Dear Ms. Lopez:

This letter is to confirm the interest of County of Monterey, on behalf of Natividad Medical Center, a local governmental entity, federal I.D. Number 94-6000524, in working with the Department of Health Care Services (DHCS) to provide an Intergovernmental Transfer (IGT) to support the nonfederal share of risk-based payments involving Medi-Cal managed care health plans, pursuant to Welfare and Institutions Code section 14199.2 and 14301.5. This letter states our interest in helping to preserve and strengthen the availability and quality of services for Medi-Cal beneficiaries in our jurisdiction. The local governmental entity funds are being provided voluntarily, and the State of California is in no way requiring the local government entity to provide any funding.

We would like to provide an IGT for the rate period of July 1, 2016, through June 30, 2017. We acknowledge that the Medi-Cal managed care health plans must agree with this proposal. We will be seeking approval for IGT contributions of up to \$552,441 pursuant to Welfare and Institutions Code Section 14199.2.

We have listed the individual from our organization who will serve as the point of communication between our organization, Medi-Cal managed care plans and DHCS on this issue as follows:

Daniel Leon, Chief Financial Officer, Natividad Medical Center, 1441 Constitution Blvd. Salinas, CA 93906, 831-783-2561, [leond@natividad.com](mailto:leond@natividad.com)

I certify that I am authorized to sign this certification on behalf of the local governmental entity listed below and that the statements in this letter are true and correct.

Sincerely,
