SUMMARY:

First 5 Monterey County enriches the lives of children, prenatal through age five, and their families by strengthening connections and advancing quality within a whole system of care and support. First 5 Monterey County is the fiscal sponsor of Bright Beginnings, which is an early childhood development initiative and is the host of the Bright Beginnings backbone team.

The purpose of this Agreement is to continue the County's collaboration with First 5 Monterey County to enhance the health of children and their families. The Agreement supports Bright Beginning's general operations, enhances its strategy-aligned projects, and connects projects to indicators of success. Backbone activities are based on the five conditions of the Collective Impact framework, including a common agenda, shared measurement, mutually reinforcing activities, and continuous communication. Other activities in this Agreement include capacity building, partnership cultivation, monitoring, and evaluation.

This agreement is being presented for ratification. Due to delays in receiving and reviewing documents from the vendor and the prioritization of other COVID-19-related agreements, the Health Department was not able to process this agreement in a timely fashion.

Communicate effectively to inform and educate people about health, factors that influence it, and how to improve it; 4. Strengthen, support and mobilize communities and partnerships to improve health; and 7. Assure an effective system that enables equitable access to the individual services and care needed to be healthy.
