

Amendment No. 9
to
Proprietary Software License Agreement, No. 1396836
between
CGI Technologies and Solutions Inc.
and
Monterey County, California

This Amendment No. 9 (Amendment) to the Proprietary Software License Agreement No. **1396836** (“Agreement”) by and between CGI Technologies and Solutions Inc. (“CGI”) and Monterey County, California (“Customer”) is made July 1, 2024 (“Amendment Effective Date”).

WHEREAS, Customer and CGI entered into a Proprietary Software License Agreement, No. **1396836**, dated April 7, 2008, as previously amended for the purchase of CGI’s proprietary software product known as CGI Advantage and identified subsystems and third party products;

WHEREAS, Customer and CGI previously agreed to amend the Agreement by changing various certain terms, conditions, and services provided; and

WHEREAS, Customer and CGI agree to amend the Agreement by updating the licensing of CGI and specified Bundled Products to Customer, as described in this Amendment 9; and

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, receipt of which is hereby acknowledged, the parties hereto agree as follows:

1. Governing Document

The Agreement is incorporated herein and forms a part of this Amendment No. 9. Except as provided below, all other terms and conditions of the Agreement, as amended, shall remain unchanged and in full force and effect and are hereby ratified and reaffirmed by the parties hereto. In the event of any conflict of inconsistency between the provisions set forth in this Amendment No. 9 and the Agreement, this Amendment No. 9 shall govern and control.

2. Exhibit A

With the exception of Exhibit A attachments, which shall remain in full force and effect, Exhibit A of the Agreement is replaced in its entirety with Exhibit A attached hereto, incorporated herein, and made a part hereof to a) update certain terms and conditions with Exhibit A and b) modify certain Bundled Products.

ALL OTHER TERMS AND CONDITIONS REMAIN IN PLACE AND UNCHANGED.

CGI infoAdvantage® Server Bundle

CGI shall deliver to Customer one (1) copy of the above-described Software to the Customer.

B. Source Code. CGI may install and periodically update the source code (“Source Code”) of the licensed CGI Advantage software on a Client environment. Notwithstanding anything to the contrary in this Agreement, the Maintenance Agreement, or any services agreements between the parties, Client agrees to comply with the following restrictions concerning the Source Code:

- (1) Client employees may access the source code solely for the purposes of applying software patches, updates, or corrections provided to Client by CGI.
- (2) Client will not permit any third party, including without limitation Client’s other contractors or Client personnel that are not Client employees, to access the Source

Code for any purpose, including application of software patches, updates, or corrections as described in Section 1.B.(1) of this Exhibit.

- (3) Without limiting the generality of this Subsection B, Client will not access or use the source code for purposes of creating modifications, enhancements, or derivatives of the licensed CGI Advantage software.
- (4) Client will immediately return the Source Code to CGI upon CGI's written request.

If CGI ceases to be in the business of providing maintenance services for the licensed CGI Advantage software, CGI will: (i) promptly so notify the Client in writing, and (ii) provided Client is in compliance with this Agreement, the Maintenance Agreement, and related services agreements between the parties, CGI may agree to amend this Agreement to allow Client access to the Source Code for the sole purpose of maintaining the Client's access and use of the licensed CGI Advantage software, which shall remain otherwise subject to all the restrictions set forth in this Agreement, including the restriction set forth in Section B.(2) of this Exhibit on third party access to the Source Code.

2. **Specifications.** The Specifications for the Software include those specifications and functional requirements identified or described in Exhibit C to the Agreement, as well as any specifications, requirements, and functionality set forth in the Documentation for the Software, including those specifications set forth in the documentation described in Section 3 below.

3. **Licensed Documentation.** The Specifications for the Software listed in Section 1 of this Exhibit are set forth in the documentation available for download on the CGI website (<https://sc.cgi.com/advantage/>); referred to in this Agreement as the "Documentation."

Documentation for Bundled or Additional Third Party Software is available on the applicable third party website.

4. **License Type.** The Software is licensed to Customer on the following basis:

Site License. Customer and its Affiliates shall be permitted to install, access, and use the Software on or through computers, servers, and mainframes at the facilities listed below, with the exception of: (i) CGI infoAdvantage, which is, as further described below, licensed under a server license; and (ii) Bundled Products and Third Party Products, which may be subject to separate terms and conditions, as described below. Subject to the exceptions provided for in the immediately preceding sentence, the license granted to Customer and its Affiliates to the Software is without any limits as to the number of personal computers and servers at, on, or through which the Software is used, the number of users permitted to use the Software, or the number of copies of the Software being used. Customer may also remotely access the Software installed at the facilities listed below from any other location, using the capabilities of the Software. Customer will notify CGI in writing if there is a change with respect to the facility at which the Software is installed. In the event of the failure of the computers at the listed location(s), Customer may use the Software at a back-up computer facility in the United States until operations at the primary facility have been restored.

240 Church Street, Salinas, California 93901

Server License. Customer is permitted to use the CGI infoAdvantage Software on one (1) server(s) or mainframe(s). Should Customer desire to use the Software for or at additional facilities or, with respect to the CGI infoAdvantage Software, for additional servers or mainframes, Customer may purchase additional licenses from CGI.

5. **Work That May Be Processed.** Customer may only use the Software to process Customer's own work and that of Customer's Affiliates, as defined and described in the Agreement.

Customer may only use the CGI infoAdvantage Software with CGI Advantage databases. Bundled Products and Third Party Products may be subject to separate terms and conditions, as described.

6. **License Fees.** Except as noted, the licenses specified in this Exhibit A have been granted to Customer for License Fees previously paid.
7. **Bundled Software Products.** Customer acknowledges that certain third party software products (the “Bundled Products”) are bundled or included with the Software and shall be subject to and governed by their respective terms and conditions attached hereto or by their respective shrink wrap licenses, where noted. Except for the Bundled Products identified herein, no licenses for or to any third party products are provided by CGI under this Agreement. CGI does not itself give or make any warranty of any kind with respect to the Bundled Products or any third party products. Except as expressly otherwise provided in the Agreement, CGI will have no obligations for any third party products or for additional third party products.

The Bundled Products that CGI is providing to Customer hereunder are as follows:

[Upon implementation, this shall be governed by the Hitachi Pentaho End User License Agreement (EULA) attached hereto as Attachment 1]

All rights of Client in and to the Bundled Products will be governed by the terms and conditions of this Agreement, and any additional supplier terms and conditions attached to or referenced in this Exhibit A as indicated in the product list above in this Section 9. In the event of conflict between the terms and conditions of this Agreement and applicable attached supplier terms and conditions, the applicable supplier terms and conditions take precedence. Without limiting the generality of the immediately foregoing sentence, CGI does not itself give or make any warranty or indemnification of any kind with respect to the Bundled Products. In addition, the Bundled Products may contain or require the use of open source products. Any open source products incorporated in, or used with, the Software are subject to the applicable open source license agreement. Violation by Client of the additional supplier terms and conditions attached to this Exhibit A in this or previous amendments may result in termination of Client's right to use the applicable Bundled Products under this Agreement. Such termination or changes in the Software which CGI may make from time to time may make it necessary for Client to acquire, at its own expense, updated versions of the Bundled Products or alternative products designated by CGI.

- 8. CGI Advantage Portal.** CGI shall for no additional fee, upon general availability of the CGI Advantage Portal, license the CGI Advantage Portal to Customer. This license shall be limited to CGI's CGI Advantage Portal software, exclusive of third party products; Customer will be responsible for purchases of any third party technology tools required for the operation of the CGI Advantage Portal.

Attachment 1

Hitachi Pentaho End User License Agreement (EULA)

The following terms and conditions shall apply to Hitachi Pentaho's software and shall supersede any other terms and conditions in the Agreement concerning the topics addressed herein.

1. Definitions.
 - A. **"Agreement"** means Client's agreement with CGI Technologies and Solutions Inc for the CGI Advantage® software.
 - B. **"Client"** means Monterey County, California.
 - C. **"Confidential Information"** means all information of a confidential or proprietary nature concerning the disclosing party's business which information is either marked as "confidential" or "proprietary" or that a reasonable person would understand to be confidential or proprietary given the nature of the information and the circumstances of the disclosure. Confidential Information also may include proprietary information of third parties who have granted licenses to or have contractual relationships with the disclosing party. In any event, Hitachi's Confidential Information includes all pricing information, know-how, trade secrets, development roadmaps for the Product, Documentation, Product Materials, license keys and all other technical and commercial information and software (excluding Third Party Software) included in or provided with the Product.
 - D. **"Documentation"** means the Hitachi Pentaho documentation as updated by Hitachi from time to time on <http://help.pentaho.com> or any other successor website, address or sources.
 - E. **"End User License Agreement"** or **"EULA"** means the Hitachi Pentaho terms and conditions provided herein.
 - F. **"Product"** means any and all of Hitachi Pentaho's proprietary data integration and business analytics software platform, including, without limitation, all updates, revisions, bug-fixes, upgrades, and enhancements thereto, as well as any software provided by Hitachi that has been modified in any way by Hitachi at the request of a client.
 - G. **"Product Materials"** means marketing and other informational materials concerning the Product.
 - H. **"Third Party Software"** means any additional third party software components, such as open source software, delivered with the Product.
2. On-Premise Deployment License. Hitachi grants Client a non-exclusive, non-transferable term license, commencing on the effective date agreed to by Client and CGI, to the Product to install on its premises for use with Client's deployment of CGI Advantage® for its own internal business purposes for the duration of the Agreement in accordance with the terms and conditions of the Agreement and this EULA. The Product shall be deemed accepted by Client upon delivery of the first license key for the Product.
3. Third Party Software. Client acknowledges that the Product may be delivered with Third Party Software components including open source software. Each component of Third Party Software is licensed and distributed to Client under the terms of the applicable Third Party Software license terms. A list of the Third-Party Software and the applicable licenses is provided with the Product and/or set forth in the Documentation.
4. Restrictions. The Product may be used only for Client's own lawful business purposes. In its use of the Product, Client agrees: (i) it will not reverse engineer, reverse compile or disassemble any object code of the Product, except as allowed by applicable law; (ii) it will not copy, modify, distribute, rent, lease, assign, transfer, sublicense, display or otherwise distribute or make the Product available to any third party through a service bureau or otherwise; (iii) it will not use the Product on a standalone basis; (iv) it will comply fully with all laws and regulations applicable to its use of the Product, the Documentation, and Product Materials including export control laws as applicable; (v) it will prohibit redistribution of the Product; (vi) it will not remove any copyright or trademark notices included with the Product at any time for any reason; and (vii) it will not use the Hitachi logos or marks in a manner that Hitachi reasonably believes dilutes, tarnishes or blurs the value of such logos or marks. Client acknowledges that its use of Hitachi logos and marks will not create in Client, nor will Client represent it has, any right, title or interest in or to Hitachi logos or marks. Client will be responsible for its user's compliance with this EULA and liable for its user's breach thereof.
5. Audit Rights. Client agrees that Hitachi, upon at least thirty (30) days' prior written notice, may at its own cost and expense directly or through a third party, during business hours, inspect and verify Client's compliance with this EULA.
6. Confidentiality. Each party acknowledges that it acquires the right to use the other party's Confidential Information only under the terms and conditions of this EULA and does not acquire any rights of ownership or title in the other party's Confidential Information. Each party will hold in confidence any Confidential Information received by it from

the other party and will protect the confidentiality of such with the same degree of care that it exercises with respect to its own confidential information of a similar nature, but in no event less than reasonable care. Each party will use the other party's Confidential Information solely for the purposes of its performance of the activities contemplated by this Agreement. Each party will disclose Confidential Information only to its (and in the case of Hitachi, Hitachi's and its affiliates') employees, representatives, agents and authorized contractors who have a need to know such information for the purposes of this EULA and who are subject to confidentiality obligations no less restrictive than those contained herein. Client shall be permitted to disclose to its end users: (a) the Documentation; and (b) the Product Materials. Each party agrees to give notice to the other party immediately after learning of or having reason to suspect a breach of any of the restrictions set forth in this Section.

7. **Ownership.** Hitachi is and will remain the sole and exclusive owner of all right, title, and interest in and to the Product, including any and all works based on the Product created by Hitachi hereunder or otherwise, the Documentation, Product Materials, and all underlying Intellectual Property Rights ("**Hitachi IPR**") and Client acquires no ownership rights to any of the Hitachi IPR. "Intellectual Property Rights", as used herein, means all intellectual property rights worldwide arising under statutory or common law or by contract and whether or not perfected, now existing or hereafter filed, issued, or acquired, including all: (i) patent rights; (ii) rights associated with works of authorship including moral rights, copyrights and mask work rights; (iii) rights relating to the protection of trade secrets and confidential information; (iv) trademarks, service marks, trade dress and trade names; and (v) any right analogous to those set forth in this EULA and any other proprietary rights relating to intangible property.
8. **Indemnification.**
 - A. **Infringement.** Subject to Section 8.C, Hitachi will defend, indemnify and hold Client harmless in the event of any third party action or proceeding brought against Client arising out of a claim that the use of the Product as licensed in this EULA infringes any copyright, moral right, trade secret, trade or service mark, or US patent. If Client's use of the Product under the terms of this EULA is, or in Hitachi's opinion is likely to be, enjoined due to the type of infringement or misappropriation specified in this Section, then Hitachi may, at its sole option and expense, either: (i) procure for Client the right to continue using such Product under the terms of the Agreement and this EULA; or (ii) replace or modify such Product so that they are non-infringing and substantially equivalent in function to the infringing component of the Product; or (iii), if the foregoing options are not accomplished despite the reasonable efforts of Hitachi, then Hitachi may terminate this EULA and Client would be entitled to receive a pro-rated refund for the pre-paid fees for the unexpired period of the license. HITACHI will pay any and all costs, damages, and expenses (including but not limited to reasonable attorneys' fees) finally awarded against Client by a court of competent jurisdiction or agreed to by Hitachi in settlement of such claim, in any such action or proceeding attributable to any such claim. THE INDEMNIFICATION OBLIGATIONS SET FORTH IN THIS SECTION 8 ARE HITACHI'S SOLE AND EXCLUSIVE OBLIGATIONS, AND CLIENT'S SOLE AND EXCLUSIVE REMEDIES, WITH RESPECT TO ANY CLAIM OF INFRINGEMENT OR MISAPPROPRIATION OF INTELLECTUAL PROPERTY RIGHTS IN CONNECTION WITH THE PRODUCT.
 - B. **Indemnity Exclusions.** HITACHI will have no obligations under Section 8 with respect to infringement or misappropriation arising from: (i) any claim that relates to open source software or freeware technology or derivatives or other adaptations thereof that is not embedded into the Product; (ii) modifications to the Product that were not performed or authorized in writing by Hitachi; (iii) the failure by Client to use the most recent version of the Product if doing so would have avoided the infringement claim; or (iv) the combination, use and operation of the Product with products not licensed by Hitachi such as any third party software or any hardware, operating software or data sources that the Product is not designed to operate with as set forth in the Documentation in a manner that violates this EULA.
 - C. **Indemnity Procedures.** A party entitled to indemnification under this Agreement (the "Indemnified Party") will tender each claim to the other party (the "Indemnifying Party") by promptly notifying the Indemnifying Party after first receiving notice of the claim (or potential claim). The Indemnifying Party will: (i) promptly assume the management and defense of the claim at its own expense, and will pay all costs associated with the defense, including reasonable attorneys' fees; and (ii) have full control over such defense, including any settlement discussions or agreement with the party making the infringement claim. The Indemnified Party shall, at the Indemnifying Party's cost, reasonably co-operate with the Indemnifying Party in the defense of such a claim.
9. **Warranty.** Subject to the terms of this Section 9, Hitachi warrants to Client that for a period of thirty (30) days following the date the preliminary or renewal license key for the Product is issued by Hitachi (the "Product Warranty Period"), the Product will substantially conform to the applicable Documentation. If, during the Product Warranty Period, Client notifies Hitachi in writing of a breach of the foregoing warranty, Hitachi will, at its option, correct such non-conformance in the applicable Product as soon as reasonably possible. If Hitachi is not able to correct such non-conformance within a reasonable period, then Client will be entitled to terminate the applicable order and receive a refund for any amounts paid in advance that are unused in connection with the Product. Any correction provided hereunder may take the form of a fix or workaround. This warranty shall not apply to the extent any non-conformance is the result of a failure of any hardware or software (including third party software) not provided or

licensed hereunder. The remedies provided herein are Client's sole and exclusive remedies, and Hitachi's sole and exclusive obligations and liability, for any breach of such warranties. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION 9, THE PRODUCT, DOCUMENTATION, AND PRODUCT MATERIALS ARE PROVIDED TO CLIENT "AS IS" AND HITACHI MAKES NO WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT, ACCURACY OF DATA, INTEROPERABILITY OR FITNESS FOR A PARTICULAR PURPOSE. HITACHI DOES NOT GUARANTEE OR WARRANT THAT THE USE OF THE PRODUCT, DOCUMENTATION, OR PRODUCT MATERIALS, WILL BE UNINTERRUPTED OR ERROR FREE.

10. Limitation of Liability.

- A. Exclusion of Certain Damages. EXCEPT AS PROVIDED IN THIS SECTION, TO THE EXTENT PERMITTED BY APPLICABLE LAW, NEITHER PARTY WILL BE LIABLE TO THE OTHER IN CONNECTION WITH THIS EULA OR ANY ORDERS FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY OR SPECIAL DAMAGES ("INDIRECT DAMAGES"), INCLUDING ANY LOSS OF PROFIT, REVENUE, INCOME OR DATA, HOWEVER ARISING AND WHETHER IN AN ACTION IN CONTRACT OR TORT (INCLUDING STRICT LIABILITY AND NEGLIGENCE) OR BASED ON A BREACH OF ANY WARRANTY, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE PROVISIONS OF THIS SECTION WILL NOT APPLY TO ANY BREACH OF A PARTY'S OBLIGATIONS UNDER SECTION 6 (CONFIDENTIALITY), OR ANY USE OF HITACHI'S PRODUCT OR INTELLECTUAL PROPERTY OUTSIDE THE SCOPE OF THIS EULA.
- B. Liability Cap. EXCEPT AS PROVIDED IN THIS SECTION, HITACHI'S AGGREGATE CUMULATIVE LIABILITY FOR CLAIMS RELATING TO THIS EULA AND ALL ORDERS, WHETHER FOR BREACH OR IN TORT, WILL BE LIMITED TO THE AMOUNTS PAID AND PAYABLE BY CLIENT UNDER THE AGREEMENT AND ALL ORDERS DURING THE THIRTY-SIX (36) MONTH PERIOD IMMEDIATELY PRECEDING THE DATE OF THE CLAIM, UP TO A MAXIMUM OF \$1,000,000. THE TERMS OF THIS SECTION APPLY REGARDLESS OF THE FORM OF THE CAUSE OF ACTION, WHETHER BASED ON CONTRACT, TORT (INCLUDING WITHOUT LIMITATION NEGLIGENCE), STATUTE OR OTHER LEGAL THEORY. THE LIMITATIONS IN THIS SECTION WILL NOT APPLY TO: (A) ANY BREACH OF HITACHI'S CONFIDENTIALITY OBLIGATIONS; OR (B) HITACHI'S INDEMNIFICATION OBLIGATIONS SET FORTH IN SECTION 8 (INDEMNIFICATION).

11. Termination.

- A. For Convenience. Notwithstanding anything to the contrary in this EULA, Client may terminate this EULA and associated order for the Product(s) for its convenience by giving CGI ninety (90) day written notice, although that in all cases Client shall retain the obligation to pay the annual fees invoiced through the full term of the order even if terminated for convenience.
- B. For Breach. This EULA, and any associated order under the Agreement for Hitachi Product(s), may be terminated by Hitachi for cause immediately if Client materially breaches any provision of this EULA and fails to cure such breach within thirty (30) days of written notice, or shorter/longer period as mutually agreed in writing by the parties, describing the breach.
- C. Additional Effects of Termination. Upon the effective date of any termination or expiration of this EULA, or associated order under the Agreement, by either party: (a) all rights and licenses granted to Client hereunder will terminate and Client shall not seek to continue to use the Product outside of the scope of this Agreement, unless otherwise agreed in writing between the parties; and (b) Client will immediately destroy or return to CGI or Hitachi all Confidential Information in its possession, custody or control in whichever form held (including all copies or embodiments of the Confidential Information); (c) will cease using any Hitachi logos, trademarks, service marks and other designations of Hitachi. On termination or expiration of the Agreement, all existing order(s) shall terminate unless otherwise agreed between the parties.
