RE: Addendum to Agreement Number 16WSCA600466210 Amendment 1

Dear Mr. Holm

The U.S. Geological Survey requires correction addendum to agreements executed and processed within the Federal Financial Business System. An administrative error was found on page two section 2(b) in the detail of total contribution by USGS and Monterey County Resources Management Agency (MCRMA).

In order to document this error has been identified and corrected, USGS request MCRWA sign, date, and return this letter via fax, mail, or PDF attachment to e-mail.

- *Bill Frequency – (Circle one) Monthly Quarterly Semi-Annual Annual
- Agency Location Number (ALC) (Federal) _____
- *Treasury Account Symbol and Legal Authority (Federal) _____
- *Replace Economy Act Authority with _____
- Accounting Classification Code (Federal) _____
- *Mandatory Termination/Cancellation Clause (non-Federal) _____
- *Authority to Publish (non-Federal): It is understood that the results of this work will be available to the USGS for publication and use in connection with related work.
- *Other: Due to administrative error found on page one, section 2b incorrect amount \$757,300 stated should read \$757,330. This does not change the executed approved amount.

Thank you for your prompt attention to this matter.

Sincerely,

Irene A. Rios,

USGS Representative
