SUMMARY:

On December 20, 1972, the County of Monterey Planning Commission approved a Use Permit (PC01584) that allowed the establishment of the Chamisal Tennis and Fitness Club consisting of 14 courts, a clubhouse, and swimming pool. The applicant proposes a Minor and Trivial Amendment to the original Use Permit to allow for the conversion of two tennis courts into eight pickleball courts, the addition of three pickleball courts, and the future potential to convert one tennis court into four additional pickleball courts. At full build-out, a total of 25 athletic courts would be available to the Chamisal Tennis and Fitness Club members.

The Zoning Administrator considered this project on April 10, 2025. After public testimony, the Zoning Administrator continued the hearing to May 29, 2025, and requested that the applicant provide staff with additional materials related to noise quality, water use, and membership

numbers. An updated acoustical assessment was submitted to HCD-Planning staff, however, it did not address noise quality, only quantity. Additionally, although historical membership numbers were submitted, the applicant has yet to submit water demand calculations. Staff is working with the applicant to obtain the requested information. Therefore, staff recommends that the Zoning Administrator continue the hearing to a date uncertain.
