- 1** Chatino

172

Narcan Kits, Emergency Vouchers and Covid-19 at home tests Distributed

1,006+

Individuals assisted with Medi-Cal and/or CalFresh Application Supports

FRC Success Highlights

CBDIO

"We hosted our first labor rights community meetings in Greenfield. CHWs made calls and shared fliers to the community for this event. We successfully reached 32 workers through these meetings to capacitate them on their labor rights."

**COUNTY OF MONTEREY
HEALTH DEPARTMENT**

"Aside from our focus to link people to health care/insurance. We've established a fantastic partnerships with Natividad and the Residents to bring Health presentations led by Doctors to our community. This initiative is called Cosechando Salud! (Harvesting Health)"

CCA

"After a presentation for housing rights, a woman was able to negotiate with her landlord and did not lose her housing. Ciclovia was a success for the youth program as many youth were reached and given information about our Youth for Change Program. The district will be collaborating with our Health program to provide a space for presentation."

**Mujeres en
Acción**

"A CHW has been in contact with a community member that was looking for legal assistance resources. This individual believes that she has not been treated fairly and has not been compensated for all the work she has done for her employer. After a couple follow-up calls we were able to connect this individual with CRLA and the Agricultural Labor Relations Board (ALRB). Currently, this person is taking his employer to court for wage and salary claims."

FRC Expenditures

July 1st 2023 - December 31st 2023

Farmworker Resource Center - Department of
Community Services and Development Grant Award

Grant Period: February 15, 2023 through May 15, 2024

Expenditure Period: July 1, 2023 - December 2023

Total FRC Grant Award	Total County Matching Funds	Total Grant Budget
\$833,000	\$208,250	\$1,041,250

Upcoming:

- Establishing a physical presence at the CBDIO offices in Greenfield to ensure ongoing accessibility.
- The Health Department is in the process of acquiring a van utilizing other grant resources.
- Community members, including farmworkers, will continue to be supported in accessing information and services needed through other Health Department CHW efforts.
