County will provide, at its own expense, access to Megabyte via Megabyte's network or via the Internet as long as it is at acceptable speeds (County minimum of T1 or business DSL speed).

Inspection of the work by the County, or the statement by any officer, agent, or employee of the County, prior to written acceptance of the work or any part thereof, indicating that the work or any part thereof complies with the requirements of this Agreement, or the County's payment for the whole or any part of the work, or any combination of these acts, shall not relieve the Contractor of obligation to fulfill this Contract as prescribed. Waiver of any provision of this Agreement by the County in any single instance shall not prejudice County's right to enforcement of all provisions of this Agreement in any other instance.
- 9. <u>Hold Harmless</u>. Contractor agrees to defend, indemnify, save and hold harmless the County, its officers, agents, and employees, from and against any and all claims and losses whatsoever accruing or resulting to any and all persons, firms or corporations for damage, injury or death as a result of negligence by Contractor in Contractor's performance of this Agreement.
- 10. Data Protection.
  - A. County hereby acknowledges and agrees that in order to provide the Support Services, County may directly or indirectly provide, or Contractor will otherwise have access to and retain, confidential, non-public information (including personally identifiable information), statistics, metrics, and other data concerning County or

County's clients or constituents (collectively, "County Data"). As between County and Contractor, County owns County Data and all County Data shall remain the property of County. County hereby grants to Contractor and its affiliates and subcontractors a right and license to use and process County Data to the extent reasonably necessary to (i) monitor, provide, administer, ensure the proper operation of, develop, improve, and modify the Support Services, (ii) develop and provide new and existing functionality and services to County and other Contractor customers, and (iii) perform Contractor's rights and obligations under this Agreement.

- Β. Contractor shall not collect, retain, use, sell, or disclose County Data for any purpose (including for any commercial purpose) other than for the specific purposes set forth in this Agreement, unless otherwise required by law, and shall not use County Data for the purposes of conducting online/targeted behavioral advertising for County or any other third party. Contractor shall, at County's reasonable request, cease any unauthorized processing of County Data and grant County authorization to assess and remediate any such unauthorized processing. Except to the extent otherwise agreed to by Contractor in writing (and a statement of work, order form, or similar documentation are acceptable forms of writing), County shall not provide Contractor with any unencrypted personally identifiable information that is considered sensitive (e.g., a social security number, driver's license number, financial account data, health data) as part of the Support Services or otherwise. Any violation of this clause by County shall be considered a material breach of this Agreement and County hereby releases Contractor from, and shall not hold Contractor liable for, any loss, damages, or harm Contractor incurs as a result of County's violation of this Section 10.
- C. Contractor shall provide reasonable assistance to County to enable County to comply with its obligations and responsibilities under any applicable privacy law, including with respect to providing access to, correcting, and deleting County Data. Contractor shall promptly notify County if Contractor receives a correspondence, inquiry, complaint, request, or demand concerning Contractor's use or processing of County Data.
- D. Except as otherwise provided for in Section 17 of this Agreement (Confidentiality), Contractor shall not amend, delete, or otherwise modify County Data, except to the extent authorized by County.
- 11. Patent or Copyright Infringement.

- A. Contractor represents that the materials and products produced hereunder do not violate others intellectual property rights (which include patent, copyright, trademark, trade secret or other proprietary right.) In the event a claim, cause of action, proceeding or other legal action should arise in which there are claims that the materials and/or products infringe or violate another's intellectual property rights, Contractor shall undertake to protect, defend, settle or resolve the proceeding at no cost, whatsoever, to County, including, but not by way of limitation, legal fees, disbursements, judgments, or the like. Contractor shall protect, defend and indemnify and hold County harmless, subject only to County giving Contractor prompt written notice of any such third party claim, cause of action or proceedings and rendering to Contractor any reasonable information, assistance or access to documents and materials required in the defense of any such cause of action.
- B. Should the materials and/or products in Contractor's opinion, be likely or become the subject of a claim of infringement of a patent, copyright or trademark, Contractor may do any of the following: (1) obtain a legally binding right for County to use, at no cost to County, the material and/or product; (2) replace or modify the material and/or product so that it is non-infringing yet still complies with the RFP and the Contract specifications; (3) repurchase the material and/or product by refunding all moneys paid by County to Contractor for the material and/or product less depreciation and reasonable costs for use and such other amounts as are mutually agreeable to County and Contractor.
- 12. <u>Title to Work</u>. Upon termination of this agreement for any reason title to, ownership of, and all applicable patents, copyrights and trade secrets in the MPTS software, shall remain with the contractor as owner/holder of such patents, copyrights, and trade secrets, who shall retain complete rights to market such product, and no such rights shall pass to County. However, County shall receive, at no additional cost, a perpetual license to use such products for its own use.
- 13. <u>Source Code</u>. Contractor shall place source code for the licensed software and any changes thereto, into a software escrow account. County shall have access to the source code in the event Contractor fails to fulfill its maintenance and support obligations, or in the event of bankruptcy, dissolution, or appointment of a receiver for Contractor. County shall be able to use the source code according to the terms of this agreement, and must also be permitted to modify the code for its own use consistent with this agreement.

- 14. <u>Insurance</u>. Contractor shall maintain, at Contractor's own expense during the term hereof, insurance with respect to Contractor's performance of this Agreement of the types and in the minimum amounts described generally as follows:

  - C. Comprehensive Automobile Liability Insurance (Bodily Injury and Property Damage) on owned, hired, leased and non owned vehicles used in conjunction with Contractor's business of not less than One Million Dollars (\$1,000,000) combined single limit per occurrence (claim made).
- 15. <u>Proof of Insurance</u>. Simultaneous with the execution of this Agreement, proof of the aforementioned insurance shall be furnished by the Contractor to the County by certificates of insurance. Such certificates shall specify that County must be given written notice 30 days prior to the cancellation or modification of any such insurance.
- 16. <u>Insurance in Force and Effect During Contract Period</u>. The insurance specified above shall be in a form and placed with an insurance company or companies satisfactory to County, and shall be kept in force and effect until completion to the satisfaction and acceptance by County of all work to be performed by the Contractor under this Agreement.
- 17. <u>Confidentiality</u>.
  - A. Contractor will hold all County Data in trust and confidence, and limit access to such County Data to only those individuals who have a business need for such access and undertake reasonable steps to ensure the reliability of all individuals who have access to such County Data. Contractor shall implement and maintain commercially reasonable technical and organizational security controls to protect and safeguard County Data from unauthorized use or disclosure, which shall include written policies describing its security controls and the relevant procedures and responsibilities of Contractor personnel who have access to County Data. Contractor shall designate a senior employee to be responsible for the overall management of Contractor's information security program.
  - B. Upon cancellation or expiration of this Agreement, Contractor will, within a maximum period of sixty (60) calendar, (i) return to County all County Data and all

copies thereof by secure file transfer in a reasonable format, or (ii) destroy, and certify the destruction of, all copies of County Data, unless storage of such data is required by law. Notwithstanding the foregoing, Contractor may destroy County Data that is stored in a back-up or archived format in accordance with its normal retention schedule, provided such County Data is otherwise retained in accordance with this Agreement.

- C. Contractor shall, where legally required, electronically notify County Elected Officials (Assessor, Auditor, & Tax Collector) of any unauthorized access to or use of County Data (a "Security Incident") within 24 hours when Contractor discovers the same. In such circumstances where Contractor discovers a Security Incident, Contractor shall provide timely information to County relating to the Security Incident and promptly take reasonable steps to contain, investigate, and mitigate the same. Any action or notification taken by Contractor in accordance with this clause shall not be interpreted or construed, in any manner, as an admission of liability, wrongdoing, or fault. Contractor shall not be liable to County or any third party for damages, losses, or harm arising from the Security Incident, provided such damages, losses or harm are caused by an act or omission of County or a third party acting outside the control of Contractor.
- 18. Independent Contractor. Contractor shall perform this contract as an independent contractor for all purposes. Contractor is not, and shall not be deemed, a County employee for any purpose, including worker's compensation. Contractor shall, at Contractor's own risk and expense, determine the method and manner by which the duties imposed on Contractor by this contract shall be performed; provided that County may monitor the work performed by Contractor; and provided further that Contractor shall observe and comply with all laws and rules applicable to County in performing the work. Contractor, not County, shall be responsible for Contractor's negligence and that of Contractor's agents and employees in performing the work. Contractor shall be entitled to none of the benefits accorded to a County employee. County shall not deduct or withhold any amounts whatsoever from the compensation paid to Contractor, including but not limited to amounts required to be withheld for state and federal taxes. Contractor alone shall be responsible for all such payments.
- 19. <u>Termination</u>. The County or Contractor may terminate this agreement with 60 days written notice.
  - 19.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth

the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

- 19.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.
- 19.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.
- 20. <u>Notices</u>. All notices provided for by this Agreement shall be in writing and may be delivered by deposit in the First-Class United States mail, by certified, or by registered mail, postage prepaid. All notices appertaining to the provisions of this Agreement, shall be addressed to Contractor's office, located at 2630 Sunset Blvd, Rocklin, California 95677. Notices to the County shall be addressed to Monterey County Assessor, 168 West Alisal St., 1st Floor, Salinas, CA 93901. Effective date of all notices shall permit a minimum of five (5) days for transit in the mails.

Contractor must provide at least 60 days' notice to the County before Contractor may terminate an agreement with a mutual third party service provider so the County may determine whether to retain Contractor and/or seek a new third party service provider to avoid interruption of services. The Parties acknowledge time is of the essence with this requirement and Contractor's failure to provide timely notice will relieve County of further obligations under this Agreement.

21. <u>Dispute Resolution</u>. In the event of any dispute, claim, question, or disagreement arising from or relating to this agreement or breach thereof, the parties shall use their best efforts to settle the dispute, claim, question, or disagreement. To this effect, they shall consult and negotiate with each other in good faith and, recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to both parties. If they do not reach such solution within a period of 60 days, then, upon notice by either party to the other, all disputes, claims, questions, or differences shall be finally settled by arbitration. The arbitration shall be conducted by a neutral arbitrator and in accordance with

California law, with the parties sharing equally the costs of arbitration. Judgement on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

- 22. <u>Subcontractors</u>. County hereby acknowledges and agrees that Contractor may use affiliates and subcontractors to assist with its provision of Support Services to County, provided Contractor executes with any such affiliates and subcontractors a written agreement that contains terms and conditions that are substantially similar to the terms and conditions set forth in this Agreement. Contractor shall undertake all reasonable efforts to ensure that any such affiliates and subcontractors can comply, and are in compliance, with the terms and conditions set forth in this agreement.
- 23. Feedback. County may voluntarily, but is not required to, provide Contractor and/or Contractor affiliates and subcontractors with ideas, suggestions, requests, recommendations or feedback about the Contractor's business operations, products, and services ("Feedback"). In circumstances where County provides Contractor and/or Contractor affiliates and subcontractors with such Feedback, Contractor shall own all rights, title and interest, including all intellectual property rights, in and to the Feedback, including any configurations and customizations thereof. County hereby represents and warrants to Contractor that it has all rights to provide any and all such Feedback to Contractor.

IN WITNESS WHEREOF, the parties have executed this AGREEMENT on the day and year written below.
