INFORMATION TECHNOLOGY DEPARTMENT**

The Political Reform Act of 1974 (Government Code section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation, section 18730 of Title 2 of the California Code of Regulations, which contains the terms of a standard conflict of interest code that can be incorporated by reference in a Department’s code. After public notice and hearing, the Fair Political Practices Commission may amend the standard code to conform to amendments of the Political Reform Act. Therefore, the terms of section 18730 of title 2 of the California Code of Regulations and any amendments to it duly adopted by the Fair Political Practices Commission together with the attached Appendices designating positions and establishing disclosure categories are hereby incorporated by reference and together constitute the Conflict of Interest Code of the **Information Technology Department** of the County of Monterey (hereafter “Department”).

Individuals holding designated positions shall file their statement of economic interests with the **Information Technology Department** of the County of Monterey, which will make the statements available for public inspection and reproduction pursuant to Government Code section 81008. Upon receipt of the statement for **Chief Information Officer**, the Department shall make and retain copies and forward the original of the statements to the code reviewing body. Such determination must be made in writing and shall include a description of the consultant's duties and, based upon that description, a statement of the extent of the consultant's disclosure requirements. Such determination by the **Chief Information Officer** is a public record and shall be retained for public inspection in the same manner and location as the Department's Conflict of Interest Code.

When an individual who holds a designated position is required to disclose investments and sources of income, he or she shall disclose investments in business entities and sources of income which do business in the jurisdiction, plan to do business in the jurisdiction, or have done business in the jurisdiction within the past two years. In addition to other activities, a business entity is doing business within the jurisdiction if it owns real property within the jurisdiction.

When an individual who holds a designated position is required to disclose sources of income, he or she shall include gifts received from donors located inside as well as outside the jurisdiction.

When an individual who holds a designated position is required to disclose interests in real property, he or she shall disclose the type of real property described below if it is located within the jurisdiction, or not more than two miles outside the boundaries of the jurisdiction, or within two miles of any land owned or used by Department.

When an individual who holds a designated position is required to disclose business position, he or she shall disclose positions in business entities that do business in the jurisdiction, plan to do business in the jurisdiction, or have done business in the jurisdiction within the past two years.
