Mural in Chualar
honoring Braceros

September 2023 was the 60th Anniversary of the Chualar train crash where 32 bracero workers were killed and a couple dozen injured when the train hit the makeshift bus they were in. This would be an amazing project in that community. Only public artwork on the central coast on that important part of our history.

In Summary

Supporting the arts enhances the economic vitality, cultural richness, and overall well-being of a community.

It strengthens the community's identity, creates opportunities for education and artistic expression, and contributes to the broader cultural and economic landscape.
