..Report

RECOMMENDATION:

It is recommended that the Board of Supervisors adopt a Resolution to:

- a. Amend Personnel Policies and Practices Resolution No. 98-394 Appendix A and B to create the classification of the Obstetrical Technician-Per Diem with the salary range as indicated in Attachment A effective September 9, 2023; and
- b. Direct the Human Resources Department to implement the changes in the Advantage Human Resources Management System.

SUMMARY/DISCUSSION:

Natividad Medical Center (NMC) Human Resources has recently completed several base wage compensation studies on classifications that have a separate classification with a per diem status. These per diem classifications are compensated approximately 11.87% more than their counterparts as per diem employees are not eligible to receive County benefits.

In an effort to remain aligned with current market trends to remain competitive and continue to recruit, retain and appropriately compensate per diem employees, NMC recommends the creation of an Obstetrical Technician-Per Diem classification to maintain the ability to proactively prepare for fluctuations in patient census and unpredictable gaps in staffing.

OTHER AGENCY INVOLVEMENT:

The Human Resources Department concurs with the recommendations. Service Employees International Union (SEIU) Local 521 has been notified of the recommendations.

FINANCING:

There is no cost increase for the remainder of Fiscal Year 2023-24. The funding for personnel costs is provided by NMC's enterprise fund comprised of patient services revenues received from commercial insurance, state, and federal government agencies. This action does not impact the General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The proposed recommended actions address the Board of Supervisors Administration Strategic Initiative. The actions demonstrate the County's commitment to meeting the Board's initiatives in recruiting, retaining, and attracting a diverse, talented workforce that supports the mission of Monterey County.
