**Before the Planning Commission  
in and for the County of Monterey, State of California**

In the matter of the application of:

**SLAWSON ROBERT TODD TR (PLN180347)**

**RESOLUTION NO. 19-030**

Resolution by the Monterey County Planning Commission:

- 1) Finding the project for demolition and rebuild of a single family dwelling qualifies as a Class 2 Categorical Exemption pursuant to Section 15302 of the CEQA guidelines, and there is no exception to the exemption pursuant to Section 15300.2 of the CEQA guidelines due to potentially sensitive environment;
- 2) Approving a Combined Development Permit consisting of:
  - a) Coastal Administrative Permit and Design Approval to allow the demolition of an existing 3,198 square foot one-story single family dwelling (with exception of a legal nonconforming portion of the south wing), and rebuild of a 5,704 square foot two-story single family dwelling, addition of 1,006 square feet (gym, indoor pool, mechanical room and potting shed) to an existing 1,080 square foot garage/storage room, relocation of 279 square foot storage structure, and associated grading of approximately 550 cubic yards of cut and 220 cubic yards of fill, with 330 cubic yards off-hauled;
  - b) Coastal Development Permit to allow development within 50 feet of a coastal bluff;
  - c) Coastal Development Permit to allow development on slopes greater than 30%; and
  - d) Coastal Administrative Permit to allow development within 750 feet of known archaeological resources.

[PLN180347, SLAWSON ROBERT TODD TR, 30770 Aurora Del Mar, Carmel, Big Sur Coast Land Use Plan (APN: 243-341-005-000)]

Corrected on October 23, 2019  
(This resolution supersedes the previous resolution mailed on October 14, 2019)

The Slawson application (PLN180347) for a Combined Development Permit to allow the demolition and rebuild of an existing single family dwelling came on for public hearing before the Monterey County Planning Commission on 9 October 2019. Having considered all the written and documentary evidence, the administrative record, the staff report, and other evidence presented, the Planning Commission finds and decides as follows:

**FINDINGS**

1. **FINDING:** **CONSISTENCY** – The project, as conditioned, is consistent with the applicable plans and policies which designate this area as appropriate for development.

- EVIDENCE:** a) During the course of review of this application, the project has been reviewed for consistency with the text, policies, and regulations in the:
- 1982 Monterey County General Plan;
  - Big Sur Coast Land Use Plan (LUP);
  - Coastal Implementation Plan (CIP) Part 3; and
  - Monterey County Zoning Ordinance (Title 20)

No conflicts were found to exist. No communications were received during the course of review of the project indicating any inconsistencies with the text, policies, and regulations in these documents.

- b) The 1.48 acre property is located at 30770 Aurora Del Mar, Carmel (Assessor’s Parcel Number 243-341-005-000), Big Sur Coast Land Use Plan. The parcel is zoned “RDR/40-D(CZ),” or Rural Density Residential of 40 acres per unit density in a Design Control Overlay district of the Coastal Zone. The existing residential structures and uses are allowed in the RDR zoning district subject to a Coastal Administrative Permit in each case (20.14.040.A) and there is no change to this residential use.

c)	<u>Development Standards for RDR/40</u>	<u>Meets Requirements:</u>
	PARCEL	
	Building Site Coverage: 25% max	11.3%
	Density: 40 acres per unit	Legal nonconforming
	Distance Between Structures:	
	- Main to Accessory: 10 feet (minimum)	52 feet, 6 inches and 49 feet
	- Accessory to Accessory: 6 feet (minimum)	10 feet, 6 inches
	MAIN HOUSE	
	Front Setback: 30 feet (minimum)	333 feet, 9 inches
	Rear Setback: 20 feet (minimum)	39 feet, 9 inches
	Side Setback: 20 feet (minimum)	25 feet, 10 inches & existing Legal nonconforming 14 feet, 4 inches
	Maximum Height: 30 feet	19 feet, 9 inches
	NON-HABITABLE ACCESSORY STRUCTURE (GARAGE/POOL/GYM)	
	Front Setback: 50 feet (minimum)	237 feet, 11 inches
	Rear Setback: 1 foot (minimum)	166 feet
	Side Setback: 6 feet front ½, 1 foot back ½ (minima)	50 feet, 4 inches 13 feet, 10 inches
	Maximum Height: 15 feet	15 feet
	NON-HABITABLE ACCESSORY STRUCTURE (STORAGE)	
	Front Setback: 50 feet (minimum)	288 feet, 11 inches
	Rear Setback: 1 foot (minimum)	Greater than 39 feet, 9 inches (main house)

Side Setback: 6 feet front ½, 1 foot 10 feet, 17 inches  
back ½ (minima)

Maximum Height: 15 feet 12 feet

As proposed, the project either meets the required development standards listed above or is existing legal nonconforming (See below). The development standards for the RDR zoning district are identified in Monterey County Code Section 20.16.060.

- d) Pursuant to Section 20.64.230 of Title 20, development on slopes in excess of 30% is subject to Coastal Development Permit in each case, upon evidence of findings as provided in Section 20.64.230.E of Title 20. Requirements for granting the Coastal Development Permit have been met (See Finding 5).
- e) A side setback of the existing structure is a legal nonconforming, 14 feet, 4 inches, which is less than the required twenty-foot minimum in the RDR zone. No structural alteration is proposed within the required setback, thereby allowing the legal nonconforming status of the side setback to remain (Section 20.68.040 – Legal Nonconforming Structure Locations and Height of Title 20).
- f) The 1.48 acre Lot No. 10 was created with the Map of Tract No. 588, Carmel Sur at Volume 10, Cities and Towns, Page 6, recorded 2 April 1969, and is thus legal nonconforming as to density (Section 20.68.060 – Legal Nonconforming Building Sites of Title 20).
- g) The application includes a request to allow development within 50 feet of a coastal bluff (See Finding 2).
- h) A Preliminary Cultural Resources Survey (File No. LIB190072) was prepared by Susan Morley in 25 July 2018. The survey resulted in finding no indicators of cultural resources present on the parcel. Therefore, no further archaeological study was required, and the application includes a request for a Coastal Administrative Permit to allow development within 750 feet of a known archaeological resource. The 1,056 square foot increase in the main house building footprint is proposed at the north side of the house on an area currently disturbed with landscaping, block pavers and landscape walls. The 1,006 square foot increase in the accessory building footprint is proposed into the artificially created berm behind the existing garage/storage structure.
- i) Condition No. 8 requires submittal of an exterior lighting plan to RMA-Planning for review and approval. The plan shall include removal of existing light fixtures on the westward facing cliffs and unobtrusive lighting directed downward and controlling offsite glare. Compliance with this condition is to assure preservation of scenic resources in accordance with Part 3, Section 20.145.030 of Title 20 for Big Sur Coast.
- j) The project was referred to the Big Sur Coast Land Use Advisory Committee (LUAC) for review. Based on LUAC Procedure guidelines adopted by the Monterey County Board of Supervisors (Resolution No. 15-103), this application warranted referral to the LUAC because staff could provide the neighboring community members notice of the proposal. The Big Sur Coast LUAC meeting of 14 May 2019 resulted in a vote of 5 (ayes) and 0 (noes) recommending approval of the project with no changes. Comments

from the LUAC meeting were regarding armoring the cliffs, existing light fixtures on the cliffs, screening the neighboring residence to the north, and minimizing visibility of the residence from public viewing areas along the coast. The applicant responded to comments to the satisfaction of the LUAC members.

- k) The application, project plans, and related support materials submitted by the project applicant to Monterey County RMA-Planning for the proposed development found in Project File PLN180347.

2. **FINDING:** **SITE SUITABILITY** – The site is physically suitable for the use proposed.

- EVIDENCE:**
- a) The project has been reviewed for site suitability by the following departments and agencies: RMA-Planning, RMA-Environmental Services, Carmel Highlands Fire Protection District (FPD), RMA-Public Works, and Environmental Health Bureau. There has been no indication from these departments/agencies that the site is not suitable for the proposed development. Conditions recommended have been incorporated.
  - b) A Geotechnical Report was prepared by Grice Engineering, Inc. in September 2018 (File No. LIB190071) that provides recommendations for drainage and erosion control. Condition No. 9 requires that prior to issuance of grading or building permits, the applicant/owner submit a grading and stormwater control plan to RMA-Environmental Services for review and approval. The approved plan shall incorporate the recommendations provided in the September 2018 Grice report.
  - c) A Geological Report was prepared by Caprock Geology, Inc. on 29 June 2018 (File No. LIB190091) that analyzed the main house location within 50 feet of a coastal bluff. See Finding 4.
  - d) Staff verified the site is appropriate for the proposed use during a 10 May 2019 site visit.
  - e) The application, project plans, and related support materials submitted by the project applicant to Monterey County RMA-Planning for the proposed development found in Project File PLN180347.

3. **FINDING:** **HEALTH AND SAFETY** - The establishment, maintenance, or operation of the project applied for will not under the circumstances of this particular case be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.

- EVIDENCE:**
- a) The project was reviewed by the RMA-Planning, Carmel Highlands Fire Protection District, RMA-Public Works, RMA-Environmental Services, and Environmental Health Bureau. The respective agencies have recommended conditions, where appropriate, to ensure that the project will not have an adverse effect on the health, safety, and welfare of persons either residing or working in the neighborhood.

- b) The Carmel Riviera Water System provides water to the existing residence and will continue to serve the remodel.
- c) A performance evaluation for the existing onsite wastewater treatment system (OWTS) was executed on 5 June 2019 by PSTS. The evaluation shows the tank, pump tank, and dispersal system are in acceptable condition and function properly.
- d) The subject parcel comprises a State Responsibility Area (SRA) with a very high risk for fire damage. During review of the proposed project, Carmel Highlands FPD gave no indication the site would be unsuitable for implementation of the project. However, Condition No. 4 is applied to the project that requires a deed restriction for fire hazard be recorded for the purpose of alerting any future owner of the property.
- e) Staff verified the project would not cause injury or detriment to any health, safety, and welfare during a 10 May 2019 site visit.
- f) The application, plans and supporting materials submitted by the project applicant to Monterey County RMA-Planning for the proposed development are found in Project File PLN180347.

4. **FINDING:** **CONSISTENCY – DEVELOPMENT ON A COASTAL BLUFF:**

The area of the proposed project is stable for development within 50 feet of the top of the cliff face and the development would not create a geologic hazard or diminish the stability of the area.

**EVIDENCE:**

- a) Pursuant to Policy 3.7.3.A.9 of Big Sur Coast Land Use Plan, preparation of a geological report (File No. LIB190091) was required for the proposed development because of the main house location within 50 feet of the face of a cliff or bluff. See Finding 2.
- b) ***The area is stable for development within 50 feet of the top of the cliff face.*** CapRock studied the period 1956-2018 for sea cliff erosion and analyzed geologic hazards that could affect the project during its design life, an estimated 50 to 100 years. Finding that morphology of the subject cliff has not changed significantly during the 1956-2018 study period, CapRock concluded less than moderate bluff retreat rates since 1956. The report estimates bluff erosion amounts to have a potential retreat of 5.0 feet in 50 years and 10.0 feet in 100 years.
- c) ***The development would not create a geologic hazard or diminish the stability of the area.*** The geological report recommends a minimum 25 foot setback from the top of the cliff face for structures on the site to avoid coastal bluff erosion and ocean bluff landslides in the future. The minimum setback of the proposed project is 25 feet, 4 inches, within the setback threshold recommended by the geologist. Adherence to this setback recommendation would reduce to “ordinary” the geologic hazard risk level of the project.
- d) Notwithstanding that proposed project development within 50 feet of the bluff will not adversely affect or be adversely affected by bluff erosion, Condition No. 14 requires recordation of a deed restriction that fully discloses the circumstances of bluff proximity and the prohibition of ever implementing shoreline protective works.

5. **FINDING:** **CONSISTENCY – DEVELOPMENT ON SLOPES IN EXCESS OF 30%:** There is no feasible alternative that would allow development to occur on slopes less than 30% and the location of the gym/pool addition is proposed in the location on the property that best achieves the goals, policies, and objectives of the Big Sur Coast Land Use Plan, in accordance with Section 20.64.230.C.2 of Title 20 of the Monterey County Code.

**EVIDENCE:** a) *There is no feasible alternative which would allow development to occur on slopes of less than 30%.* The location of the gym/pool addition is proposed as built into an artificial berm that had been created during excavation for the existing development on the parcel. The artificial berm is located on the eastern side of the garage/storage structure. The roof of the addition would be planted with vegetation (greenroof), visually integrating with the surrounding hillside backdrop. Areas on the property located east of existing development are steeply sloped. Areas on the property located west of existing development would be within the existing 25-foot buffer from the cliff face. The existing areas that are relatively flat on the parcel and are without structures are the front courtyard patio and the motor court. Placement of the gym/pool addition at the front courtyard would necessitate a new standalone accessory structure that would preclude any potential for movement of the rebuilt home further from the bluff, would effectively be in the front yard of the residence, and would not integrate with the surrounding environment. Location of the gym/pool addition on the western side of garage/storage structure would effectively eliminate the motor court and parking access to the garage. Constraints of the eastern portion of the parcel beyond the man-made berm include the Otter Cove subdivision 150-foot setback line for this lot and the risk of visibility from scenic highway State Route 1 (SR 1), approximately 45 feet east of Aurora Del Mar. The proposed development of the gym/pool addition will not be visible from SR 1 and is approximately 80 feet beyond the required 150-foot setback, for a setback of 230 feet total from the western edge of Aurora Del Mar. Therefore, no feasible alternative exists that would allow development of the gym/pool addition to occur on slopes less than 30%.

b) *The proposed development better achieves the goals, policies, and objectives of the Big Sur Coast Land Use Plan.* The Big Sur Coast Land Use Plan Key Policy 3.9.1.1 provides that blufftop setbacks shall be adequate to avoid the need for seawalls during the development's economic lifespan. Location of the gym/pool anywhere west of the existing garage/storage would encumber desired retreat of project development from the bluff. If the applicant decided to take the opportunity to rebuild the residence further away from the bluff, the gym/pool addition would not require relocation from the proposed placement. The Big Sur Coast Land Use Plan Key Policy 3.2.1. prohibits any development that would be visible from Highway 1. Although slopes on the eastern portion of the parcel beyond the man-made berm are less than 30% (12% average), development in this area of the lot risks visibility from scenic

highway State Route 1 (SR 1). Therefore, the proposed location of the gym/pool east of the existing garage/storage structure best achieves the objective of both policies.

6. **FINDING:** **PUBLIC ACCESS** - The project is consistent with the ordinances related to public trust or public use, and is in conformance with the public access and public recreation policies of the Coastal Act and Local Coastal Program pursuant to 20.145.130 of Monterey County Code Title 20 Coastal Implementation Plan Part 3 for the Big Sur Coast Land Use Plan.
- EVIDENCE:**
- a) The subject parcel is located between the sea and the first through public road, State Highway 1. Therefore, in accordance with Section 20.70.050.B.4 of Title 20 Zoning Code for Monterey County Coastal Zone, the project is required to be in conformance with public access and public recreation policies of the Coastal Act.
  - b) **20.70.050.B.4.a – Protection of Historic Access and/or Public Trust.** There is no established trail or use area, nor any beach subject to ocean waves seaward of the first line of vegetation. Therefore, implementation of the rebuilt single family dwelling would not interfere with any form of historic public use or trust rights.
  - c) **20.70.050.B.4.b – Provision of Public Access.** There is an approximate 50 foot nearly vertical descent to the ocean tide pools below the house. Therefore, the characteristic steepness of this potential access area on the subject property would be inconsistent with public safety requirements pursuant to PRC Section 30212 of the California Coastal Act.
  - d) **20.70.050.B.4.c(i) – Application of Access Requirements to Single Family Residential Development.** The characteristic steepness of potential shoreline access areas on the subject property pose a substantial adverse impact to the safety of public access. Therefore, public access shall not be required.
7. **FINDING:** **CEQA (Exempt):** - The project is categorically exempt from environmental review and no unusual circumstances were identified to exist for the proposed project.
- EVIDENCE:**
- a) California Environmental Quality Act (CEQA) Guidelines Section 15302 categorically exempts replacement of an existing structure, located on the same site with the same intensity of residential use as the replaced residence. The proposed project would remodel the existing 3,198 square foot single family dwelling to a 5,704 square foot single family dwelling, and add to the existing 1,080 square foot detached garage/storage room to a 2,086 square foot accessory structure. Therefore, the project is categorically exempt.
  - b) None of the exceptions under CEQA Guidelines Section 15300.2 apply to this project. The project is not located in a sensitive environment; would not cause cumulative impacts or significant impact on the environment; would not damage scenic or historical resources; and is not registered on the Cortese List as a Superfund cleanup site.
  - c) No adverse environmental effects were identified during staff review of the development application.

- d) The application, project plans, and related support materials submitted by the project applicant to Monterey County RMA-Planning for the proposed development found in Project File PLN180347.

8. **FINDING:** **NO VIOLATIONS** - The subject property is in compliance with all rules and regulations pertaining to zoning uses, subdivision, and any other applicable provisions of the County's zoning ordinance. No violations exist on the property.

- EVIDENCE:**
- a) Staff reviewed Monterey County RMA-Planning and RMA-Building Services records and is not aware of any violations existing on subject property.
  - b) Staff verified the site has no violations during a 10 May 2019 site visit.
  - c) The application, plans and supporting materials submitted by the project applicant to Monterey County RMA-Planning for the proposed development found in Project File PLN180347.

9. **FINDING:** **APPEALABILITY** - The decision on this project may be appealed to the Board of Supervisors and to the California Coastal Commission (CCC).

- a) Board of Supervisors. Section 20.86.030 of the Monterey County Zoning Ordinance (Title 20). An appeal may be made to the Board of Supervisors by any public agency or person aggrieved by a decision of an Appropriate Authority other than the Board of Supervisors.
- b) California Coastal Commission (CCC). The subject parcel is located between the sea and the first public road, and within 300 feet of the top of a seaward face of a coastal bluff. Therefore, in accordance with Section 20.86.080 of Title 20, a decision made by the Board of Supervisors on an appeal of the Planning Commission decision on this project may, itself, be appealed to the CCC.

### **DECISION**

**NOW, THEREFORE**, based on the above findings and evidence, the Planning Commission does hereby:

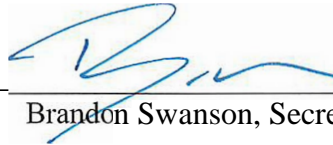

1. Find the project for demolition and rebuild of a single family dwelling qualifies as a Class 2 Categorical Exemption pursuant to Section 15302 of the CEQA guidelines, and there is no exception to the exemption pursuant to Section 15300.2 of the CEQA guidelines due to potentially sensitive environment; and
2. Approve a Combined Development Permit consisting of:
  - a) Coastal Administrative Permit and Design Approval to allow the demolition of an existing 3,198 square foot one-story single family dwelling (with exception of a legal nonconforming portion of the south wing), and rebuild of a 5,704 square foot two-story single family dwelling, addition of 1,006 square feet (gym, indoor pool, mechanical room and potting shed) to an existing 1,080 square foot garage/storage room, relocation of 279 square foot storage structure, and associated grading of approximately 550 cubic yards of cut and 220 cubic yards of fill, with 330 cubic yards off-hauled;

- b) Coastal Development Permit to allow development within 50 feet of a coastal bluff;
- c) Coastal Development Permit to allow development on slopes greater than 30%; and
- d) Coastal Administrative Permit to allow development within 750 feet of known archaeological resources

for Assessor's Parcel Number 243-341-005-000 (1.48 acres) in general conformance with the attached Plan Set and subject to fifteen (15) Conditions of Approval, all being attached hereto, and incorporated herein, by reference.

**PASSED AND ADOPTED** this 9<sup>th</sup> day of October 2019 upon motion of Commissioner Diehl, seconded by Commissioner Vandevere, by the following vote:

AYES: Coffelt, Duflock, Diehl, Monsalve, Getzelman, Gonzalez, Roberts, Vandevere, Ambriz  
 NOES: None  
 ABSENT: Mendoza  
 ABSTAIN: None

Brandon Swanson, Secretary to the Planning Commission

COPY OF THIS DECISION MAILED TO APPLICANT ON OCT 14 2019

THIS APPLICATION IS APPEALABLE TO THE BOARD OF SUPERVISORS.

IF ANYONE WISHES TO APPEAL THIS DECISION, AN APPEAL FORM MUST BE COMPLETED AND SUBMITTED TO THE CLERK OF THE BOARD ON OR BEFORE OCT 24 2019

THIS PROJECT IS LOCATED IN THE COASTAL ZONE AND IS APPEALABLE TO THE COASTAL COMMISSION. UPON RECEIPT OF NOTIFICATION OF THE FINAL LOCAL ACTION NOTICE (FLAN) STATING THE DECISION BY THE FINAL DECISION MAKING BODY, THE COMMISSION ESTABLISHES A 10 WORKING DAY APPEAL PERIOD. AN APPEAL FORM MUST BE FILED WITH THE COASTAL COMMISSION. FOR FURTHER INFORMATION, CONTACT THE COASTAL COMMISSION AT (831) 427-4863 OR AT 725 FRONT STREET, SUITE 300, SANTA CRUZ, CA

This decision, if this is the final administrative decision, is subject to judicial review pursuant to California Code of Civil Procedure Sections 1094.5 and 1094.6. Any Petition for Writ of Mandate must be filed with the Court no later than the 90th day following the date on which this decision becomes final.

NOTES

1. You will need a building permit and must comply with the Monterey County Building Ordinance in every respect.

Additionally, the Zoning Ordinance provides that no building permit shall be issued, nor any use conducted, otherwise than in accordance with the conditions and terms of the permit granted or until ten days after the mailing of notice of the granting of the permit by the appropriate authority, or after granting of the permit by the Board of Supervisors in the event of appeal.

Do not start any construction or occupy any building until you have obtained the necessary permits and use clearances from Monterey County RMA-Planning and RMA-Building Services Department office in Salinas.

2. This permit expires 3 years after the above date of granting thereof unless construction or use is started within this period.

# Monterey County RMA Planning

## Conditions of Approval/Implementation Plan/Mitigation Monitoring and Reporting Plan

PLN180347

### 1. PD001 - SPECIFIC USES ONLY

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** This Combined Development Permit (PLN180347) allows demolition of an existing 3,198 square foot two-story single family dwelling (with exception of a legal nonconforming portion of the south wing), and rebuild a 5,704 square foot two-story single family dwelling within 50 feet of a coastal bluff; a 1,006 square foot addition (gym, indoor pool, mechanical room and potting shed) to an existing 1,080 square foot garage/storage room in slopes greater than 30%; relocation of 279 square foot storage structure, and associated grading of approximately 550 cubic yards of cut and 220 cubic yards of fill, all within 750 feet of a known archaeological resource. The property is located at 30770 Aurora Del Mar, Carmel (Assessor's Parcel Number 243-341-005-000), Big Sur Coast Land Use Plan, Coastal Zone. This permit was approved in accordance with County ordinances and land use regulations subject to the terms and conditions described in the project file. Neither the uses nor the construction allowed by this permit shall commence unless and until all of the conditions of this permit are met to the satisfaction of the Director of RMA - Planning. Any use or construction not in substantial conformance with the terms and conditions of this permit is a violation of County regulations and may result in modification or revocation of this permit and subsequent legal action. No use or construction other than that specified by this permit is allowed unless additional permits are approved by the appropriate authorities. To the extent that the County has delegated any condition compliance or mitigation monitoring to the Monterey County Water Resources Agency, the Water Resources Agency shall provide all information requested by the County and the County shall bear ultimate responsibility to ensure that conditions and mitigation measures are properly fulfilled. (RMA - Planning)

**Compliance or Monitoring Action to be Performed:** The Owner/Applicant shall adhere to conditions and uses specified in the permit on an on-going basis unless otherwise stated.

## 2. PD002 - NOTICE PERMIT APPROVAL

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** The applicant shall record a Permit Approval Notice. This notice shall state:  
"A Combined Development Permit (Resolution Number 19-030) was approved by the Planning Commission for Assessor's Parcel Number 243-341-005-000 on October 9, 2019. The permit was granted subject to 15 conditions of approval which run with the land. A copy of the permit is on file with Monterey County RMA - Planning."

Proof of recordation of this notice shall be furnished to the Director of RMA - Planning prior to issuance of grading and building permits, Certificates of Compliance, or commencement of use, whichever occurs first and as applicable. (RMA - Planning)

**Compliance or Monitoring Action to be Performed:** Prior to the issuance of grading and building permits, certificates of compliance, or commencement of use, whichever occurs first and as applicable, the Owner/Applicant shall provide proof of recordation of this notice to the RMA - Planning.

## 3. PD016 - NOTICE OF REPORT

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** Prior to issuance of building or grading permits, a notice shall be recorded with the Monterey County Recorder which states:  
"A Geological Report (Library No. LIB190091), was prepared by CapRock Geology, Inc. 29 June 2018 and is on file in Monterey County RMA - Planning. All development shall be in accordance with this report."  
(RMA - Planning)

**Compliance or Monitoring Action to be Performed:** Prior to the issuance of grading and building permits, the Owner/Applicant shall submit proof of recordation of this notice to RMA - Planning.

Prior to occupancy, the Owner/Applicant shall submit proof, for review and approval, that all development has been implemented in accordance with the report to the RMA - Planning.

## 4. PD021 - DEED RESTRICTION-FIRE HAZARD

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** Prior to the issuance of a building permit the applicant shall record a deed restriction which states: "The parcel is located in a VERY HIGH fire hazard area and development may be subject to certain restrictions as per section(s) of the Coastal Implementation Plan and per the standards for development of residential property."  
(RMA - Planning)

**Compliance or Monitoring Action to be Performed:** Prior to the issuance of grading or building permits, the Owner/Applicant shall submit a signed and notarized document to the RMA Chief of Planning for review and signature by the County.

Prior to occupancy or commencement of use, the Owner/Applicant shall submit proof of recordation of the document to the RMA Chief of Planning.

## 5. PD002(A) - ATTACH RESOLUTION TO CONSTRUCTION PLANS

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** A copy of the Resolution of Approval (Resolution No. \*\*\*) for the Combined Development Permit (Planning File No.: PLN180347) shall be incorporated onto the construction plans for the project prior to the issuance of a grading or building permit. The Contractor/Owner/Applicant shall be responsible for compliance with all conditions of approval. (RMA - Planning)

**Compliance or Monitoring Action to be Performed:** Prior to commencement of any grading or construction activities, the Owner/Applicant shall submit evidence to RMA-Planning for review and approval, that the Resolution of Approval, for the project, has been incorporated onto the construction plans for the project/approved development.

Ongoing throughout construction and until all Conditions of Approval and/or Mitigation Measures have been complied with, the Contractor/Owner/Applicant shall provide evidence of compliance with Conditions of Approval to the Responsible Land Use Department as specified in the "Conditions of Approval Implementation Plan."

## 6. PD003(A) - CULTURAL RESOURCES NEGATIVE ARCHAEOLOGICAL REPORT

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** If, during the course of construction, cultural, archaeological, historical or paleontological resources are uncovered at the site (surface or subsurface resources) work shall be halted immediately within 50 meters (165 feet) of the find until a qualified professional archaeologist can evaluate it. Monterey County RMA - Planning and a qualified archaeologist (i.e., an archaeologist registered with the Register of Professional Archaeologists) shall be immediately contacted by the responsible individual present on-site. When contacted, the project planner and the archaeologist shall immediately visit the site to determine the extent of the resources and to develop proper mitigation measures required for recovery. (RMA - Planning)

**Compliance or Monitoring Action to be Performed:** The Owner/Applicant shall adhere to this condition on an on-going basis.

Prior to the issuance of grading or building permits and/or prior to the recordation of the final/parcel map, whichever occurs first, the Owner/Applicant shall include requirements of this condition as a note on all grading and building plans. The note shall state "Stop work within 50 meters (165 feet) of uncovered resource and contact Monterey County RMA - Planning and a qualified archaeologist immediately if cultural, archaeological, historical or paleontological resources are uncovered."

When contacted, the project planner and the archaeologist shall immediately visit the site to determine the extent of the resources and to develop proper mitigation measures required for the discovery.

## 7. PD007- GRADING WINTER RESTRICTION

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** No land clearing or grading shall occur on the subject parcel between October 15 and April 15 unless authorized by the RMA Chief of Building Services. (RMA - Planning and RMA - Building Services)

**Compliance or Monitoring Action to be Performed:** The Owner/Applicant, on an on-going basis, shall obtain authorization from the RMA Chief of Building Services to conduct land clearing or grading between October 15 and April 15.

## 8. PD014(C) - LIGHTING-EXTERIOR LIGHTING PLAN (BIG SUR)

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** All exterior lighting shall be unobtrusive, down-lit, compatible with the local area, and constructed or located so that only intended area is illuminated and off-site glare is fully controlled. Exterior lights shall have recessed lighting elements. Exterior light sources that would be directly visible from critical viewshed viewing areas as defined in Section 20.145.020.V, are prohibited. The applicant shall submit to RMA-Planning one hard copy and one digital copy of the Exterior Lighting Plan which shall indicate location, type, and wattage of all light fixtures and include catalog sheets for each fixture. The lighting shall comply with the requirements of the California Energy Code set forth in California Code of Regulations Title 24 Part 6. The exterior lighting plan shall be subject to approval by the RMA Chief of Planning, prior to the issuance of building permits.

Light fixtures existing on the bluff shall be removed.

(RMA - Planning)

**Compliance or Monitoring Action to be Performed:** Prior to the issuance of building permits, the Owner/Applicant shall submit one hard copy and one digital copy of the exterior lighting plans to RMA - Planning for review and approval. Approved lighting plans shall be incorporated into final building plans.

Prior to final/occupancy, staff shall conduct a site visit to ensure that the lighting has been installed according to the approved plan and that light fixtures existing on the bluff have been removed.

On an on-going basis, the Owner/Applicant shall ensure that the lighting is installed and maintained in accordance with the approved plan.

## 9. GRADING AND STORMWATER CONTROL PLAN

**Responsible Department:** Environmental Services

**Condition/Mitigation Monitoring Measure:** The applicant/owner shall submit a grading and stormwater control plan incorporating the recommendations in the project Geotechnical Report prepared by Grice Engineering, Inc., dated September 2018. The grading plan shall include contour lines and cross-sections that identify the existing grade, proposed grade, and the extent of any proposed excavation and/or fill. The grading plan shall include the geotechnical inspection schedule that identifies when the inspections will be completed, who will conduct the inspection (i.e., PG, PE, and/or Special Inspector), a description of the required inspection, inspector name, and the completion date. (RMA-Environmental Services)

**Compliance or Monitoring Action to be Performed:** Prior to issuance of any grading or building permits, the applicant shall submit a grading and stormwater control plan to RMA-Environmental Services for review and approval.

## 10. GEOTECHNICAL PLAN REVIEW

**Responsible Department:** Environmental Services

**Condition/Mitigation Monitoring Measure:** The applicant/owner shall provide certification from the licensed practitioner that their geotechnical recommendations have been incorporated into the approved grading and stormwater control plan. (RMA-Environmental Services)

**Compliance or Monitoring Action to be Performed:** Prior to issuance of any grading or construction permit, the applicant shall provide certification from the licensed practitioner(s).

## 11. PD011 - TREE AND ROOT PROTECTION

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** Trees which are located close to construction site(s) shall be protected from inadvertent damage from construction equipment by fencing off the canopy driplines and/or critical root zones (whichever is greater) with protective materials, wrapping trunks with protective materials, avoiding fill of any type against the base of the trunks and avoiding an increase in soil depth at the feeding zone or drip-line of the retained trees. Said protection, approved by certified arborist, shall be demonstrated prior to issuance of building permits subject to the approval of RMA Chief of Planning. If there is any potential for damage, all work must stop in the area and a report, with mitigation measures, shall be submitted by certified arborist. Should any additional trees not included in this permit be harmed, during grading or construction activities, in such a way where removal is required, the owner/applicant shall obtain required permits. (RMA - Planning)

**Compliance or Monitoring Action to be Performed:** Prior to issuance of grading and/or building permits, the Owner/Applicant shall submit evidence of arborist-certified tree protection to RMA - Planning for review and approval.

During construction, the Owner/Applicant/Arborist shall submit on-going evidence that tree protection measures are in place through out grading and construction phases. If damage is possible, submit an interim report prepared by a certified arborist.

Prior to final inspection, the Owner/Applicant shall submit photos of the trees on the property to RMA-Planning after construction to document that tree protection has been successful or if follow-up remediation or additional permits are required.

## 12. PD047 - DEMOLITION/DECONSTRUCTION (MBUAPCD RULE 439)

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** In accordance with Monterey Bay Unified Air Pollution Control District Rule 439, construction plans shall include "Demolition and Deconstruction" notes that incorporate the following work practice standards:

1. Sufficiently wet the structure prior to deconstruction or demolition. Continue wetting as necessary during active deconstruction or demolition and the debris reduction process;
  2. Demolish the structure inward toward the building pad. Lay down roof and walls so that they fall inward and not away from the building;
  3. Commencement of deconstruction or demolition activities shall be prohibited when the peak wind speed exceeds 15 miles per hour.
- All Air District standards shall be enforced by the Air District.  
(RMA - Planning)

**Compliance or Monitoring Action to be Performed:** Prior to the issuance of a demolition permit, if applicable, the Owner/Applicant/Contractor shall incorporate a "Demolition/Deconstruction" note on the demolition site plan that includes, but is not limited to, the standards set forth in this condition.

During demolition, the Owner/Applicant/Contractor shall obtain any required Air District permits and the Air District shall conduct all deconstruction or demolition inspection activities as required by the Air District.

### 13. AS-BUILT CERTIFICATION

**Responsible Department:** Environmental Services

**Condition/Mitigation Monitoring Measure:** Prior to final inspection, the applicant/owner shall provide a letter from a licensed engineer certifying that all development has been constructed in accordance with the recommendations in the Soil Engineering Investigation and the approved grading and stormwater control plan. (RMA- Environmental Services)

**Compliance or Monitoring Action to be Performed:** Prior to final inspection, the owner/applicant shall provide RMA-Environmental Services a letter from a licensed practitioner.

#### 14. PD017 - DEED RESTRICTION-USE

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** Prior to issuance of a building permit the applicant shall record a deed restriction as a condition of project approval stating the regulations applicable to the requested use as follows:

Big Sur Coast LUP Key Policy 3.9.1.1 requires blufftop setbacks shall be adequate to avoid the need for seawalls during the development's economic lifespan. The project geological report (File No. LIB190091) prepared by CapRock Geology, Inc. on 29 June 2018 identified the appropriate setback as 25 feet from the bluff. Further, the report provides an estimate of bluff erosion amounts to have a potential retreat of 5.0 feet in 50 years and 10.0 feet in 100 years. This estimate of bluff erosion indicates the house has potential to be 20 feet, 4 inches in 50 years, and 15 feet, 4 inches in 100 years, from the cliff face.

The Coastal Act discourages construction of shoreline protective works, including though not limited to seawalls, revetments, retaining walls, tie backs, caissons, piers, groins, etc. Any and all bluff armoring or shoreline protection are prohibited now and in the future, and any rights to construct such shoreline protective structures, including rights that may exist under Public Resources Code Section 30235 or any other applicable law, are waived.

In the event the blufftop edge recedes to within 15 feet of residential development, but no government agency has yet ordered that the residence not be occupied, Applicant/Owner shall retain a licensed geotechnical or civil engineer with experience in coastal processes and hazard response to prepare a geotechnical investigation that addresses whether any portions of the residence and related development are threatened by coastal hazards. The report shall identify all those immediate or potential future ordinary repair and/or maintenance measures that could be applied to address the threat without shoreline protective structures, including but no limited to removal or relocation of threatened development. The investigation shall be submitted to the California Coastal Commission and to the RMA Chief of Planning for review and approval. If the approved geotechnical investigation concludes that the residence or any portion of the residence, is unsafe for occupancy, Applicant/Owner shall submit a Removal and Restoration Plan.

If site investigation by a licensed geotechnical engineer determines that any portion of the approved development is not to be occupied or used due to any coastal hazards, and such safety concerns cannot be abated by ordinary repair and/or maintenance, Applicant/Owner shall remove such development or portions of such development. Prior to removal, Applicant/Owner shall submit a Removal and Restoration Plan to the RMA Chief of Planning for review, approval, and appropriate permits required to allow implementation of the Plan. The Removal and Restoration Plan shall clearly describe the manner in which such development is to be removed and the affected area restored so as to best protect coastal resources.

(RMA - Planning)

**Compliance or  
Monitoring  
Action to be Performed:**

Prior to the issuance of grading or building permits, the Owner/Applicant shall submit the signed and notarized document to the RMA Chief of Planning for review and signature by the County.

Prior to occupancy or commencement of use, the Owner/Applicant shall submit proof of recordation of the document to RMA-Planning.

## 15. CC01 INDEMNIFICATION AGREEMENT

**Responsible Department:** County Counsel-Risk Management

**Condition/Mitigation  
Monitoring Measure:**

The property owner agrees as a condition and in consideration of approval of this discretionary development permit that it will, pursuant to agreement and/or statutory provisions as applicable, including but not limited to Government Code Section 66474.9, defend, indemnify and hold harmless the County of Monterey or its agents, officers and employees from any claim, action or proceeding against the County or its agents, officers or employees to attack, set aside, void or annul this approval, which action is brought within the time period provided for under law, including but not limited to, Government Code Section 66499.37, as applicable. The property owner will reimburse the County for any court costs and attorney's fees which the County may be required by a court to pay as a result of such action. The County may, at its sole discretion, participate in the defense of such action; but such participation shall not relieve applicant of his/her/its obligations under this condition. An agreement to this effect shall be recorded upon demand of County Counsel or concurrent with the issuance of building permits, use of property, filing of the final map, recordation of the certificates of compliance whichever occurs first and as applicable. The County shall promptly notify the property owner of any such claim, action or proceeding and the County shall cooperate fully in the defense thereof. If the County fails to promptly notify the property owner of any such claim, action or proceeding or fails to cooperate fully in the defense thereof, the property owner shall not thereafter be responsible to defend, indemnify or hold the County harmless. (County Counsel-Risk Management)

**Compliance or  
Monitoring  
Action to be Performed:**

Upon demand of County Counsel or concurrent with the issuance of building permits, use of the property, recording of the final/parcel map, or recordation of Certificates of Compliance, whichever occurs first and as applicable, the Owner/Applicant shall submit a signed and notarized Indemnification Agreement to the Office of County Counsel-Risk Management for review and signature by the County.

Proof of recordation of the Indemnification Agreement, as outlined, shall be submitted to the Office of County Counsel-Risk Management

## GENERAL NOTES

- CONTRACTOR LICENSE: THE CONTRACTOR(S) PERFORMING THE WORK DESCRIBED BY THESE PLANS AND SPECIFICATIONS SHALL BE PROPERLY AND CURRENTLY LICENSED DURING THE EXECUTION OF THE PROJECT AND SHALL NOT PERFORM WORK OUTSIDE THE LEGAL SCOPE OF ANY LICENSE.
- SCOPE: THE CONTRACTOR SHALL PROVIDE AND PAY FOR ALL LABOR, MATERIALS, TOOLS, EQUIPMENT AND MACHINERY, TRANSPORTATION, WATER, HEAT, ELECTRICAL, TELEPHONE, AND ANY OTHER RELATED ITEMS NECESSARY FOR THE PROPER EXECUTION AND TIMELY COMPLETION OF THE WORK.
- QUALITY CONTROL: IT IS THE EXPRESS INTENTION OF THESE PLANS AND SPECIFICATIONS TO REQUIRE REASONABLE CARE AND COMPETENCE IN THE EXECUTION OF THE CONSTRUCTION PROCESS AND PRODUCT. IF, IN THE OPINION OF THE CONTRACTOR, ANY PORTION OF THE DOCUMENTATION HEREIN IS INCONSISTENT WITH THIS, THE DESIGNERS SHALL BE NOTIFIED PRIOR TO EXECUTING THE WORK AND ALLOWED REVISION TIME IF FEEL NECESSARY.
- WARRANTY: THE CONTRACTOR WARRANTS TO THE OWNER THAT ALL MATERIALS AND EQUIPMENT FURNISHED UNDER THIS CONTRACT WILL BE NEW UNLESS OTHERWISE SPECIFIED, AND THAT ALL WORK WILL BE OF GOOD QUALITY, FREE FROM FAULTS AND DEFECTS, AND IN CONFORMANCE WITH THE CONTRACT DRAWINGS AND SPECIFICATIONS.
- PERMITS: UNLESS OTHERWISE INSTRUCTED, THE OWNER SHALL PAY ALL PERMIT FEES INCLUDING UTILITIES. THE CONTRACTOR SHALL SECURE THE BUILDING PERMIT AND ANY OTHER PERMITS PRIOR TO STARTING THE WORK AND COMPLY WITH ALL INSPECTION REQUIREMENTS THROUGH FINAL SIGN-OFF.
- LEGAL NOTES/CODE COMPLIANCE: THE CONTRACTOR SHALL GIVE ALL NOTICES AND COMPLY WITH ALL LAWS, ORDINANCES, BUILDING CODES, RULES, REGULATIONS AND OTHER LAWFUL ORDERS OF ANY PUBLIC AUTHORITY BEARING ON THE PERFORMANCE OF THE WORK. THE CONTRACTOR SHALL PROMPTLY NOTIFY THE DESIGNERS IN WRITING IF THE DRAWINGS AND/OR SPECIFICATIONS ARE AT VARIANCE WITH ANY SUCH REQUIREMENTS. (2007 C.B.C.)
- RESPONSIBILITY: THE CONTRACTOR SHALL BE SOLELY RESPONSIBLE FOR ALL CONSTRUCTION MEANS, METHODS, TECHNIQUES, SEQUENCES AND PROCEDURES SELECTED TO EXECUTE THE WORK. THE CONTRACTOR SHALL COORDINATE ALL PORTIONS OF WORK WITHIN THE SCOPE OF THE CONTRACT.
- SAFETY: THE CONTRACTOR SHALL BE RESPONSIBLE FOR INITIATING, MAINTAINING AND PROPERLY SUPERVISING ADEQUATE INDUSTRY STANDARD SAFETY PRECAUTIONS AND PROGRAMS IN CONNECTION WITH THIS WORK AND SHALL ADHERE TO ALL FEDERAL, LOCAL, STATE & O.S.H.A. SAFETY REGULATIONS.
- INSURANCE: LIABILITY INSURANCE SHALL BE MAINTAINED BY THE CONTRACTOR TO PROTECT AGAINST ALL CLAIMS UNDER WORKMAN'S COMPENSATION ACTS, DAMAGES DUE TO BODILY INJURY INCLUDING DEATH, AND FOR ANY PROPERTY DAMAGES ARISING OUT OF OR RESULTING FROM THE CONTRACTOR'S OPERATIONS UNDER THE CONTRACT. THIS INSURANCE SHALL BE FOR LIABILITY LIMITS SATISFACTORY TO THE OWNER. THE OWNER HAS THE RIGHT TO REQUIRED CONTRACTUAL LIABILITY INSURANCE APPLICABLE TO THE CONTRACTOR'S OBLIGATIONS. CERTIFICATES OF SUCH INSURANCE SHALL BE FILED WITH THE OWNER PRIOR TO THE COMMENCEMENT OF WORK.
- INDEMNIFICATION: THE CONTRACTOR WHO AGREES TO PERFORM THIS WORK ALSO AGREES TO INDEMNIFY AND HOLD HARMLESS THE OWNER AND THE DESIGNERS FROM AND AGAINST ALL CONSEQUENTIAL CLAIMS / DAMAGES / LOSSES AND EXPENSES, INCLUDING ATTORNEY'S FEES AND LITIGATION COSTS, ARISING OUT OF OR RESULTING FROM THE PERFORMANCE OF THE WORK.
- CLEANING UP: THE CONTRACTOR SHALL KEEP THE PREMISES AND SITE FREE FROM ACCUMULATION OF WASTE MATERIALS DURING CONSTRUCTION BY PERIODIC CLEAN UP AND OFF-SITE DEBRIS REMOVAL. FINAL CLEANUP AND DEBRIS DISPOSITION SHALL BE TO THE SATISFACTION OF THE OWNER.
- CONTRACTOR SHALL VISIT THE SITE AND VERIFY ALL EXISTING CONDITIONS PRIOR TO ANY WORK AND NOTIFY THE DESIGNERS OF ANY DISCREPANCIES BETWEEN THESE DRAWINGS AND EXISTING CONDITIONS AFFECTING THE WORK OR NATURE OF SPECIFIED MATERIALS AND/OR SCOPE OF DESIGN.
- ALL NOTES, DIMENSIONS, ETC. INDICATE NEW MATERIALS OR CONSTRUCTION UNLESS OTHERWISE NOTED.
- NO LAND CLEARINGS OR GRADINGS SHALL OCCUR ON THE PROPERTY BETWEEN OCTOBER 15 AND APRIL 15 UNLESS AUTHORIZED BY THE DIRECTOR OF PLANNING AND BUILDING INSPECTION.
- SHOP DRAWINGS: PRIOR TO FABRICATION, THE CONTRACTOR SHALL SUBMIT TO THE DESIGNER FOR APPROVAL SHOP DRAWINGS FOR ALL STRUCTURAL STEEL, REINFORCING STEEL, GLUE LAMINATED BEAMS AND PREFABRICATED TRUSSES, WINDOW & DOORS, FINISH CARPENTRY. SHOP DRAWINGS ARE NOT CHANGE ORDERS, BUT RATHER SERVE TO DEMONSTRATE TO THE ENGINEER AND/OR DESIGNER THAT THE CONTRACTOR UNDERSTANDS THE REQUIREMENTS & DESIGN CONCEPTS OF THE PLAN, DETAILS & SPECIFICATIONS.
- CHANGE ORDERS: NO VERBAL CHANGE ORDERS SHALL BECOME LEGAL AND BINDING.
- CONSTRUCTION BRACINGS & SHORING: THE CONTRACTOR SHALL BE SOLELY RESPONSIBLE FOR ALL BRACING AND SHORING REQUIRED DURING CONSTRUCTION UNTIL ALL CONSTRUCTION IS COMPLETE.
- SIMILAR CONDITIONS: CONDITIONS NOT SPECIFICALLY DETAILED SHALL BE BUILT TO CONFORM WITH SIMILAR CONSTRUCTION.
- DISCREPANCIES: THE CONTRACTOR SHALL VERIFY ALL DIMENSIONS, ELEVATIONS, MATERIALS AND CONDITIONS PRIOR TO STARTING CONSTRUCTION. ANY DISCREPANCIES SHALL BE REPORTED TO THE ARCHITECT PRIOR TO ORDERING MATERIALS AND STARTING CONSTRUCTION.
- TECHNICAL SPECIFICATIONS: ALL TECHNICAL SPECIFICATIONS REFERRED TO IN THESE DRAWINGS ARE BY THIS REFERENCE PART OF THE CONSTRUCTION DOCUMENTS.

## FIRE SAFETY REQUIREMENTS

- ADDRESSES FOR BUILDINGS - ALL BUILDINGS SHALL BE ISSUED AN ADDRESS IN ACCORDANCE WITH MONTEREY COUNTY ORDINANCE NO. 1241. EACH OCCUPANCY, EXCEPT ACCESSORY BUILDINGS, SHALL HAVE ITS OWN PERMANENTLY POSTED ADDRESS. WHEN MULTIPLE OCCUPANCIES EXIST WITHIN A SINGLE BUILDING, EACH INDIVIDUAL OCCUPANCY SHALL BE SEPARATELY IDENTIFIED BY ITS OWN ADDRESS. LETTERS, NUMBERS AND SYMBOLS FOR ADDRESSES SHALL BE A MINIMUM OF 4" HEIGHT, 1/2" STROKE, CONTRASTING WITH THE BACKGROUND COLOR OF THE SIGN AND SHALL BE ARABIC. THE SIGN AND NUMBERS SHALL BE REFLECTIVE AND MADE OF A NONCOMBUSTIBLE MATERIAL. ADDRESS SIGNS SHALL BE PLACED AT EACH DRIVEWAY ENTRANCE AND AT EACH DRIVEWAY SPLIT. ADDRESS SIGNS SHALL BE VISIBLE AND LEGIBLE FROM BOTH DIRECTIONS OF TRAVEL ALONG THE ROAD. IN ALL CASES, THE ADDRESS SHALL BE POSTED AT THE BEGINNING OF CONSTRUCTION AND SHALL BE MAINTAINED THEREAFTER. ADDRESS SIGNS ALONG ONE-WAY ROADS SHALL BE VISIBLE FROM BOTH DIRECTIONS OF TRAVEL. WHERE MULTIPLE ADDRESSES ARE REQUIRED AT A SINGLE DRIVEWAY, THEY SHALL BE MOUNTED ON A SINGLE SIGN. WHERE A ROADWAY PROVIDES ACCESS SOLELY TO A SINGLE COMMERCIAL OCCUPANCY, THE ADDRESS SIGN SHALL BE PLACED AT THE NEAREST ROAD INTERSECTION PROVIDING ACCESS TO THAT SITE. PERMANENT ADDRESS NUMBERS SHALL BE POSTED PRIOR TO REQUESTING FINAL CLEARANCE.
- FIRE PROTECTION - SPRINKLER SYSTEM (STANDARD) - THE BUILDING(S) AND ATTACHED GARAGE(S) SHALL BE FULLY PROTECTED WITH AUTOMATIC FIRE SPRINKLER SYSTEM(S). INSTALLATION SHALL BE IN ACCORDANCE WITH THE APPLICABLE NFPA STANDARD. A MINIMUM OF (4) FOUR SETS OF PLANS FOR FIRE SPRINKLER SYSTEMS MUST BE SUBMITTED BY A CALIFORNIA LICENSED C-16 CONTRACTOR AND APPROVED PRIOR TO INSTALLATION. THIS REQUIREMENT IS NOT INTENDED TO DELAY ISSUANCE OF A BUILDING PERMIT. A ROUGH-IN INSPECTION MUST BE SCHEDULED BY THE INSTALLING CONTRACTOR AND COMPLETED PRIOR TO REQUESTING A FRAMING INSPECTION.

## OWNERSHIP NOTES

- OWNERSHIP AND USE OF THESE DRAWINGS AND SPECIFICATIONS:
- TITLE AND ALL "COPYRIGHT" PRIVILEGES TO THESE DRAWINGS AND SPECIFICATIONS IS CLAIMED BY HOLDREN LIETZKE ARCHITECTURE HERINAFTER REFERRED TO AS "DESIGNERS" WITHOUT PREJUDICE. VISUAL CONTACT WITH THESE SUBJECT DRAWINGS AND SPECIFICATIONS SHALL CONSTITUTE PRIMA FACIE EVIDENCE OF THE ACCEPTANCE OF THESE OWNERSHIP RIGHTS AND THE FOLLOWING RELATED RESTRICTIONS.
  - THE USE OF THESE DRAWINGS AND SPECIFICATIONS SHALL BE SOLELY RESTRICTED TO THE ORIGINAL SITE FOR WHICH THEY WERE PREPARED AND THE DESIGNERS HEREBY STATE THAT THEY ARE NOT INTENDED FOR NOR SUITABLY ENGINEERED FOR ANY OTHER SITE. REPRODUCTION OF THESE DOCUMENTS IS THEREFORE EXPRESSLY LIMITED TO THE INTENDED USE.
  - THE DESIGNERS DISCLAIM ALL RESPONSIBILITY IF THESE DRAWINGS AND SPECIFICATIONS ARE USED, IN WHOLE OR IN PART, WITHOUT PRIOR WRITTEN PERMISSION, WHETHER OR NOT MODIFIED BY OTHERS FOR ANOTHER SITE.
  - IN THE EVENT OF UNAUTHORIZED USE BY ANY THIRD PARTY OF THESE DRAWINGS AND SPECIFICATIONS, THE CLIENT FOR WHICH THIS WORK WAS ORIGINALLY PREPARED HEREBY AGREES TO HOLD HARMLESS, INDEMNIFY AND DEFEND THE DESIGNERS FROM ANY CLAIMS ARISING FROM SUCH UNAUTHORIZED USE.

# WATER POLLUTION CONTROL PLAN

- ESTIMATED TOTAL DISTURBED AREA: 0.61 AC.
- BEST MANAGEMENT PRACTICES (BMPs) (MATERIALS AND THEIR INSTALLATION) SHALL CONFORM TO ONE OF THE FOLLOWING:
  - THE 2011 EDITION OF THE CALTRANS STORM WATER QUALITY HANDBOOK / CONSTRUCTION SITE BMP MANUAL. THE HANDBOOK MAY BE DOWNLOADED FOR FREE AT [http://www.dot.ca.gov/hq/construc/stormwater/documents/SWPPP\\_Prep\\_ManualJune2011.pdf](http://www.dot.ca.gov/hq/construc/stormwater/documents/SWPPP_Prep_ManualJune2011.pdf)
  - THE 2011 EDITION OF THE CALIFORNIA STORMWATER BMP HANDBOOK PROMULGATED BY THE CALIFORNIA STORMWATER QUALITY ASSOCIATION (CASQA). THE HANDBOOK MAY BE DOWNLOADED FOR A FEE FROM THE CASQA WEBSITE AT <http://www.cabmphandbooks.com/>
- THE BMPs SHOWN ON THIS WATER POLLUTION CONTROL PLAN SHALL BE ADJUSTED OR SUPPLEMENTED AS REQUIRED TO PROTECT WATER QUALITY AND/OR AS DIRECTED BY THE ENGINEER OR JURISDICTION HAVING AUTHORITY.
- THIS PLAN IS INTENDED TO BE USED FOR INTERIM WATER POLLUTION CONTROL ONLY AND IS NOT TO BE USED FOR FINAL ELEVATIONS OR PERMANENT IMPROVEMENTS.
- CONTRACTOR SHALL BE RESPONSIBLE FOR MONITORING BMPs PRIOR TO, DURING, AND AFTER STORM EVENTS, AND SHALL PROMPTLY CORRECT ANY DEFICIENCIES NOTED.
- ALL PAVED AREAS SHALL BE KEPT CLEAN OF SOIL AND DEBRIS. REGULAR STREET SWEEPING IS REQUIRED. ADDITIONAL STREET SWEEPING MAY BE REQUIRED BY THE ARCHITECT/ENGINEER OR JURISDICTION HAVING AUTHORITY.
- REASONABLE CARE SHALL BE TAKEN WHEN HAULING ANY EARTH, SAND, GRAVEL, STONE, DEBRIS, PAPER OR ANY OTHER SUBSTANCE OVER ANY PUBLIC STREET, ALLEY OR OTHER PUBLIC PLACE. ANY MATERIAL THAT IS TO BE HAULED OFF-SITE SHALL BE COVERED. SHOULD ANY BLOW, SPILL, OR TRACK OVER AND UPON SAID PUBLIC OR ADJACENT PRIVATE PROPERTY, IMMEDIATE REMEDY SHALL OCCUR.
- KEEP ADDITIONAL EROSION AND SEDIMENT CONTROL SUPPLIES ON SITE IN CASE IMMEDIATE REPAIRS OR MODIFICATIONS ARE REQUIRED. THESE SUPPLIES MAY INCLUDE ADDITIONAL SILT FENCING, FILTER FABRIC, HAY BALES, JUTE NETTING, BAGS AND TARPS.
- CONSTRUCTION OPERATIONS SHALL BE CARRIED OUT IN SUCH A MANNER THAT EROSION AND WATER POLLUTION WILL BE MINIMIZED. STATE AND LOCAL LAWS CONCERNING POLLUTION ABATEMENT SHALL BE COMPLIED WITH.
- CONTRACTOR SHALL PROVIDE DUST CONTROL AS REQUIRED BY FEDERAL, STATE, AND LOCAL AGENCY REQUIREMENTS.
- PROVIDE TEMPORARY "EFFECTIVE SOIL COVER" ON ALL INACTIVE DISTURBED AREAS (AREAS WHICH HAVE NOT BEEN DISTURBED FOR AT LEAST 14 DAYS) PRIOR TO INSTALLATION OF FINAL LANDSCAPING, IF REQUIRED DUE TO PROJECT SCHEDULING.
- PROVIDE WIND EROSION CONTROL AT ALL TIMES IN ACCORDANCE WITH BEST MANAGEMENT PRACTICE WE-1.
- LIMIT THE USE OF PLASTIC MATERIALS WHEN MORE SUSTAINABLE, ENVIRONMENTALLY FRIENDLY ALTERNATIVES EXIST. WHERE PLASTIC MATERIALS ARE DEEMED NECESSARY, CONSIDER THE USE OF PLASTIC MATERIALS RESISTANT TO SOLAR DEGRADATION AND WHICH MAY BE RE-USED.
- ESTABLISH AND MAINTAIN EFFECTIVE PERIMETER CONTROLS AND STABILIZE ALL CONSTRUCTION ENTRANCES AND EXITS TO SUFFICIENTLY CONTROL EROSION AND SEDIMENT DISCHARGES FROM THE SITE.
  - PROVIDE SILT FENCE AT CONSTRUCTION SITE PERIMETER WHERE RUNOFF LEAVES THE CONSTRUCTION SITE.
  - PROVIDE INLET PROTECTION AT ALL DRAIN INLETS.
- ALL GRADING SHALL CONFORM TO THE MONTEREY COUNTY GRADING ORDINANCE #2535, EROSION CONTROL ORDINANCE #2806, AND CALIFORNIA BUILDING CODE.
- PRIOR TO COMMENCEMENT OF ANY LAND DISTURBANCE, THE OWNER/APPLICANT SHALL SCHEDULE AN INSPECTION WITH RMA-ENVIRONMENTAL SERVICES TO ENSURE ALL NECESSARY SEDIMENT CONTROLS ARE IN PLACE AND THE PROJECT IS COMPLIANT WITH MONTEREY COUNTY GRADING AND EROSION CONTROL REGULATIONS.
- DURING CONSTRUCTION THE OWNER/APPLICANT SHALL SCHEDULE AN INSPECTION WITH RMA-ENVIRONMENTAL SERVICES TO UPDATE COMPACTION TEST RECORDS, INSPECT DRAINAGE DEVICE INSTALLATION, REVIEW THE MAINTENANCE AND EFFECTIVENESS OF BMPs INSTALLED, AS WELL AS, TO VERIFY THAT POLLUTANTS OF CONCERN ARE NOT DISCHARGED FROM THE SITE.
- PRIOR TO FINAL INSPECTION, THE OWNER/APPLICANT SHALL SCHEDULE AN INSPECTION WITH RMA-ENVIRONMENTAL SERVICES TO CONDUCT A FINAL GEOTECHNICAL LETTER OF CONFORMANCE, ENSURE THAT ALL DISTURBED AREAS HAVE BEEN STABILIZED AND THAT ALL TEMPORARY EROSION AND SEDIMENT CONTROL MEASURES THAT ARE NO LONGER NEEDED HAVE BEEN REMOVED.
- ALL OR PART OF THE CONSTRUCTION OF THIS PROJECT IS EXPECTED TO OCCUR DURING THE WINTER SEASON (OCTOBER 15TH THROUGH APRIL 15TH).
- IT SHALL BE THE RESPONSIBILITY OF THE OWNER AND THE PERMITEE TO ENSURE THAT EROSION DOES NOT OCCUR FROM AN ACTIVITY DURING OR AFTER PROJECT CONSTRUCTION. ADDITIONAL MEASURES, BEYOND THOSE SPECIFIED, MAY BE REQUIRED AS DEEMED NECESSARY TO CONTROL ACCELERATED EROSION. (MCC 16.12.100)

## GENERAL REQUIREMENTS

- ACTUAL GRADING SHALL BEGIN WITHIN 30 DAYS OF VEGETATION REMOVAL OR THE AREA SHALL BE PLANTED TO CONTROL EROSION. VEGETATION REMOVAL BETWEEN OCTOBER 15TH AND APRIL 15TH SHALL NOT PRECEDE SUBSEQUENT GRADING OR CONSTRUCTION ACTIVITIES BY MORE THAN 15 DAYS.
- THE FOLLOWING PROVISIONS SHALL APPLY BETWEEN OCTOBER 1 AND APRIL 30.
    - DISTURBED SURFACES NOT INVOLVED IN THE IMMEDIATE OPERATIONS MUST BE PROTECTED BY APPLYING STRAW MULCH AT 2000 LBS. PER ACRE AND ANCHORED BY TRACK-WALKING TO PREVENT MOVEMENT DURING WATER FLOW.
    - RUNOFF FROM THE SITE SHALL BE DETAINED OR FILTERED BY BERMS, VEGETATED FILTER STRIPS AND/OR CATCH BASINS TO PREVENT THE ESCAPE OF SEDIMENT FROM THE SITE. THESE DRAINAGE CONTROLS MUST BE MAINTAINED BY THE CONTRACTOR AS NECESSARY TO ACHIEVE THEIR PURPOSE THROUGHOUT THE LIFE OF THE PROJECT. SEE THIS SHEET FOR EROSION CONTROL PLAN AND EROSION CONTROL DETAILS.
    - EROSION CONTROL MEASURES SHALL BE IN PLACE AT THE END OF EACH DAY'S WORK.
    - THE BUILDING INSPECTOR SHALL STOP OPERATIONS DURING PERIODS OF INCLEMENT WEATHER IF HE DETERMINES THAT EROSION PROBLEMS ARE NOT BEING CONTROLLED ADEQUATELY.
    - CUT AND FILL SLOPES SHALL BE PLANTED WITH AN SEED MIX APPROVED BY THE LANDSCAPE ARCHITECT. AMOUNT OF SEED AND FERTILIZER SHALL BE APPROVED BY THE LANDSCAPE ARCHITECT.
  - ALL SURFACES EXPOSED OR EXPECTED TO BE EXPOSED DURING GRADING ACTIVITIES SHALL BE PREPARED AND MAINTAINED THROUGH THE LENGTH OF THE ENTIRE PROJECT TO PROTECT AGAINST EROSION.
  - AT ALL TIMES DURING CONSTRUCTION AND UNTIL FINAL COMPLETION, THE CONTRACTOR, WHEN HE OR HIS SUBCONTRACTORS ARE OPERATING EQUIPMENT ON THE SITE, SHALL PREVENT THE FORMATION OF AN AIRBORNE DUST NUISANCE BY WATERING AND/OR TREATING THE SITE OF THE WORK IN SUCH A MANNER THAT WILL CONFINE DUST PARTICLES TO THE IMMEDIATE SURFACE OF THE WORK. THE CONTRACTOR WILL BE RESPONSIBLE FOR ANY DAMAGE DONE BY DUST FROM HIS OR HER SUBCONTRACTOR.

## OBSERVATION AND MAINTENANCE

- VISUALLY OBSERVE AND MAINTAIN BEST MANAGEMENT PRACTICES (BMPs) AS FOLLOWS:
  - WEEKLY, AND
  - WITHIN 48 HOURS PRIOR TO EACH STORM EVENT, AND
  - WITHIN 48 HOURS AFTER EACH STORM EVENT.
  - DAILY DURING STORM EVENTS
- REPAIR DAMAGED BMPs WITHIN 48 HOURS OF OBSERVATION.
- SEDIMENT SHALL BE REMOVED FROM SEDIMENT CONTROL BMPs BEFORE SEDIMENT HAS ACCUMULATED TO A DEPTH OF ONE THIRD THE HEIGHT OF THE SEDIMENT BARRIER OR SUMP, IF NOT OTHERWISE SPECIFIED IN THE SPECIAL PROVISIONS OR BY THE BMP SUPPLIER OR MANUFACTURER.
- TRASH AND DEBRIS SHALL BE REMOVED FROM BMPs DURING SCHEDULED INSPECTIONS.
- REMOVED SEDIMENT SHALL BE PLACED AT AN APPROVED LOCATION AND IN SUCH A MANNER THAT IT WILL NOT ERODE, OR SHALL BE DISPOSED OF OFF-SITE.
- REPAIR RILLS AND GULLIES BY RE-GRADING AND THEN TRACKWALKING PERPENDICULAR TO THE SLOPE. PROVIDE TEMPORARY SOIL COVER IF NECESSARY.

## NON-STORM WATER DISCHARGES

- NON-STORM WATER DISCHARGES INCLUDE A WIDE VARIETY OF SOURCES, INCLUDING IMPROPER DUMPING, SPILLS, OR LEAKAGE FROM STORAGE TANKS OR TRANSFER AREAS. NON-STORM WATER DISCHARGES MAY CONTRIBUTE SIGNIFICANT POLLUTANT LOADS TO RECEIVING WATERS, AND AS SUCH ARE PROHIBITED.
- MEASURES TO CONTROL SPILLS, LEAKAGE, AND DUMPING, AND TO PREVENT ILLICIT CONNECTIONS DURING CONSTRUCTION, MUST BE TAKEN.
- HOWEVER, CERTAIN NON-STORM WATER DISCHARGES MAY BE AUTHORIZED FOR THE COMPLETION OF CONSTRUCTION. AUTHORIZED NON-STORM WATER DISCHARGES MAY INCLUDE THOSE FROM DECHLORINATED POTABLE WATER SOURCES SUCH AS:
  - FIRE HYDRANT FLUSHING,
  - IRRIGATION OF VEGETATIVE EROSION CONTROL MEASURES,
  - PIPE FLUSHING AND TESTING,
  - WATER TO CONTROL DUST,
  - UNCONTAMINATED GROUND WATER FROM DEWATERING,
  - OTHER DISCHARGES NOT SUBJECT TO A SEPARATE GENERAL NPDES PERMIT ADOPTED BY A REGIONAL WATER BOARD.
- THE DISCHARGE OF NON-STORM WATER IS AUTHORIZED UNDER THE FOLLOWING CONDITIONS:
  - THE DISCHARGE DOES NOT CAUSE OR CONTRIBUTE TO A VIOLATION OF ANY WATER QUALITY STANDARD
  - THE DISCHARGE DOES NOT VIOLATE ANY OTHER PROVISION OF THE GENERAL PERMIT
  - THE DISCHARGE IS NOT PROHIBITED BY THE APPLICABLE BASIN PLAN
  - THE DISCHARGER HAS INCLUDED AND IMPLEMENTED SPECIFIC BMPs REQUIRED BY THE GENERAL PERMIT TO PREVENT OR REDUCE THE CONTACT OF THE NONSTORM WATER DISCHARGE WITH CONSTRUCTION MATERIALS OR EQUIPMENT
  - THE DISCHARGE DOES NOT CONTAIN TOXIC CONSTITUENTS IN TOXIC AMOUNTS OR (OTHER) SIGNIFICANT QUANTITIES OF POLLUTANTS
  - THE DISCHARGE IS MONITORED
- IF ANY OF THE ABOVE CONDITIONS ARE NOT SATISFIED, THE DISCHARGE IS NOT AUTHORIZED.

## EMPLOYEE TRAINING

- STORM WATER POLLUTION PREVENTION TRAINING SHALL BE PROVIDED AT THE BEGINNING OF CONSTRUCTION AND REGULARLY DURING CONSTRUCTION FOR ALL EMPLOYEES WORKING ON THE JOB SITE. TRAINING SHALL BE PROVIDED BY THE CONTRACTOR'S WATER POLLUTION CONTROL MANAGER. TOPICS SHALL INCLUDE, BUT ARE NOT LIMITED TO:
  - SPILL PREVENTION AND RESPONSE;
  - LOCATIONS AND FUNCTIONS OF SEDIMENT/EROSION CONTROL DEVICES;
  - GOOD HOUSEKEEPING;
  - FINES AND PENALTIES;
  - MATERIAL MANAGEMENT PRACTICES.

## LEGEND

**CONTRACTOR**  
TBD

**CONSTRUCTION COORDINATOR**

CONTRACTOR SHALL PROVIDE A CONSTRUCTION COORDINATOR THAT CAN BE CONTACTED DURING CONSTRUCTION SHOULD QUESTIONS ARISE DURING CONSTRUCTION (IN CASE OF BOTH REGULAR INQUIRES AND IN EMERGENCIES). THEIR CONTACT INFORMATION (INCLUDING THEIR ADDRESS AND 24-HOUR PHONE NUMBERS) SHALL BE CONSPICUOUSLY POSTED AT THE JOB SITE IN A MANNER THAT THE CONTACT INFORMATION IN READILY VISIBLE FROM PUBLIC VIEWING AREAS. THE POSTING SHALL INDICATE THAT THE CONSTRUCTION COORDINATOR SHOULD BE CONTACTED TO ANSWER ANY QUESTIONS THAT ARISE DURING CONSTRUCTION (IN CASE OF BOTH REGULAR INQUIRES ARE IN EMERGENCIES). THE CONSTRUCTION COORDINATOR SHALL RECORD THE NAME, PHONE NUMBER AND NATURE OF ALL COMPLAINTS (IF ANY) RECEIVED DURING CONSTRUCTION, AND SHALL INVESTIGATE COMPLAINTS AND TAKE REMEDIAL ACTION, IF NECESSARY, WITHIN 24-HOURS OF RECEIPT OF THE COMPLAINT OR INQUIRY.

**CONSTRUCTION MANAGEMENT NOTES**

1. DURATION OF CONSTRUCTION IS 15 MONTHS STARTING FROM THE DATE PERMITS ARE ISSUED.
2. WORK SHALL BE PERFORMED BETWEEN THE HOURS OF 7AM AND 4PM. WORKED PREFORMED BEFORE 8AM SHALL BE NON-CONSTRUCTION ACTIVITY (QUIET HOUR).
3. AN ESTIMATED 25 TRUCK TRIPS WILL BE NECESSARY FOR THE GRADING PHASE OF THE PROJECT.
4. FOR PLANNING PURPOSES, TRUCKS WILL BE ROUTED TO AND FROM THE SITE USING THE TRUCK ROUTE SHOWN IN C3.1. THE CONTRACTOR SHALL BE RESPONSIBLE FOR COORDINATING A BORROW SITE FOR THE NECESSARY IMPORT. AS A RESULT, THE TRUCK ROUTE IS SUBJECT TO CHANGE.
5. THE NUMBER OF WORKERS WILL VARY THROUGH OUT CONSTRUCTION. WORKERS ONSITE WILL RANGE FROM 4 TO 24.
7. EROSION CONTROL PROTECTION TO BE INSTALLED PER THE PERMITTED PLANS.
