AGREEMENT

Division 00500

THIS AGREEMENT is made by and between COUNTY OF MONTEREY, a political subdivision of the State of California, hereinafter called "COUNTY," and Granite Rock Company, hereinafter called "CONTRACTOR." For reference purposes, the date of this Agreement is the last date opposite the respective signatures below.

COUNTY and CONTRACTOR hereby agree as follows:

ARTICLE 1. SCOPE OF WORK

This Job Order Contract (JOC) is an indefinite quantity contract pursuant to which CONTRACTOR will perform a variety of Job Orders, consisting of specific construction tasks. The scope of this JOC is for general construction, repair, remodel and other repetitive related Work. COUNTY has published a Construction Task Catalog® (CTC) containing a series of construction tasks with preset Unit Prices. The CTC was developed using experienced labor and high quality materials. All Unit Prices are based on local labor, material and equipment prices including the current prevailing wages. CONTRACTOR will bid Adjustment Factors to be applied to the Unit Prices. The price of an individual Job Order will be determined by multiplying the preset Unit Prices and the appropriate quantities by the appropriate Adjustment Factor.

The scope of work for this Contract will be determined by the Detailed Scopes of Work issued in connection with individual Job Orders. The Scope of Work (SOW), for each Job Order will be explained to CONTRACTOR at a Joint Scope Meeting. COUNTY will provide a Request for Job Order Proposal and Detailed SOW to CONTRACTOR. CONTRACTOR will be required to review the Detailed SOW and develop a Price Proposal using appropriate tasks, quantities and the applicable Adjustment Factor. COUNTY will review CONTRACTOR's Proposal in detail and if found to be reasonable and acceptable, a Job Order may be issued. The agreed upon price will be fixed price for the performance of the Detailed SOW.

CONTRACTOR shall, within the time stipulated, perform the Contract **checked below** as herein defined and shall furnish all Work, labor, equipment, transportation, material, and services to construct and complete in a good, expeditious, workmanlike, and substantial manner, the project:

- PROJECT NO. JOC, BID NO. ROADS & BRIDGES 2020-01**
- PROJECT NO. JOC, BID NO. ROADS & BRIDGES 2020-02**
- PROJECT NO. JOC, BID NO. ROADS & BRIDGES 2020-03**

ARTICLE 2. TIME FOR START AND COMPLETION

Contract Time commences upon the written execution of the Contract by COUNTY and shall end either one year from the date signed by COUNTY or upon the payment by COUNTY to CONTRACTOR of the maximum amount payable under this Agreement, whichever occurs earlier. COUNTY will not issue any new Job Orders after the expiration of this Agreement. Any Job Order authorized prior to the expiration of the Agreement must be completed within the

time specified in the Job Order. In the event the scheduled completion for any Job Order extends beyond the term of this Agreement, CONTRACTOR and COUNTY agree that the terms of this Agreement shall continue in effect and be applicable for such Job Orders. A separate Job Order Notice to Proceed (NTP) will be issued for each Job Order. Each Job Order will specify a time limit for completion as stated on the Job Order NTP.

ARTICLE 3. ADJUSTMENT FACTORS

CONTRACTOR shall perform all Work required, necessary, proper for, or incidental to completing the Detailed SOW called for in each individual Job Order issued pursuant to this Contract for the Unit Prices set forth in the CTC. COUNTY shall pay CONTRACTOR the Job Order Price for completion of Work in accordance with Contract Documents and the Detailed SOW described in each Job Order multiplied by the following Adjustment Factors:

ADJUSTMENT FACTORS

The Minimum Contract Value is \$25,000. CONTRACTOR will receive Job Orders totaling at least \$25,000 during the Contract term. The Maximum Contract Value is \$5,098,418 for the **JOC ROADS & BRIDGES** 2020-01 or 2020-02 or 2020-03. COUNTY does not guarantee CONTRACTOR will receive this volume of Work. COUNTY may award contracts or issue Job Orders to other contractors for the same or similar Work during the term of this Agreement. In no event will CONTRACTOR be issued Job Orders which, in total, exceed the Maximum Contract Value. At no time may the sum of the outstanding Job Orders exceed the amount of the Payment Bond and Performance Bond. A Job Order is outstanding until COUNTY has accepted the Work described in the Job Order by recordation of a Notice of Completion. CONTRACTOR will not be issued Job Orders which in total exceed the Maximum Contract Value.

COUNTY and CONTRACTOR recognize that time is of the essence of this Agreement and that COUNTY will suffer financial loss, if all or any part of the Work is not completed within the time specified in the Job Order, plus any extensions thereof. Accordingly, COUNTY and CONTRACTOR agree that liquidated damages for delay will be established by COUNTY for each Job Order. CONTRACTOR shall pay COUNTY the dollar amount stipulated in the Job

Order for each day that expires after the time specified therein for CONTRACTOR to achieve Completion.

These measures of liquidated damages shall apply cumulatively and except as provided below, shall be presumed to be the damages suffered by COUNTY resulting from delay in completion of the Work.

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Any person or organization that you are required by written contract to include as an additional insured on this policy if the contract is executed prior to the loss.

- A. Who is an Insured (Section II) is amended to include as an insured any person or organization shown in the above SCHEDULE (called additional insured), but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of your premises or your operations for the additional insured, and only to the extent and for the minimum limits required in the written contract.
- B. The insurance provided to the additional insured is subject to the following limitations:
1. Unless required by written contract, this insurance does not apply to "bodily injury" or "property damage" occurring after "your work" for the additional insured has been completed or after that portion of "your work" out of which the "bodily injury" or "property damage" arises has been put to its intended use by any person or organization, whichever occurs first.
 2. Unless specifically required by written contract, this insurance does not apply to "bodily injury" or "property damage" arising out of the sole negligence, act or omission of the additional insured.
 3. This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" for which the additional insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement except to the extent that the additional insured would have been obligated to pay such damages in the absence of the contract or agreement.
 4. This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering or failure to render any professional services by any insured or on any insured's behalf, including:
 - a) The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders, drawings or specifications; and
 - b) Supervisory, inspection, architectural or engineering services.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of, or the failure to render, any professional architectural, engineering or surveying services.
 5. This endorsement shall not apply to a person or organization if any other additional insured endorsement attached to this policy specifically applies to that person or organization.
 6. The insurance afforded herein only applies to the extent permitted by applicable state law, including statutes governing additional insured coverage in the construction industry.
 7. The insurance afforded to the additional insured shall not exceed the minimum limits required in the written contract.
- C. In no event shall the insurance provided to the additional insured exceed the scope of coverage, including minimum limits, required by the contract. If a written contract or agreement requires that additional insured status be provided by the use of specified edition dates of the ISO CG2010 and/or CG2037, then the terms of that endorsement are incorporated into this endorsement as respects such additional insured and shall supersede the coverage grant and limitations in Sections A. and B. of this endorsement. In the event that CG2010 and/or CG2037 are required but no edition dates are specified, the 04/13 editions shall apply.
- D. This insurance is excess to any other insurance, whether primary, excess, contingent or on any other basis, available to the additional insured unless a written contract requires that this insurance be primary or primary and non-contributing. However, this insurance is always excess to other insurance, whether primary, excess, contingent or on any other basis, when the additional insured has been added to the other insurance as an additional insured.
