SUMMARY/DISCUSSION:

This request supports the use of Greenlight USA LLC (Greenlight) for Event Television and Live Streaming Production during the 2023 Rolex Monterey Motorsports Reunion at WeatherTech® Raceway at Laguna Seca (WRLS). Greenlight provided the most cost-efficient proposal and has demonstrated success at WRLS as the production team during the 2021 Rolex Monterey Motorsports Reunion. The County is contractually obligated to provide live stream coverage into the Rolex Drivers Club and hospitality suites. Greenlight also has access to extensive international broadcast outlets to provide a superior level of exposure than what has been achieved in the past.

The term of this Agreement is June 15, 2023, through August 31, 2023, and with a not to exceed value of \$140,000, excluding future amendments Staff requests the Board of Supervisors approve the proposed retroactive Standard Agreement (Attachment A) and authorize the Monterey County Laguna Seca Representative to execute the proposed Standard Agreement and up to three (3) future amendments where each amendment does not exceed ten percent (10%), or \$14,000, of the original

Agreement amount and do not significantly change the scope of the work.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel and Auditor-Controller's Office reviewed and approved the proposed retroactive Agreement as to form and fiscal provisions, respectively.

FINANCING:

The cost of the contracted services provided by Greenlight USA LLC is not to exceed \$140,000 for the duration of the Agreement. These fees are part of the Fiscal Year 2023-2024 adopted budget in Fund 453, Unit 8579, Appropriation Unit PFP067 for Laguna Seca Recreation Area.
