### SUMMARY/DISCUSSION:

The agreement provides the Department of Social Services - Family and Children's Services with assistance in conducting family evaluations for Resource Family Approvals (RFA). Resource families include foster parents, foster-to-adopt families, kinship and non-relative care givers.

RFA was authorized through Senate Bill 1013 (Chapter 35, Statutes of 2012) and requires the State Department of Social Services, in consultation with the county welfare agencies, foster parent associations, and other interested community parties, to implement a unified, family friendly and child-centered resource family approval process. Monterey County will team with Aspiranet and utilize other strategies to ensure families are assessed for RFA approval in a timely manner. This Agreement will allow for open communication, oversight of adherence to RFA requirements and time frames, discussion and decision making regarding written referral and assessment issues, evaluation of contract usage and effectiveness, and making recommendations for processing, or process modifications.

Aspiranet is a full-service agency providing family evaluation assessments to Resource Families and continues to provide services focused on retention efforts to ensure children remain in Monterey County.
