
- Offer services in unserved and underserved communities.
- Have services available in the evening and on weekends to ensure maximum accessibility.
- Offer services in Spanish and other necessary languages (such as Tagalog, Vietnamese, Oaxacan, Trique and other languages spoken of Monterey County residents).

Definitions for Cultural Competency

“Cultural Competence” is defined as a set of congruent practice skills, knowledge, behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers, family members, and professionals that enables that system, agency, or those professionals and consumers, and family member providers to work effectively in cross-cultural situations.

(Adapted from Cross, et al., 1989; cited in DMH Information Notice No.02-03).

“Cultural Competence” is a means to eliminating cultural, racial and ethnic disparities. Cultural Competence enhances the ability of the whole system to incorporate the languages, cultures, beliefs and practices of its clients into the service. In this way all clients benefit from services that address their needs from the foundation of their own culture. Strategies for elimination of these disparities must be developed and implemented. Cultural Competence must be supported at all levels of the system.

(CMHDA Framework for Eliminating Cultural, Linguistic, Racial and Ethnic Behavioral Health Disparities)

[Cultural Competency] A set of congruent behaviors, attitudes, and policies that come together in a system, agency or amongst professionals and consumers and enables that system, agency or those professionals and consumers to work effectively in cross-cultural situations.

(Cross, Bazron, Dennis & Issacs, 1989)

The ability to work effectively with culturally diverse clients and communities.

(Randall David, 1994)

CONTRACTOR hereby agrees that it will comply with the principles and guidelines set forth in Monterey County’s Health Department – Behavioral Health’s Cultural Competency Policy (as outlined above), and will:

1. Develop organizational capacity to provide services in a culturally and linguistically competent manner. This may include: hiring staff with the linguistic capabilities needed to meet the diverse language needs in Monterey County (for example, Spanish, Tagalog, Vietnamese, Oaxacan, Trique, American Sign Language (ASL), Middle Eastern languages); providing staff with training in cultural competency; making services accessible at locations and times that minimize access barriers, and ensuring that staff have an open, welcoming and positive attitude and feel comfortable working with diverse cultures.
2. Create a physical environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: decorating waiting and treatment areas with pictures that reflect the diverse cultures of Monterey County; providing reading materials,

resources and magazines in varied languages, at appropriate reading levels and suitable for different age groups, including children and youth; consideration of cultural differences and preferences when offering refreshments; ensuring that any pictures, symbols or materials on display are not unintentionally disrespectful to another culture.

3. Provide a services delivery environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: respect for individual preferences for alternative, spiritual and/or holistic approaches to health; a reception staff that is competent in the different languages spoken by consumers/families; staff that is knowledgeable of cultural and ethnic differences and needs, and is able and willing to respond an appropriate and respectful manner.
4. Support the county’s goal to reduce disparities to care by increasing access and retention while decreasing barriers to services by unserved and underserved communities.
5. Include the voice of multi-cultural youth, client and family members, including: monolingual and bilingual clients and family members and representatives from unserved and underserved communities, in the advisory/governance body or committee for development of service delivery, planning and evaluation (County Goal: 40%).
6. Participate in outcome evaluation activities aimed at assessing individual organizations as well as countywide cultural competency in providing mental health services.
7. As requested, meet with the Monterey County Health Department - Behavioral Health Director or designee to monitor progress and outcomes of the project.
8. Ensure that 100% of staff, over a 3 year period, participate in cultural competency training including, but not limited to, those offered by Monterey County Behavioral Health.

Dissemination of these Provisions. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

By my signature below, as the authorized representative of the CONTRACTOR named below, I certify acceptance and understanding for myself and the CONTRACTOR of the above provisions.

E. WHEREAS, the Privacy and Security Rules require Covered Entity and Business Associate to enter into a business associate agreement that meets certain requirements with respect to the Use and Disclosure of PHI. This BAA sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information (“EPHI”) shall be handled, in accordance with such requirements.

NOW THEREFORE, in consideration of the mutual promises below and the exchange of information pursuant to this BAA, the Parties agree as follows:

AGREEMENT

1. **DEFINITIONS**

All capitalized terms used in this BAA but not otherwise defined shall have the meaning set forth in HIPAA.

(a) “Breach” shall have the same meaning as “breach” as defined in 45 C.F.R. § 164.402; however, the term “Breach” as used in this BAA shall also mean the unlawful or unauthorized access to, Use or Disclosure of a patient’s “medical information” as defined under Cal. Civil Code § 56.05(j), for which notification is required pursuant to Cal. Health & Safety Code 1280.15, or a “breach of the security of the system” under Cal. Civil Code § 1798.29.

(b) “California Confidentiality Laws” shall mean the applicable laws of the State of California governing the confidentiality, privacy, or security of PHI or other personally identifiable information (PII), including, but not limited to, the California Confidentiality of Medical Information Act (Cal. Civil Code § 56 *et seq.*), the patient access law (Cal. Health & Safety Code § 123100 *et seq.*), the HIV test result confidentiality law (Cal. Health & Safety Code § 120975 *et seq.*), the Lanterman-Petris-Short Act (Cal. Welf. & Inst. Code § 5328 *et seq.*), and California’s data breach law (Cal. Civil Code § 1798.29).

(c) “Protected Health Information” or “PHI” shall mean any information, whether oral or recorded in any form or medium: (i) that relates to the past, present or future physical or mental condition of an individual; the provision of health care to an individual or the past, present or future payment for the provision of health care to an individual; (ii) that identifies the individual or with respect to which there is a reasonable basis to believe the information that can be used to identify the individual, and (iii) is provided by Covered Entity to Business Associate or created, maintained, received, or transmitted by Business Associate on Covered Entity’s behalf. PHI, when used in this BAA, includes EPHI.

(d) “Services” shall mean the services for or functions performed by Business Associate on behalf of Covered Entity pursuant to an underlying services agreement (“Services Agreement”) between Covered Entity and Business Associate to which this BAA applies.

2. **PERMITTED USES AND DISCLOSURES OF PHI**

Unless otherwise limited herein, Business Associate may:

(a) Use or Disclose PHI to perform Services for, or on behalf of, Covered Entity, provided that such Use or Disclosure would not violate the Privacy or Security Rules, this BAA, or California Confidentiality Laws if done by Covered Entity;

(b) Use PHI to provide Data Aggregation Services for the Health Care Operations of Covered Entity, if required by the Services Agreement and as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(c) Use PHI if necessary for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(d) Disclose PHI for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as

permitted under 45 C.F.R. § 164.504(e)(4)(ii), provided that Disclosures are Required by Law, or Business Associate obtains reasonable assurances from the person to whom the information is Disclosed that it will remain confidential and be Used or further Disclosed only as Required by Law or for the purpose for which it was Disclosed to the person, and that such person will notify the Business Associate of any instances of which such person is aware that the confidentiality of the information has been breached; and

(e) Use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1).

3. RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI

3.1. Responsibilities of Business Associate. Business Associate shall:

(a) Notify the Privacy Officer of Covered Entity, in writing, of: (i) any Use and/or Disclosure of the PHI that is not permitted by this BAA; (ii) any Security Incident of which Business Associate becomes aware; and (iii) any suspected Breach. Such notice shall be provided within five (5) business days of Business Associate's discovery of such unauthorized access, acquisition, Use and/or Disclosure, Security Incident, or suspected Breach. Notwithstanding the foregoing, the Parties acknowledge the ongoing existence and occurrence of attempted but ineffective Security Incidents that are trivial in nature, such as pings and other broadcast service attacks, and unsuccessful log-in attempts. The Parties acknowledge and agree that this Section 3.1(a) constitutes notice by Business Associate to Covered Entity of such ineffective Security Incidents and no additional notification to Covered Entity of such ineffective Security Incidents is required, provided that no such Security Incident results in unauthorized access, acquisition, Use or Disclosure of PHI. For the avoidance of doubt, a ransomware attack shall not be considered an ineffective Security Incident and shall be reported to Covered Entity, irrespective of whether such Security Incident results in a Breach. Business Associate shall investigate each Security Incident or unauthorized access, acquisition, Use, or Disclosure of PHI, or suspected Breach that it discovers and shall provide a summary of its investigation to Covered Entity, upon request;

(i) If Business Associate or Covered Entity determines that such Security Incident or unauthorized access, acquisition, Use, or Disclosure, or suspected Breach constitutes a Breach, then Business Associate shall provide a supplemental written report in accordance with 45 C.F.R. § 164.410(c), which shall include, to the extent possible, the identification of each individual whose PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, Used or Disclosed during the Breach, to Covered Entity without unreasonable delay, but no later than five (5) business days after discovery of the Breach;

(ii) In consultation with Covered Entity, Business Associate shall promptly mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper access, acquisition, Use, or Disclosure, Security Incident, or Breach; and

(iii) Covered Entity shall have sole control over the timing and method of providing notification of such Breach to the affected individual(s), the appropriate government agencies, and other persons required by law to be notified. Business Associate shall assist with any notifications, as requested by Covered Entity. Business Associate shall take prompt corrective action, including any action required by applicable State or federal laws and regulations relating to such Security Incident or non-permitted access, acquisition, Use, or Disclosure. Business Associate shall reimburse Covered Entity for its reasonable costs and expenses in providing notification to affected individuals, appropriate government agencies, and any other persons required by law to be notified (e.g., without limitation, the media or consumer reporting agencies), including, but not limited to, any administrative costs associated with providing notice, printing and mailing costs, public relations costs, attorney fees, and costs of mitigating the harm (which may include the costs of obtaining up to one (1) year of credit monitoring services and identity theft insurance) for affected individuals whose PHI or other PII has or may have been compromised as a result of the Breach.

(b) Implement appropriate administrative, physical, and technical safeguards and comply with the Security Rule and industry best practices to prevent Use and/or Disclosure of EPHI other than as provided for by this BAA;

(c) Obtain and maintain a written agreement with each of its Subcontractors that creates, receives, maintains, or transmits PHI that requires each such Subcontractor to adhere to restrictions and conditions that are at least as restrictive as those that apply to Business Associate pursuant to this BAA. Upon request, Business Associate shall provide Covered Entity with copies of its written agreements with such Subcontractors;

(d) Make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the Use and/or Disclosure of PHI received from, created, maintained, or transmitted by Business Associate on behalf of Covered Entity to the Secretary of the Department of Health and Human Services (“Secretary”) in a time and manner designated by the Secretary for purposes of determining Covered Entity’s or Business Associate’s compliance with HIPAA. Business Associate shall immediately notify Covered Entity of any such requests by the Secretary and, upon Covered Entity’s request, provide Covered Entity with any copies of documents Business Associate provided to the Secretary. In addition, Business Associate shall promptly make available to Covered Entity such practices, records, books, agreements, policies and procedures relating to the Use and Disclosure of PHI for purposes of determining whether Business Associate has complied with this BAA or maintains adequate security safeguards, upon reasonable request by Covered Entity. The fact that Covered Entity has the right to inspect, inspect, or fails to inspect Business Associate’s internal practices, records, books, agreements, policies and procedures does not relieve Business Associate of its responsibility to comply with this BAA, regardless of whether Covered Entity detects or fails to detect a violation by Business Associate, nor does it constitute Covered Entity’s acceptance of such practices or waiver of Covered Entity’s rights under this BAA;

(e) Document Disclosures of PHI and information related to such Disclosure and, within twenty (20) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the Disclosures of the individual's PHI in accordance with 45 C.F.R. § 164.528 and the HITECH Act. At a minimum, the Business Associate shall provide Covered Entity with the following information: (i) the date of the Disclosure; (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI Disclosed; and (iv) a brief statement of the purpose of such Disclosure which includes an explanation of the basis for such Disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within ten (10) days, forward such request to Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(f) Subject to Section 4.4 below, return to Covered Entity in a mutually agreeable format and medium, or destroy, within thirty (30) days of the termination of this BAA, the PHI in its possession and retain no copies, including backup copies;

(g) Use, Disclose to its Subcontractors or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;

(h) If all or any portion of the PHI is maintained in a Designated Record Set;

(i) Upon ten (10) days' prior written request from Covered Entity, provide access to the PHI to Covered Entity, or to the individual, if so directed by Covered Entity, to meet a request by an individual under 45 C.F.R. § 164.524 or California Confidentiality Laws. Business Associate shall notify Covered Entity within five (5) days of its receipt of a request for access to PHI from an individual; and

(ii) Upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526. Business Associate shall notify Covered Entity within five (5) days of its receipt of a request for amendment of PHI from an individual.

(i) If applicable, maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;

(j) To the extent that Business Associate carries out one or more of Covered Entity's obligations under the Privacy Rule, Business Associate shall comply with the requirements of the Privacy Rule that apply to Covered Entity in the performance of such obligations;

(k) Unless prohibited by law, notify Covered Entity as soon as possible and in no case later than five (5) days after the Business Associate's receipt of any request

or subpoena for PHI. To the extent that Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with Covered Entity in such challenge; and

(l) Maintain policies and procedures materially in accordance with HIPAA and California Confidentiality Laws and industry standards designed to ensure the confidentiality, availability, and integrity of Covered Entity's data and protect against threats or vulnerabilities to such data.

3.2 Business Associate Acknowledgment.

(a) Business Associate acknowledges that, as between the Business Associate and Covered Entity, all PHI shall be and remain the sole property of Covered Entity.

(b) Business Associate is not permitted to Use PHI to create de-identified information except as approved in writing by Covered Entity.

(c) Business Associate further acknowledges that it is obligated by law to comply, and represents and warrants that it shall comply, with HIPAA. Business Associate shall comply with all California Confidentiality Laws, to the extent that such state laws are not preempted by HIPAA.

(d) Business Associate further acknowledges that Uses and Disclosures of PHI must be consistent with Covered Entity's privacy practices, as stated in Covered Entity's Notice of Privacy Practices. The current Notice of Privacy Practices can be retrieved online from the Covered Entity's webpage. Business Associate agrees to review the Notice of Privacy Practices at this URL at least once annually while doing business with Covered Entity to ensure it remains updated on any changes to the Notice of Privacy Practices Covered Entity may make.

3.3 Responsibilities of Covered Entity. Covered Entity shall notify Business Associate of any (i) changes in, or withdrawal of, the authorization of an individual regarding the Use or Disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.508, to the extent that such changes may affect Business Associate's Use or Disclosure of PHI; or (ii) restrictions on Use and/or Disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's Use or Disclosure of PHI.

4. TERM AND TERMINATION

4.1 Term. This BAA shall become effective on the Effective Date and shall continue in effect until all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or if it is infeasible to return or destroy PHI, protections are extended to such PHI, in accordance with the termination provisions in Section 4.4. Certain provisions and requirements of this BAA shall survive its expiration or other termination as set forth in Section 5 herein.

4.2 Termination. If Covered Entity determines in good faith that Business Associate has breached a material term of this BAA, Covered Entity may either: (i) immediately terminate this BAA and any underlying Services Agreement without penalty; or (ii) terminate this BAA and any underlying Services Agreement within thirty (30) days of Business Associate's receipt of written notice of such breach, if the breach is not cured to the satisfaction of Covered Entity.

4.3 Automatic Termination. This BAA shall automatically terminate without any further action of the Parties upon the termination or expiration of all Services Agreements between Covered Entity and Business Associate that would necessitate having this BAA in place.

4.4 Effect of Termination. Upon termination or expiration of this BAA for any reason, Business Associate shall return or destroy all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(J) if, and to the extent that, it is feasible to do so. Prior to returning or destroying the PHI, Business Associate shall recover any PHI in the possession of its Subcontractors. Business Associate shall certify in writing that all PHI has been returned or securely destroyed, and no copies retained, upon Covered Entity's request. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall notify Covered Entity in writing of the condition that makes return or destruction infeasible. If Covered Entity agrees that return or destruction of the PHI is infeasible, as determined in its sole discretion, Business Associate shall: (i) retain only that PHI which is infeasible to return or destroy; (ii) return to Covered Entity the remaining PHI that the Business Associate maintains in any form; (iii) continue to extend the protections of this BAA to the PHI for as long as Business Associate retains PHI; (iv) limit further Uses and Disclosures of such PHI to those purposes that make the return or destruction of the PHI not feasible and subject to the same conditions as set out in Sections 2 and 3 above, which applied prior to termination; and (v) return to Covered Entity the PHI retained by Business Associate when such return is no longer infeasible.

5. MISCELLANEOUS

5.1 Survival. The obligations of Business Associate under the provisions of Sections 3.1, 3.2, and 4.4 and Article 5 shall survive termination of this BAA until such time as all PHI is returned to Covered Entity or destroyed.

5.2 Amendments: Waiver. This BAA may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of HIPAA or California Confidentiality Laws is materially amended in a manner that changes the obligations of the Parties, the Parties agree to negotiate in good faith appropriate amendment(s) to this BAA to give effect to the revised obligations. Further, no provision of this BAA shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this BAA is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

5.5 Counterparts: Facsimiles. This BAA may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile and electronic copies hereof shall be deemed to be originals.

5.6 Relationship of Parties. Notwithstanding anything to the contrary in the Services Agreement, Business Associate is an independent contractor and not an agent of Covered Entity under this BAA. Business Associate has the sole right and obligation to supervise, manage, contract, direct, procure, perform, or cause to be performed all Business Associate obligations under this BAA.

5.7 Choice of Law: Interpretation. This BAA shall be governed by the laws of the State of California. Any ambiguities in this BAA shall be resolved in a manner that allows Covered Entity and Business Associate to comply with HIPAA and the California Confidentiality Laws.

5.8 Indemnification. Business Associate shall indemnify, defend, and hold harmless the County of Monterey (the “County”), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including costs incurred by the County with respect to any investigation, enforcement proceeding, or third party action, arising out of, or in connection with, a violation of this BAA, HIPAA or California Confidentiality Laws, or a Breach that is attributable to an act or omission of Business Associate and/or its agents, members, employees, or Subcontractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the Parties to provide the broadest possible indemnification for the County. This provision is in addition to, and independent of, any indemnification provision in any Services Agreement between the Parties.

5.9 Applicability of Terms. This BAA applies to all present and future Services Agreements and business associate relationships, written or unwritten, formal or informal, in which Business Associate creates, receives, transmits, or maintains any PHI for or on behalf of Covered Entity in any form whatsoever. This BAA shall automatically be incorporated in all subsequent agreements between Business Associate and Covered Entity involving the Use or Disclosure of PHI whether or not specifically referenced therein. In the event of any conflict or inconsistency between a provision of this BAA and a provision of any other agreement between Business Associate and Covered Entity, the provision of this BAA shall control unless the provision in such other agreement establishes additional rights for Business Associate or additional duties for or restrictions on Business Associate with respect to PHI, in which case the provision of such other agreement will control.

5.10 Insurance. In addition to any general and/or professional liability insurance required of Business Associate under the Services Agreement, Business Associate agrees to obtain and maintain, at its sole expense, liability insurance on an occurrence basis, covering any and all claims, liabilities, demands, damages, losses, costs expenses, fines, and compliance costs arising from a breach of the obligations of Business Associate, its officers, employees, agents and Subcontractors under this BAA. Without limiting the foregoing, at a minimum, Business Associate’s required insurance under this Section shall include cyber liability insurance covering breach notification expenses, network security and privacy liability. The insurance coverage limits, per claim and in the aggregate, shall not be less than the following amounts based upon the number of unique patient served under this agreement:

Unique Patients	Coverage
Less than 12,001	\$2,000,000
12,001 – 30,000	\$3,000,000
30,001 – 60,000	\$5,000,000
More than 60,000	\$10,000,000

If the Business Associate maintains broader coverage and/or higher limits than these minimums, the Covered Entity requires, and shall be entitled to, the broader coverage and/or the higher limits maintained by the Business Associate. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be

available to the Covered Entity. Such insurance coverage will be maintained for the term of this BAA, and a copy of such policy or a certificate evidencing the policy shall be provided to Covered Entity at Covered Entity's request.

5.11 Legal Actions. Promptly, but no later than five (5) calendar days after notice thereof, Business Associate shall advise Covered Entity of any actual or potential action, proceeding, regulatory or governmental orders or actions, or any material threat thereof that becomes known to it that may affect the interests of Covered Entity or jeopardize this BAA, and of any facts and circumstances that may be pertinent to the prosecution or defense of any such actual or potential legal action or proceeding, except to the extent prohibited by law. This includes, without limitation, any allegation that Business Associate has violated HIPAA or other federal or state privacy or security laws.

5.12 Audit or Investigations. Promptly, but no later than five (5) calendar days after notice thereof, Business Associate shall advise Covered Entity of any audit, compliance review, or complaint investigation by the Secretary or other state or federal agency related to compliance with HIPAA or the California Confidentiality Laws.

5.13 Assistance in Litigation or Administrative Proceedings. Business Associate shall make itself, and any Subcontractors, employees, or agents assisting Business Associate in the performance of its obligations under any Services Agreements, available to Covered Entity, at no cost to Covered Entity, to testify in any claim commenced against Covered Entity, its directors, officers, employees, successors, and assigns based upon claimed violation by Business Associate or its agents or subcontractors of HIPAA or other applicable law, except where Business Associate or its Subcontractor, employee, or agent is a named adverse party.

5.14 No Offshore Work. In performing the Services for, or on behalf of, Covered Entity, Business Associate shall not, and shall not permit any of its Subcontractors, to transmit or make available any PHI to any entity or individual outside the United States without the prior written consent of Covered Entity.

5.15 Information Blocking Rules. Business Associate shall not take any action, or refuse to take any action, with regard to Covered Entity's electronic health information that would result in "information blocking" as prohibited by 42 U.S.C. § 300jj-52 and 45 C.F.R. Part 171 (collectively, "Information Blocking Rules"). Business Associate and Covered Entity shall cooperate in good faith to ensure Covered Entity's electronic health information is accessed, exchanged, and used in compliance with the Information Blocking Rules.

IN WITNESS WHEREOF, each of the undersigned has caused this BAA to be duly executed in its name and on its behalf as of the Effective Date.

EXHIBIT I: AUDITS AND AUDIT APPEALS

I. AUDITS AND AUDIT APPEALS

A. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with Federal and State law including but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., authorized representatives from the Federal governments, State or COUNTY may conduct an audit of CONTRACTOR regarding the services/activities provided under the fiscal year(s) for which the audit is outstanding. In addition, contract compliance audits or reviews may be conducted by the County of Monterey Auditor-Controller's Office or designated representative. Furthermore, the California State Controller Office performs audits of the mandated cost claims for the seriously emotionally disturbed pupils for the Out-of-State Mental Health Services Program and Handicapped and Disabled Students Programs. The Centers for Medicare and Medicaid Services (CMS) also perform audits of the Certified Public Expenditure (CPE) processes, negotiated rate audit information, and other issues.

B. Settlement of audit findings shall be conducted according to the auditing party's procedures in place at the time of the audit.

C. In the case of a Federal Government or State audit, COUNTY may perform a post-audit based on Federal or State audit findings. Such post-audit shall take place when the Federal Government or State initiates its settlement action, which customarily is after the issuance of the audit report by the Federal Government or State and before the Federal Government or State's audit appeal process.

1. If the Federal Government or State stays its collection of any amounts due or payable because of the audit findings, COUNTY shall also stay its settlement of the same amounts due or payable until the responsible auditing party initiates its settlement action with COUNTY.

2. COUNTY shall follow all applicable Federal, State and local laws, regulations manuals, guidelines and directives in recovering from CONTRACTOR any amount due to the COUNTY.

3. COUNTY shall issue an invoice to CONTRACTOR for any amount due to the COUNTY no later than ninety (90) calendar days after the Federal or State issues its audit settlement letter to the COUNTY. CONTRACTOR shall make payment to the COUNTY in accordance with the terms of Section II (Method of Payments for Amounts Due to COUNTY) of this Exhibit I. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.

D. CONTRACTOR may appeal any such audit findings in accordance with the audit appeal process established by the party performing the audit.

1. For Federal audit exceptions, Federal audit appeal processes shall be followed.
2. CONTRACTOR may appeal the State audit findings in conformance with provisions of Sections 51016 et seq. of Title 22 of the California Code of Regulations. Such appeals must be

filed through COUNTY. COUNTY shall notify CONTRACTOR of State appeal deadlines after COUNTY'S receipt from State of the audit report.

3. If at any time the Appeal process results in a revision to the audit findings, and the Federal Government or State recalculates the final settlement with COUNTY, COUNTY may perform a post-audit based on the Federal or State revised findings after the Federal Government or State has issued its revised settlement with the COUNTY, based on such re-computed final settlement.

a. If the re-computed final settlement results in amounts due to CONTRACTOR by the COUNTY, COUNTY shall make such payments to CONTRACTOR within thirty (30) calendar days of issuing the revised settlement amount to the CONTRACTOR.

b. If the re-computed final settlement results in amounts due from CONTRACTOR to the COUNTY, CONTRACTOR shall make payment to the COUNTY within thirty (30) days that the COUNTY issues its invoice to the CONTRACTOR.

E. Notwithstanding any other provisions of this Agreement, if CONTRACTOR appeals any audit report, the appeal shall not prevent the COUNTY from recovering from CONTRACTOR any amount owed by CONTRACTOR that the Federal Government or State has recovered from COUNTY.

F. Should the auditing party be the COUNTY, CONTRACTOR shall have thirty (30) calendar days from the date of the audit report with in which to file an appeal with COUNTY. The letter providing the CONTRACTOR with notice of the audit findings shall indicate the person(s) and address to which the appeal should be directed. COUNTY shall consider all information provided by CONTRACTOR with its appeal, and shall issue its decision on the appeal after such consideration. Such decision is final. COUNTY shall issue an invoice for any amount due COUNTY fifteen (15) calendar days after COUNTY has notified CONTRACTOR of the COUNTY'S audit appeal findings. CONTRACTOR shall make payment to the COUNTY in accordance with the terms of Section II (Method of Payments for Amounts Due to COUNTY) of this Exhibit I. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.

II. METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY

A. Within ten (10) business days after written notification by COUNTY to CONTRACTOR of any amount due by CONTRACTOR to COUNTY, CONTRACTOR shall notify COUNTY as to which of the following five (5) payment options CONTRACTOR requests be used as the method by which such amount shall be recovered by COUNTY.

Any such amount shall be:

1. Paid in one cash payment by CONTRACTOR to COUNTY;
2. Deducted from future claims over a period not to exceed six (6) months;
3. Deducted from any amounts due from COUNTY to CONTRACTOR whether under this Agreement or otherwise;

4. Paid by cash payment(s) by CONTRACTOR to COUNTY over a period not to exceed six (6) months; OR
 5. A combination of any or all of the above.
- B. If CONTRACTOR does not so notify COUNTY within such ten (10) days, or if CONTRACTOR fails to make payment of any such amount to COUNTY as required, then Director, in his sole discretion, shall determine which of the above five (5) payment options shall be used by COUNTY for recovery of such amount from CONTRACTOR.

EXHIBIT J: FEDERAL AND STATE TELEHEALTH LAWS

Purpose: Demonstrate USCTH compliance with federal & state telehealth laws

1. Federal Telehealth Law

There are no specific federal laws governing the delivery of telehealth related to compliance, but there are numerous laws requiring telehealth reimbursement parity with face-to-face services. However, in parity with on-ground mental health services, Telehealth ‘covered entities’ are required to uphold federally-established HIPAA regulations according to the Health Insurance Portability and Accountability Act of 1996.

HIPAA Regulations: In addition to standard operations, HIPAA security guidelines for the electronic delivery of telehealth services have been established by HITECH (Health Information Technology for Economic and Clinical Health) as part of the American Recovery and Reinvestment Act of 2009 (ARRA). Specifically, USC Telehealth technologies and operational standards conform to HITECH guidelines for HIPAA compliance through:

- **Technology Security**
 - IETF-standard Secure Sockets Layer (SSL) and Transport Layer Security (TLS) protocols are used to protect all communication between endpoints. To provide maximum protection against eavesdropping, modification, or replay attacks, the only SSL cipher suite supported for non-Web-site TCP connections is 1024-bit RSA with 128-bit AES-CBC and HMAC-SHA1
 - End-to-end 128 bit encryption that protects both ends of the connection
 - Multi-layer cryptography, server, certificate, and user authentication prevent unauthorized access
- **Role-based Security Features**
 - Platform user permissions are centrally assigned to approved therapists by the USCTH Director of Operations only (controlled access to platform)
 - Each session has a uniquely coded session ID that is not reusable
 - No one else can enter the session uninvited (including staff members)
- **Security Monitoring**
 - Occurs simultaneously on three levels, 1) Clinician; 2) Clinic; and 3) Data Center
 - Clinician has on-screen monitoring tools to see who is connected to the session at all times
 - Clinic monitors daily activity plus comprehensive data logs to ensure appropriate, secure use of system
 - Data Centers (4 in total) are physically guarded and continually monitored for security and performance, guarding against cyber attacks

- **Information Access**

- Communications and user identities are NEVER visible to any third party
- User logs and activity is not visible to anyone but the USCTH Director of Operations
- Sessions are not recorded
- Contingency and Emergency Operations Plan
- Four highly secure data centers across the U.S. ensure that if one data center goes down, service is uninterrupted as activity is seamlessly transferred through another data center

- **Stringent Policies and Procedures**

- Extensive training plus clinic policies and procedures for clinicians governing use of the platform, their behavior online, and how they access and manage client information.
- We also work closely with clients to ensure their compliance to HIPAA confidentiality measures (such as confirming no one can overhear their session, confirming they are in a secure and private location, etc.

2. California Telehealth Law

California was one of the earliest adopters of a state telehealth policy with the passing of The Telemedicine Development Act of 1996, which established a legal requirement to recognize telehealth services as equivalent to face to face services, and for such services to be reimbursable by both Medi-Cal and Medicare, as well as commercial insurers.

Current and relevant CA telehealth codes/laws include:

- **Cal. Health & Safety Code § 1374.13. (c)** - On and after January 1, 1997, no health care service plan contract that is issued, amended, or renewed shall require face-to-face contact between a health care provider and a patient for services appropriately provided through telemedicine, subject to all terms and conditions of the contract agreed upon between the enrollee or subscriber and the plan.
- **Cal. Health & Safety Code § 14132.72. (a)** - It is the intent of the Legislature to recognize the practice of telemedicine as a legitimate means by which an individual may receive medical services from a health care provider without person-to-person contact with the provider.
- **AB 415 (2012)** – Was passed to facilitate the advancement of telehealth as way of providing health services. The law established that telehealth services may consist of a real-time (synchronous) interaction between a patient and a health care provider located at a distant site or may involve the transmission of a patient’s medical information from patient’s site to a distant site without the presence of the patient (“asynchronous store and forward”). The law also affirmed that the use of telehealth includes allied health professions such as mental health practitioners. (*See Cal. Bus. & Prof. Code § 2290.5*).

- **AB 809 (2015)** - Provided that informed consent for telehealth services may be verbal only, although USCTH still obtains written consent and acknowledgement of telehealth service delivery as a “best practice”.

Additional Important Telehealth Facts:

California law considers telehealth equivalent to in-person services ... Regulations established by The Telemedicine Development Act of 1996 focus on the prompt and equivalent payment for telemedicine services by contracting entities to uphold the law’s intention that **telemedicine/telehealth be recognized as a legitimate means of service delivery the same as face-to-face services for all services that are possible through a telehealth platform.**

Allied health professions are covered under the law ... Please note that the language from the Telemedicine Development Act of 1996 (Senate Bill 1665) was updated in 2012 to “**telehealth**” instead of telemedicine and covers **allied health** professions in addition to medical services.

CMS has a history of paying for telehealth services ... For informational purposes, a recent article in *healthitoutcomes.com* – May, 28, 2015 – states “Total reimbursements for telemedicine by the Centers for Medicare & Medicaid Services reached \$13.9 million in 2014.”
