Subject: Reappointment to CSA 25 Advisory Committee.

I (Thomas F Ellzey) desire to be reappointed to the CSA 25 Advisory Committee. My current appointment expires 9 February 2024. I have served on CSA 25 for the past 5 years and have been a homeowner here in CSA 25 for 6 years and am familiar with the current issues facing this area.

Rationale for my reappointment follows:

1. Provides continuity of committee actions.
2. I am a full time resident and homeowner of CSA 25.
3. Fully understand ongoing committee actions.
4. Roads, sidewalks, storm drainage, sewer, lighting and security issues are understood.
5. Serving the community is special to me and I would like to continue as a committee member of CSA 25.

Thank you,

Thomas F. Ellzey
