A. Pursuant to Article XI, section 7 of the California Constitution, the County of Monterey may adopt and enforce ordinances and regulations not in conflict with general laws to protect and promote the public health, safety, and welfare of its citizens.

B. The Monterey County Zoning Administrator approved a Combined Development permit for a parcel located on 51410 Partington Ridge Road, Big Sur (Resolution 22-003). The proposed project has three primary components: remodel of an existing historic home; construction of a new detached garage and workshop; and construction of a new onsite wastewater treatment system to serve both the home and workshop.

C. Condition No. 11 in Resolution No. 22-003 requires the owner request the parcel be rezoned combining the Historic Resources (“HR”) District with the parcel’s existing zoning before the issuing a building or grading permit.

D. In accordance with the requirements of the Big Sur Coastal Implementation Plan Section 20.145.110(C)(4), Condition No. 11 in Resolution No. 22-003 requires the owner request the parcel be rezoned combining the Historic Resources (“HR”) District with the parcel’s existing zoning in order to protect, maintain, enhance, and restore Big Sur Coast cultural resources.

E. State law provides a categorical exemption Class 31 from the California Environmental Quality Act (“CEQA”) for preservation of historical resources. CEQA Guidelines Section 15331. This ordinance reclassifies zoning to create a historical resources district overlay.

F. Certification by the California Coastal Commission is not required. Monterey County Coastal Implementation Plan Section 20.94.042 states that zoning designation reclassifications constituting an amendment to Title 20 and initiated for the purpose of preserving or enhancing the coastal resources including adding any "B", "A", "HR", "Z" overlay zoning designations shall not require certification by the Coastal Commission.
