Thanks for the quick response. The terms are actually 3-years, but yours has been shorter since you were willing an unscheduled vacancy. If you're good with another 3-years, I'll go ahead and get the reappointment process started.

Thank you for reaching out, Yuri,

How long are the terms? 2 years? I'd like to continue the work I am doing with the commission if possible 😊

Alisa,

Just checking in to see if you had reached a decision on whether you wanted to continue on the Commission on the Status of Women or complete your term and then step away. It looks like Feb 1 would be your end date. We would love for you to continue but will support whatever decision you make.

I hope this email found you well.

Best,
Yuri
