If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Accela will: (i) make the Subscription Services available to County pursuant to this Agreement and any applicable Order Forms; (ii) provide to County support related to the Subscription Service in accordance with the Accela Support Terms accessible at <https://accela.box.com/SaaSsupportPolicy> attached as Exhibit C and incorporated as part of this Agreement, which may be updated from time to time by Accela upon prior written notice to County, any such changes shall not materially diminish or denigrate the Service; and (iii) provide the Subscription Service only in accordance with applicable laws and government regulations.

2.5. County's Responsibilities. County will (i) be responsible for meeting Accela's applicable minimum system requirements for use of the Subscription Service; (ii) be responsible for Authorized Users' compliance with this Agreement and for any other activity (whether or not authorized by County) occurring under County's account, (iii) be solely responsible for the accuracy, quality, integrity and legality of County Data, (iv) use commercially reasonable efforts to prevent unauthorized access to or use of the Subscription Service under its account, and notify Accela promptly of any such unauthorized access or use, and (v) use the Subscription Service only in accordance with the applicable documentation, laws and government regulations, and any written instructions provided by Accela to County.

3. PAYMENT TERMS.

3.1. Invoicing and Payment. Accela will invoice County in advance for the Subscription Service. Subscription Service fees are due upon invoice and payable within thirty (30) days of the receipt of the invoice by the Monterey County Auditor-Controller's Office. Subscription Service fees will be due no later than the first day of each Subscription Period to which the payment relates. If County orders additional Authorized User quantities part-way through an existing Subscription Period, and the initial Subscription Period for the additional quantity is adjusted as described herein, then the Subscription Service fee for such additional quantity will be pro-rated accordingly. Optional Subscription Services will be due at the same time as payment for the corresponding Subscription Service, or (if applicable) as otherwise specified in the applicable Order Form or governing terms. Subscription Service fees will be subject to an automatic

annual increase by not more than seven percent (7%) of the prior year's Subscription Service fees ("Uplift"). County is responsible for keeping Accela accurately and fully informed of County's billing and contact information, including providing any purchase order numbers in advance of invoice issuance. Upon execution by County and Accela, each Order Form and/or SOW is non-cancellable and non-refundable except as provided in this Agreement.

3.2. Overdue Charges. If any fees owed are not received from County by the due date, then without limiting Accela's rights or remedies, those charges will accrue late interest at the rate of one and a half percent (1.5%) of the outstanding balance per month, or the maximum rate permitted by law, whichever is lower.

3.3. No Requirement for Purchase Order. County acknowledges that a purchase order is not required and is for administrative convenience only, and that Accela has the right to issue an invoice and collect payment without a corresponding purchase order with a written request and approval by County for professional services and technical support not covered under the recurring software license subscription costs. Provided, however, that if a County's procurement procedure requires a purchase order number on a pertinent Order or SOW, the purchase order is required to be provided to Accela. If the County issues a purchase order, then it shall be for the full amount set forth in the applicable Order or SOW, and Accela hereby rejects any additional or conflicting terms appearing in a purchase order or any other ordering materials submitted by County.

3.4. Suspension of Service and Acceleration. Excepting in the event of a good faith dispute between the Parties, if any amount owing by County under this Agreement for any of the Subscription Services is thirty (30) or more days overdue, Accela may, without limiting Accela's other rights and remedies, accelerate County's unpaid fee obligations under this Agreement (including any Order Form or SOW) so that all such obligations become immediately due and payable and suspend any use of the Subscription Service until such amounts are paid in full. Moreover, if any amount owing by County under this Agreement for any Subscription Services is ninety (90) days delinquent, Accela may, in its sole discretion, temporarily cease providing County Subscription Services and/or any pertinent support until past due amounts are paid in full.

3.5. Taxes. Subscription Service fees do not include any taxes, levies, duties or similar governmental assessments of any nature, including but not limited to value-added, sales, use or withholding taxes, assessable by any local, state, provincial, federal or foreign jurisdiction (collectively, "**Taxes**"). County is responsible for paying all Taxes. If Accela has the legal obligation to pay or collect Taxes for which County is responsible under this paragraph, the appropriate amount will be invoiced to and paid by County, unless County provides Accela with a valid tax exemption certificate authorized by the appropriate taxing authority prior to invoice issuance. For clarity, Accela is solely responsible for taxes assessable against it based on Accela's income, property and employees.

(i) the Receiving Party will use the same degree of care that it uses to protect the confidentiality of its own confidential information of like kind (but in no event less than reasonable care) not to disclose or use any Confidential Information of the Disclosing Party for any purpose outside the scope of this Agreement, and (ii) the Receiving Party will limit access to Confidential Information of the Disclosing Party to those of its employees, contractors and agents who need such access for purposes consistent with this Agreement and who are legally bound to protect such Confidential Information consistent with this Agreement. Notwithstanding any of the above to the contrary, the Parties acknowledge that County is a California Public Agency subject to the Brown Act, California Government Code sections 54950 et seq., and Public Records Act, California Government Code section 6250 et seq., and that this Agreement and any future amendments hereto will be presented to the Monterey County Board of Supervisors at an open and public meeting for approval, and will be available to the public for viewing and/or download on County's website and otherwise considered a public record pursuant to California Government Code sections 6250 et seq. and 54957.5. Within the time period provided by law for responding to the request or discovery, Accela shall inform County whether the requested documents, information, or materials constitute trade secrets (as defined under California law) or is otherwise legally exempt from disclosure ("Accela Protected Information"). Accela shall indemnify, defend, and hold County harmless and, at County's request, Accela shall provide counsel to appear and represent County at Accela's sole cost and expense, in connection with any action or proceeding to compel inspection, access, disclosure, release, or other discovery of Accela Protected Information. Counsel for County in any such defense action or proceeding shall be selected by Accela, subject to the approval of County, which approval shall not be unreasonably conditioned or withheld. Accela's obligation to provide such defense includes the obligation to indemnify and hold harmless County, its officers, agents, and employees from and against any and all claims, costs, damages, judgments, awards (including any award of costs or attorney's fees), administrative orders, or payments in compromise and settlement, and including all direct and administrative costs, with respect to any such action or proceeding.

In the case of a suspension or termination pursuant to this Section 7.3, Accela will refund to County a portion of fees prepaid by County for the then-current Subscription period, prorated (based on a 365 day year) to the portion of that Subscription period that is affected by the suspension or termination).

NEITHER PARTY'S AGGREGATE LIABILITY FOR DAMAGES ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR FROM THE USE OF OR INABILITY TO USE THE SERVICE, WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY, EXCEED THE TOTAL AMOUNT PAID BY COUNTY HEREUNDER IN THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE INCIDENT. EXHIBIT E - AVAILABILITY AND SECURITY

Service Availability:

Accela will use commercially reasonable efforts to (a) provide bandwidth sufficient for County's use of the Subscription Services provided hereunder and in an applicable Order Form and (b) operate and manage the Subscription Services with a ninety-nine and one-half percent (99.5%) uptime goal (the "Availability SLA"), excluding situations identified as "Excluded" below.

"Excluded" means any outage that results from any of the following:

- a. Any maintenance performed by Accela during Accela's standard maintenance windows. Accela will notify County within forty-eight (48) hours of any standard maintenance and within twenty-four (24) hours for other non-standard emergency maintenance (collectively referred to herein as "Scheduled Maintenance").
- b. County's information content or application programming, or the acts or omissions of County or its agents, including, without limitation, the following:
 1. County's use of any programs not supplied by Accela;
 2. County's failure to provide Accela with reasonable advance prior notice of any pending unusual large deployments of new nodes (i.e., adding over ten (10) percent total nodes in less than twenty-four (24) hours);
 3. County's implementation of any significant configuration changes, including changes that lead to a greater than thirty percent (30%) change in a one week period or greater than fifty percent (50%) change in a one month period in the number of key objects in the system including but not limited to metrics, snapshots, nodes, events and business transactions; and
 4. Any mis-configuration by County (as determined in Accela's sole discretion), including, without limitation, configuration errors and bad or unintended usage of the Subscription Services.
 5. Force majeure or other circumstances beyond Accela's reasonable control that could not be avoided by its exercise of due care.
- c. Failures of the Internet backbone itself and the network by which County connects to the Internet backbone or any other network unavailability.
- d. Any window of time when County agrees that Subscription Services availability/unavailability will not be monitored or counted.
- e. Any problems resulting from County combining or merging the Subscription Services with any hardware or software not supplied by Accela or not identified by Accela in the Specifications as being compatible with the Subscription Services.
- f. Interruptions or delays in providing the Subscription Services resulting from telecommunication Internet service provider failures. County's or any third party's use of the Subscription Services in an unauthorized or unlawful manner.

Remedies for Excessive Downtime:

In the event the Availability of the Subscription Services falls below the Availability SLA in a given calendar month,

Accela will pay County a service credit ("Service Credit") equal to the percentage of the fees set forth in the table below corresponding to the actual Availability of the Subscription Services during the applicable calendar month. Such Service Credit will be issued as a credit against any fees owed by County for the next calendar month of the Subscription Period or, if County does not owe any additional fees, then Accela will pay County the amount of the applicable Service Credit within thirty (30) days after the end of the calendar month in which such credit accrued. Such Service Credit will be in addition to any other remedies available to County at law, in equity or under this Agreement.

System availability is measured by the following formula: $x = (n - y) * 100 / n$ Notes:

(1) "x" is the uptime percentage; "n" is the total number of hours in the given calendar month minus scheduled downtime; and "y" is the total number of downtime hours in the given calendar month.

(2) Specifically excluded from "n and "y" in this calculation are the exception times on scheduled upgrade and maintenance windows.

Service Availability	Percentage of Monthly Service Fees Credited
>99.5%	0%
95.0% - < 99.5%	5% (max of \$280)
90.0% - < 95.0%	10% (max of \$560)
80.0% - < 90.0%	20% (max \$840)
70.0% - < 80.0%	30% (max of \$1,120)
60.0% - < 70.0%	40% (max of \$1,400)
< 50%	50% (max of \$2,800)

County Account Login:

For Accela user interface access, Accela uses TLS 1.2 with AES 256 bit or similar encryption for protection of data in transit, which is supported by most modern browsers. Accela will also restrict applicable administrative user interface access to County corporate networks for additional security on written request by County.

Hosting:

Accela's SaaS platform (servers, infrastructure and storage) for the Subscription Services is and will remain hosted in one of the largest Tier III data centers in North America, specifically designed and constructed to deliver world-class physical security, power availability, infrastructure flexibility and growth capacity. Accela's data center provider is and will remain SSAE 16/ 18 SOC2 compliant, meaning it has been fully independently audited to verify the validity and functionality of its control activities and processes. Every Server for the Services is and will remain operated in a fully redundant fail-over pair to ensure high availability. Data is and will remain backed up nightly, stored redundantly and will be restored rapidly in case of failure. Accela also provides an off-site backup service, which is available at an additional cost. Security Patching and updates are actively evaluated by engineers and will be deployed based upon the security risks and stability benefits they offer to Accela's SaaS platform and County. Accela will attempt to provide County reasonable prior notice to security changes, updates and patches, unless the delay will lead to a significant risk of impact to County data.
