Bio – Resume

At 71 years old, I am a retired executive of over 40 years of work experience in the Technology industry with firms such as Hewlett Packard, Oracle, Saba Software, Tandem Computers and several smaller start-up firms. I am married with 2 grown children, both living in the Monterey area and 4 grandchildren.

My wife and I have lived in the Carmel area since 2003 and both are active in community affairs as well as local sport activities. I am extremely involved in local issues and have led the effort to improve our living conditions in the Quail area via both our HOA and CSA25.

I currently serve as President of the Quail Lodge HOA and am the current Chair of the CSA25 committee. I also work on road improvements in the local area via the Carmel Valley Road Improvement Committee.

I would like to renew his participation as Chair of the CSA25 committee for the next 4 years.
