SUMMARY/DISCUSSION:

Monterey Bay Community Power (MBCP) is the default electric generation service provider for the unincorporated areas of Monterey, San Benito and Santa Cruz Counties and all cities within, except Del Rey Oaks and King City. Accounts within MBCP's service area are automatically enrolled unless the account holder chooses to opt-out and remain with Pacific Gas & Electric.

This information was brought before the Personnel/Administration Committee on March 9, 2018 and again on April 6, 2018 to provide the Committee with a better understanding of the Program. The Committee recommended that the Agency not opt out but remain in the Program.
