3RD AMENDMENT TO LEASE

This Agreement, made by and between CREEKBRIDGE OFFICE CENTER II, LLC, 1540 Constitution Blvd., Salinas CA 93905 (referred to herein as "LESSOR"), and COUNTY OF MONTEREY c/o Department of Public Works, Attn: Real Property, 855 E. Laurel Dr. Bldg C, Salinas CA 93905 (referred to herein as "LESSEE").

WITNESSETH

WHEREAS, LESSOR and LESSEE entered into that certain Lease Agreement dated July 31, 2007 (the "Lease"), whereby LESSOR leased to LESSEE and LESSEE leased from LESSOR approximately 12,463 rentable square feet and 10,593 usable square feet of office space in Suites 190, 230, and 250 at 1615 Bunker Hill Road, Salinas CA 93906 (the "Premises"). Thereafter, LESSOR and LESSEE amended the Lease pursuant to the terms of Amendment No. 1, dated July 31, 2007, whereby the Lease was amended to include Suite 140, which increased the Premises to 14,427 rentable square feet and 12,262 usable square feet, and increased the monthly rent to \$30,269.70. Thereafter, LESSOR and LESSEE amended the Lease pursuant to the terms of Second Amendment to Lease with an effective date of August 12, 2010, whereby LESSEE's Suite 230 was relocated (although the same Suite number was retained) and the Lease was amended to increase the size of the Premises to 14,667 rentable square feet and 12,466 usable square feet without any change in monthly rent. The Lease and amendments shall be collectively hereinafter referred to as the "Lease."

WHEREAS, LESSOR and LESSEE desire to amend the Lease to extend the term and adjust the rent;

NOW, THEREFORE, IT IS HEREBY AGREED AS FOLLOWS:

That the Lease is amended effective on February 19, 2013:

1. Extended Term

The term of the Lease shall be extended for an additional period of three (3) years and ten (10) days commencing on February 19, 2013 and expiring on February 29, 2016.

2. Rent

The monthly rent for the first year of the Extended Term is \$2 per rentable square foot for the partial month of February and the following 12 months. This rent is computed on 14,427 rentable square feet as the Second Amendment to the Lease provided that the additional 240 rentable square feet would be free rentable square footage for the initial and extended terms of the Lease. The rent schedule for the extended term(s) is as follows:

RENT SCHEDULE		
Period	Monthly Rent Computed on 14,427 S.F.* in Words	Monthly Rent in Numbers
February 19, 2013–February 28, 2013	Nine Thousand Six Hundred Eighteen Dollars	\$ 9,618.00
March 1, 2013–February 28, 2014	Twenty Eight Thousand Eight Hundred Fifty-Four Dollars	\$ 28,854.00
March 1, 2014–February 28, 2015	Twenty Nine Thousand Four Hundred Thirty-One and 08/100 Dollars	\$ 29,431.08
March 1, 2015 – February 29, 2016	Thirty Thousand Nineteen and 70/100 Dollars	\$ 30,019.70

The rent shall increase pursuant to the above rent schedule, which is reflective of a two percent (2%) annual "Cost of Living" increase, for this three- (3) year extension. The Annual Rent Adjustment of three percent (3%) referenced in Article 4 of the Lease shall not apply.

3. Tenant Improvements

LESSEE is to retain the space in its "as-is" condition. For purposes of Article 5 – *Termination by County* in the Lease, as of the Effective Date, the parties agree that the Premise Improvement costs have been fully amortized and there are no remaining unamortized Premise Improvement costs.

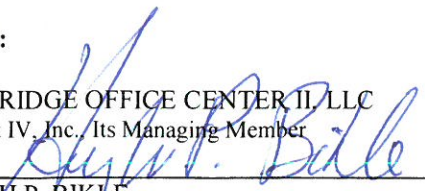

All other terms, covenants and conditions of the Lease shall remain in full force and effect. In the event of any conflicts between the terms and conditions of the Lease and the terms and conditions of this Agreement, the terms and conditions of this Agreement shall prevail.

IN WITNESS WHEREOF, LESSOR and LESSEE have caused this agreement to be executed as of the day and year first written above.

MEMORANDUM

**OFFICE OF THE COUNTY COUNSEL
COUNTY OF MONTEREY**

CONFIDENTIAL - ATTORNEY/CLIENT PRIVILEGED COMMUNICATION

DATE: August 6, 2010
TO: Michael Derr, County Purchasing Officer
FROM: Kay Reimann, Deputy County Counsel
SUBJECT: Second Amendment to Lease for 1615 Bunker Hill Road, Salinas

Attached please find three original versions of the Second Amendment to Lease for the County's Children's Medical Services program, located at 1615 Bunker Hill Road, in Salinas.

As we discussed, the Landlord is willing to waive seven months' of rent increase, otherwise payable under the existing Lease, and to provide 204 additional square feet of usable space at no cost, if the County agreed to relocate a portion of its leased premises. The Landlord is also paying for both tenant improvements and relocation costs for this change in premises.

Pursuant to the authority previously granted by the Board of Supervisors, the Purchasing Manager has the authority to enter into extensions of the Lease Agreement under the same terms and conditions, "if deemed by the Purchasing Manager to be in the best interest of the County." [Board Action dated August 1, 2007 for Agreement No. A-10986; Board Budget No. 07/08-027.] This is in addition to the authority granted the Purchasing Manager under the County Code.

As we also discussed, the terms proffered by the Landlord appear clearly to be in the best interests of the County. No additional funds are required (and in fact funds are being saved), and the amount of square footage available to the department is actually being increased.

Thank you for your prompt review and execution of this Second Amendment.

MONTEREY COUNTY BOARD OF SUPERVISORS

MEETING: November 6, 2007 - Consent

AGENDA NO.: 40

- SUBJECT:**
- a. Approve and authorize the Purchasing Manager to execute Amendment No. 1 to Lease Agreement A-10986 with Creekbridge Office Center II, LLC, at 1615 Bunker Hill Road, Salinas, California, to add a suite, thereby increasing the leased square footage from 12,463 to 14,427 for use by the Health Department's Community Health Division, Children's Medical Services Branch; and
 - b. Direct the Auditor-Controller to increase the lease payments from \$26,172 to \$30,297 per month and in accordance with the terms of the agreement.

DEPARTMENT: RMA - Public Works

RECOMMENDATIONS:

It is recommended that the Board of Supervisors:

- a. Approve and authorize the Purchasing Manager to execute Amendment No. 1 to Lease Agreement A-10986 with Creekbridge Office Center II, LLC, at 1615 Bunker Hill Road, Salinas, California, to add a suite, thereby increasing the leased square footage from 12,463 to 14,427 for use by the Health Department's Community Health Division, Children's Medical Services Branch; and
- b. Direct the Auditor-Controller to increase the lease payments from \$26,172 to \$30,297 per month and in accordance with the terms of the agreement.

SUMMARY:

Approval of Amendment No. 1 will provide the Health Department's Community Health Division, Children's Medical Services Branch (CMS), 1,964⁺ square feet of additional office space necessary to continue providing services to eligible clients. This additional space was not available at the time the Board approved the Lease Agreement on July 31, 2007. The additional square footage will increase the space per staff person ratio to a more appropriate level, provide for program growth, and meet client space requirements in compliance with the Health Insurance Portability and Accountability Act.

DISCUSSION:

On July 31, 2007, the Board authorized the Purchasing Manager to execute a five-year Lease Agreement with Creekbridge Office Center II, LLC, for approximately 12,463 square feet of rentable space at 1615 Bunker Hill Road, Salinas, California. Recently, an additional 1,964-square-foot office suite became available, which the CMS program wishes to lease. The additional space would provide:

- 281.25 square feet per person for the 45 current staff positions as recommended by the County's 2001 Space Plan, and includes additional space for future program growth.
- Space for security of patient medical records in accordance with HIPAA.
- Confidential client meeting and interview space in accordance with HIPAA.

Lease Amendment No. 1 increases the square footage from 12,463 square feet of rentable space to 14,427, and the rent proportionately. No other terms of the original Lease Agreement are changed. The lease term will commence on or around January 1, 2008, and expire on or around December 31, 2012. The Lease Agreement provides for two, three-year-extension options under the same terms and conditions and annual rental adjustments. Commencement rent is increased from \$26,172.30 to \$30,296.70 per month.

OTHER AGENCY INVOLVEMENT:

The Health Department concurs with Amendment No. 1 to the Lease Agreement and County Counsel has reviewed and approved it as to form.

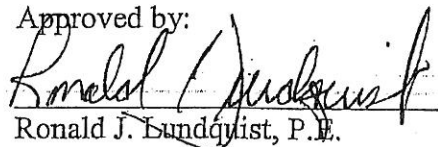

FINANCING:

There is no fiscal impact on the Net County Cost of the Health Department's Budget Unit 440 for Fiscal Year 2007-08. The additional leased space results in an increase in rent approximately \$4,124.40 per month. Sufficient funds are available in the Fiscal Year 2007-08 Health Department Budget Unit 440 to finance the increase. The lease is financed by the California Department of Health Care Services, Children's Medical Services Branch, and County Maintenance of Effort (MOE) funds. The County MOE for Fiscal Year 2007-08 is not increasing due to projected savings in Personnel. Ongoing occupation of these premises and future extensions of the Lease Agreement will be based on the continued availability of funds.

MEETING: July 31, 2007 - Consent	AGENDA NO.:
SUBJECT: a. Approve and authorize the Purchasing Manager to execute a five-year Lease Agreement, effective on or around January 1, 2008 with the Creekbridge Office Center II, LLC for approximately 12,463 square feet of rentable space located at 1615 Bunker Hill Road, Suites 190, 230, and 250, Salinas, for use by the Health Department's Community Health Division, Children's Medical Services Branch; b. Direct the Auditor-Controller to make lease payments in the amount of \$26,172 per month and in accordance with the terms of the agreement; and c. Authorize the extension of the Lease Agreement for an additional six years under the same terms and conditions if deemed by the Purchasing Manager to be in the best interest of the County.	
DEPARTMENT: RMA - Public Works	

RECOMMENDATIONS:

It is recommended that the Board of Supervisors:

- a. Approve and authorize the Purchasing Manager to execute a five-year Lease Agreement, effective on or around January 1, 2008 with the Creekbridge Office Center II, LLC for approximately 12,463 square feet of rentable space located at 1615 Bunker Hill Road, Suites 190, 230, and 250, Salinas, for use by the Health Department's Community Health Division, Children's Medical Services Branch;
- b. Direct the Auditor-Controller to make lease payments in the amount of \$26,172 per month and in accordance with the terms of the agreement; and
- c. Authorize the extension of the Lease Agreement for an additional six years under the same terms and conditions if deemed by the Purchasing Manager to be in the best interest of the County.

SUMMARY:

Approval of the Lease Agreement will provide the Health Department, Children's Medical Services Branch, with additional space necessary to continue providing services to those clients eligible for children's medical services. This Lease Agreement will provide Children's Medical Services with approximately 3,182 square feet of additional rental space for a total of 12,463 square feet of rentable space. The lease term will commence on or around January 1, 2008 and expire on or around December 31, 2012. Commencement rent will be \$26,172 per month compared to the current rent of approximately \$19,984 per month at Natividad Medical Center. The annualized increase in rent starting January 1, 2008 will be \$74,256. The increase in rent results from an increase in total square footage of space leased. The Lease Agreement provides for two, three-year extension options under the same terms and conditions including annual rental adjustments.

DISCUSSION:

Children's Medical Services (CMS) is a branch of the Health Department, Community Health Division. CMS has occupied approximately 9,281 square feet of space for the past 10 years at 1441 Constitution Avenue, Building 400, Salinas, on the Natividad Medical Center (NMC) campus. Due to incremental increases in staffing and program growth over the past 10 years, the current space has become inadequate.

Over the past five years, total budgeted FTEs increased from 44 to 64 positions. During this time, non-office space (e.g., space for office equipment, meetings, and storage) was utilized as office space to accommodate for the increase in staffing. Because of the recent CMS reorganization and projected increase in workload, staffing needs are expected to increase. There is no available space for expansion at the present location.

The new location is in close proximity to NMC, the Health Department Headquarters, and provides clients with public transportation access, ground level access, additional parking, and additional space to accommodate both clients and staff.

The property owner has agreed to perform extensive premise improvements, per approved plans and specifications, at a cost not to exceed \$566,444. Premise improvements will include costs associated with architectural, engineering, building permits, inspections and signage. A "Termination by County" clause (with reimbursement for up to \$283,222 in unamortized premise improvement costs) is incorporated in the Lease Agreement.

CMS's relocation will provide an additional benefit for the Health Department, Behavioral Health (BH) Division. The 9,281 square feet of space vacated by CMS is adjacent to 11,489 square feet currently occupied by BH. BH will immediately occupy the available space to help meet their current staffing needs. This move will be cost effective for both divisions of the Health Department.

OTHER AGENCY INVOLVEMENT:

The Health Department concurs with the Lease Agreement, and County Counsel has approved it as to form.

FINANCING:

There is no impact on the Health Department, Budget Unit 440, Net County Cost for Fiscal Year 2007-08. In Fiscal Year 2007-08, the additional 3,182 square feet that is leased results in an increase in rent of approximately \$40,000. Sufficient funds are available in the Health Department's Budget Unit 440, Fiscal Year 2007-08 Budget, to finance the increase for Fiscal Year 07-08. The lease will be financed by the California Department of Health Services, Children's Medical Services Branch, and current match. The ongoing occupation of these premises and future extensions of the Lease Agreement will be based on the continued availability of funding.

ARTICLE 2 - TERM

2.1 **Lease Term:** The term of this Lease (the "Lease Term") shall be **five (5) years**, commencing upon issuance of a certificate of occupancy from the City of Salinas and LESSEE'S final walk through and approval of all Premise Improvements, ("Lease Commencement Date") and ending five (5) years from Lease Commencement Date, with such rights of termination and extension of the Lease Term as are hereinafter set forth. Once LESSOR receives the Certificate of Occupancy, or Temporary Certificate of Occupancy, LESSOR shall notify LESSEE of receiving such certificate. LESSEE shall have three (3) business days in which to conduct a walk through of the Premises with LESSOR. LESSOR shall complete any punch list items that day and LESSEE'S Lease Term shall commence the following day. If LESSEE fails to complete the final walk through with LESSOR within the three (3) day period, the Premises shall be deemed approved by LESSEE and the Lease shall commence on the following day.

2.2 **Extended Term:** Upon completion of the initial Lease Term, the LESSOR and LESSEE, upon mutual written consent, may renew the Lease for one additional **three (3) year** term ("First Extended Term"), and upon the expiration of the First Extended Term, the LESSOR and LESSEE, upon mutual written consent, may renew the Lease for a second additional **three (3) year** term ("Second Extended Term"). LESSEE shall commence rental payments upon occupancy ("Lease Commencement Date"). If the Lease Commencement Date is other than the first day of a calendar month, then the rent for that month shall be prorated on a daily basis, based on a thirty (30) day month. Rent shall be payable to LESSOR at the address specified in Article 6 or at such other address as LESSOR may from time to time designate in writing. In addition, LESSEE shall contract and pay directly to its vendors for its responsibilities as outlined in Exhibits D and E. Monthly rent shall include LESSEE'S share of real estate taxes, assessments, Lessor's fire and liability insurance, and Monterey Regional Water Pollution Control Agency (MRWPCA) fee for the Premises.

ARTICLE 4 – ANNUAL RENT ADJUSTMENT

The base rent provided for in Article 3 above shall increase **three percent (3%) each year** on the anniversary date of the commencement of the term of the Lease stated in 2.1 above.

ARTICLE 5 - TERMINATION BY COUNTY

Notwithstanding any other provisions of this Lease, LESSEE, at its sole option, may terminate this Lease upon **one hundred twenty (120) days** written notice, solely on the condition that funds have not been budgeted for leasing of the property described herein. Such termination shall be without penalty to LESSEE other than as defined below. Such right of termination shall not be construed so as to permit LESSEE to terminate this Lease in order to lease other premises for a similar purpose in the City of Salinas. LESSEE represents that its intent is not to exercise its rights under this Article unless financial conditions prevent the Monterey County Board of Supervisors from budgeting funds for this Lease. If LESSEE

exercises its right to terminate under this Article, LESSEE shall reimburse LESSOR for **fifty percent (50%)** of the unamortized Premise Improvement costs (excluding costs for HVAC units and fire sprinkler systems) within **thirty (30) days** of LESSOR'S receipt of LESSEE'S written notice to terminate pursuant to this Article. Any of LESSOR'S work not conforming to the above standards shall be considered defective.

For one (1) year after the date of substantial completion of Premise Improvements, LESSOR shall, following written notice from LESSEE, make any repair, replacement, correction or other alteration of any nature necessary by virtue of any defective construction of the Premise Improvements or defective materials used therein.

If applicable, LESSOR shall comply with provisions of law governing public works including, without limitation, Labor Code sections 1773, 1773.2, 1773.3, 1773.8, 1775 (payment of prevailing wages), 1776 (payroll records), and 1777.5 (employment of apprentices), all as periodically amended.

ARTICLE 10 - TIME LIMIT AND PRIOR TENANCY

[INTENTIONALLY LEFT BLANK]

ARTICLE 11 - USE

11.1 Use: LESSEE shall use the Premises for **general office** space for medical billing and administrative offices for the Monterey County Health Department and for no other purpose without the prior written consent of LESSOR, which LESSOR may grant or deny in its sole and absolute discretion. "General office" excludes any medical treatment patient visitations or any other non-administrative use whatsoever.

11.2 **Compliance with Laws:** LESSOR represents and warrants to LESSEE that, to the best of LESSOR'S knowledge, the construction (including all LESSOR-constructed Premise Improvements), of the Premises and the non-exclusive areas of the building in which the Premises are located described in Article 1.2 was (and, in the case of the LESSOR-constructed Premise Improvements, will be) performed in full compliance with all applicable building and seismic codes, laws, regulations and ordinances.

11.3 **Hazardous Substances:** LESSEE shall have no liability or responsibility for toxic or hazardous materials or substances in existence on the demised premises prior to LESSEE'S occupancy of the Premises or which result from LESSOR'S acts or omissions or which occur on any portion of LESSOR'S property not occupied by LESSEE, unless caused by LESSEE, its agents, employees, invitees or guests. LESSOR warrants, to the best of LESSOR'S knowledge, that at the time of execution of this Lease there are no known areas on LESSOR'S property where hazardous or toxic materials or substances (including asbestos or PCBs) have been used, stored, or deposited, other than as described in Exhibit H attached hereto and incorporated herein by reference. LESSEE shall immediately notify LESSOR of any Hazardous Substances of which it becomes aware. LESSOR and LESSEE will comply with all applicable laws concerning the handling and removal of any hazardous materials, including asbestos or PCB containing materials.

11.4 **Environmental Hazards:** LESSOR hereby warrants and guarantees that the Premises and the non-exclusive areas of the building as described in Article 1.2 will be free of toxic mold spores upon delivery of possession of the Premises to LESSEE. LESSEE shall immediately notify LESSOR of any suspected appearance of toxic mold spores and of any conditions that may lead to the appearance of toxic mold spores, and LESSOR agrees to investigate same. A qualified industrial hygienist approved by LESSOR and LESSEE shall perform all testing that LESSOR deems necessary, with the test results/reports forwarded to LESSOR and LESSEE upon completion. LESSOR shall have any remediation deemed necessary by LESSOR, of toxic mold spores or of any items identified on Exhibit K, performed by a qualified remedial contractor and in compliance with all applicable laws and regulations. LESSOR specifically agrees that any costs related to investigation and remediation of toxic mold spores or the items identified on Exhibit K shall be LESSOR'S responsibility unless caused by LESSEE, its agents, employees, invitees or guests, in which case LESSEE shall be responsible for said costs.

LESSEE hereby acknowledges LESSOR'S warning (attached to this Lease as Exhibit H) regarding formaldehyde and other chemicals known to the State of California to cause cancer and birth defects or other reproductive harm, from exposures to materials used in and around the construction site of the building, which the Premises is a part of.

11.5 **Acceptance of Premises:** By entry hereunder, LESSEE accepts the Premises as being in good and sanitary order, condition and repair.

ARTICLE 12 - SIGNS AND FIXTURES

LESSEE may place such signs and advertisements upon the Premises as LESSEE may desire, subject to LESSOR'S sign plan and approval by the LESSOR which consent shall not be unreasonably withheld provided, however, that at the expiration of the term hereof or any renewal or extension of this Lease, LESSEE will remove said signs and will restore the Premises to their original conditions. Any trade fixtures, equipment, furniture, demountable walls, and other property installed in the Premises by and at the expense of the LESSEE shall remain the property of the LESSEE, and the LESSOR agrees that the LESSEE shall have the right at any time, and from time to time, to remove any and all of its trade fixtures, equipment and other property which it may have stored or installed in the Premises, provided the Premises are restored to LESSOR-acceptable condition. LESSEE'S right to remove property described in the immediately foregoing sentence shall become an obligation of LESSEE at the expiration or earlier termination of the Lease Term. The LESSOR agrees not to mortgage or pledge the LESSEE'S trade fixtures, equipment and other property owned by LESSEE.

ARTICLE 13 - SERVICES AND UTILITIES

Services and utilities shall be furnished and the cost borne as outlined in Exhibit D. LESSOR agrees to furnish to the Premises electricity for normal lighting, fractional horsepower office machines, and elevator service. LESSOR agrees to furnish to the Premises during reasonable hours of generally recognized business days to be determined by LESSOR, and subject to the Rules and Regulations of the building, heat and air conditioning required in LESSOR'S judgment for the comfortable use and occupancy of the Premises, janitorial, and window washing. LESSOR shall also maintain and keep lighted the common stairs, gallerias, entries and toilet rooms in the building. LESSOR shall not be liable for and LESSEE shall not be entitled to any reduction of rental by reason of LESSOR'S failure to furnish any of the foregoing when such failure is caused by accident, breakage, repairs, strikes, lockouts or other labor disturbances or labor disputes of any character, or by any other cause, similar or dissimilar, beyond the reasonable control of LESSOR.

As stated in Exhibit D, the term "adequate" shall mean sufficient enough to ensure the health, safety and general well being of the occupants or invitees of the Premises; the term "deemed necessary" shall mean that LESSOR and LESSEE are in agreement that action needs to be taken to ensure the health, safety and general well being of the occupants and or invitees of the Premises. The services and utilities to be furnished by LESSOR in Exhibit D shall be for normal office use associated with LESSEE'S use of the Premises. The term "normal office use" shall mean activities that are typically found in office buildings in the area by users who conduct administrative, professional and office functions that are consistent with the zoning for which the building is located. LESSEE will not, without the prior written consent of LESSOR and subject to any conditions, which LESSOR may impose, use any apparatus or device in the Premises which will in any way increase the amount of electricity or water usually furnished for use of the Premises as general office space. If LESSEE shall require water or electric current in excess of that usually furnished or supplied for use of the Premises as general office space, LESSEE shall first procure the consent of LESSOR. Wherever heat generating machines or equipment are used in the Premises which affect the temperature otherwise maintained by the air conditioning system, LESSOR reserves the right to install supplementary air conditioning units in the Premises and the cost thereof, including the cost of installation, operation and maintenance thereof, shall be paid by LESSEE to LESSOR upon demand by LESSOR. LESSOR shall not be liable for LESSOR'S failure to furnish any of the foregoing when such failure is caused by any cause beyond the reasonable control of LESSOR. LESSOR shall not be liable under any circumstances for loss of or injury to property, however occurring, in connection with failure to furnish any of the foregoing.

Normal office hours for the Building shall be 8:00 am to 6:00 pm on the weekdays, holidays excluded. LESSOR acknowledges that LESSEE will need access to the Premises 24 hours a day, 7 days a week. An employee of the LESSEE may need to be in the Premises for MANDATED EMERGENCY RESPONSES at any time of the day or night. This is not a regular occurrence, nor is the employee necessarily inside the premises for a very long time period. In the event that LESSEE should require additional services and utilities after-hours, other than as stated above, LESSEE shall pay LESSOR for the reasonable cost of such additional services or utilities needed within thirty (30) days of invoice by LESSOR.

ARTICLE 14 - REPAIR AND MAINTENANCE

14.1 LESSOR and LESSEE Obligations: The respective repair and maintenance responsibilities of LESSOR and LESSEE are set forth in Exhibit E. Summary of Repair and Maintenance Responsibilities, which by this reference is incorporated herein. As stated in Exhibit E, the term "deemed necessary" shall mean that LESSOR and LESSEE are in agreement that appropriate action needs to be taken to ensure the health, safety and general well being of the occupants and or invitees of the Premises.

14.2 **Negligent Acts or Omissions of LESSEE:** Notwithstanding the foregoing, LESSEE will pay to LESSOR the reasonable cost of any repairs or maintenance required as a result of negligent acts or omissions of, or which is otherwise the fault of, LESSEE, its agents, employees, contractors, guests, or invitees.

14.3 **Failure of LESSOR to Make Repairs:** If LESSOR fails to maintain the Premises or to make the repairs required in this article within the time periods as specified in Article 23.1, LESSEE may perform such maintenance or make such repairs at its expense and deduct the reasonable cost thereof from the rent due hereunder.

LESSOR agrees to perform all emergency repairs involving the Premises and the non-exclusive areas of the building as described in Article 1.2 with the utmost urgency. An emergency repair is a repair that is necessary in order to protect health and safety of persons or public property or to save the building's integrity.

14.4 **LESSOR/LESSEE Obligations in Applying Noxious Substances:** LESSOR and/or LESSEE, its officers, employees, and agents shall not apply any substance as part of any building maintenance or repair which would introduce irritating or noxious odors or any other hazardous condition to occupied spaces without prior coordination and approval of the County of Monterey Facilities Manager, who can be reached by telephone at (831) 755-4855. Prior notification and approval shall be made at least 48 hours prior to the desired application time. Also, a Product Safety Data Sheet shall be furnished by the proposed applicator to the **Health Department**. Examples of such substances or materials include, but are not limited to, the following:

- a. Termite Control Materials
- b. Pesticides
- c. Paint (excluding routine minor touch up in the common areas)
- d. Water Treatment Chemicals
- e. Any other substance that is or could be construed as hazardous (excluding common janitorial cleaning supplies)

ARTICLE 15 - SERVICE COMPANIES

[INTENTIONALLY LEFT BLANK]

ARTICLE 16 - ALTERATIONS, MECHANICS' LIENS

16.1 **Alterations:** Except as expressly provided to the contrary in Article 17, LESSOR and its agents, contractors and employees shall make all alterations and additions to the Premises. Except as expressly provided to the contrary in Article 17, LESSEE shall not make or allow any alterations, additions or improvements of or to the Premises. If LESSOR consents to construct any alterations, additions or improvements requested by LESSEE, they shall be made at LESSEE'S cost. Any alterations, additions or improvements, including, but not limited to, wall covering, paneling and built-in cabinet work, but excepting movable furniture and trade fixtures, shall become a part of the realty, shall belong to the LESSOR and shall be surrendered with the Premises at expiration or termination of the Lease; provided, however, that upon termination LESSEE shall, upon written demand by LESSOR, promptly pay LESSOR to remove any alterations, additions or improvements made at the request of LESSEE that would otherwise be required to be surrendered with the Premises. Such removal and repair of any damage to the Premises caused by such removal shall be at LESSEE'S cost. LESSEE shall approve in writing the fixed cost of any LESSEE requested work prior to LESSOR commencing work.

16.2 **Condition at Termination:** Upon termination of this Lease, LESSEE shall return the Premises in the same condition as when delivered to LESSEE, reasonable wear and tear, and damage by casualty not the fault of LESSEE, and alterations approved by LESSOR, excepted.

16.3 **Mechanic's Liens:** LESSEE shall keep the Premises free from any liens arising out of any work performed by, materials furnished to, or obligations incurred by LESSEE.

ARTICLE 17 - ELECTRICAL, COMMUNICATIONS AND ALARM WIRING

17.1 LESSEE shall contact LESSOR prior to installing or relocating any electrical, telephone, network, LAN, intercom, doorbell, or alarm wiring systems at the Creekbridge Office Center II.

17.2 All electrical wiring shall be installed by a licensed contractor in expanded metal tubing in accordance with the most current electrical code.

17.3 All communication cabling shall be installed by a licensed contractor and shall be plenum rated and shall not be installed as to lay on ceiling tile or t-bar grid systems. A certificate of compliance shall be provided by contractor to LESSOR at time of completion.

17.4 LESSOR shall not be financially responsible for any repair or replacement of any communication cables, telephone lines, telephone feeders, or trunk lines beyond the M.P.O. (minimum point of entry) established by Pacific Bell. If one or more of these lines serve several lessees, the cost of installation and repair shall be divided between the lessees currently being served by said lines.

17.5 Not all existing telephone rooms/punchdown boards are permanent. LESSEE and its contractor must verify location of termination points with the LESSOR prior to installation.

17.6 **No audible alarm systems will be permitted.** LESSOR will not assume any financial responsibility for any alarms attributable to its employees, contractors, including janitors, guards, or service personnel.

17.7 Any work requiring access to adjoining lessees' spaces shall be prearranged so that LESSOR can obtain permission for the intrusion/interruption of the space. LESSEE shall reasonably cooperate in arranging access to contractors for adjoining lessee when requested by LESSOR.

ARTICLE 18 - ENTRY BY LESSOR

LESSOR reserves the right to enter the Premises at any time to inspect the Premises, to provide any service for which LESSOR is obligated hereunder, to submit the Premises to prospective purchasers or lessees, to post notices of nonresponsibility, and to alter, improve, maintain or repair the Premises or any portion of the building of which the Premises are a part that LESSOR deems necessary or desirable, all without abatement of rent. LESSOR may erect scaffolding and other necessary structures where reasonably required by the character of the work to be performed, but shall not block entrance to the Premises and not interfere with LESSEE'S business, except as reasonably required for the particular activity by LESSOR. LESSOR shall not be liable in any manner for any inconvenience, disturbance, loss of business, nuisance, interference with quiet enjoyment, or other damage arising out of LESSOR'S entry on the Premises as provided in this paragraph, except damage, if any, resulting from the negligence or willful misconduct of LESSOR or its authorized representative. LESSOR shall retain a key with which to unlock all doors into, within and about the Premises, excluding LESSEE'S vaults, safes and files. In an emergency, LESSOR shall have the right to use any means which LESSOR deems reasonably necessary to obtain entry to the Premises, without liability to LESSEE, except for any failure to exercise due care for

LESSEE'S property. Any such entry to the Premises by LESSOR shall not be construed or deemed to be forcible or unlawful entry into or a detainer of the Premises or an eviction of LESSEE from the Premises or any portion thereof.

ARTICLE 19 - INSURANCE AND INDEMNIFICATION

LESSEE shall assume the risk of damage to any fixtures, goods, inventory, merchandise, equipment, furniture and leasehold improvements, and LESSOR shall not be liable for injury to LESSEE'S business or any loss of income therefrom relative to such damage. LESSEE shall, at all times during the term of this Lease, and at its own cost, procure and continue in force the insurance coverage described in Exhibit "M".

The limits of said insurance policies shall not, however, limit the liability of the LESSEE hereunder. LESSEE may carry said insurance under a blanket policy, providing, however, said insurance by LESSEE shall name LESSOR as an additional insured. If LESSEE shall fail to procure and maintain said insurance, LESSOR may, but shall not be required to, procure and maintain same, but at the expense of LESSEE. Insurance required hereunder shall be in companies that rate A- or better in "Best's Insurance Guide". LESSEE shall deliver to LESSOR prior to occupancy of the Premises copies of policies of insurance required herein or certificates evidencing the existence and amounts of such insurance satisfactory to LESSOR.

Except as to claims based on the negligence or willful misconduct of LESSOR, its agents or employees, LESSEE shall hold LESSOR harmless from any claims arising from LESSEE'S use of the Premises or from any activity permitted by LESSEE in or about the Premises, and any claims arising from any breach or default in LESSEE'S performance of any obligation under the terms of this Lease. If any action or proceeding is brought by reason of any such claim in which LESSOR is named as a party, LESSEE shall defend LESSOR therein at LESSEE'S expense by counsel reasonably satisfactory to LESSOR. LESSOR and its agents shall not be liable for loss or damage to any property by theft or otherwise, nor from any injury to or damage to persons or property resulting from any cause whatsoever, unless caused by or due to the negligence or willful misconduct of LESSOR, its agents, or employees. LESSEE shall give prompt notice to LESSOR in case of fire or accidents in the Premises or in the building or of alleged defects in the building, fixtures or equipment.

LESSOR shall hold LESSEE harmless from any claims based on the negligence or willful misconduct of LESSOR, or LESSOR'S agents or employees.

LESSOR agrees that it will keep insured against loss or damage by fire, to at least eighty percent (80%) of the full fair insurable value thereof, the building of which the Premises are a part.

ARTICLE 20 - WAIVERS OF SUBROGATION

As long as their respective insurers so permit, LESSOR and LESSEE each hereby waive any and all rights of recovery against the other for any loss or damage occasioned to such waiving party or property of others under its control to the extent that such loss or damage is insured under any fire or extended coverage insurance policy which either may have in force at the time of such loss or damage.

ARTICLE 21 - DESTRUCTION

If the Premises are totally destroyed by fire or other casualty, either party may terminate this Lease immediately by giving notice to the other party.

If such casualty shall render twenty-five percent (25%) or less of the floor space of the Premises unusable for the purpose intended, LESSOR shall effect restoration of the Premises as quickly as is

reasonably possible, but in any event restoration shall begin within thirty (30) days after such destruction.

If such casualty shall render more than twenty-five percent (25%) of such floor space unusable but not constitute total destruction, LESSOR shall forthwith give notice to LESSEE of the specific number of days required to repair the same. If LESSOR under such circumstances shall not give such notice within **thirty (30) calendar days** after such destruction, or if such notice shall specify that such repairs will require more **than one hundred eighty (180) calendar days** to complete from the date such notice is given, LESSEE, in either such event, at its option, may terminate this Lease.

In the event of any such destruction other than total, where LESSEE has not terminated the Lease as herein provided, LESSOR shall diligently prosecute the repair of the Premises and, in any event, if said repairs are not completed within **sixty (60) calendar days** from the work commencement date, for destruction aggregating ten percent (10%) or less of the floor space, or within the period specified herein in connection with partial destruction aggregating more than ten percent (10%), LESSEE shall have the option to terminate this Lease. LESSEE shall assist LESSOR with obtaining all applicable building permits if necessary.

Parties understand that, in normal circumstances, work cannot commence before a building permit is obtained. Time deadlines set forth herein shall not commence before required permits are issued. LESSOR warrants to diligently pursue issuance of said permits.

If LESSEE remains in possession of the Premises though partially destroyed, the rent for said Premises as herein provided, during restoration, shall be reduced by the same ratio as the rentable square feet LESSEE is thus precluded from occupying bears to the total rentable square feet in the Premises.

Notwithstanding anything foregoing to the contrary, no rental reduction shall occur in the event of a casualty that is the fault of LESSEE, and the cost of reconstruction stemming from any such casualty shall be borne solely by LESSEE.

ARTICLE 22 - DEFAULT BY LESSEE

22.1 **Default:** If any of the following events occur, each such event shall constitute a material breach of this Lease, and LESSOR may, at LESSOR'S option, exercise any or all rights and remedies described in Article 22.2 or available to a LESSOR under the laws of the State of California:

- a. A default in the payment of rent or other monetary obligation when such default continues for a period of **fifteen (15) days** after written notice (which written notice shall satisfy any statutory notice requirement of the California Civil Code), or
- b. LESSEE fails to faithfully perform or observe any other covenant or undertaking required under this Lease and such failure continues for a period of thirty (30) days after written notice thereof, or
- c. LESSEE is adjudicated bankrupt, or
- d. LESSEE'S lease interest is sold under execution of judgment.

22.2 **Remedies:** If LESSEE fails to cure a prospective default within the time frames outlined above, LESSOR shall have the option to cure the default or to terminate this Lease, in addition to any other remedies and relief available under California law (all of which, along with any other remedies and relief of LESSOR contained in this Lease, shall be construed and held to be cumulative, and LESSOR shall have the right to pursue any one or all of such remedies and relief). Should LESSOR elect to cure the default itself, all costs associated with such cure, including reasonable attorneys' fees (if any), shall be reimbursed by LESSEE to LESSOR, as additional rent, within thirty (30) days of receipt of LESSOR'S invoice for said costs.

ARTICLE 23 - DEFAULT BY LESSOR

23.1 **Default:** LESSOR shall not be in default unless LESSOR fails to perform its obligations under this Lease within a reasonable time, but in no event later than thirty (30) days after written notice by LESSEE

to LESSOR specifying wherein LESSOR has failed to perform such obligations. If the nature of LESSOR'S obligation is such that more than thirty (30) days are required for performance, then LESSOR shall not be in default if LESSOR commences performance within such thirty (30) day period and thereafter diligently prosecutes the same to completion.

23.2 **Remedies:** If LESSOR fails to cure a prospective default within the time periods outlined above, LESSEE shall have the option to cure the default or to terminate this Lease, in addition to any other remedies and relief available under California law (all of which, along with any other remedies and relief of LESSEE contained in this Lease, shall be construed and held to be cumulative, and LESSEE shall have the right to pursue any one or all of such remedies and relief). Should LESSEE elect to cure the default itself, all costs associated with such cure, including reasonable attorneys' fees (if any), shall be reimbursed by LESSOR to LESSEE within thirty (30) days of receipt of LESSEE'S invoice for said costs. However, upon LESSOR'S failure to so reimburse, at LESSEE'S option, said costs shall be held from rent due hereunder. If LESSOR'S default hereunder prevents LESSEE'S use of the Premises, there shall be an abatement of rental payments for the period of such non-use.

ARTICLE 24 - CONDEMNATION

If more than **twenty-five percent (25%)** of the floor space area of the Premises is taken or condemned for a public or quasi-public use and the part taken renders the entire Premises insufficient for the conduct of LESSEE'S business and operations, then this Lease shall terminate at the option of LESSEE as of the date title shall vest in the condemner. If only part of the Premises is taken and the remainder of the Premises is sufficient for the conduct of LESSEE'S business and operations, then LESSOR shall restore the Premises to a single architectural unit and the Lease shall continue as to the part not taken, but the monthly rent shall be reduced in proportion that the rentable area of the Premises taken bears to the rentable area of the Premises before the taking.

ARTICLE 25 - HOLDING OVER

If LESSEE, with LESSOR'S written consent, remains in possession of the Premises after the Lease Term or any Extended Term, this Lease shall automatically be extended on a two month-to-two month basis at the monthly rent applicable to the last month of the Lease Term or Extended Term, subject to termination upon sixty (60) days' written notice by either party. All other terms and conditions shall remain in full force and effect.

ARTICLE 26 - WAIVER

The waiver by LESSOR or LESSEE of any term, covenant or condition herein contained shall not be deemed to be a waiver of any other term, covenant or condition, nor shall either party consent to any breach of any term, covenant or condition, nor shall either party be deemed to constitute or imply its consent to any subsequent breach of the same or other term, covenant or condition herein contained.

ARTICLE 27 - QUIET POSSESSION

As long as LESSEE keeps and performs the covenants in this Lease, and subject to the provisions of this Lease and any applicable provision of law, LESSEE shall at all times during the term of this Lease peaceably and quietly have, hold and enjoy the Premises, without suit, trouble or hindrance from LESSOR or any person validly claiming under LESSOR.

ARTICLE 28 - SUBORDINATION

This Lease shall be subject and subordinated to the lien of any mortgages and deeds of trust which are now or hereafter placed against the LESSOR'S interest or estate in the property provided that the mortgagor or beneficiary under such mortgage or deed of trust shall agree in writing that, in the event of a foreclosure of same or of any other such action or proceeding for the enforcement thereof, or of any sale thereunder, this Lease shall not be barred, terminated, cut off, or foreclosed, nor will the rights and possession of LESSEE hereunder be disturbed, if LESSEE shall not then be in default under the terms of this Lease, and LESSEE shall attorn to the purchaser at such foreclosure, sale or other action or proceeding. The foregoing subordination shall be effective without the necessity of having any further instruments executed by LESSEE, but LESSEE shall nonetheless execute, upon demand, such further instruments evidencing such subordination as may be reasonably requested by LESSOR or any mortgagee or beneficiary.

ARTICLE 29 - ESTOPPEL CERTIFICATE

Within ten (10) days of written notice by one party to the other, each will execute, acknowledge and deliver to the other an estoppel certificate in writing declaring any modifications, defaults or advance payments and whether the lease, as may be modified, is in full force and effect. Any such certificate may be conclusively relied upon for the intended transaction for which the statement was requested.

ARTICLE 30 - MISCELLANEOUS PROVISIONS

30.1 **No Amendments:** No oral amendment of this Lease shall be valid unless made in writing and signed by the parties hereto, and no prior oral understanding or agreement not incorporated herein shall be binding on either party hereto.

30.2 **Time is of the Essence:** Time is of the essence of each term and provision of this Lease.

30.3 **Binding Effect:** Subject to any provision hereof restricting assignment or subletting by LESSEE, this Lease shall bind the parties, their personal representatives, successors, and assigns.

30.4 **Invalidity:** The invalidity of any provision of this Lease as determined by a court of competent jurisdiction shall in no way affect the validity of any other provision hereof.

30.5 **Warranty of Authority:** If LESSOR is a corporation, the person executing this Lease on behalf of LESSOR hereby covenants and warrants that LESSOR is a duly authorized and existing corporation and that he/she is duly authorized to execute this Lease.

30.6 **Addendum:** In the event of conflict between this Lease and any Addendum or Exhibit attached hereto, the provisions of such Addendum or Exhibit shall control.

30.7 **Confidentiality of LESSEE'S Services/Clients:** LESSOR recognizes and understands that LESSEE'S services, identity of clients, and records relate to a confidential relationship between the LESSEE and its clients, and LESSOR agrees that, in its interaction with LESSEE, its clients and records, whether through itself, its employees, or its agents, it will maintain such confidences as might become available to it and not release or divulge such confidential identities, information, or records; provided that all such confidential items are maintained in a locked environment and that any confidential items are shredded prior to disposing of them in trash receptacles.

ARTICLE 31 - MAJOR APPLIANCES

Installation of major appliances such as vending machines, refrigerators, stoves, etc., must be approved by LESSOR prior to installation. The LESSOR will grant installation approval for new appliances only. Such approval shall not be unreasonably withheld.

ARTICLE 32 - ASSIGNMENT AND SUBLETTING

LESSEE shall not assign or sublet all or any portion of the Premises without the prior written consent of LESSOR, which consent shall not be unreasonably withheld.

ARTICLE 33 - RULES AND REGULATIONS

LESSEE shall faithfully observe and comply with the rules and regulations attached as Exhibit "L" to this Lease, as well as such rules and regulations that LESSOR shall from time to time promulgate. LESSOR reserves the right from time to time to make all reasonable modifications to those rules which shall be binding on LESSEE upon delivery of a copy of them to Lessee. PREMISE IMPROVEMENT AGREEMENT

This Premise Improvement Agreement is made **this 31st day of July, 2007**, by and between **Creekbridge Office Center II, LLC**, ("LESSOR"), and **COUNTY OF MONTEREY** ("LESSEE").

1. Premise Improvements:

- a. LESSOR shall construct all Premise Improvements in accordance with the Plans and Specifications as approved by LESSOR and LESSEE and as further defined in Article 7 of the Lease Agreement to which this Exhibit is attached. All Premise Improvements shall be constructed using building standard materials (except where otherwise indicated in the Plans and Specifications). Premise Improvements must satisfy all Federal and State building codes and regulations.
- b. Premise Improvements are generally described as follows: the construction of approximately **10,593 useable square feet** of general office space to conform to LESSEE'S approved program for the use of the Premises.
- c. LESSOR shall commence construction of the Premise Improvements work at the earliest reasonable opportunity, but not more than 5 business days following issuance of building permit. Plans and Specifications shall be approved by LESSOR and LESSEE prior to submittal to the **City of Salinas** Building and Planning Department.
- d. LESSOR shall pursue construction of approved Premise Improvements work with reasonable promptness and deliver the Premises to LESSEE in a condition suitable for occupancy.

2. Construction Plans and Specifications, Change Orders and Delay:

- a. The complete and detailed Plans and Specifications for the Premise Improvements, the design of which conforms to LESSEE'S approved program for use of the Premises, are attached hereto as Exhibit C-1.
- b. *[intentionally omitted]*
- c. During construction, LESSOR'S and LESSEE'S Representatives (as defined below) shall confer periodically regarding the progress of the work and the approximate cost of the work completed. LESSEE'S Representative may request changes, modifications or alterations to the Plans and Specifications by written change order delivered to LESSOR, but no such change shall be made without the written approval of LESSOR, which approval shall not be unreasonably withheld. LESSOR shall approve or deny each LESSEE change order within four (4) business days, and LESSOR shall also provide to LESSEE'S Representative, by written notice to LESSEE, an estimate of the maximum cost of each change order within five (5) business days after the delivery of the change order to LESSOR. No work based upon a change order shall be undertaken unless and until LESSEE'S Representative shall have approved (by notice to LESSOR) LESSOR'S cost estimate. LESSEE shall reimburse LESSOR for the cost of any/all change orders within **thirty (30)** days of LESSEE'S acceptance of the Premises.

- d. If LESSOR determines that a change proposed by LESSEE will delay completion of the construction beyond the period allocated for such construction, LESSOR shall, within four (4) business days, notify LESSEE'S Representative of the estimated length of the delay caused by LESSEE'S request. LESSEE'S Representative shall advise LESSOR within two (2) business days after receipt of such notice as to whether LESSOR shall proceed with the requested change, modification or alteration. LESSOR shall not make the requested change to the Plans and Specifications without LESSEE'S approval of any proposed time extensions.
 - e. If LESSOR requires that LESSEE clarify or refine the Plans and Specifications, then LESSEE'S Representative shall meet with LESSOR for the purpose of clarifying or refining the Plans and Specifications within two (2) business days after LESSEE'S receipt of LESSOR'S request therefore. No such clarification or refinement shall be deemed to be a change order.
 - f. If LESSOR determines that the Plans and Specifications must be changed as a result of omissions or errors in the Plans and Specifications, then LESSOR shall prepare and submit to LESSEE revised Plans and Specifications correcting any such omission or error. LESSEE shall approve or disapprove such revised Plans and Specifications within two (2) business days after receipt and shall not unreasonably withhold its approval.
 - g. LESSOR shall not be responsible for any delays in the time for completion of construction resulting from LESSEE'S delay. For purposes herein, LESSEE'S delay in the completion of the construction of the Premise Improvements are delays that may arise solely as a result of: (1) LESSEE'S failure to comply with its obligations set forth in subsection b, d, e, or f, above, within the time specified; (2) any change directed by LESSEE after notification to LESSEE that the change will delay completion of the construction as provided in subsection d, above; or (3) extra time required to obtain any long lead items specified by LESSEE. For purposes herein, an item shall be considered a long lead item if LESSOR notifies LESSEE within fifteen (15) business days after receipt of LESSEE'S approval of the Plans and Specifications that such item is not readily available or readily installable after the same is requested by LESSEE.
3. Approval of Plans by Public Authorities: LESSOR shall obtain approval of the Plans and Specifications for the Premises from all appropriate government agencies, and a copy of the Plans and Specifications, as approved, shall be dated and initialed by both LESSOR and LESSEE. LESSOR shall exercise reasonable promptness in obtaining any such approval. LESSEE shall cooperate with LESSOR in obtaining all such approvals, and in this regard, LESSEE shall make, or cause it to be made, all revisions and changes to the Plans and Specifications reasonably required by any governmental agency, with reasonable promptness and without delays.
4. Quality of Work: All work performed hereunder shall be done in a good and workmanlike manner, free from faults and defects and in accordance with the Plans and Specifications. All materials and equipment installed in the Premise Improvements shall be new unless otherwise specified in the Plans and Specifications.
5. LESSEE'S Access during Construction: LESSEE'S Representative, agents, consultants and contractors ("LESSEE Representatives") shall have access to the Premises during the construction of the Premise Improvements for activities and purposes related to construction of the Premises or preparation of the Premises for occupancy. LESSEE'S Representatives on the Premises during construction shall cooperate with LESSOR'S contractor and not delay or interfere in any way with the performance by LESSOR'S contractors or LESSOR'S representatives of any work (including but not limited to the construction of Premise Improvements). LESSEE and LESSOR shall inspect the Premises for any punch list items once the Premise Improvements are complete and the City has issued a certificate of occupancy.

6. Acceptance of Premises:

- a. At any time during the construction of the Premise Improvements, LESSEE may reject any work that does not conform to the Plans and Specifications.
- b. Within five (5) business days after LESSOR delivers to LESSEE a list of work items remaining to be done or corrected and notifies LESSEE that the Premise Improvements are ready for inspection by LESSEE'S representative, LESSEE shall deliver to LESSOR a list of items that LESSEE shall have reasonably determined that LESSOR must complete or correct prior to LESSEE'S acceptance of possession in order for the work to conform to the Plans and Specifications or a notice informing LESSOR that no such items exist. LESSOR shall immediately commence to complete or correct the items listed by LESSEE, except those it contends are not justified. If LESSEE fails to deliver such a list within the five (5) business days period, LESSEE shall be deemed to have accepted the Premises subject to completion of the corrections on LESSOR'S list of corrections and to have approved the construction.
- c. Acceptance by LESSEE shall not be unreasonably withheld.

7. Notices: All notices required or permitted hereunder shall be in writing and shall be delivered as follows:

- a. If to LESSOR, to: Creekbridge Office Center II, LLC (LESSOR'S

8. Notice of Non-Responsibility: LESSOR may post such notices of non-responsibility as it reasonably deems appropriate in the Premises during the construction provided for herein.
9. Responsibility for Damage: If LESSEE installs equipment in the Premises prior to completion of the work hereunder, LESSEE shall bear the risk of loss to such equipment other than loss that is a result of the sole negligence or willful misconduct by LESSOR, its agents, employees or contractors.
10. Approval of Agreement: Approval of this Agreement will result in a construction of a facility intended by LESSEE to be suitable for the Monterey County **Health Department**. This agreement specifically excludes the installation of necessary telephone, telecommunications/data processing linkages, and alarm systems. The exposures are caused by the materials of which the office buildings on this site are constructed. **Environmental exposures to chemicals known to the State of California to cause cancer and birth defects or other reproductive harm will continue for as long as Creekbridge engages in ongoing construction on and around the surrounding property.**

Formaldehyde. The United States Environmental Protection Agency, the California Air Resources Board, and other agencies have measured the presence of formaldehyde in the indoor air of homes in California. Levels of formaldehyde that present a significant cancer risk have been measured in most homes and offices. Formaldehyde is present in the air because it is emitted by a variety of building materials and products purchased by the builder from materials suppliers. These materials and products include carpeting, pressed wood products, insulation, plastics, and glues.

Other Chemicals. The Premises and/or ongoing construction sites in this development have not been tested. Given the cost of testing, it is not feasible to test every rental property and nearby construction site to ascertain the level of formaldehyde or other carcinogens and reproductive toxicants present in the rental property or ongoing construction sites nearby. Most homes, offices and construction sites that have been tested elsewhere do contain formaldehyde as well as other carcinogens and reproductive toxicants, although their concentrations vary from property to property with no obvious explanations for the differences. One of the problems is that many of the suppliers of building materials and products do not provide information on chemical ingredients to their builders. In the absence of specific information on these leased premises, and in light of the materials used in and around their construction, we believe that a warning is necessary.

Please provide this warning to invitees and guests entering this leased property. You may have further questions about these issues. Creekbridge Office Center II, LLC, has made no inquiries of our material suppliers concerning these matters. Creekbridge is willing to provide, upon request, the names of known material suppliers, which may be contacted for further information.
