

Monterey County Board of Supervisors,

My name is James Thorp, and I am a lifelong resident of Greenfield, California. I served 12 years previously as a member/president of the recreation district. My family moved to the city in the year 1915 and loved giving back to Greenfield through acts of community service. It has come to my attention that a seat will be opening on the conjoined Cemetery and Recreational District, and as an avid member of this community I would like to volunteer to participate in the position.

Thank you so much for your consideration,

James Thorp
