LESSOR and LESSEE hereby agree as follows:

ARTICLE 1 - PREMISES

1.1 Description: LESSOR hereby leases to LESSEE and LESSEE hereby leases from LESSOR, upon the terms and conditions herein set forth, that certain real property and its appurtenances, situated at 1870 N. Main Street, Salinas, California 93906-2042 (the "Building") and described as follows: General offices consisting of approximately 9,745 rentable square feet of space, located on the 1st and 2nd floor of the Building, as designated in **EXHIBIT A1 – DESCRIPTION OF PREMISES - Current Basic Floor Plan**, attached and incorporated by this reference (hereinafter, "the Premises"). The term "rentable square feet" shall mean the "Rentable Area" of the Premises as calculated pursuant to the Building Owners and Managers Association International's Office Buildings: Standard Methods of Measurement (ANSI/BOMA Z65.1, 2010). The premises constitutes one hundred percent (100%) of the total rentable space of the building.

1.2 Common Areas: LESSEE shall also have the non-exclusive right to use at all times, in common with other tenants in the Building, any and all of the following areas which may be appurtenant to the Premises: Common entrances, lobbies, corridors, hallways, elevators, stairways and access ways, loading and unloading areas, visitor parking areas, ramps, drives, platforms, public rest rooms, common walkways and sidewalks necessary for access to the Premises, and any other public or common areas located within or appurtenant to

the Building (collectively, the "Common Areas").

1.3 Parking Areas: LESSEE shall be provided thirty three (33) exclusive and no nonexclusive parking spaces in the parking area adjacent to the building, in which the Premises are a part of, at no cost to LESSEE throughout the Lease Term (defined below). Exclusive and nonexclusive parking areas to be further designated in **EXHIBIT A2 – PARKING PLAN**, attached and incorporated by this reference. LESSOR, at LESSOR'S expense may need to post parking signage if deemed necessary for LESSEE'S use of the Premises.

1.4 Compliance with the "Americans with Disabilities Act of 1990" (ADA): LESSOR shall ensure that the Premises are in compliance with the Americans with Disabilities Act of 1990 ("ADA"), as amended, and, if necessary, prior to the Commencement Date, shall modify the Premises to comply with the Act and the regulations promulgated to implement the ADA requirement.

1.5 Compliance with "No Smoking Law" (2003 Assembly Bill 846): LESSOR shall ensure that the Premises and the Common Areas are in compliance with Government Code Title 1, Division 7, Chapter 32 (commencing with Section 7596), as amended, and, if necessary, prior to the Commencement Date, shall modify the same to comply with the law and the regulations promulgated to implement 2003 Assembly Bill 846.

1.6 Statement of Seismic Adequacy: Prior to the Lease Commencement Date specified in Section 2.1 below, LESSOR shall provide either; 1) If the Premises are contained in a building constructed on or before December 31, 1972, or one of which has undergone major structural renovation since January 1, 1973, the LESSOR shall obtain a Statement of Seismic Adequacy for the Premises by a licensed structural engineer and it shall be attached to this Lease as **EXHIBIT B – STATEMENT OF SEISMIC ADEQUACY**, which is attached and incorporated herein by this reference. Or, 2) If the Premises are contained in a building constructed on or after January 1, 1973, LESSOR shall provide LESSEE with official documentation evidencing the Construction Date from the respective Municipality's, or Political Subdivision's Building Department with jurisdiction over the Premises at the time of construction. If the Premises are contained in a building constructed on or after January 1, 1973, official documentation from said Municipality or Political Subdivision of the State of California shall be attached as **EXHIBIT B-1 – EVIDENCE OF CONSTRUCTION**, and incorporated by this reference. The Parties understand and agree that the Statement of Seismic Adequacy, or Evidence of Construction is a condition precedent to the occupancy of the Premises and that failure to obtain said Statement of Seismic Adequacy by a licensed structural engineer, or a functional equivalent by a licensed design professional acceptable to the County, prior to occupancy shall render this Lease null and void.

1.7 Area of the Premises: Prior to the Lease Commencement Date as defined in Section 2.1 Lease Term below, LESSOR shall have the rentable square feet of the Premises measured as described in ARTICLE – 1 Premises, Section 1.1 Description by a licensed, independent architect mutually selected by LESSEE and LESSOR (the "Architect"). The cost for said Architect's services shall be equally split between the Parties. Said Architect shall prepare an Exhibit entitled "Description of the Premises" to be incorporated into this Lease as EXHIBIT A-1. The parties understand and agree that when the correct rentable square feet of the Premises is determined, changes and modifications to this Lease may be required including, but not limited to, ARTICLE 3 – RENT.

ARTICLE 2 - TERM

2.1 Lease Term: The term of this Lease (the "Lease Term") shall be Ten (10) years, commencing on June 1, 2017 or upon issuance of a certificate of occupancy from the City of Salinas and LESSEE'S final walk through and approval of all Premise Improvements, whichever is later, ("Lease Commencement Date"), and

ending May 31, 2027 or Ten (10) years from Lease Commencement Date, whichever is later (the "Stated Expiration Date"), with such rights of termination and extension of the Lease Term as are hereinafter set forth. In the event that the Premises are not delivered within sixty (60) days from the date first noted in this ARTICLE 2.1, or Premise Improvements are not certified as complete within sixty (60) days from the agreed-upon schedule for construction of Premise Improvements, County may terminate this agreement. Within thirty (30) days of the occurrence of the Lease Commencement Date, LESSEE and LESSOR shall execute a side letter agreement confirming the actual Lease Commencement Date and Stated Expiration Date for this Lease.

2.2 Extended Term: Upon completion of the initial Lease Term, the LESSEE may renew the Lease for one (1) additional Three (3) year term ("First Extended Term"), and upon the expiration of the First Extended Term, the LESSEE may renew the Lease for a second additional Three (3) year term ("Second Extended Term"), in each case by giving LESSOR advance written notice of its intent to renew one hundred fifty (150) days prior to expiration of the initial Lease Term or First Extended Term, as applicable.

2.3 Monthly Rent Limit: LESSOR and LESSEE agree that the monthly rent of any extended term shall be no more than Ninety Five percent (95%) of the then current market "Gross Lease" rents for *similar office space* in the Salinas, California area. As it pertains to this Lease, "Gross Lease" shall mean that the LESSOR will be responsible to pay for the general maintenance and repair, elevator maintenance and repair, property taxes and assessments, insurances (Real Property and lessor's risk liability), utilities and Common Area expenses out of the monthly rent paid by the LESSEE for the Premises and LESSEE shall not pay any additional rent therefor. In the event that LESSOR and LESSEE are unable to agree upon the then current market Gross Lease rents for the Premises within thirty (30) days of LESSEE'S delivery of its intent to renew this Lease as described in ARTICLE 2.2, LESSOR and LESSEE shall submit the determination of the then current market Gross Lease rent to arbitration.

ARTICLE 3 - RENT

In consideration of the continuing right of use, quiet enjoyment and possession of the Premises, LESSEE shall pay to LESSOR as monthly rent for the premises the initial sum of Eighteen Thousand Four Hundred Ten and 77/100 dollars (18,410.77) (as it may be adjusted as provided in this lease, "Monthly Rent"), payable on or before the first day of each month. Subject to the immediately following paragraph, LESSEE shall commence rental payments upon occupancy ("Rent Commencement Date"). If the Rent Commencement Date is other than the first day of a calendar month, then the Monthly Rent for that month shall be prorated on a daily basis, based on a thirty (30) day month. Monthly Rent shall be payable to LESSOR at the address specified in ARTICLE 6 or at such other address as LESSOR may from time to time designate in writing. Monthly Rent is inclusive of, among other things, LESSEE'S share of real estate taxes, assessments, insurances (Real Property and lessor's risk liability), and Monterey Regional Water Pollution Control Agency (MRWPCA) fee for the Premises. *[Initial rent is computed as follows: Base rent of \$1.59 per square foot per month for office space, plus a cost not to exceed \$0.30 per square foot for premise improvement allowance payment.]*

It is hereby agreed that the Monthly Rent stated above is subject to adjustment, as provided in this Lease, and that the cost of any Premise Improvements requested by LESSEE pursuant to ARTICLE 7.2 below, will be paid in accordance with **EXHIBIT C – AMORTIZED PREMISE IMPROVEMENT COSTS** that will be attached to this Lease Agreement upon completion of such LESSEE requested Premise Improvements and incorporated by this reference.

ARTICLE 4 – ANNUAL RENT ADJUSTMENT

At the end of each Year during the initial Lease Term or any Extended Term, the Monthly Rent (excluding

any amortized Premise Improvement payments pursuant to ARTICLE 7.2) shall be increased by the fixed amount of two percent (2%) (so that, for example, the Monthly Rent payable during the second Lease Year shall be equal to 102% of the Monthly Rent payable during the first Lease Year). A "Lease Year" shall mean each consecutive twelve-month (12-month) period during the initial Lease Term or Extended Term, as applicable; provided, however, that (a) the first Lease Year commences on the Lease Commencement Date as provided in ARTICLE 2, Section 2.1 above, or the first day of the Extended Term as provided in ARTICLE 2, Section 2.2 above, as applicable, and ends on the last day of the twelfth calendar month thereafter; (b) the second and each succeeding Lease Year commences on the first day of the next calendar month; and (c) the last Lease Year ends on the Stated Expiration Date as provided in Section 2.1 above, or the last day of the Extended Term as provided in Section 2.2 above, as applicable, or earlier date of termination.

ARTICLE 5 - TERMINATION BY COUNTY

Notwithstanding any other provisions of this Lease, LESSEE, at its sole option, may terminate this Lease upon ninety (90) days written notice, solely on the condition that funds have not been budgeted for leasing of the property described herein. Such termination shall be without penalty to LESSEE except as identified below. Such right of termination shall not be construed so as to permit LESSEE to terminate this Lease in order to lease other premises for a similar purpose within the City of Salinas. LESSEE represents that its intent is not to exercise its rights under this ARTICLE unless financial conditions prevent the Monterey County Board of Supervisors from budgeting funds for this Lease.

Should LESSEE so terminate, and subject to the debt limitation provisions of the California Constitution ARTICLE XVI, Section 18, LESSEE shall pay in one lump sum payment seventy-five (75%) percent of the unamortized Premise Improvement costs including a prorated portion of the ten dollar (\$10) per square foot Premise Improvement Allowance by LESSOR, (excluding costs for HVAC units and fire sprinklers) incurred by LESSOR in connection with the Premise Improvements, as referenced in ARTICLE 7, Section 7.2. Said payment shall be within thirty (30) days of LESSEE'S vacancy of the Premises and shall not exceed the sum of Two Hundred Seventy Thousand Ninety-three and 00/100 dollars (\$270,093.00).

Subject to the State constitutional debt limitation provisions, LESSEE shall have the option to reimburse LESSOR for the Premise Improvement Allowance within thirty (30) days of receipt of invoice from LESSOR, or request that LESSOR amortize the Premise Improvement Allowance at a rate of six percent (6%) over a ten (10) year term. Said amortized amount shall be paid monthly, concurrently with the Monthly Rent hereunder, as compensation to LESSOR for the Premise Improvement Allowance and be paid in accordance with an amortized Premise Improvement cost schedule to be attached to this Lease as **EXHIBIT C – AMORTIZED PREMISE IMPROVEMENT COST**. Once the Premise Improvement Allowance has been completely amortized over the Lease Term or any Extended Term as indicated in **EXHIBIT C**, LESSEE's obligation to pay such additional Allowance shall terminate.

LESSOR agrees to perform all emergency repairs involving the Premises and the Common Areas with the utmost urgency. claims and demands whether for injuries to persons or loss of life, or damage to property, caused by acts or omissions of the LESSOR.

LESSEE shall maintain public liability and property damage coverage or program of self-insurance with liability limits of not less than \$1,000,000 for injury or death to one (1) or more persons and property damage limits of not less than \$50,000 per occurrence insuring against all liability of LESSEE and its authorized representatives arising out of and in connection with LESSEE'S use or occupancy of the Premises.

LESSOR, during the term hereof, shall indemnify, defend and hold harmless the LESSEE from and against any and all claims and demands whether for injuries to persons or loss of life, or damage to property, to the extent arising out of acts or omissions of the LESSOR, excepting however, such claims and demands whether for injuries to persons or loss of life, or damage to property, to the extent caused by acts or omissions of the LESSEE.

LESSOR agrees that it will keep insured against loss or damage by fire, at full replacement value, the Building, which insurance shall be, at a minimum, comparable to the coverage and amounts of insurance that are carried by reasonably prudent landlords of comparable buildings in the City of Salinas.

ARTICLE 20 – CONFIDENTIALITY OF LESSEE'S SERVICES/CLIENTS

LESSOR recognizes and understands that LESSEE'S services, identity of clients, and records relate to a confidential relationship between the LESSEE and its clients, and LESSOR agrees that, in its interaction with LESSEE, its clients and records, whether through itself, its employees, or its agents, it will maintain such confidences as might become available to it and not release or divulge such confidential identities, information, or records; provided that all such confidential items are maintained in a locked environment and that any confidential items are shredded prior to disposing of them in trash receptacles. **LESSOR and LESSEE shall consider the entire Premises a locked environment.** LESSOR and its agents shall exercise all possible care to preserve and maintain the confidentiality of any records and information, consistent with state and federal privacy laws relating to private and medical information. This includes protection of the identity of patients, clients, and users of the Premises.

ARTICLE 21 - DESTRUCTION

If the Premises are totally destroyed by fire or other casualty, either party may terminate this Lease immediately by giving notice to the other party.

If such casualty shall render ten percent (10%) or less of the rentable area of the Premises unusable for the purpose intended, LESSOR shall effect restoration of the Premises as quickly as is reasonably possible, but in any event restoration shall begin within thirty (30) days after such destruction.

If such casualty shall render more than ten percent (10%) of such floor space unusable but not constitute total destruction, LESSOR shall forthwith give notice to LESSEE of the specific number of days required to repair the same. If LESSOR under such circumstances shall not give such notice within fifteen (15) calendar days after such destruction, or if such notice shall specify that such repairs will require more than ninety (90) days to complete from the date such notice is given, LESSEE, in either such event, at its option, may terminate this Lease.

In the event of any such destruction other than total, where LESSEE has not terminated the Lease as herein provided, LESSOR shall diligently prosecute the repair of the Premises and, in any event, if said repairs are not completed within thirty (30) calendar days from the work commencement date, for destruction aggregating ten percent (10%) or less of the floor space, or within the thirty (30) calendar day period

specified herein in connection with partial destruction aggregating more than ten percent (10%), LESSEE shall have the option to terminate this Lease. LESSEE shall assist LESSOR with obtaining all applicable building permits if necessary.

LESSOR and LESSEE understand that, in normal circumstances, work cannot commence before a building permit is obtained. Time deadlines set forth herein shall not commence before required permits are issued. LESSOR warrants to diligently pursue issuance of said permits.

If LESSEE remains in occupancy of the Premises though partially destroyed, the rent for said Premises as herein provided, during restoration, shall be reduced by the same ratio as the rentable square feet LESSEE is thus precluded from occupying, bears to the total rentable square feet in the Premises. For purposes of this ARTICLE 21, "rentable square feet" shall mean actual inside dimensions and shall not include public areas.

ARTICLE 22 - DEFAULT BY LESSEE

22.1 Default: If any of the following events occur, each such event shall constitute a material breach of this Lease, and LESSOR may, at LESSOR'S option, exercise any or all rights available to a LESSOR under the laws of the State of California:

- a. A default in the payment of rent or other obligation when such default continues for a period of thirty (30) days after written notice from LESSOR to LESSEE of such default, or
- b. LESSEE fails to faithfully perform or observe any other covenant or undertaking required under this Lease and such failure continues for a period of thirty (30) days after written notice thereof from LESSOR to LESSEE of such default or, if such default is not reasonably curable within such thirty (30) day period, LESSEE fails to commence to cure such default within such thirty (30) day period and thereafter diligently pursues such cure to completion, or
- c. LESSEE is adjudicated bankrupt, or
- d. LESSEE'S lease interest is sold under execution of judgment.

22.2 Remedies: If LESSEE fails to cure a default within the time frames outlined above, LESSOR shall have the option to cure the default, if curable, or to terminate this Lease, in addition to any other remedies at law not inconsistent herewith. Should LESSOR elect to cure the default, all reasonable costs associated with such cure, including reasonable attorneys' fees incurred and awarded as a result of any legal action or proceeding brought to enforce or interpret this Lease Agreement (if any), shall be reimbursed by LESSEE to LESSOR, as additional rent, within thirty (30) days of the County Auditor-Controller's receipt of LESSOR'S County approved invoice for said costs which shall be accompanied by County approved invoices and receipts to document LESSOR'S cost to cure said default, and by any Court Order awarding reasonable attorney's fees incurred to cure said default.

ARTICLE 23 - DEFAULT BY LESSOR

23.1 Default: LESSOR shall not be in default unless LESSOR fails to perform its obligations under this Lease within a reasonable time, but in no event later than thirty (30) days after written notice by LESSEE to LESSOR specifying wherein LESSOR has failed to perform such obligations. If the nature of LESSOR'S obligation is such that more than thirty (30) days are required for performance, then LESSOR shall not be in default if LESSOR commences performance within such thirty (30) day period and thereafter diligently prosecutes the same to completion. LESSEE'S obligation to provide written notice to LESSOR of a default by LESSOR is limited to those instances where knowledge of LESSOR'S default is within the actual knowledge of LESSEE.

23.2 Remedies: If LESSOR fails to cure a prospective default within the time periods outlined above, LESSEE shall have the option to cure the default or to terminate this Lease, in addition to any other remedies at law not inconsistent herewith. Should LESSEE elect to cure the default, all reasonable costs associated with such cure, including reasonable attorneys' fees incurred and awarded as a result of any legal action or proceeding brought to enforce or interpret this Lease Agreement (if any), shall be reimbursed by LESSOR to LESSEE within thirty (30) days of receipt of LESSEE'S invoice for said costs which shall be accompanied by invoice and receipts to document LESSEE'S cost to cure said default, and by any Court Order awarding reasonable attorney's fees incurred to cure said default. However, upon LESSOR'S failure to so reimburse LESSEE within thirty (30) days of receipt of LESSEE'S invoice for said costs, at LESSEE'S option, said costs shall be deducted from rent due hereunder. If LESSOR'S default hereunder prevents LESSEE'S use of the Premises, there shall be an abatement of rental payments for the period of such non-use.

ARTICLE 24 - CONDEMNATION

If more than ten percent (10%) of the floor space area of the Premises is taken or condemned for a public or quasi-public use, or the part taken renders the entire Premises insufficient for the conduct of LESSEE'S business and operations, then this Lease shall terminate at the option of LESSEE as of the date title shall vest in the condemner. If only part of the Premises is taken and the remainder of the Premises is sufficient for the conduct of LESSEE'S business and operations, then LESSOR shall restore the Premises to a single architectural unit and the Lease shall continue as to the part not taken, but the monthly rent shall be reduced in proportion that the rentable area of the Premises taken bears to the rentable area of the Premises before the taking.

ARTICLE 25 - HOLDING OVER

If LESSEE remains in possession of the Premises after the Lease Term or any Extended Term, this Lease shall automatically be extended on a two month-to-two month basis at the monthly rent applicable to the last month of the Lease Term or Extended Term, subject to termination upon sixty (60) days' written notice by either party. All other terms and conditions shall remain in full force and effect.

ARTICLE 26 - WAIVER

Any waiver of any term or condition of this Lease must be in writing and signed by LESSEE and LESSOR. The waiver by LESSOR or LESSEE of any term, covenant or condition herein contained shall not be deemed to be a waiver of any other term, covenant or condition, nor shall either party consent to any breach of any term, covenant or condition, nor shall either party be deemed to constitute or imply its consent to any subsequent breach of the same or other term, covenant or condition herein contained.

ARTICLE 27 - QUIET POSSESSION

LESSEE shall at all times during the term of this Lease peaceably and quietly have, hold and enjoy the Premises, without suit, trouble or hindrance from LESSOR or any person claiming under LESSOR, subject to the terms of this Lease. LESSOR, to the best of LESSOR'S ability, shall also be responsible for ensuring that all other tenants in the building or complex do not interfere with the quiet enjoyment of the LESSEE.

ARTICLE 28 - SUBORDINATION

This Lease shall be subject and subordinated to the lien of any mortgages and deeds of trust which are hereafter placed against the LESSOR'S interest or estate in the property provided that the mortgage or

beneficiary under such mortgage or deed of trust shall agree in writing that, in the event of a foreclosure of same or of any other such action or proceeding for the enforcement thereof, or of any sale thereunder, this Lease shall not be barred, terminated, cut off, or foreclosed, nor will the rights and possession of LESSEE hereunder be disturbed if LESSEE shall not then be in default under the terms of this Lease, and LESSEE shall attorn to the purchaser at such foreclosure, sale or other action or proceeding. The foregoing subordination shall be effective without the necessity of having any further instruments executed by LESSEE, but LESSEE shall nonetheless execute, upon demand, such further instruments evidencing such subordination as may be reasonably requested by LESSOR or any mortgagee or beneficiary.

ARTICLE 29 - ESTOPPEL CERTIFICATE

Within thirty (30) days of written notice by one party to the other, each will execute, acknowledge and deliver to the other an estoppel certificate in writing declaring any modifications, defaults or advance payments and whether the lease, as may be modified, is in full force and effect. Any such certificate may be conclusively relied upon for the intended transaction for which the statement was requested.

30.8 **Headings:** The headings in this lease are for convenience only and shall not be used to interpret the terms of this Lease.

30.9 **Governing Law:** This Lease shall be governed by and interpreted under the laws of the State of California.

30.10 **Construction of Lease:** LESSEE and LESSOR agree that each party has fully participated in the review and revision of this Lease and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this lease or any amendment to this Lease.

30.12 **Integration:** This Lease, including the exhibits and addenda, represents the entire agreement between LESSEE and LESSOR with respect to the subject matter of this Lease and shall supersede all prior negotiations, representations or agreements, either written or oral, between LESSEE and LESSOR as of the effective date of this Lease, which is the date that LESSEE signs this Lease.

30.13 **Incorporation of Recitals:** The parties understand and agree that the preamble and recitals above are hereby incorporated into this Lease.

ARTICLE 31 - MAJOR APPLIANCES

Installation of major appliances such as vending machines, refrigerators, stoves, etc., must be approved by LESSOR prior to installation. The LESSOR will grant installation approval for new appliances only. Such approval shall not be unreasonably withheld.

ARTICLE 32 – PROPERTY TAX EXEMPTION

LESSOR, at no cost to the LESSOR, will cooperate with LESSEE and do all acts reasonably necessary and appropriate to secure and maintain tax exemption of the Premises pursuant to ARTICLE XIII, Section 3 of the California Constitution. LESSOR will apply the amount of any reduction of tax resulting from such exemption either in the form of a cash payment or of rental credit to LESSEE as soon as possible after LESSOR receives the benefit of tax exemption.

If such tax exemption of the Premises is granted for a fiscal year which is, in whole or in part, after the date of expiration or earlier termination date of this Lease, then, with respect to that portion of such fiscal year which is after the expiration of the term of this Lease, LESSOR will pay LESSEE the amount of such reduction of tax in cash, in accordance with directions from the Monterey County Assessor's Office.

ARTICLE 33 - PUBLIC TRANSPORTATION

LESSOR and LESSEE shall cooperate to make public transportation (bus service) available to the site in which the Premises are a part of. For purposes herein, an item shall be considered a long lead item if LESSOR notifies LESSEE within fifteen (15) business days after receipt of LESSEE'S approval of the Plans and Specifications that such item is not readily available or readily installable after the same is requested by LESSEE.
3. 6. Acceptance of Premises:
- a. At any time during the construction of the Premise Improvements, LESSEE may reject any work that does not conform to the Plans and Specifications or does not meet good and workmanlike standards as reasonably interpreted by and at the sole discretion of the LESSEE.
 - b. Within five (5) business days after LESSOR delivers to LESSEE a list of work items remaining to be done or corrected and notifies LESSEE that the Premise Improvements are ready for inspection by LESSEE'S representative, LESSEE shall deliver to LESSOR a list of items that LESSEE shall have reasonably determined that LESSOR must complete or correct prior to LESSEE'S acceptance of possession in order for the work to conform to the Plans and Specifications. LESSOR shall immediately commence to complete or correct the items listed by LESSEE, except those it contends are not justified. If LESSEE fails to deliver such a list within the five (5) business day period, LESSEE shall be deemed

to have accepted the Premises subject to completion of the corrections on LESSOR'S list of corrections and to have approved the construction.

PROPOSITION 65 WARNING

CALIFORNIA PROPOSITION 65 WARNING. This warning is provided in compliance with the requirements of California's Proposition 65, due to exposure to formaldehyde and other chemicals known to the State to cause cancer and birth defects or other reproductive harm, from exposures to materials used in and around the construction site of [REDACTED].

"WARNING: MATERIALS INCLUDED IN THE CONSTRUCTION OF THE PREMISES AND PROPERTY WILL EXPOSE YOU TO FORMALDEHYDE AND OTHER CHEMICALS KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER AND BIRTH DEFECTS OR OTHER REPRODUCTIVE HARM. FURTHER INFORMATION MAY BE OBTAINED FROM THE MANAGER/OWNER."

This warning is provided to inform tenants of the exposure to formaldehyde and other chemicals known to the State to cause cancer and birth defects or other reproductive harm. The exposures are caused by the materials of which the office buildings on this site are constructed. **Environmental exposures to chemicals known to the State of California to cause cancer and birth defects or other reproductive harm will continue for as long as [REDACTED] engages in ongoing construction on and around the surrounding property.**

Formaldehyde. The United States Environmental Protection Agency, the California Air Resources Board, and other agencies have measured the presence of formaldehyde in the indoor air of homes in California. Levels of formaldehyde that present a significant cancer risk have been measured in most homes and offices. Formaldehyde is present in the air because it is emitted by a variety of building materials and products purchased by the builder from materials suppliers. These materials and products include carpeting, pressed wood products, insulation, plastics, and glues.

Other Chemicals. The Premises and/or ongoing construction sites in this development have not been tested. Given the cost of testing, it is not feasible to test every rental property and nearby construction site to ascertain the level of formaldehyde or other carcinogens and reproductive toxicants present in the rental property or ongoing construction sites nearby. Most homes, offices and construction sites that have been tested elsewhere do contain formaldehyde as well as other carcinogens and reproductive toxicants, although their concentrations vary from property to property with no obvious explanations for the differences. One of the problems is that many of the suppliers of building materials and products do not provide information on chemical ingredients to their builders. In the absence of specific information on these leased premises, and in light of the materials used in and around their construction, we believe that a warning is necessary.

Please provide this warning to invitees and guests entering this leased property. You may have further questions about these issues. [REDACTED], has made no inquiries of our material suppliers concerning these matters. [REDACTED] is willing to provide, upon request, the names of known material suppliers, which may be contacted for further information.
